## Basic Information

### 1. Why was this Notice issued?

The Circuit Court of Boone County, Missouri, authorized this Notice. You have a right to know about the proposed Settlement of this class action lawsuit, and about all of your options, before the Court decides whether to grant final approval of the Settlement. This Notice explains the lawsuit, your legal rights, what benefits are available, and who can receive them.

The lawsuit is called *Griffin Cook. v. QPharma Inc.*, Case No. 25BA-CV01773. It is pending in the Circuit Court of Boone County, Missouri. The person that filed this lawsuit is called the “Plaintiff” (or “Class Representative”) and the company they sued, QPharma Inc., is called the “Defendant.”

### 2. What is this lawsuit about?

This lawsuit alleges that during the December 2024 targeted cyberattack on QPharma's computer systems, certain files that contained private information were accessed. These files may have contained personal information such as information that identifies an individual or that in combination with other information can be used to identify, locate, or contact an individual.

### 3. What is a class action?

In a class action, one or more individuals sue on behalf of other people with similar claims. These individuals are called the “Plaintiffs” or “Class Representatives.” Together, the people included in the class action are called a “Class” or “Class Members.” One court resolves the lawsuit for all Class Members, except for those who opt out from the settlement. In this Settlement, the Class Representative is Griffin Cook. Everyone included in this Action are the Class Members.

### 4. Why is there a Settlement?

The Court did not decide whether the Plaintiff or the Defendant are right. Both sides have agreed to a Settlement to avoid the costs and risks of a trial, and to allow the Class Members to receive benefits from the Settlement. The Plaintiff and their attorney think the Settlement is best for all Class Members.

## Who is in the Settlement?

### 5. Who is included in the Settlement?

The court has defined the Class this way: “All individuals residing in the United States whose Personal Information was potentially compromised in the Data Incident affecting Defendant which occurred in December 2024, including all those individuals who received notice of the Data Incident.”

### 6. Are there exceptions to being included?

Yes. Excluded from the Class are: (1) the Judge in this case, and the Judge’s family and staff; (2) QPharma and its officers, directors, and related companies; and (3) anyone who validly excludes themselves from the Settlement.

## **The Settlement Benefits**

### **7. What does the Settlement provide?**

All Settlement Class Members may choose **one of the following two options**, as explained in more detail below:

- 1. Credit Monitoring and Loss-Based Claims, OR**
- 2. An Alternative Cash Payment in lieu of all other benefits.**

#### **CREDIT MONITORING AND LOSS BASED CLAIMS (Option 1).**

**Credit Monitoring Services:** All Settlement Class Members who do not elect the Alternative Cash Payment are eligible to enroll in two years of CyEx Financial Shield Complete. This service includes \$1 million in financial fraud insurance and monitoring for:

- fraud or identity theft
- unauthorized financial transactions
- personal information associated with high-risk transactions

If anything, suspicious happens, you will be able to talk to a fraud resolution agent to help fix any problems.

**Claims for Ordinary Losses (out-of-pocket losses).** If you incurred actual documented out-of-pocket expenses due to the Data Incident, you can get back up to **\$750.00**. The losses must have occurred between December 16, 2024, and July 7, 2026.

This benefit covers out-of-pocket expenses like:

- fees for credit reports, credit monitoring, or freezing and unfreezing your credit
- cost to replace your IDs
- postage to contact banks by mail

You need to send proof, like receipts, to show how much you spent or lost. You can also send notes or papers you made yourself to explain or support other proof, but those notes or papers alone are not enough to make a valid claim. Your proof or notes should show that your expenses were because of the Data Incident.

You cannot claim a payment for expenses that have already been reimbursed by a third party.

**Claims for Extraordinary Losses (losses from identity theft or fraud).** If you lost money because of identity theft or fraud, you can get back up to **\$5,000.00**.

You will need to show that:

- the theft or fraud was probably caused by the Data Incident
- the losses are not already covered by **Ordinary Losses**
- you tried to prevent the loss or get your money back, such as by using insurance you already have

The losses must have occurred between December 16, 2024, and July 7, 2026.

You need to send proof, like receipts, to show how much you spent or lost. You can also send notes or papers you made yourself to explain or support other proof, but those notes or papers alone are not enough to make a valid claim. Your proof or notes should show that your expenses were because of the Data Incident.

You cannot claim a payment for expenses that have already been reimbursed by a third party.

**Claims for Lost Time.** Class Members who spent time responding to the Data Incident may claim up to four hours, at \$20.00 per hour, for a maximum of **\$80.00**.

You must have spent the time on tasks related to the Data Incident. Some examples include things like:

- changing your passwords
- investigating suspicious activity in your accounts
- researching the Data Incident

The amount of Lost Time you claim will count towards the \$750.00 cap for Claims for Ordinary Losses.

#### **ALTERNATIVE CASH PAYMENT (Option 2).**

**Alternative Cash Payment.** *Instead of Credit Monitoring and any other Loss-based claims described above under Option 1, you may elect to receive a one-time **\$50.00** cash payment. You do not have to provide any documents, proof or explanation to claim this payment. Class Members who elect the Alternative Cash Payment are not eligible to receive Credit Monitoring or any of the other Loss-based claims described above under Option 1.*

## **8. What claims am I releasing if I stay in the Class?**

If you stay in the class, you won't be able to be part of any other lawsuit against QPharma about the issues that this Settlement covers. The "Releases" section of the Settlement Agreement (Section XII) describes the

legal claims that you give up if you remain in the Class. The Settlement Agreement is available at [QPharmaDataIncident.com](http://QPharmaDataIncident.com).

### **11. When will the Settlement benefits be issued?**

The Court will hold a final approval hearing on July 13, 2026, (**see Question 18**). If the Court approves the Settlement, there may be appeals. We do not know if appeals will be filed, or how long it will take to resolve them if they are filed.

Settlement payments will be distributed if the Court grants final approval, and after any appeals are resolved.

## **The Lawyers Representing You**

### **12. Do I have a lawyer in the case?**

Yes, the Court has appointed attorney Cassandra P. Miller of Strauss Borrelli PLLC, to represent you and other Class Members ("Class Counsel").

### **13. Should I get my own lawyer?**

You will not be charged for Class Counsel's services. If you want your own lawyer, you may hire one at your expense.

### **14. How will Class Counsel be paid?**

Class Counsel will ask the court to approve up to \$110,000.00 as reasonable attorney's fees and costs of litigation. This amount will be paid by QPharma separate from the class benefits.

Class Counsel will also ask for a Service Award Payment of \$2,500.00 for the Class Representative. The Service Award Payment will be paid from the separate from the class benefits.

## Excluding Yourself from the Settlement

### 15. How do I opt out of the Settlement?

If you do not want to be part of the Settlement, you must formally exclude yourself from the Settlement. This is called a Request for Exclusion, and is sometimes also called “opting out.” If you opt out, you will not receive Settlement benefits or payment. However, you will keep any rights you may have to sue QPharma on your own about the legal issues in this case.

If you exclude yourself, you are telling the Court that you do not want to be part of the Settlement. You will not be eligible to receive any Settlement benefits if you exclude yourself.

The deadline to exclude yourself from the Settlement is **June 8, 2026**.

To be valid, your Request for Exclusion must have the following information:

- (1) the name of the Litigation: *Griffin Cook. v. QPharma Inc.*, Case No. 25BA-CV01773, pending in the Circuit Court of Boone County, Missouri;
- (2) your full name, mailing address, telephone number, and email address;
- (3) personal signature; and
- (4) the words “Request for Exclusion” or a clear and similar statement that you do not want to participate in the Settlement.

You may only exclude yourself—not any other person.

Mail your Request for Exclusion to the Settlement Administrator at:

QPharma Data Incident Settlement  
c/o Settlement Administrator  
P.O. Box 25226  
Santa Ana, CA 92799

Your Request for Exclusion must be submitted, postmarked, or emailed by **June 8, 2026**.

## Commenting on or Objecting to the Settlement

### 16. How do I tell the Court if I like or do not like the Settlement?

If you are a Class Member and do not like part or all of the Settlement, you can object to it. Objecting means telling the Court your reasons for why you think the Court should not approve the Settlement. The Court will consider your views.

You cannot object if you have excluded yourself from the Settlement (**see Question 15**)

You must provide the following information for the Court to consider your objection:

- (1) the name of the Litigation: *Griffin Cook. v. QPharma Inc.*, Case No. 25BA-CV01773, pending in the Circuit Court of Boone County, Missouri;
- (2) your full name, mailing address, telephone number, and email address;

- (3) a clear description of all the reasons you object; include any legal support, such as documents, you may have for your objection;
- (4) whether the objection applies only to you, or to other Class Members, as well;
- (5) if you have hired your own lawyer to represent you for this objection, provide their name, bar number, and contact information;
- (6) whether or not you or your lawyer would like to speak at the Final Approval Hearing;
- (7) if you or your lawyer have objected in any other cases, list the names, courts, and civil action numbers for each of those cases; and
- (8) your signature (or, if you have hired your own lawyer, your lawyer's signature).

For your objection to be valid, it must meet each of these requirements.

To be considered by the Court, you must file your complete objection with the Clerk of Court by June 8, 2026. You must also send a copy of the objection to the Settlement Administrator.

Clerk of the Court	Settlement Administrator
Clerk of the Court Boone County Courthouse, 705 E Walnut St, Columbia, MO 65201	QPharma Data Incident Settlement c/o Settlement Administrator P.O. Box 25226 Santa Ana, CA 92799

## 17. What is the difference between objecting and excluding?

Objecting is telling the Court that you do not like something about the Settlement. You can object to the Settlement only if you do not exclude yourself from the Settlement. Excluding yourself from the Settlement is opting out and stating to the Court that you do not want to be part of the Settlement. If you opt out of the Settlement, you cannot object to it because the Settlement no longer affects you.

## The Court's Final Approval Hearing

### 18. When is the Court's Final Approval Hearing?

The Court will hold a final approval on **July 13, 2026, at 2:00 p.m., Central Time**, of the Circuit Court of Boone County, Missouri, at Boone County Courthouse, 705 E Walnut St, Columbia, MO 65201

At the final approval hearing, the Court will decide whether to approve the Settlement. The court will also decide how Class Counsel should be paid, and whether to award a Service Award Payment to the Class Representative. The Court will also consider any objections to the Settlement.

If you are a Class Member, you or your lawyer may ask permission to speak at the hearing at your own cost (**See Question 16**).

The date and time of this hearing may change without further notice. Please check [QPharmaDataIncident.com](http://QPharmaDataIncident.com) for updates.

### 19. Do I have to come to the Final Approval Hearing?

No. Class Counsel will answer any questions the Court may have. You may attend at your own expense if you wish, but you do not have to.

If you file an objection, you do not have to come to the Final Approval Hearing to talk about it; the Court will consider it as long as it was filed on time. You may also pay your own lawyer to attend, but you do not have to.

## **If I Do Nothing**

### **20. What happens if I do nothing at all?**

If you do nothing, you will not receive a benefit from this Settlement.

You will also give up the rights described in **Question 8**.

## **Getting More Information**
