UNITED STATES DISTRICT COURT SOUTHERN DISTRICT OF FLORIDA

JONNATHAN RAMOS, individually and on behalf of all others similarly situated,

CLASS ACTION

Plaintiff,

JURY TRIAL DEMANDED

v.

PF HOMESTEAD, LLC d/b/a PLANET FITNESS – HOMESTEAD,

Def	fendant.	

CLASS ACTION COMPLAINT

Plaintiff Jonnathan Ramos brings this class action against Defendant PF Homestead, LLC d/b/a Planet Fitness - Homestead and alleges as follows upon personal knowledge as to himself and his own acts and experiences, and, as to all other matters, upon information and belief, including investigation conducted by his attorneys.

NATURE OF THE ACTION

- 1. This is a putative class action under the Telephone Consumer Protection Act, 47 U.S.C. § 227 *et seq.*, ("TCPA"), arising from Defendant's knowing and willful violations of the TCPA.
 - 2. Defendant owns and operates a fitness center in Homestead, Florida.
- 3. Defendant uses text messages as a means of marketing its business and promoting sales to past members who have since cancelled their membership.
- 4. As a result of Defendant's actions, Defendant caused thousands of unsolicited text messages to be sent to the cellular telephones of Plaintiff and Class Members, causing them injuries, including invasion of their privacy, aggravation, annoyance, intrusion on seclusion, trespass, and

conversion.

5. Through this action, Plaintiff seeks injunctive relief to halt Defendant's illegal conduct. Plaintiff also seeks statutory damages on behalf of himself and Class Members, as defined below, and any other available legal or equitable remedies resulting from the illegal actions of Defendant.

JURISDICTION AND VENUE

- 6. Jurisdiction is proper under 28 U.S.C. § 1331 as Plaintiff alleges violations of a federal statute. Jurisdiction is also proper under 28 U.S.C. § 1332(d)(2) because Plaintiff alleges a national class, which will result in at least one Class member belonging to a different state than Defendant. Plaintiff seeks up to \$1,500.00 in damages for each call in violation of the TCPA, which, when aggregated among a proposed class numbering in the tens of thousands, or more, exceeds the \$5,000,000.00 threshold for federal court jurisdiction under the Class Action Fairness Act ("CAFA").
- 7. Venue is proper in the United States District Court for the Southern District of Florida pursuant to 28 U.S.C. §§ 1391(b) and (c) because Defendants are deemed to reside in any judicial district in which it is subject to the court's personal jurisdiction, and because Defendant provides and markets its services within this district thereby establishing sufficient contacts to subject it to personal jurisdiction. Further, on information and belief, Defendant has sent the same text message complained of by Plaintiff to other individuals within this judicial district, such that some of Defendant's acts have occurred within this district, subjecting Defendant to jurisdiction here.

PARTIES

- 8. Plaintiff is a natural person who, at all times relevant to this action, was a resident of Volusia County, Florida.
- 9. Defendant's principal address is located at 2620 NE 10th Ct., Homestead, FL 33033. Defendant directs, markets, and provides business activities throughout the State of Florida.

THE TCPA

- 10. The TCPA prohibits: (1) any person from calling a cellular telephone number; (2) using an automatic telephone dialing system; (3) without the recipient's prior express consent. 47 U.S.C. § 227(b)(1)(A).
- 11. The TCPA defines an "automatic telephone dialing system" ("ATDS") as "equipment that has the capacity (A) to store or produce telephone numbers to be called, using a random or sequential number generator; and (B) to dial such numbers." 47 U.S.C. § 227(a)(1).
- 12. The TCPA exists to prevent communications like the ones described within this Complaint. *See Mims v. Arrow Fin. Servs., LLC*, 132 S. Ct. 740, 744 (2012).
- 13. In an action under the TCPA, a plaintiff must show only that the defendant "called a number assigned to a cellular telephone service using an automatic dialing system or prerecorded voice." *Breslow v. Wells Fargo Bank, N.A.*, 857 F. Supp. 2d 1316, 1319 (S.D. Fla. 2012), *aff'd*, 755 F.3d 1265 (11th Cir. 2014).
- 14. The Federal Communications Commission ("FCC") is empowered to issue rules and regulations implementing the TCPA. According to the FCC's findings, calls in violation of the TCPA are prohibited because, as Congress found, automated or prerecorded telephone calls are a greater nuisance and invasion of privacy than live solicitation calls, and such calls can be costly and inconvenient. The FCC also recognized that wireless customers are charged for incoming calls whether they pay in advance or after the minutes are used.
- 15. In 2012, the FCC issued an order further restricting automated telemarketing calls, requiring "prior express written consent" for such calls to wireless numbers. *See In the Matter of Rules & Regulations Implementing the Tel. Consumer Prot. Act of 1991*, 27 F.C.C.R. 1830, 1838 ¶ 20 (Feb. 15, 2012) (emphasis supplied).

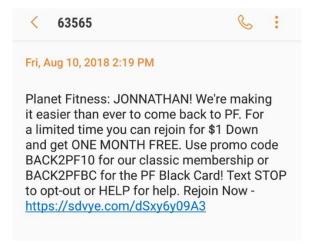

- 16. To obtain express written consent for telemarketing calls, a defendant must establish that it secured the plaintiff's signature in a form that gives the plaintiff a "clear and conspicuous disclosure' of the consequences of providing the requested consent....and [the plaintiff] having received this information, agrees unambiguously to receive such calls at a telephone number the [plaintiff] designates." *In re Rules & Regulations Implementing the Tel. Consumer Prot. Act of 1991*, 27 F.C.C.R. 1830, 1837 ¶ 18, 1838 ¶ 20, 1844 ¶ 33, 1857 ¶ 66, 1858 ¶ 71 (F.C.C. Feb. 15, 2012).
- 17. The TCPA regulations promulgated by the FCC define "telemarketing" as "the initiation of a telephone call or message for the purpose of encouraging the purchase or rental of, or investment in, property, goods, or services." 47 C.F.R. § 64.1200(f)(12). In determining whether a communication constitutes telemarketing, a court must evaluate the ultimate purpose of the communication. *See Golan v. Veritas Entm't, LLC*, 788 F.3d 814, 820 (8th Cir. 2015).
- 18. "Neither the TCPA nor its implementing regulations 'require an explicit mention of a good, product, or service' where the implication of an improper purpose is 'clear from the context." *Id.* (citing *Chesbro v. Best Buy Stores, L.P.*, 705 F.3d 913, 918 (9th Cir. 2012)).
- 19. "Telemarketing' occurs when the context of a call indicates that it was initiated and transmitted to a person for the purpose of promoting property, goods, or services." *Golan*, 788 F.3d at 820 (citing 47 C.F.R. § 64.1200(a)(2)(iii) & 47 C.F.R. § 64.1200(f)(12)); *In re Rules and Regulations Implementing the Telephone Consumer Protection Act of 1991*, 18 F.C.C. Rcd at 14098 ¶ 141, 2003 WL 21517853, at *49).
- 20. The FCC has explained that calls motivated in part by the intent to sell property, goods, or services are considered telemarketing under the TCPA. See In re Rules and Regulations Implementing the Telephone Consumer Protection Act of 1991, 18 FCC Rcd. 14014, ¶¶ 139-142 (2003). This is true whether call recipients are encouraged to purchase, rent, or invest in property, goods, or

services during the call or in the future. Id.

- 21. In other words, offers "that are part of an overall marketing campaign to sell property, goods, or services constitute" telemarketing under the TCPA. See In re Rules and Regulations Implementing the Telephone Consumer Protection Act of 1991, 18 FCC Rcd. 14014, ¶ 136 (2003).
- 22. If a call is not deemed telemarketing, a defendant must nevertheless demonstrate that it obtained the plaintiff's prior express consent. *See In the Matter of Rules and Regulaions Implementing the Tel. Consumer Prot. Act of 1991*, 30 FCC Rcd. 7961, 7991-92 (2015) (requiring express consent "for non-telemarketing and non-advertising calls").
- 23. Further, the FCC has issued rulings and clarified that consumers are entitled to the same consent-based protections for text messages as they are for calls to wireless numbers. *See Satterfield v. Simon & Schuster, Inc.*, 569 F.3d 946, 952 (9th Cir. 2009) (The FCC has determined that a text message falls within the meaning of "to make any call" in 47 U.S.C. § 227(b)(1)(A)); *Toney v. Quality Res., Inc.*, 2014 WL 6757978, at *3 (N.D. Ill. Dec. 1, 2014) (Defendant bears the burden of showing that it obtained Plaintiff's prior express consent before sending him the text message). (emphasis added).
- 24. As held by the United States Court of Appeals for the Ninth Circuit: "Unsolicited telemarketing phone calls or text messages, by their nature, invade the privacy and disturb the solitude of their recipients. A plaintiff alleging a violation under the TCPA 'need not allege any additional harm beyond the one Congress has identified." *Van Patten v. Vertical Fitness Grp.*, No. 14-55980, 2017 U.S. App. LEXIS 1591, at *12 (9th Cir. May 4, 2016) (quoting *Spokeo, Inc. v. Robins*, 136 S. Ct. 1540, 1549 (2016) (emphasis original)).

FACTS

- 25. On or about December 1, 2015, Plaintiff became a member of Defendant's fitness facility.
 - 26. In 2018, Plaintiff cancelled his membership with Defendant.
- 27. Subsequently, on or about August 10, 2018, Defendant caused an automated text message to be transmitted to Plaintiff's cellular telephone number ending in 7547 ("7547 Number"):

- 28. The text message constitutes marketing because it promotes and attempts to sell Defendant's fitness facility.
- 29. Specifically, the text message states "[w]e're making it easier than ever to come back to PF. For a limited time you can rejoin for \$1 Down and get ONE MONTH FREE."
- 30. The text message also offers the use of two different promo codes for additional discounts on a membership at Defendant's fitness facility.
- 31. Additionally, the hyperlink within the text message routes to a website (the "Website") copied below, which is owned and/or operated by Defendant:

This offer has no	

- 32. The Website includes additional marketing including the offer of three different membership options including a back to school special at \$10.00 a month, and a black card membership at \$21.99 a month.
- 33. Upon information and belief, Defendant caused similar text messages to be sent to individuals residing within this judicial district.
- 34. At no point in time did Plaintiff provide Defendant with his express written consent to be contacted with telemarketing text messages using an ATDS.
 - 35. Plaintiff is the subscriber and sole user of the 7547 Number and is financially

7

¹ www.planetfitness.com/gyms/homestead-fl/offers

responsible for phone service to the 7547 Number.

- 36. The impersonal and generic nature of Defendant's text messages establishes that Defendant utilized an ATDS to transmit the messages. *See Jenkins v. LL Atlanta, LLC,* No. 1:14-cv-2791-WSD, 2016 U.S. Dist. LEXIS 30051, at *11 (N.D. Ga. Mar. 9, 2016) ("These assertions, combined with the generic, impersonal nature of the text message advertisements and the use of a short code, support an inference that the text messages were sent using an ATDS.") (citing *Legg v. Voice Media Grp., Inc.*, 20 F. Supp. 3d 1370, 1354 (S.D. Fla. 2014) (plaintiff alleged facts sufficient to infer text messages were sent using ATDS; use of a short code and volume of mass messaging alleged would be impractical without use of an ATDS); *Kramer v. Autobytel, Inc.*, 759 F. Supp. 2d 1165, 1171 (N.D. Cal. 2010) (finding it "plausible" that defendants used an ATDS where messages were advertisements written in an impersonal manner and sent from short code); *Robbins v. Coca-Cola Co.*, No. 13-CV-132-IEG NLS, 2013 U.S. Dist. LEXIS 72725, 2013 WL 2252646, at *3 (S.D. Cal. May 22, 2013) (observing that mass messaging would be impracticable without use of an ATDS)).
- 37. The number (63565) that transmitted the text message is operated by or on behalf of Defendant.
- 38. The number used by Defendant (63565) is known as a "short code," a standard 5-digit code that enables Defendant to send SMS text messages *en masse*.
- 39. To send the text messages, Defendant used a messaging platform that permitted Defendant to transmit thousands of automated text messages without any human involvement.
- 40. The platform utilized by Defendant has the current capacity or present ability to generate or store random or sequential numbers or to dial sequentially or randomly at the time the call is made, and to dial such numbers, *en masse*, in an automated fashion without human intervention.
 - 41. Defendant's unsolicited text message caused Plaintiff actual harm, including invasion

of her privacy, aggravation, annoyance, intrusion on seclusion, trespass, and conversion. Defendant's text message also inconvenienced Plaintiff and caused disruption to his daily life.

CLASS ALLEGATIONS

PROPOSED CLASS

- 42. Plaintiff brings this case as a class action pursuant to Fed. R. Civ. P. 23, on behalf of himself and all others similarly situated.
 - 43. Plaintiff brings this case on behalf of the below defined Class:

All persons within the United States who, within the four years prior to the filing of this Complaint, were sent a text message using the same type of equipment that was used to text message Plaintiff, from Defendant or anyone on Defendant's behalf, to said person's cellular telephone number, advertising Defendant's services, without the recipients' prior express written consent.

44. Defendant and their employees or agents are excluded from the Class. Plaintiff does not know the number of members in the Class but believes the Class members number in the several thousands, if not more.

NUMEROSITY

- 45. Upon information and belief, Defendant has placed automated calls to cellular telephone numbers belonging to thousands of consumers throughout the United States without their prior express consent. The members of the Class, therefore, are believed to be so numerous that joinder of all members is impracticable.
- 46. The exact number and identities of the Class members are unknown at this time and can be ascertained only through discovery. Identification of the Class members is a matter capable of ministerial determination from Defendants' call records.

9

COMMON QUESTIONS OF LAW AND FACT

- 47. There are numerous questions of law and fact common to the Class which predominate over any questions affecting only individual members of the Class. Among the questions of law and fact common to the Class are:
 - (1) Whether Defendant made non-emergency calls to Plaintiff and Class members' cellular telephones using an ATDS;
 - (2) Whether Defendant can meet their burden of showing that it obtained prior express written consent to make such calls;
 - (3) Whether Defendant's conduct was knowing and willful;
 - (4) Whether Defendant is liable for damages, and the amount of such damages; and
 - (5) Whether Defendant should be enjoined from such conduct in the future.
- 48. The common questions in this case are capable of having common answers. If Plaintiff's claim that Defendant routinely transmits text messages to telephone numbers assigned to cellular telephone services is accurate, Plaintiff and the Class members will have identical claims capable of being efficiently adjudicated and administered in this case.

TYPICALITY

49. Plaintiff's claims are typical of the claims of the Class members, as they are all based on the same factual and legal theories.

PROTECTING THE INTERESTS OF THE CLASS MEMBERS

50. Plaintiff is a representative who will fully and adequately assert and protect the interests of the Class and has retained competent counsel. Accordingly, Plaintiff is an adequate representative and will fairly and adequately protect the interests of the Class.

PROCEEDING VIA CLASS ACTION IS SUPERIOR AND ADVISABLE

- 51. A class action is superior to all other available methods for the fair and efficient adjudication of this lawsuit, because individual litigation of the claims of all members of the Class is economically unfeasible and procedurally impracticable. While the aggregate damages sustained by the Class are in the millions of dollars, the individual damages incurred by each member of the Class resulting from Defendant's wrongful conduct are too small to warrant the expense of individual lawsuits. The likelihood of individual Class members prosecuting their own separate claims is remote, and, even if every member of the Class could afford individual litigation, the court system would be unduly burdened by individual litigation of such cases.
- 52. The prosecution of separate actions by members of the Class would create a risk of establishing inconsistent rulings and/or incompatible standards of conduct for Defendant. For example, one court might enjoin Defendant from performing the challenged acts, whereas another may not. Additionally, individual actions may be dispositive of the interests of the Class, although certain class members are not parties to such actions.

COUNT I <u>Violations of the TCPA, 47 U.S.C. § 227(b)</u> (On Behalf of Plaintiff and the Class)

- 53. Plaintiff re-alleges and incorporates the foregoing allegations as if fully set forth herein.
- 54. It is a violation of the TCPA to make "any call (other than a call made for emergency purposes or made with the prior express consent of the called party) using any automatic telephone dialing system ... to any telephone number assigned to a ... cellular telephone service" 47 U.S.C. § 227(b)(1)(A)(iii).
 - 55. Defendant or third parties directed by Defendant used equipment having the capacity

to dial numbers without human intervention to make non-emergency telephone calls to the cellular telephones of Plaintiff and the other members of the Class defined below.

- 56. These calls were made without regard to whether or not Defendant had first obtained express permission from the called party to make such calls. In fact, Defendant did not have prior express consent to call the cell phones of Plaintiff and the other members of the putative Class when its calls were made.
- 57. Defendant has, therefore, violated § 227(b)(1)(A)(iii) of the TCPA by using an automatic telephone dialing system to make non-emergency telephone calls to the cell phones of Plaintiff and the other members of the putative Class without their prior express written consent.
- 58. Defendant knew that it did not have prior express consent to make these calls and knew or should have known that it was using equipment that at constituted an automatic telephone dialing system. The violations were therefore willful or knowing.
- 59. As a result of Defendant's conduct and pursuant to § 227(b)(3) of the TCPA, Plaintiff and the other members of the putative Class were harmed and are each entitled to a minimum of \$500.00 in damages for each violation. Plaintiff and the class are also entitled to an injunction against future calls. Id.
- 60. Because Defendant knew or should have known that Plaintiff and the other members of the putative Class had not given prior express consent to receive its autodialed calls to their cellular telephones the Court should treble the amount of statutory damages available to Plaintiff and the other members of the putative Class pursuant to § 227(b)(3) of the TCPA.

WHEREFORE, Plaintiff, Jonnathan Ramos, on behalf of himself and the other members of the Class, prays for the following relief:

A declaration that Defendant's practices described herein violate the Telephone

Consumer Protection Act, 47 U.S.C. § 227;

A declaration that Defendant's violations of the Telephone Consumer Protection b.

Act, 47 U.S.C. § 227, were willful and knowing;

An injunction prohibiting Defendant from using an automatic telephone dialing

system to call and text message telephone numbers assigned to cellular telephones without the

prior express consent of the called party;

An award of actual, statutory damages, and/or trebled statutory damages; and d.

e. Such further and other relief the Court deems reasonable and just.

JURY DEMAND

Plaintiff and Class Members hereby demand a trial by jury.

DOCUMENT PRESERVATION DEMAND

Plaintiff demands that Defendant take affirmative steps to preserve all records, lists, electronic

databases or other itemization of telephone numbers associated with Defendants and the communication

or transmittal of the text messages as alleged herein.

Date: August 23, 2018

Respectfully submitted,

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- I. (a) Plaintiffs-Defendants. Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
- (b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
- (c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".
- II. Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.C.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.

United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.

United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.

Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked. Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; federal question actions take precedence over diversity cases.)

- III. Residence (citizenship) of Principal Parties. This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- **IV.** Nature of Suit. Nature of Suit. Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: Nature of Suit Code Descriptions.
- V. Origin. Place an "X" in one of the seven boxes.

Original Proceedings. (1) Cases which originate in the United States district courts.

Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.

Refiled (3) Attach copy of Order for Dismissal of Previous case. Also complete VI.

Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.

Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.

Multidistrict Litigation. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407. When this box is checked, do not check (5) above.

Appeal to District Judge from Magistrate Judgment. (7) Check this box for an appeal from a magistrate judge's decision.

Remanded from Appellate Court. (8) Check this box if remanded from Appellate Court.

- VI. Related/Refiled Cases. This section of the JS 44 is used to reference related pending cases or re-filed cases. Insert the docket numbers and the corresponding judges name for such cases.
- VII. Cause of Action. Report the civil statute directly related to the cause of action and give a brief description of the cause. Do not cite jurisdictional statutes unless diversity. Example: U.S. Civil Statute: 47 USC 553

Brief Description: Unauthorized reception of cable service

VIII. Requested in Complaint. Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.

Demand. In this space enter the dollar amount (in thousands of dollars) being demanded or indicate other demand such as a preliminary injunction.

Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.

Date and Attorney Signature. Date and sign the civil cover sheet.
