Basic Information

1. Why was this Notice issued?

The Superior Court of Maricopa County, Arizona, authorized this Notice. You have a right to know about the proposed Settlement of this class action lawsuit, and about all of your options, before the Court decides whether to grant final approval of the Settlement. This Notice explains the lawsuit, your legal rights, what benefits are available, and who can receive them.

The lawsuit is called *Khalid Rast v. Fitzgerald Wealth Management, LLC*, Case No. CV2025-024424. It is pending in the Superior Court of Maricopa County, Arizona. The person that filed this lawsuit is called the “Plaintiff” (or “Class Representative”) and the company they sued, Fitzgerald Wealth Management, LLC, is called the “Defendant.”

2. What is this lawsuit about?

This lawsuit alleges that during the April 2025 targeted Data Incident on FWM’s computer systems, certain files that contained information were accessed.

3. What is a class action?

In a class action, one or more individuals sue on behalf of other people with similar claims. These individuals are called the “Plaintiffs” or “Class Representatives.” Together, the people included in the class action are called a “Class” or “Class Members.” One court resolves the lawsuit for all Class Members, except for those who opt out from the settlement. In this Settlement, the Class Representative is Khalid Rast. Everyone included in this Action are the Class Members.

4. Why is there a Settlement?

The Court did not decide whether the Plaintiff or the Defendant is right. Both sides have agreed to a Settlement to avoid the costs and risks of a trial, and to allow the Class Members to receive benefits from the Settlement. The Plaintiff and their attorney think the Settlement is best for all Class Members.

Who is in the Settlement?

5. Who is included in the Settlement?

The court has defined the Class this way: “All individuals residing in the United States whose Personal Information was compromised in the Data Incident discovered by Fitzgerald Wealth Management, LLC in April 2025.”

6. Are there exceptions to being included?

Yes. Excluded from the Class are: (1) FWM and its officers, directors, and related companies; (2) anyone who validly excludes themselves from the Settlement; (3) the Judge in this case, and the Judge’s family and staff; and (4) anyone who perpetrated the Data Incident.

The Settlement Benefits

7. What does the Settlement provide?

All Settlement Class Members may claim **Credit Monitoring Services** and one or more of the **cash payment** options. The benefits are explained in more detail below.

CREDIT MONITORING SERVICES. All Class Members are eligible to enroll in two years of CyEx Financial Shield. This comprehensive service comes with \$1 million of financial fraud insurance, and includes monitoring for:

- fraud or identity theft
- unauthorized financial transactions
- personal information associated with high-risk transactions

If anything suspicious happens, you will be able to talk to a fraud resolution agent to help fix any problems.

CASH PAYMENT OPTIONS

Claims for Ordinary Losses (out-of-pocket expenses). If you incurred actual, documented out-of-pocket expenses due to the Data Incident, you can get back up to **\$400.00**. The losses must have occurred between April 29, 2025, and August 4, 2026.

This benefit covers out-of-pocket expenses like:

- fees for credit reports, credit monitoring, or freezing and unfreezing your credit

- cost to replace your IDs
- postage to contact banks by mail

Ordinary Losses must be attested to and supported by documentation substantiating the full extent of the amount claimed. Documentation supporting the claim can include receipts or other documentation not “self-prepared” by the claimant that document the costs incurred. “Self-prepared” documents such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but can be considered to add clarity or support other submitted documentation. Settlement Class Members shall not be reimbursed for Ordinary Losses if they have already been reimbursed for the same Ordinary Loss by another source or third party. Your documentation or notes should show that your expenses were because of the Data Incident.

Extraordinary Losses (losses due to identity theft or fraud). If you lost money because of identity theft or fraud, you can get back up to **\$3,500.00**.

You will need to show that:

- the theft or fraud was probably caused by the Data Incident
- the losses are not already covered by **Ordinary Losses**
- you tried to prevent the loss or get your money back, such as by using insurance you already have

The losses must have occurred between April 29, 2025, and August 4, 2026.

Extraordinary Losses must be attested to and supported by documentation substantiating the full extent of the amount claimed. Documentation supporting the claim can include receipts or other documentation not “self-prepared” by the claimant that document the costs incurred. “Self-prepared” documents such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but can be considered to add clarity or support other submitted documentation. Settlement Class Members shall not be reimbursed for Extraordinary Losses if they have already been reimbursed for the same Extraordinary Loss by another source or third party. Your documentation or notes should show that your expenses were because of the Data Incident.

Lost Time. Class Members who spent time responding to the Data Incident may claim up to four hours, at \$20.00 per hour, for a maximum of **\$80.00**.

You must have spent the time on tasks related to the Data Incident. Some examples include things like:

- changing your passwords
- investigating suspicious activity in your accounts
- researching the Data Incident

You must briefly describe how you spent this time.

Alternative Cash Payment. *Instead of any other cash payment option, you may claim a one-time cash payment. This payment is expected to be **\$50.00**.*

You do not have to provide any proof or explanation to claim this payment.

Approved Claims for Ordinary Losses, Extraordinary Losses, Lost Time or, in the alternative, Alternative Cash Payments, are subject to an Aggregate Cap of \$250,000. In the unlikely event that the total exceeds \$250,000, such Approved Claims will be decreased pro rata to stay within the maximum \$250,000 cap.

If you have questions about these benefits, you can ask for free help any time by contacting the Settlement Administrator at:

8. What claims am I releasing if I stay in the Class?

If you stay in the class, you won't be able to be part of any other lawsuit against FWM about the issues that this Settlement covers. The "Releases" section of the Settlement Agreement (Paragraphs 65–68) describes the legal claims that you give up if you remain in the Class. The Settlement Agreement is available at www.FWMDataSettlement.com.

Submitting a Claim Form for a Settlement Payment

9. How do I submit a claim for a Settlement benefit?

The fastest way to submit your Claim Form is online at www.FWMDataSettlement.com. If you prefer, you can download a printable Claim Form from the website and mail it to the Settlement Administrator at:

FWM Data Incident Settlement
c/o Settlement Administrator
P.O. Box 25226

You may also contact the Settlement Administrator to request a Claim Form by telephone, toll free, (833) 386-6559, by email info@FWMDataSettlement.com, or by U.S. mail at the address above.

10. Are there any important Settlement payment deadlines?

If you are submitting a Claim Form online, you must do so by August 4, 2026. If you are submitting a claim by U.S. mail, the completed and signed Claim Form, including supporting documentation, must be postmarked no later than August 4, 2026.

11. When will the Settlement benefits be issued?

The Court will hold a final approval hearing on July 10, 2026 (**see Question 18**). If the Court approves the Settlement, there may be appeals. We do not know if appeals will be filed, or how long it will take to resolve them if they are filed.

Settlement payments will be distributed if the Court grants final approval, and after any appeals are resolved.

The Lawyers Representing You

12. Do I have a lawyer in the case?

Yes, the Court has appointed the law firm of Strauss Borrelli PLLC, to represent you and other Class Members (“Class Counsel”).

13. Should I get my own lawyer?

You will not be charged for Class Counsel’s services. If you want your own lawyer, you may hire one at your expense.

14. How will Class Counsel be paid?

Class Counsel will ask the court to approve \$125,000.00 as attorney’s fees and reasonable costs of litigation. This amount will be paid by FWM.

Class Counsel will also ask for a Service Award Payment of \$2,500.00 for the Class Representative. The Service Award Payment will also be paid by FWM.

Excluding Yourself from the Settlement

15. How do I opt out of the Settlement?

If you do not want to be part of the Settlement, you must formally exclude yourself from the Settlement. This is called a Request for Exclusion, and is sometimes also called “opting out.” If you opt out, you will not receive Settlement benefits or payment. However, you will keep any rights you may have to sue FWM on your own about the legal issues in this case.

If you exclude yourself, you are telling the Court that you do not want to be part of the Settlement. You will not be eligible to receive any Settlement benefits if you exclude yourself.

The deadline to exclude yourself from the Settlement is July 6, 2026.

To be valid, your Request for Exclusion must have the following information:

- (1) the name of the Litigation: *Khalid Rast v. Fitzgerald Wealth Management, LLC*, Case No. CV2025-024424, pending in the Superior Court of Maricopa County, Arizona;
- (2) your full name, mailing address, telephone number, and email address;
- (3) personal signature; and
- (4) the words “Request for Exclusion” or a clear and similar statement that you do not want to participate in the Settlement.

You may only exclude yourself—not any other person.

Mail your Request for Exclusion to the Settlement Administrator at:

FWM Data Incident Settlement
c/o Settlement Administrator
P.O. Box 25226
Santa Ana, CA 92799

Your Request for Exclusion must be submitted, postmarked, or emailed by July 6, 2026.

Commenting on or Objecting to the Settlement

16. How do I tell the Court if I like or do not like the Settlement?

If you are a Class Member and do not like part or all of the Settlement, you can object to it. Objecting means telling the Court your reasons for why you think the Court should not approve the Settlement. The Court will consider your views.

You cannot object if you have excluded yourself from the Settlement (**see Question 15**)

You must provide the following information for the Court to consider your objection:

- (1) the name of the Litigation: *Khalid Rast v. Fitzgerald Wealth Management, LLC*, Case No. CV2025-024424, pending in the Superior Court of Maricopa County, Arizona;
- (2) your full name, mailing address, telephone number, and email address;
- (3) a clear description of all the reasons you object; include any legal support, such as documents, you may have for your objection;
- (4) if you have hired your own lawyer to represent you for this objection, provide their name, bar number, and contact information;
- (5) whether or not you or your lawyer would like to speak at the Final Approval Hearing;
- (6) information that proves that you are a Class Member (such as a notice you have received); and
- (7) your signature (or, if you have hired your own lawyer, your lawyer's signature).

For your objection to be valid, it must meet each of these requirements.

To be considered by the Court, you must file your complete objection with the Clerk of Court by July 6, 2026. You must also send a copy of the objection to the Settlement Administrator, Class Counsel, and counsel for Defendants.

17. What is the difference between objecting and excluding?

Objecting is telling the Court that you do not like something about the Settlement. You can object to the Settlement only if you do not exclude yourself from the Settlement. Excluding yourself from the Settlement is opting out and stating to the Court that you do not want to be part of the Settlement. If you opt out of the Settlement, you cannot object to it because the Settlement no longer affects you.

The Court's Final Approval Hearing

18. When is the Court's Final Approval Hearing?

The Court will hold a final approval on **July 10, 2026 at 11:00 a.m. Mountain Time**, at the Superior Court of Maricopa County, Arizona, 201 W Jefferson St. Phoenix, AZ 85003.

At the final approval hearing, the Court will decide whether to approve the Settlement. The court will also decide how Class Counsel should be paid, and whether to award a Service Award Payment to the Class Representative. The Court will also consider any objections to the Settlement.

If you are a Class Member, you or your lawyer may ask permission to speak at the hearing at your own cost (**See Question 16**).

The date and time of this hearing may change without further notice. Please check www.FWMDDataSettlement.com for updates.

19. Do I have to come to the Final Approval Hearing?

No. Class Counsel will answer any questions the Court may have. You may attend at your own expense if you wish, but you do not have to.

If you file an objection, you do not have to come to the Final Approval Hearing to talk about it; the Court will consider it as long as it was filed on time. You may also pay your own lawyer to attend, but you do not have to.

If I Do Nothing

20. What happens if I do nothing at all?

If you do nothing, you will not receive a benefit from this Settlement.

You will also give up the rights described in **Question 8**.
