

Notice Of Data Incident

September 25, 2026

On July 27, 2026, Saber Healthcare Group (“Saber”) became aware of unauthorized activity in our computer systems. Upon discovery, Saber took immediate action to secure its network and investigate the event. This included engaging a third-party team of forensic experts to investigate the incident and determine the full nature and scope of the event. Following a thorough investigation, Saber confirmed that certain information may have been accessed by an unauthorized individual in connection with this incident.

Saber takes its legal and regulatory obligations seriously with respect to the privacy and security of protected health information. Saber conducted a comprehensive review of the potentially affected information. On August 19, 2026, they completed their review and began locating address information to notify individuals. The type of information varies by individual but **may include** name and one or more of the following: date of birth, driver’s license/state issued identification number, health insurance information, medical information, financial account information, passport number, and/or Social Security number. Importantly, the information potentially impacted may vary for each individual, and may include all, or just one of the above-listed types of information. This process was designed to identify individuals whose information

may have been involved and to confirm the data elements associated with impacted individuals, and to subsequently notify all potentially impacted individuals as required by law.

In response to this incident, Saber has implemented additional security measures within its network and facilities and is reviewing its current policies and procedures related to data security. Although Saber has no evidence of actual misuse of information as a result of this incident, patients are nonetheless encouraged to monitor their account statements and explanation of benefits forms for suspicious activity and to detect errors. Patients are encouraged to remain vigilant against incidents of identity theft and fraud by reviewing credit reports/account statements and explanation of benefits forms for suspicious activity and to detect errors. Individuals may also wish to contact the three major credit agencies to place a fraud alert on their credit report – the credit agencies' contact information is: Equifax (888-378-4329); TransUnion (833-395-6938); and Experian (888-397-3472).

Saber has established a toll-free call center to answer questions about the incident and to address related concerns. The number for the hotline is 1-833-918-1128. You may also contact Saber regarding this incident by email at cyber-incident@saberhealth.com, or by writing to Zach Shamberg, Chief of Government Affairs, 23700 Commerce Park, Beachwood, OH 44122.

The privacy and protection of information is a top priority for us, and we deeply regret any inconvenience or concern this incident may cause.
