NYSCEF DOC. NO. 58

ARDEN CLAIMS SERVICE LLC,

Defendant.

This Settlement Agreement<sup>1</sup> is entered into between Evan Sauray, Marlene Mercedes Rodriguez Pimentel, Whitney Woodburn, Yaridia Gomez, and Aaron Rahman, on behalf of themselves and the Settlement Class, and Defendant Arden Claims Service LLC as of the date last signed below. The Parties hereby agree to the following terms in full settlement of the Action, subject to a Final Approval Order entered by the Court.

#### I. **Procedural History**

- 1. Defendant is a full-service claims administrator for class action settlements, including wage & hour cases, consumer litigation, data breach notification, and mass tort programs.
- 2. On or around October 17, 2023, Defendant became aware of unusual activity related to an employee's email account. In response, Defendant secured the account and launched

an investigation which revealed that an unknown cybercriminal potentially accessed files containing the personal information of Plaintiffs and the Class Members, including their names

and Social Security numbers.

DOC. NO. 58

3. On or about January 17, 2024, Defendant began notifying 143,341 individuals by

U.S. mail that their Private Information may have been impacted by the Data Incident.

4. On May 24, 2024, Plaintiff Sauray filed a complaint against Defendant asserting

several causes of action related to the Data Incident and seeking to represent a class of persons

affected by the Data Incident.

5. On September 3, 2024, Plaintiff Rodriguez Pimentel filed a complaint against

Defendant asserting similar causes of action related to the Data Incident and seeking to represent

a similar class of affected individuals.

6. In January 2025, this Court consolidated the two related cases and Plaintiffs filed a

Consolidated Class Action Complaint alleging negligence, negligence per se, unjust enrichment,

and declaratory judgment.

7. Shortly thereafter, to conserve resources and to avoid the uncertainties of continued

litigation, the Parties began discussing settlement and scheduled a mediation with experienced

class action mediator Jill Sperber of Judicate West. In advance of the mediation, Plaintiffs

propounded informal discovery requests on Defendant to which Defendant responded by providing

information related to, among other things, the nature and cause of the Data Incident, the number

and geographic location of victims impacted, and the specific type of information breached. The

Parties also prepared mediation briefs and Plaintiffs shared their brief with Defendant.

8. The Parties met before Ms. Sperber and mediated this case on June 9, 2025.

Following a full day of mediation, although the Parties made progress in their negotiations, they

COUNTY

DOC. NO. 58

INDEX NO. 609033/2024

did not reach an agreement. The following day, Ms. Sperber provided the parties with a thorough

and detailed mediator's proposal. The Parties were provided one day to consider Ms. Sperber's

proposal. At the conclusion of this time, the Parties each agreed to the mediator's proposal and

reached an agreement on the material terms of a class-wide settlement. The Parties then after

continued to discuss, and intend to agree upon, the ongoing additional remedial/injunctive

measures Defendant has taken, or will take, to further improve Defendant's cybersecurity.

9. The Parties now agree to settle the Action (including all claims and potential claims

stemming from the allegations made in Plaintiffs' Complaints) entirely, without any admission of

liability or wrongdoing, with respect to all Released Claims of the Releasing Parties. Defendant

has entered into this Agreement to resolve all controversies and disputes arising out of or relating

to the Data Incident, including the allegations made in Plaintiffs' Complaints, and to avoid the

litigation costs and expenses, distractions, burden, expense, and disruption to its business

operations associated with further litigation. Defendant does not in any way acknowledge, admit

to, or concede any of the allegations made in Plaintiffs' Complaints, and expressly disclaims and

denies any fault or liability, or any charges of wrongdoing that have been or could have been

asserted in Plaintiffs' Complaints. Nothing contained in this Agreement shall be used or construed

as an admission of liability, and this Agreement shall not be offered or received in evidence in any

action or proceeding in any court or other forum as an admission or concession of liability or

wrongdoing of any nature or for any other purpose other than to enforce the terms of this

Agreement. Plaintiffs have entered into this Agreement to recover on the claims asserted in the

Complaint, and to avoid the risk, delay, and uncertainty of continued litigation. Plaintiffs do not in

any way concede that the claims alleged in the Complaint lack merit or are subject to any defenses.

The Parties intend for this Agreement to bind Plaintiffs, Defendant, and all Settlement Class

Members.

the claims asserted by Plaintiffs Whitney Woodburn, Aaron Rahman, and Yaridia Gomez.

Defendant consents to their inclusion as Plaintiffs with related claims under the Court's

Consolidation Order and as proposed Class Representatives for purposes of this Agreement..

NOW, THEREFORE, in light of the foregoing, for good and valuable consideration, the

receipt and sufficiency of which is hereby mutually acknowledged, the Parties agree, subject to

91. The Settlement Administrator shall collect, review, and address each Claim Form

received to determine whether the Claim Form meets the requirements set forth in this Settlement

and is thus a Valid Claim. The Settlement Administrator shall examine the Claim Form before

designating the Claim as a Valid Claim to determine that the information on the Claim Form is

reasonably complete. The Settlement Administrator shall have the sole authority to determine

whether a Claim by any Claimant is a Valid Claim.

92. The Settlement Administrator shall use all reasonable efforts and means to identify

and reject duplicate claims. No Settlement Class Member may submit more than one Claim Form.

The Settlement Administrator shall identify any Claim Forms that appear to seek relief on behalf

of the same Settlement Class Member. If the Settlement Administrator identifies any Claim Form

that appears to be a duplication, the Settlement Administrator shall contact the Settlement Class

Member in an effort to determine which Claim Form is the appropriate one for consideration.

93. The Settlement Administrator shall exercise, in its discretion, all usual and

customary steps to prevent fraud and abuse and take any reasonable steps to prevent fraud and

However, if the Claim Form is rejected for containing incomplete or inaccurate information, and/or

omitting required information, the Settlement Administrator may send a Notice of Deficiency

submitted for consideration. The Settlement Administrator shall notify the Claimant using the

contact information provided in the Claim Form. The additional information and/or documentation

can include, for example, answers to questions regarding the validity of the Claimant's physical or

e-signature. A Claimant shall have until the Claim Form Deadline, or 15 days from the date the

Notice of Deficiency is sent to the Claimant via mail and postmarked or via email, whichever is

later, to reply to the Notice of Deficiency and provide the required information. If the Claimant

timely and adequately provides the requested information and/or documentation, the Claim shall

XVI. No Admission of Liability

118. This Agreement reflects the Parties' compromise and settlement of disputed claims.

This Agreement shall not be construed as or deemed to be evidence of an admission or concession

of any point of fact or law. Defendant has denied and continues to deny each of the claims and

contentions alleged in the Plaintiffs' Complaints. Defendant specifically denies that a class could

or should be certified in the Action for litigation purposes. Defendant does not admit any liability

or wrongdoing of any kind, by this Agreement or otherwise. Defendant has agreed to enter into

this Agreement to avoid the further expense, inconvenience, and distraction of burdensome and

protracted litigation, and to be completely free of any further claims that were asserted or could

possibly have been asserted in the Action.

examined and considered the benefits to be obtained under the proposed Settlement set forth in

this Agreement, the risks associated with the continued prosecution of this complex, costly, and

time-consuming litigation, and the likelihood of success on the merits of the Action. Class Counsel

have investigated the facts and law relevant to the merits of the claims, conducted informal

concluded that the proposed Settlement set forth in this Agreement is fair, adequate, reasonable,

and in the best interests of the Settlement Class members.

120. This Agreement constitutes a compromise and settlement of disputed claims. No

action taken by the Parties in connection with the negotiations of this Agreement shall be deemed

or construed to be an admission of the truth or falsity of any claims or defenses heretofore made,

or an acknowledgment or admission by any party of any fault, liability, or wrongdoing of any kind

whatsoever.

DOC. NO. 58

121. Neither the Settlement, nor any act performed or document executed pursuant to or

in furtherance of the Settlement (a) is or may be deemed to be, or may be used as, an admission

of, or evidence of, the validity of any claim made by the Plaintiffs or Settlement Class Members,

or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be, or may

be used as, an admission of, or evidence of, any fault or omission of any of the Released Parties,

in the Action or in any proceeding in any court, administrative agency, or other tribunal.

122. In addition to any other defenses Defendant or the Released Parties may have at

law, in equity, or otherwise, to the extent permitted by law, this Agreement may be pleaded as a

full and complete defense to and may be used as the basis for an injunction against, any action,

suit, or other proceeding that may be instituted, prosecuted, or attempted in breach of this

Agreement or the Releases contained herein.
