2. Attached hereto as Exhibit 1 is a true and correct copy of the Class Action Settlement Agreement entered into between Plaintiff and Defendant on May 8, 2025, as well as exhibits A through G thereto.

3. During the pendency of the motion to dismiss, the Parties discussed the prospect of resolution this matter. As part of these discussions, and pursuant to Federal Rule of Evidence 408, Defendant provided Plaintiff with information about how the Patriots App operated during the relevant time period, the information that the Patriots received through the Patriots App, the third-party technologies that allegedly received Plaintiff's personally identifying information and the information they received, and the potential class size (there are an estimated 105,000 class members)

(the “Rule 408 Materials”). The parties also had extensive discussions about the specific strengths and weaknesses of Plaintiff’s claims and Defendant’s defenses. These discussions took place over a number of months directly between counsel and were at all times at arms’ length. The parties reached an agreement in principle on January 31, 2025.

4. Throughout the pendency of this action, Plaintiff has adequately and vigorously represented his fellow Class Members. He has spent significant time assisting his counsel, including by providing pertinent information regarding his use of the Patriots App. Plaintiff has no interests in conflict with those of the Settlement Class.

6. Class Counsel conducted an extensive pre-filing investigation which allowed Class Counsel to adequately assess the merits of Plaintiff’s case. Based on Class Counsel’s pre-filing investigation and review of the Rule 408 Materials, as well as our extensive relevant experience, Class Counsel were able to assess the strengths and weaknesses of Plaintiff’s case and have concluded that the Settlement provides exceptional results for the Class while avoiding the costs, delays, and uncertainties of continued litigation.

v.

NEW ENGLAND PATRIOTS LLC,

Defendant.

Case No. 4:24-cv-40022-MRG

Hon. Margaret R. Guzman

CLASS ACTION SETTLEMENT AGREEMENT

This Agreement ("Agreement" or "Settlement Agreement") is entered into by and among (i) Plaintiff Anthony Serra ("Plaintiff"), on behalf of himself and as a representative of the Settlement Class (as defined herein), and (ii) Defendant New England Patriots LLC. ("the Patriots" or "Defendant"). The Plaintiff and the Defendant are collectively referred to herein as the "Parties" and each as a "Party". This Agreement is intended by the Parties to fully, finally, and forever resolve, discharge, and settle the Released Claims (as defined herein), upon and subject to the terms and conditions of this Agreement, and subject to the final approval of the Court.

RECITALS

1. On February 1, 2024, Plaintiff filed his putative class action complaint against the Patriots in the United States District Court for the District of Massachusetts alleging violations of the Video Privacy Protection Act, 18 U.S.C. § 2710 *et seq.* (the "VPPA"). (D.E. 1.) The material allegations of the complaint center on Defendant's alleged disclosure of New England Patriots App (the "Patriots App") users' personally identifiable information—including which videos they watch, their precise geolocation, and advertising IDs—to third parties without permission, thereby violating the VPPA.

2. On April 30, 2024, the Patriots moved to dismiss arguing, *inter alia*, that the class action complaint failed to state a claim upon which relief could be granted. (D.E. 45.) Thereafter, on June 14, 2024, the Plaintiff filed a memorandum in opposition to the motion to dismiss, to which the Patriots filed a reply on November 19, 2024. (D.E. 50, 54.) On November 25, 2024, Plaintiff filed a notice of supplemental authority in support of his opposition to the motion to dismiss, and the Patriots filed a response thereafter. (D.E. 56, 57.)

3. During the pendency of the motion to dismiss, the Parties discussed the prospect of resolution. As part of these discussions, Defendant provided Plaintiff with information about how the Patriots App worked, the information that the Patriots received through the Patriots App, the third-party technologies that allegedly received Plaintiff's personally identifying information and the information they received, and the potential class size. The parties also had extensive discussions about the specific strengths and weaknesses of Plaintiff's claims and Defendant's defenses. These discussions took place over a number of months directly between counsel and were at all times at arms' length.

4. These lengthy arms' length negotiations led to the Parties reaching an agreement in principle on January 31, 2025 on all material terms of this class action settlement and thereafter reduced that to a term sheet.

5. Thereafter, on February 3, 2025, the Parties sought a stay of the litigation for the purpose of committing the agreement in principle to formal settlement documentation and presentation to the Court to seek preliminary approval of the settlement. (D.E. 58.) The Court granted the Parties' joint request for a stay on February 4, 2025. (D.E. 59.)

6. At all times, Defendant has denied and continues to deny any wrongdoing whatsoever and has denied and continues to deny that it committed, or threatened or attempted to

commit, any wrongful act or violation of law or duty alleged in the Action. Nonetheless, taking into account the uncertainty and risks inherent in any litigation, Defendant has concluded it is desirable and beneficial that the Action be fully and finally settled and terminated in the manner and upon the terms and conditions set forth in this Agreement. This Agreement is a compromise, and the Agreement, any related documents, and any negotiations resulting in it shall not be construed as or deemed to be evidence of or an admission or concession of liability or wrongdoing on the part of Defendant, or any of the Released Parties (defined below), with respect to any claim of any fault or liability or wrongdoing or damage whatsoever.

7. Plaintiff believes that the claims asserted in the Action against Defendant have merit and that he would have prevailed at summary judgment and/or trial. Nonetheless, Plaintiff and Class Counsel recognize that Defendant has raised factual and legal defenses that present a risk that Plaintiff may not prevail. Plaintiff and Class Counsel also recognize the expense and delay associated with continued prosecution of the Action against Defendant through class certification, summary judgment, trial, and any subsequent appeals. Plaintiff and Class Counsel have also taken into account the uncertain outcome and risks of litigation, especially in complex class actions, as well as the difficulties inherent in such litigation. Therefore, Plaintiff believes it is desirable that the Released Claims be fully and finally compromised, settled, and resolved with prejudice. Based on their evaluation, Class Counsel have concluded that the terms and conditions of this Agreement are fair, reasonable, and adequate to the Settlement Class, and that it is in the best interests of the Settlement Class to settle the claims raised in the Action pursuant to the terms and provisions of this Agreement.

8. NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and

among Plaintiff, the Settlement Class, and Defendant, by and through its undersigned counsel that, subject to final approval of the Court after a hearing or hearings as provided for in this Settlement Agreement, in consideration of the benefits flowing to the Parties from the Agreement set forth herein, that the Action and the Released Claims shall be finally and fully compromised, settled, and released, and the Action shall be dismissed with prejudice, upon and subject to the terms and conditions of this Agreement.

The Settlement Website notice, a link to which shall be included in the Claim Form, the Patriots App Landing Page, and the Publication Notices, shall advise the Settlement Class of their rights, including the right to be excluded from, comment upon, and/or object to the Settlement Agreement or any of its terms. The Settlement Website notice shall specify that any objection to the Settlement Agreement, and any papers submitted in support of said objection,

shall be considered by the Court at the Final Approval Hearing only if, on or before the Objection/Exclusion Deadline approved by the Court and specified in the Settlement Website notice, the Person making the objection files notice of an intention to do so and at the same time (a) files copies of such papers he or she proposes to be submitted at the Final Approval Hearing with the Clerk of the Court, or alternatively, if the objection is from a Class Member represented by counsel, files any objection through the Court's CM/ECF system, and (b) sends copies of such papers by mail, hand, or overnight delivery service to Class Counsel and Defendant's Counsel.

4.3. Any Settlement Class Member who intends to object to this Agreement must present the objection in writing, which must be personally signed by the objector, and must include: (1) the objector's name and address; (2) an explanation of the basis upon which the objector claims to be a Settlement Class Member, including information sufficient to identify the objector's current use of the Patriots app or a screenshot showing that such objector was a user of the Patriots app during the class period; (3) all grounds for the objection, including all citations to legal authority and evidence supporting the objection; (4) the name and contact information of any and all attorneys representing, advising, or in any way assisting the objector in connection with the preparation or submission of the objection or who may profit from the pursuit of the objection (the "Objecting Attorneys"); (5) a statement indicating whether the objector intends to appear at the Final Approval Hearing (either personally or through counsel who files an appearance with the Court in accordance with the Local Rules); and (6) the objector's handwritten or electronically imaged written signature. So-called "mass" or "class" objections shall not be allowed.

4.4. If a Settlement Class Member or any of the Objecting Attorneys has objected to any class action settlement where the objector or the Objecting Attorneys asked for or received any payment in exchange for dismissal of the objection, or any related appeal, without any

modification to the settlement, then the objection must include a statement identifying each such case by full case caption and amount of payment received. Any challenge to the Settlement Agreement or the Final Judgment shall be pursuant to appeal under the Federal Rules of Appellate Procedure and not through a collateral attack.

4.5. A Settlement Class Member may request to be excluded from the Settlement Class by sending a written request postmarked on or before the Objection/Exclusion Deadline approved by the Court and specified in the Settlement Website notice. To exercise the right to be excluded, a Person in the Settlement Class must timely send a written request for exclusion to the Settlement Administrator as specified in the Settlement Website notice, providing his/her name and address, a signature, the name and number of the Action, and a statement that he or she wishes to be excluded from the Settlement Class for purposes of this Settlement. A request to be excluded that does not include all of this information, or that is sent to an address other than that designated in the Settlement Website notice, or that is not postmarked within the time specified, shall be invalid, and the Person(s) serving such a request shall be a member(s) of the Settlement Class and shall be bound as a Settlement Class Member by this Agreement, if approved. Any member of the Settlement Class who validly elects to be excluded from this Agreement shall not: (i) be bound by any orders or the Final Judgment; (ii) be entitled to relief under this Settlement Agreement; (iii) gain any rights by virtue of this Agreement; or (iv) be entitled to object to any aspect of this Agreement. The request for exclusion must be personally signed by the Person requesting exclusion. So-called "mass" or "class" opt-outs shall not be allowed. To be valid, a request for exclusion must be postmarked or received by the date specified in the Settlement Website notice.

4.6. The Final Approval Hearing shall be no earlier than ninety (90) days after the Notice Date.

4.7. Any Settlement Class Member who does not, using the procedures set forth in this Agreement and the Settlement Website notice, seek exclusion from the Settlement Class will be bound by all of the terms of this Agreement, including the terms of the Final Judgment to be entered in the Action and the Releases provided for in the Agreement, and will be barred from bringing any action against any of the Released Parties concerning the Released Claims.

5 SETTLEMENT ADMINISTRATION.

5.1. The Settlement Administrator shall, pursuant to the directions of the Court's orders, administer the relief provided by this Settlement Agreement by processing Claim Forms in a rational, responsive, cost effective, and timely manner. The Settlement Administrator shall maintain reasonably detailed records of its activities under this Agreement. The Settlement Administrator shall maintain all such records as are required by applicable law in accordance with its normal business practices and such records will be made available to Class Counsel and Defendant's Counsel upon request. The Settlement Administrator shall also provide reports and other information to the Court as the Court may require. The Settlement Administrator shall provide Class Counsel and Defendant's Counsel with information concerning Notices, administration, and implementation of the Settlement Agreement. Should the Court request, the Parties shall submit a timely report to the Court summarizing the work performed by the Settlement Administrator, including a report of all amounts from the Settlement Fund paid to Settlement Class Members on account of Approved Claims. Without limiting the foregoing, the Settlement Administrator shall:

5.1.1. Forward to Defendant's Counsel, with copies to Class Counsel, all original documents and other materials received in connection with the administration of the Settlement,

and all copies thereof, within thirty (30) days after the date on which all Claim Forms have been finally approved or disallowed in accordance with the terms of this Agreement;

5.1.2. Receive requests to be excluded from the Settlement Class and other requests and promptly provide to Class Counsel and Defendant's Counsel copies thereof. If the Settlement Administrator receives any exclusion forms or other requests after the deadline for the submission of such forms and requests, the Settlement Administrator shall promptly provide copies thereof to Class Counsel and Defendant's Counsel;

5.1.3. Provide weekly reports to Class Counsel and Defendant's Counsel, including without limitation, reports regarding the number of Claim Forms received, the number approved by the Settlement Administrator, and the categorization and description of Claim Forms rejected, in whole or in part, by the Settlement Administrator; and

5.1.4. Make available for inspection by Class Counsel or Defendant's Counsel the Claim Forms received by the Settlement Administrator at any time upon reasonable notice.

5.2. The Settlement Administrator shall be obliged to employ reasonable procedures to screen claims for abuse or fraud and deny Claim Forms where there is evidence of abuse or fraud. The Settlement Administrator will reject any claim that does not comply in any material respect with the instructions on the Claim Form or the terms of Paragraphs 1.2 and/or 1.3, above, or is submitted after the Claims Deadline. Each claimant who submits an invalid Claim Form to the Settlement Administrator must be given a notice of the Claim Form's deficiency and an opportunity to cure the deficiency within twenty-one (21) days of the date of that deficiency notice. The Settlement Administrator may contact any Person who has submitted a Claim Form to obtain additional information necessary to verify the Claim Form.

5.3. Defendant's Counsel and Class Counsel shall have the right to challenge the acceptance or rejection of a Claim Form submitted by Settlement Class Members and to obtain and review supporting documentation relating to such Claim Form. The Settlement Administrator shall follow any agreed decisions of Class Counsel and Defendant's Counsel as to the validity of any disputed submitted Claim Form. To the extent Class Counsel and Defendant's Counsel are not able to agree on the disposition of a challenge, the disputed claim shall be submitted to The Honorable Margaret R. Guzman for binding determination.

5.4. Neither the Settlement Administrator nor Class Counsel shall have the right to use, disseminate, or disclose any personally identifiable information to be provided by Settlement Class Members ("Member PII") for any purpose other than the administration of the Action and the settlement under this Settlement Agreement. Class Counsel shall not include any provision to the contrary in any contract or statement of work with the Settlement Administrator or any third party, and shall require the Settlement Administrator and any other persons or entities that have access to any Member PII to keep all such Members PII strictly confidential and maintain data security processes and procedures reasonably sufficient to prevent a breach of such Member PII. Class Counsel shall, and shall instruct the Settlement Administrator to (i) purge or delete all Member PII immediately upon the conclusion of the administration of the settlement except as required by law, rule or regulation, and in the case of the Settlement Administration, to the extent such copies are electronically stored in accord with Settlement Administrator's record retention or backup policies or procedures then in effect, (ii) treat any Member PII which is required to be maintained by law as highly confidential, and (iii) notify Defendant that it has completed the purge or deletion of Member PII or, if any Member PII has been retained, the term for which Member PII shall be retained.

5.5 In the exercise of its duties outlined in this Agreement, the Settlement Administrator shall have the right to reasonably request additional information from the Parties or any Settlement Class Member.

6 TERMINATION OF SETTLEMENT.

6.1. Subject to Paragraph 6.2 below, Defendant or the Class Representative on behalf of the Settlement Class, shall have the right to terminate this Agreement by providing written notice of the election to do so ("Termination Notice") to all other Parties hereto within twenty-one (21) days of any of the following events: (i) the Court's refusal to grant Preliminary Approval of this Agreement in any material respect; (ii) the Court's refusal to grant final approval of this Agreement in any material respect; (iii) the Court's refusal to enter the Final Judgment in this Action in any material respect; (iv) the date upon which the Final Judgment is modified or reversed in any material respect by the Court of Appeals or the Supreme Court; or (v) the date upon which an Alternative Judgment, as defined in Paragraph 9.1.4 of this Agreement is modified or reversed in any material respect by the Court of Appeals or the Supreme Court.

6.2. Subject to Paragraph 6.3 below, Defendant shall have the right, but not the obligation, in its sole discretion, to terminate this Agreement by providing written notice to Class Counsel within twenty five (25) days of the following events: (i) more than a specified number of the Settlement Class have timely and validly opted out of and/or objected to the Agreement as agreed to by the Parties¹; or (ii) the Class Representative and his agents, or any other individuals operating

¹ The Parties have entered into a standard supplemental agreement that provides that if the number of opt outs and/or objections to the Settlement equals or exceeds a certain amount, Defendant shall have the option to terminate the Settlement. Agreements of this sort are typical in class settlements and, if requested, Class Counsel can submit additional information regarding this agreement *in camera*. See *N.Y. State Teachers'*

at his direction or in coordination with him, or Class Counsel, file or threaten to file any arbitrations or additional lawsuits against Defendant related to the Released Claims at any time prior to Final Approval.

6.3. If Defendant seeks to terminate this Agreement on the basis of Paragraph 6.2 above, the Parties agree that any dispute as to whether Defendant may invoke Paragraph 6.2 to terminate this Agreement that they cannot resolve on their own after reasonable, good faith efforts, will be submitted to the Court for binding determination.

6.4. The Parties agree that the Court's failure to approve, in whole or in part, the attorneys' fees payment to Class Counsel and/or the service award set forth in Paragraph 8 below shall not prevent the Agreement from becoming effective, nor shall it be grounds for termination. The procedures for any application for approval of attorneys' fees, expenses, or service award are to be considered by the Court separately from the Court's consideration of the fairness, reasonableness and adequacy of the Settlement.

7 PRELIMINARY APPROVAL ORDER AND FINAL JUDGMENT.

7.1. On or before May 8, 2025, which date may be extended by mutual agreement, Class Counsel shall submit this Agreement together with its Exhibits to the Court and shall move the Court for Preliminary Approval of the settlement set forth in this Agreement; certification of the Settlement Class for settlement purposes only; appointment of Class Counsel and the Class

Ret. Sys. v. Gen. Motors Co., 315 F.R.D. 226, 240 (E.D. Mich. 2016) (“The opt-out threshold is typically not disclosed and is kept confidential to encourage settlement and discourage third parties from soliciting class members to opt out”); *see also In re Warfarin*, 212 F.R.D. 231, 253 (D. Del. 2002), *aff’d*, 391 F.3d 516 (3d Cir. 2004) (“The notice did not need to include details such as . . . the confidential ‘opt-out’ threshold beyond which defendant reserved the right to withdraw from the settlement (irrelevant to members' opt-out decision)[.]”). There are no other side agreements between the Parties.

Representative; and entry of a Preliminary Approval Order, which order shall set a Final Approval Hearing date and approve the Notices and Claim Form for dissemination substantially in the form of Exhibits A, B, C, D, E, F, and G hereto. The Preliminary Approval Order shall also authorize the Parties, without further approval from the Court, to agree to and adopt such amendments, modifications and expansions of the Settlement Agreement and its implementing documents (including all exhibits to this Agreement) so long as they are consistent in all material respects with the terms of the Settlement Agreement and do not limit or impair the rights of the Settlement Class.

7.2. Defendant's agreement as to certification of the Settlement Class is solely for purposes of effectuating the Settlement and no other purpose. Defendant retains all of its objections, arguments, and defenses with respect to class certification and any other issue, and reserves all rights to contest class certification and any other issue if the Settlement set out in this Agreement does not result in entry of the Final Judgment, if the Court's approval is reversed or vacated on appeal, if this Settlement is terminated as provided herein, or if the Settlement set forth in this Settlement otherwise fails to become effective. The Parties acknowledge that there have been no stipulations to any classes or certification of any classes for any purpose other than effectuating the Settlement, and that if the Settlement set forth in this Settlement Agreement is not finally approved, if the Court's approval is reversed or vacated on appeal, if this Settlement Agreement is terminated as provided herein, or if the Settlement set forth in this Settlement Agreement otherwise fails to become effective, this agreement as to certification of the Settlement Class becomes null and void *ab initio*, and this Settlement Agreement or any other settlement-related statement may not be cited regarding certification of the Class, or in support of an argument for certifying any class for any purpose related to this Action or any other proceeding.

7.3. At the time of the submission of this Agreement to the Court as described above, Class Counsel shall request that, after notice is given, the Court hold a Final Approval Hearing and approve the settlement of the Action as set forth herein.

7.4. After notice is given, the Parties shall request and seek to obtain from the Court a Final Judgment, which will (among other things):

7.4.1. find that the Court has personal jurisdiction over all Settlement Class Members and that the Court has subject matter jurisdiction to approve the Agreement, including all exhibits thereto;

7.4.2. approve the Settlement Agreement and the proposed settlement as fair, reasonable, and adequate as to, and in the best interests of, the Settlement Class Members; direct the Parties and their counsel to implement and consummate the Agreement according to its terms and provisions; and declare the Agreement to be binding on, and have *res judicata* and preclusive effect in all pending and future lawsuits or other proceedings maintained by or on behalf of Plaintiff and Releasing Parties;

7.4.3. find that the Notices implemented pursuant to the Agreement (1) constitute the best practicable notice under the circumstances; (2) constitute notice that is reasonably calculated, under the circumstances, to apprise the Settlement Class of the pendency of the Action, their right to object to or exclude themselves from the proposed Agreement, and to appear at the Final Approval Hearing; (3) are reasonable and constitute due, adequate, and sufficient notice to all persons entitled to receive notice; and (4) meet all applicable requirements of the Federal Rules of Civil Procedure, the Due Process Clause of the United States Constitution, and the rules of the Court;

7.4.4. find that the Class Representative and Class Counsel adequately represent the Settlement Class for purposes of entering into and implementing the Agreement;

7.4.5. dismiss the Action (including all individual claims and Settlement Class Claims presented thereby) on the merits and with prejudice, without fees or costs to any Party except as provided in the Settlement Agreement;

7.4.6. incorporate the Release set forth above, make the Release effective as of the date of the Effective Date, and forever discharge the Released Parties as set forth herein;

7.4.7. permanently bar and enjoin all Settlement Class Members who have not been properly excluded from the respective Settlement Class from filing, commencing, prosecuting, intervening in, or participating (as class members or otherwise) in, any lawsuit or other action in any jurisdiction based on the Released Claims;

7.4.8. without affecting the finality of the Final Judgment for purposes of appeal, retain jurisdiction as to all matters relating to administration, consummation, enforcement, and interpretation of the Settlement Agreement and the Final Judgment, and for any other necessary purpose; and

7.4.9. incorporate any other provisions, as the Court deems necessary and just.

8 FEE AND SERVICE AWARDS.

8.1. Pursuant to Fed. R. Civ. P. 23(h), Defendant agrees that Class Counsel shall be entitled to an award of reasonable attorneys' fees and costs out of the Settlement Fund in an amount determined by the Court as the Fee Award. Plaintiff will file a motion with the Court prior to the Final Approval Hearing requesting a Fee Award not to exceed one-third of the Settlement Fund. Payment of the Fee Award shall be made from the Settlement Fund and should the Court award less than the amount sought by Class Counsel, the difference in the amount sought and the amount

ultimately awarded pursuant to this Paragraph shall remain in the Settlement Fund for distribution to eligible Settlement Class Members.

8.2. The Fee Award shall be paid from the Settlement Fund within ten (10) days after entry of the Court's Final Judgment, notwithstanding the existence of any timely filed objections or potential for appeal therefrom, or collateral attack on the settlement or any part hereof. Notwithstanding the foregoing, if for any reason the Final Judgment is reversed or rendered void as a result of an appeal(s) then Class Counsel shall return such funds to the Settlement Fund.

8.3. Class Counsel may file a motion for Court approval of a Service Award for the Class Representative, to be paid from the Settlement Fund, in addition to any funds the Class Representative stands to otherwise receive from the Settlement. Class Counsel will not request a service award for the Class Representative exceeding \$5,000.00. Should the Court award less than this amount, the difference in the amount sought and the amount ultimately awarded pursuant to this Paragraph shall remain in the Settlement Fund for distribution to eligible Settlement Class Members.

8.4. The Service Award shall be paid from the Settlement Fund (in the form of a check to the Class Representative that is sent care of Class Counsel), within thirty (30) days after the Effective Date.

8.5. The Parties agree that the effectiveness of this Settlement Agreement does not require and is not conditioned upon the Court's approval of attorneys' fees and reimbursement of expenses and/or an award to be payable to the Class Representative for service in the Action. No decision by the Court, or modification, reversal, or appeal of any decision by the Court, concerning the payment of a Fee Award and/or a Service Award shall be grounds for cancellation or termination of this Settlement Agreement.

9 CONDITIONS OF SETTLEMENT, EFFECT OF DISAPPROVAL, CANCELLATION OR TERMINATION.

9.1. The Effective Date of this Settlement Agreement shall not occur unless and until each of the following events occurs and shall be the date upon which the last (in time) of the following events occurs:

9.1.1. The Parties and their counsel have executed this Agreement;

9.1.2. The Court has entered the Preliminary Approval Order;

9.1.3. The Court has entered an order finally approving the Agreement, following notice to the Settlement Class and a Final Approval Hearing, as provided in the Federal Rules of Civil Procedure, and has entered the Final Judgment, or a judgment consistent with this Agreement in all material respects; and

9.1.4. The Final Judgment has become Final, as defined above, or, in the event that the Court enters an order and final judgment in a form other than that provided above ("Alternative Judgment") and that has the consent of the Parties, such Alternative Judgment becomes Final.

9.2. If some or all of the conditions specified in Paragraph 9.1 are not met, or in the event that this Agreement is not approved by the Court, or the settlement set forth in this Agreement is terminated or fails to become effective in accordance with its terms, then this Settlement Agreement shall be canceled and terminated subject to Paragraph 6.1 unless Class Counsel and Defendant's Counsel mutually agree in writing to proceed with this Agreement. If any Party is in material breach of the terms hereof and fails to cure such material breach within 30 days of notice, any other Party, provided that it is in substantial compliance with the terms of this Agreement, may terminate this Agreement on notice to all of the Settling Parties.

9.3. If this Agreement is terminated or fails to become effective for the reasons set forth in Paragraphs 6.1, 6.2, and 9.1-9.2 above, the Parties shall be restored to their respective positions in

the Action as of the date of the signing of this Agreement. In such event, any Final Judgment or other order entered by the Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*, and the Parties shall be returned to the *status quo ante* with respect to the Action as if this Agreement had never been entered into, with the exception that Defendant reimburse the claims administrator for all expenses incurred for notice and claims administration through the date of termination of the settlement.

10 MISCELLANEOUS PROVISIONS.

10.1. The Parties (a) acknowledge that it is their intent to consummate this Settlement Agreement; and (b) agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Agreement, to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Agreement, to secure final approval, and to defend the Final Judgment through any and all appeals. Class Counsel and Defendant's Counsel agree to cooperate with one another in seeking Court approval of the Settlement Agreement, entry of the Preliminary Approval Order, and the Final Judgment, and promptly to agree upon and execute all such other documentation as may be reasonably required to obtain final approval of the Agreement.

10.2. The Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Released Claims by Plaintiff, the Settlement Class and each or any of them, on the one hand, against the Released Parties, and each or any of the Released Parties, on the other hand. Accordingly, the Parties agree not to assert in any forum that the Action was brought by Plaintiff or defended by Defendant, or each or any of them, in bad faith or on a frivolous basis.

10.3. The Parties have relied upon the advice and representation of counsel, selected by them, concerning their respective legal liability for the claims hereby released. The Parties have read and understand fully the above and foregoing agreement and have been fully advised as to the legal effect thereof by counsel of their own selection and intend to be legally bound by the same.

10.4. Whether or not the Effective Date occurs, or the Settlement Agreement is terminated, neither this Agreement nor the settlement contained herein, nor any act performed or document executed pursuant to or in furtherance of this Agreement or the settlement:

10.4.1. is, may be deemed, or shall be used, offered, or received against the Released Parties, or each or any of them, as an admission, concession or evidence of, the validity of any Released Claims, the truth of any fact alleged by the Plaintiff, the deficiency of any defense that has been or could have been asserted in the Action, the violation of any law or statute, the reasonableness of the settlement amount or the Fee Award, or of any alleged wrongdoing, liability, negligence, or fault of the Released Parties, or any of them;

10.4.2. is, may be deemed, or shall be used, offered, or received against Defendant, as an admission, concession or evidence of any fault, misrepresentation, or omission with respect to any statement or written document approved or made by the Released Parties, or any of them;

10.4.3. is, may be deemed, or shall be used, offered, or received against the Released Parties, or each or any of them, as an admission or concession with respect to any liability, negligence, fault, or wrongdoing as against any Released Parties, in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. However, the settlement, this Agreement, and any acts performed and/or documents executed in furtherance of or pursuant to this Agreement and/or Settlement may be used in any proceedings as may be

necessary to effectuate the provisions of this Agreement. Further, if this Settlement Agreement is approved by the Court, any Party or any of the Released Parties may file this Agreement and/or the Final Judgment in any action that may be brought against such Party or Parties in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim;

10.4.4. is, may be deemed, or shall be construed against Plaintiff, the Settlement Class, the Releasing Parties, or each or any of them, or against the Released Parties, or each or any of them, as an admission or concession that the consideration to be given hereunder represents an amount equal to, less than or greater than that amount that could have or would have been recovered after trial; and

10.4.5. is, may be deemed, or shall be construed as or received in evidence as an admission or concession against Plaintiff, the Settlement Class, the Releasing Parties, or each and any of them, or against the Released Parties, or each or any of them, that any of Plaintiff's claims are with or without merit or that damages recoverable in the Action would have exceeded or would have been less than any particular amount.

10.5. The headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

10.6. The waiver by one Party of any breach of this Agreement by any other Party shall not be deemed as a waiver of any other prior or subsequent breaches of this Agreement.

10.7. All of the Exhibits to this Agreement are material and integral parts thereof and are fully incorporated herein by this reference.

10.8. This Agreement and its Exhibits set forth the entire agreement and understanding of the Parties with respect to the matters set forth herein, and supersede all prior negotiations, agreements, arrangements and undertakings with respect to the matters set forth herein. No representations, warranties or inducements have been made to any Party concerning this Settlement Agreement or its Exhibits other than the representations, warranties, and covenants contained and memorialized in such documents. This Agreement may be amended or modified only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.

10.9. Except as otherwise provided herein, each Party shall bear its own costs.

10.10. Plaintiff represents and warrants that he has not assigned any claim or right or interest therein as against the Released Parties to any other Person or Party and that he is fully entitled to release the same.

10.11. Each counsel or other Person executing this Settlement Agreement, any of its Exhibits, or any related settlement documents on behalf of any Party hereto, hereby warrants and represents that such Person has the full authority to do so and has the authority to take appropriate action required or permitted to be taken pursuant to the Agreement to effectuate its terms. Class Counsel in particular warrants that they are authorized to execute this Settlement Agreement on behalf of Plaintiff and the Settlement Class (subject to final approval by the Court after notice to all Settlement Class Members), and that all actions necessary for the execution of this Settlement Agreement have been taken.

10.12. This Agreement may be executed in one or more counterparts. Signature by digital means, facsimile, or in PDF format will constitute sufficient execution of this Agreement. All

executed counterparts and each of them shall be deemed to be one and the same instrument. A complete set of original executed counterparts shall be filed with the Court if the Court so requests.

10.13. This Settlement Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties hereto and the Released Parties.

10.14. The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of this Agreement, and all Parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the settlement embodied in this Agreement.

10.15. This Settlement Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts.

10.16. This Agreement is deemed to have been prepared by counsel for all Parties, as a result of arms' length negotiations among the Parties. Because all Parties have contributed substantially and materially to the preparation of this Agreement, it shall not be construed more strictly against one Party than another.

10.17. Where this Agreement requires notice to the Parties, such notice shall be sent to the undersigned counsel: Kevin Landau, Taus, Cebulash & Landau, LLP, 123 William Street, Suite 1900A, New York, NY 10075, and John Carlin of Paul, Weiss, Rifkind, Wharton & Garrison LLP, 2001 K St. NW, Washington, D.C. 20006.

10.18. Plaintiff and/or Class Counsel shall not, at any time, issue press releases or make other public statements regarding the Settlement or the Action (apart from filings with the Court as necessary to obtain Preliminary or Final Approval of the Settlement) unless Defendant agrees to such press releases or public statements in advance; provided that Class Counsel may post Court orders regarding the Action and brief summaries of those orders on their website(s) without permission from Defendant, so long as any reference in such order(s) to materials subject to any

confidentiality obligations are properly redacted. This provision shall not prohibit Class Counsel from communicating with any person in the Settlement Class regarding the Settlement (subject to compliance with any and all applicable confidentiality obligations).

IT IS SO AGREED TO BY THE PARTIES

Claims Must be Submitted no later than **[Claims Deadline]**

A court authorized this notice. You are not being sued. This is not a solicitation from a lawyer.

This notice is to inform you that a settlement has been reached in a class action lawsuit claiming that Defendant New England Patriots LLC, (“Patriots”) disclosed its users’ personally identifiable information to third parties via Anvato API and Rover SDK in its mobile app (“Patriots App”) in connection with users’ viewing of prerecorded videos without its users’ consent in violation of the Video Privacy Protection Act (“VPPA”). Personally identifiable information includes information which identifies a person as having requested or obtained specific video materials or services from a video tape service provider. Patriots denies that it violated any law, but has agreed to the settlement to avoid the expenses and uncertainty associated with continuing the case.

Am I a Settlement Class Member? Settlement Class Members are all persons residing in the United States who, at any time from February 1, 2022, to and through **[Preliminary Approval Date]** used the Patriots App with location services enabled, and requested or obtained any prerecorded (including on-demand replay) videos available on the Patriots App.

What can I get? If approved by the Court, Patriots will create a Settlement Fund of \$2,160,000 for the benefit of the Settlement Class. The Settlement Fund will be distributed to Settlement Class Members who file a timely and complete claim on a pro rata basis (meaning equal share), after deducting any Court-approved attorneys’ fees and expenses, service award for the class representative, and costs of settlement administration (including payment of any associated taxes).

The Settlement also requires Patriots to suspend operation of Anvato API and Rover SDK on the Patriots App to the extent that they transmit precise geolocation data in connection with a user’s viewing of pre-recorded video materials, unless and until the VPPA is amended, repealed, or otherwise invalidated (including without limitation by judicial decision on the use of API or SDK technology by the United States Supreme Court or United States Court of Appeals for the First Circuit), or where precise geolocation is held by either court not to be personally identifying information, or where the disclosure of information does not identify specific pre-recorded video materials that a user has requested or obtained on the Patriots App, or until Patriots obtains VPPA-

compliant consent for the disclosure to third parties of the video content viewed.

How to I get a payment? You must submit a timely Claim Form **no later than [Claim Deadline]**. You can file a claim by clicking [here](#)[\[embedded link\]](#). You will be asked to enter the Unique ID and pin numbers provided at the top of this notice. Your payment will come by check unless you elect to receive payment electronically via Paypal or Venmo.

What are my other options? You may exclude yourself from the Settlement Class by sending a letter to the Settlement Administrator no later than [\[objection/exclusion deadline\]](#). If you exclude yourself, you cannot get a settlement payment, but you will keep any rights you may have to sue Defendant regarding the issues in the lawsuit. You may object to the proposed settlement, and you and/or your lawyer have the right to appear before the Court. Your written objection must be filed no later than [\[objection/exclusion deadline\]](#). Specific instructions about how to exclude yourself from, or object to, the Settlement are available at [here](#)[\[embedded link\]](#). If you file a claim or do nothing, and the Court approves the Settlement, you will be bound by all of the Court's orders and judgments. In addition, your claims against Patriots relating to issues in this case will be released.

Who represents me? Nathaniel L. Orenstein, Patrick T. Egan, and Christina L. Gregg of Berman Tabacco, Daniel C. Hedlund and Daniel J. Nordin of Gustafson Gluek PLLC, Kenneth A. Wexler, Justin N. Boley, and Zoran Tasić of Wexler, Boley & Elgersma LLP, and Kevin Landau and Brett Cebulash of Taus, Cebulash & Landau, LLP are the lawyers representing Anthony Serra and the Settlement Class. They are called "Class Counsel." You will not be charged for these lawyers. If you want to be represented by your own lawyer in this case, you may hire one at your own expense.

When will the Court consider the proposed settlement? The Court will hold a Final Approval Hearing at [\[time\]](#) on [\[\]](#), 2025 in Courtroom [\[\]](#) at the Harold D. Donohue Federal Building and U.S. Courthouse, 595 Main Street, Worcester, Massachusetts 01608. The purpose of the hearing will be for the Court to determine whether to approve the Settlement as fair, reasonable, adequate, and in the best interests of the Settlement Class; to consider the Class Counsel's request for attorneys' fees and expenses; and to consider the request for a service award to the Class Representative. At that hearing, the Court will be available to hear any objections and arguments concerning the fairness of the Settlement.

How do I get more information? For more information, including the full Notice, Claim Form and Settlement Agreement go to [here](#), contact the Settlement Administrator at [\[\]](#) or Class Counsel at [\[\]](#).

Serra v. New England Patriots LLC, Case No. 4:24-cv-40022-MRG

You May Be Entitled to a Payment from a Class Action Settlement If You Used the New England Patriots App with Location Services Enabled and Viewed Video(s)

Claims Must be Submitted no later than **[Claims Deadline]**

A court authorized this notice. You are not being sued. This is not a solicitation from a lawyer.

A settlement has been reached in a class action lawsuit against New England Patriots LLC, (“Patriots”). The class action lawsuit alleges Patriots disclosed personally identifiable information (“PII”) of users of its mobile app (“Patriots App”) to third parties via Anvato API and Rover SDK via the Patriots App without its users’ consent in violation of the Video Privacy Protection Act (“VPPA”). The VPPA defines PII to include information which identifies a person as having requested or obtained specific video materials or services from a video tape service provider. Patriots denies that it violated any law, but has agreed to the settlement to avoid the uncertainties and expenses associated with continuing the case.

You are included in the Settlement Class if you are an individual residing in the United States who, from February 1, 2022, to and through **[Preliminary Approval Date]**: used the Patriots App with location services enabled, and requested or obtained any prerecorded (including on-demand replay) videos available on the Patriots App.

Individuals included in the Settlement will be eligible to receive cash payment pro rata (meaning equal) portion of the Net Settlement Fund. The Settlement also requires Defendant to suspend any known transmission (to the extent any is occurring) by the Patriots App to Anvato through the Anvato API and to Rover through the Rover SDK of Precise Geolocation data in connection with a user’s viewing of pre-recorded video materials, unless and until the VPPA is amended, repealed, or otherwise invalidated (including without limitation by judicial decision on the use of API or SDK technology by the United States Supreme Court or United States Court of Appeals for the First Circuit), or where precise geolocation is held by either court not to be personally identifying information, or where the disclosure of information does not identify specific pre-recorded video materials that a user has requested or obtained on the Patriots App, or until Patriots

obtains VPPA-compliant consent for the disclosure to third parties of the video content viewed.

Read this notice carefully. Your legal rights are affected whether you act, or do not act.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT	
SUBMIT A CLAIM FORM BY [DATE]	This is the only way to receive a cash payment. A Claim Form is available at the website [website address]. As a Settlement Class Member, you will give up your rights to sue Patriots in the future regarding the claims in this case.
EXCLUDE YOURSELF BY [DATE]	You will receive no benefits, but you will retain any rights you currently have to sue Patriots regarding the claims in this case.
OBJECT BY [DATE]	Write to the Court explaining why you do not like the Settlement.
GO TO THE HEARING ON [DATE]	Ask to speak in Court about your opinion of the Settlement.
DO NOTHING	You will not get a share of the Settlement benefits and will give up your rights to sue Patriots regarding the claims in this case.

Your Rights and options—and the deadlines to exercise them—are explained in this Notice.

1. Why was this Notice issued?

A Court authorized this notice because you have a right to know about a proposed Settlement of this class action lawsuit and about all your options, before the Court decides whether to give final approval to the Settlement. This Notice explains the lawsuit, the Settlement, and your legal rights. The Honorable Margaret R. Guzman, of the U.S. District Court for the District of Massachusetts, is overseeing this case. The case is called Serra v. New England Patriots LLC, Case No. 4:24-cv-40022-MRG. The person who has sued is called the Plaintiff. The entity being sued, New England Patriots, is called the Defendant.

2. What is a class action?

In a class action, one or more people called the class representatives (in this case, Plaintiff Anthony Serra) sue on behalf of a group or a “class” of people who have similar claims. In a class action, the court resolves the issues for all class members, except for those who

QUESTIONS? CALL [NUMBER] TOLL FREE, OR VISIT [WEBSITE]

exclude themselves from the class.

3. What is this lawsuit about?

This lawsuit claims that Patriots violated the VPPA, 18 U.S.C. § 2710, et seq. by disclosing its users' personally identifiable information to third parties via Anvato API and Rover SDK in its mobile app without its users' consent. The VPPA defines PII to include information which identifies a person as having requested or obtained specific video materials or services from a video tape service provider. **Patriots denies that it violated any law. The Court has not determined who is right. Rather, the parties have agreed to settle the lawsuit to avoid the uncertainties and expenses associated with ongoing litigation.**

4. Why is there a Settlement?

The Court has not decided whether the Plaintiff or Patriots should win this case. Instead, both sides agreed to a Settlement. That way, they avoid the uncertainties and expenses associated with ongoing litigation, and Settlement Class Members will get compensation.

WHO'S INCLUDED IN THE SETTLEMENT?

5. How do I know if I am in the Settlement Class?

The Settlement Class is defined as:

All individuals residing in the United States who are or have been users of the Patriots' App with location services enabled, and who requested or obtained any prerecorded (including on-demand replay) videos available on the Patriots' App, during the Class Period. Excluded from the Settlement Class are (1) any judge presiding over this Action and members of their families; (2) Defendant, its subsidiaries, parent companies, successors, predecessors, and any entity in which the Defendant or its parents have a controlling interest and their current or former officers, directors, agents, attorneys, and employees; (3) persons who properly execute and file a timely request for exclusion from the class; and (4) the legal representatives, successors, or assigns of any such excluded persons.

THE SETTLEMENT BENEFITS

6. What does the settlement provide?

Monetary Relief: Patriots will pay \$2,160,000 to create a Settlement Fund.

QUESTIONS? CALL [NUMBER] TOLL FREE, OR VISIT [WEBSITE]

Prospective Changes: The Settlement also requires Defendant to suspend any known transmission (to the extent any is occurring) by the Patriots App to Anvato through the Anvato API and to Rover through the Rover SDK of Precise Geolocation data in connection with a user's viewing of pre-recorded video materials, unless and until the VPPA is amended, repealed, or otherwise invalidated (including without limitation by judicial decision on the use of API or SDK technology by the United States Supreme Court or United States Court of Appeals for the First Circuit), or where precise geolocation is held by either court not to be personally identifying information, or where the disclosure of information does not identify specific pre-recorded video materials that a user has requested or obtained on the Patriots App, or until Patriots obtains VPPA-compliant consent for the disclosure to third parties of the video content viewed.

A detailed description of the settlement benefits can be found in the Settlement Agreement available at [Website].

7. How much will my payment be?

After deducting any Court-approved attorneys' fees and expenses, service award for the class representative, and costs of settlement administration (including payment of any associated taxes), the Settlement Fund will be distributed to Settlement Class Members as a cash payment on a pro rata basis (meaning equal share). This means each Settlement Class Member who submits a valid claim will be paid an equal share from the Net Settlement Fund. The amount of the payments to individual Settlement Class Members will depend on the number of valid claims that are filed. Because the final payment amount cannot be calculated before all claims are received and verified, it will not be possible to provide an accurate estimate of the payment amount before the deadline to file claims.

8. When will I get my payment?

The Court will hold a hearing to consider the fairness of the settlement on [Final Approval Hearing Date]. If the Court approves the settlement, eligible Settlement Class Members whose claims were approved by the Settlement Administrator will receive their payment within 90 days after the Settlement has been finally approved and/or any appeals process is complete. In submitting their claims, Settlement Class Members can choose whether to receive their payment via PayPal, Venmo, or paper check. All checks will expire and become void unless cashed within 180 days after the date of issuance.

HOW TO GET BENEFITS

9. How do I get a payment?

If you are a Settlement Class Member and you want to receive a payment, you must

QUESTIONS? CALL [NUMBER] TOLL FREE, OR VISIT [WEBSITE]

complete and submit a Claim Form postmarked by [Claims Deadline]. Claim Forms can be found and submitted at the website [website address], or by printing and mailing a paper Claim Form, copies of which are available for download at the website [website address]. If the Patriots App was installed on your mobile device by [Push Date], you have received notifications concerning the settlement in the “My Inbox” section of the Patriots App and via a “Push” message, both of which will direct you to a personalized Notice of Proposed Class Action Settlement containing a Unique ID and PIN number to be entered on your Claim Form. You may still file a claim if you believe you are a member of the Settlement Class but have not received the “My Inbox” or “Push” notifications. Please contact the Settlement Administrator for more information at _____.

Settlement Class Members are encouraged to submit claims online. Not only is it easier and more secure, but it is completely free and takes only minutes!

REMAINING IN THE SETTLEMENT

10. What am I giving up if I stay in the Settlement Class?

If the Settlement becomes final, you will give up (or “release”) your rights to sue Patriots and certain of its affiliates (“Released Parties”) regarding the Released Claims, which are described and defined in Paragraph 1.26 of the Settlement Agreement. Unless you exclude yourself (see Question 14), you will release the Released Claims, regardless of whether you submit a claim or not. You may access the Settlement Agreement through the “court documents” link on the website. The Settlement Agreement describes the Released Claims with specific descriptions, so read it carefully. If you have any questions you may speak to the lawyers listed in Question 12 for free or you may, of course, speak to your own lawyer.

11. What happens if I do nothing at all?

If you do nothing, you will not receive any monetary benefit (cash payment) from this Settlement. Further, if you do not exclude yourself, you will be unable to start a lawsuit or be part of any other lawsuit brought against Patriots regarding the Released Claims

THE LAWYERS REPRESENTING YOU

12. Do I have a lawyer in the case?

Nathaniel L. Orenstein, Patrick T. Egan, and Christina L. Gregg of Berman Tabacco, Daniel C. Hedlund and Daniel J. Nordin of Gustafson Gluek PLLC, Kenneth A. Wexler, Justin N. Boley, and Zoran Tasić of Wexler, Boley & Elgersma LLP, and Kevin Landau and Brett Cebulash of Taus, Cebulash & Landau, LLP are the lawyers representing Anthony Serra and the Settlement Class. They are called “Class Counsel.” After conducting an extensive

investigation, they believe that the Settlement Agreement is fair, reasonable, and in the best interests of the Settlement Class. You will not be charged for these lawyers. If you want to be represented by your own lawyer in this case, you may hire one at your own expense.

13. How will the lawyers be paid?

Class Counsel's attorneys' fees, costs, and expenses will be paid from the Settlement Fund in an amount determined and awarded by the Court. Class Counsel will ask for no more than one-third of the \$2,160,000 Settlement Fund, but the Court may award less than this amount. Class Counsel may also seek a Service Award of up to \$5,000 for the Class Representative for his service in helping to bring and settle the case. The Service Award will be paid out of the Settlement Fund, but the Court may award less than this amount.

EXCLUDING YOURSELF FROM THE SETTLEMENT

14. How do I get out of the Settlement?

To exclude yourself from the Class, you must mail or otherwise deliver a letter stating that you want to be excluded. Your letter must include:

- a. The name and number of this case;
- b. Your full name and mailing address;
- c. A statement that you wish to be excluded; and
- d. Your handwritten or electronically imaged written signature.

You must mail or deliver your exclusion letter, postmarked no later than [Objection/Exclusion Deadline] to:

[Claims Admin?]

No "mass" or "class" opt-outs will be allowed.

15. If I don't exclude myself, can I sue the Defendant for the same thing later?

No. Unless you exclude yourself, you give up any right to sue Patriots or the Released Parties for the Released Claims being resolved by this Settlement.

16. If I exclude myself, can I get anything from this Settlement?

No. If you exclude yourself, you may not submit a Claim Form to receive a monetary benefit (cash payment).

OBJECTING TO THE SETTLEMENT

17. How do I object to the Settlement?

If you're a Settlement Class Member, you may ask the Court to deny approval by filing an objection. You may object to any aspect of the Settlement, Class Counsel's request for attorneys' fees and expenses, or the request for a Service Award. You can give reasons why you think the Court should not give its approval. The Court will consider your views. If you choose to make an objection, you must mail or file with the Court a letter or brief stating that you object to the Settlement. Your letter or brief must include:

- a. The name and number of this case;
- b. An explanation of the basis upon which you claim to be a Settlement Class Member, including information sufficient to identify you as a Patriots App user;
- c. An explanation of any and all your reasons for your objections, including citations to legal authority and supporting evidence, and attaching any materials you rely on for your objections;
- d. The name and contact information of any and all lawyers representing, advising, or in any way assisting you in connection with your objection;
- e. A statement indicating whether you or your lawyer(s) intends to appear at the Final Approval Hearing;
- f. Your handwritten or electronically imaged written signature; and
- e. If a Settlement Class Member or any of the Objecting lawyers have objected to any class action settlement where the objector or the Objecting lawyer asked for or received any payment in exchange for dismissal of the objection, or any related appeal, without any modification to the settlement, then the objection must include a statement identifying each such case by full case caption and amount of payment received. Any challenge to the Settlement Agreement or the Final Judgment shall be pursuant to appeal under the Federal Rules of Appellate Procedure and not through a collateral attack.

You must mail or deliver your exclusion letter, postmarked no later than [Objection/Exclusion Deadline] to:

[Claims Admin?]

You must also mail or otherwise deliver a copy of your written objections to Class Counsel and Patriots' counsel at the following addresses:

Class Counsel	Defendant's Counsel
----------------------	----------------------------

[Sig Block]

[Sig Block]

18. What is the difference between objecting and excluding myself from the Settlement?

Objecting simply means telling the Court that you don't like something about the Settlement. You can object only if you stay in the Settlement Class. Excluding yourself from the Settlement Class is telling the Court that you don't want to be part of the Settlement Class. If you exclude yourself, you have no right to object or file a Claim Form because the case no longer affects you.

THE COURT'S FINAL APPROVAL HEARING**19. When and where will the Court decide whether to approve the Settlement?**

The Court will hold a Final Approval Hearing at [time] on [date], 2025 in Courtroom [number] at the Harold D. Donohue Federal Building and U.S. Courthouse, 595 Main Street, Worcester, Massachusetts 01608. The purpose of the hearing will be for the Court to determine whether to approve the Settlement as fair, reasonable, adequate, and in the best interests of the Settlement Class; to consider the Class Counsel's request for attorneys' fees and expenses; and to consider the request for a Service Award to the Class Representative. At that hearing, the Court will be available to hear any objections and arguments concerning the fairness of the Settlement.

The hearing may be postponed to a different date or time without notice, so it is a good idea to check [Settlement Website] or call [class counsel contact]. If, however, you timely objected to the Settlement and advised the Court that you intend to appear and speak at the Final Approval Hearing, you will receive notice of any change in the date of such Final Approval Hearing.

20. Do I have to attend the hearing?

No. Class Counsel will answer any questions the Court may have. But you are welcome to come at your own expense. If you send an objection or comment, you don't have to attend the hearing to talk about it. As long as you filed and mailed your written objection on time, the Court will consider it. You may also retain your own lawyer (at your own expense) to attend, but it's not required.

21. May I speak at the hearing?

Yes. You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must include in your letter or brief objecting to the Settlement a statement saying that you or your lawyer intend to appear at the Final Approval Hearing.

22. Where do I get more information?

This Notice summarizes the Settlement. More details are in the Settlement Agreement. You can get a copy of the Settlement Agreement at [Settlement Website]. You may also write with questions to [REDACTED]. You can call the Settlement Administrator at [REDACTED] or Class Counsel at [REDACTED], if you have any questions. Before doing so, however, please read this full Notice carefully. You may also find additional information elsewhere on the settlement website.

BRETT CEBULASH, PARTNER

Brett Cebulash focuses his practice on litigating complex class actions designed to remedy class-wide harms caused by unfair, deceptive or anticompetitive practices. Over the course of his 25-year career, Mr. Cebulash has made substantial contributions to complex class cases in the areas of antitrust law (designed to remedy anticompetitive behavior and restore competition), consumer protection law (designed to remedy unfair and deceptive practices in the sale or use of goods and services), employment law (designed to remedy unfair employment practices), and securities law (designed to remedy false and misleading disclosures in the sale of securities). In recognition of his achievements in complex litigation, Mr. Cebulash has been selected as a New York Metro “Super Lawyer” from 2014-2021 in antitrust and class action litigation. “Super Lawyer” selection results from peer nominations, a “blue ribbon” panel review process and independent research on candidates; no more than 5% of lawyers in the New York metro areas are selected as “Super Lawyers.”

Mr. Cebulash has prosecuted complex class matters in a wide range of industries. For instance, Mr. Cebulash is currently engaged in challenging practices regarding infant formula marketing in *Hasemann v. Gerber* (E.D.N.Y.) (Co-Lead Counsel), improper imposition of fees by Nassau and Suffolk County in *Guthart v. Nassau County* and *McGrath v. Suffolk County* (N.Y. Sup. Ct.) and in *Mach v. Yardi Systems, Inc., et al.* (Cal. Sup.). As Lead Counsel, Mr. Cebulash was substantially involved in all aspects of *Marchese v. Cablevision* (D.N.J.), a class action challenging Cablevision’s tying of subscriptions to interactive services to the rental of set-top boxes exclusively from Cablevision that resulted in a settlement providing in excess of \$72 million in settlement benefits and significant injunctive relief to Cablevision subscribers. In the trucking industry, Mr. Cebulash also has been involved in *Wallach, et al v. Eaton* (D. Del.), a class action challenging exclusive dealing conduct in the market for Class 8 truck transmissions, and *Universal Delaware, Inc. v. Ceridian Corp., et al.* (E.D.Pa.), challenging anticompetitive arrangements with regard to fuel cards.

Mr. Cebulash has litigated many cases that challenge anticompetitive conduct in the healthcare industry. In *Neurontin Antitrust Litigation* (D.N.J), Mr. Cebulash was responsible for developing the direct purchaser class action that challenged Pfizer’s scheme to delay generic competition for Neurontin, including formulating the contours of Pfizer’s overarching scheme and successfully arguing against Pfizer’s motion to dismiss. In the area of consumer protection, Mr. Cebulash has been prominently involved in cases challenging the practices of banks and insurers in the forced placement of flood insurance. In *Arnett v.*

Bank of America (D. Or.), Mr. Cebulash successfully argued in opposition to Bank of America's motion to dismiss, developed the concept of the lender-servicer distinction (to distinguish the actions of loan servicers from those reserved to the lender/owner of the mortgage to counter servicers' arguments that they were entitled to unfettered discretion under the mortgage to set terms for flood insurance) and engaged in all other aspects of the prosecution of the *Arnett* matter, leading to a settlement providing \$31 million in cash for the class as well as significant relief from Bank of America's flood insurance practices. Mr. Cebulash was involved in the development and prosecution of *Casey and Skinner v. Citibank* (N.D.N.Y.), where the court adopted the lender-servicer distinction in denying Citibank's motion to dismiss and which ultimately settled for \$110 million in value available to the flood, hazard and wind insurance classes as well as changes to Citibank's insurance practices. In *Clements, Scheetz, et. al. v. JP Morgan Chase* (N.D. Cal.)/(S.D.N.Y.) Mr. Cebulash developed concepts that contributed to reaching a settlement that provided \$22.1 million in cash to the class and changes to Chase's force placed flood insurance practices. Mr. Cebulash has litigated cases challenging other insurance-related deceptive practices including *Westrope v. Ringler*, (D. Or.) alleging that structured settlement brokers negligently and illegally sold ELNY annuities and *In re Provident Demutualization*, (Pa. Ct. Comm. Pleas) challenging a demutualization on the basis that it benefitted insiders and executives at the expense of policyholders.

Mr. Cebulash has successfully litigated numerous actions against credit card issuers challenging their deceptive practices with regard to their credit protection products. Mr. Cebulash was involved in the litigation of *Spinelli, et al v. Capital One*, (M.D. Fla), which included litigating cases in California and Connecticut and negotiating a successful settlement that provided substantial relief to Capital One cardholders. Mr. Cebulash also litigated actions on behalf of cardholders in *Esslinger v. HSBC*, (E.D. Pa.) (co-lead counsel), *Bank of America Credit Protection Marketing & Sales Practices Litigation* (N.D. Cal.) (executive committee) and *Discover Payment Protection Plan Marketing and Sales Practices Litigation* (N.D. Ill.), successfully providing these classes with over \$50 million in total cash relief as well as improvements to credit protection practices.

Mr. Cebulash has also litigated securities class actions, developing theories regarding improper disclosures and improper accounting and revenue recognition methods that lead to successful results in cases such as *F&M Distributors, Inc. Securities Litigation* (E.D. Mich.) *Bank One Securities Litigation* (N.D. Ill.) and *Gutter v. Dupont* (S.D. Fla.). Mr. Cebulash has also been substantially involved in employment cases such as *Davis v. Kodak* (W.D.N.Y.) and *Diaz v. Electronics Boutique* (W.D.N.Y.)

A graduate of the University of Virginia, Mr. Cebulash received his J.D. *cum laude* from Brooklyn Law School. Gustafson Gluek represents a proposed class of millions of consumers whose financial records and information were accessed by unauthorized third parties. This case has reached a proposed settlement valued at \$15 million plus injunctive relief.

PRODUCT LIABILITY

Sometimes, consumers are injured by the products they purchase. Products liability is an area of law that seeks to hold manufacturers of products that have injured individuals responsible for the injuries their defective products caused.

These defective products range from medical devices to vehicles to diapers and many others. Gustafson Gluek PLLC represents consumers against

the manufacturers of these defective products and has been able to achieve sizable recoveries on behalf of injured individuals. Below are some representative product liability cases that Gustafson Gluek is currently litigating:

In re FCA US LLC Monostable Electronic Gearshift Litig. (E.D. Mich.)

Gustafson Gluek serves on the Plaintiffs' Steering Committee and represents individuals who owned or leased 2012-2014 Dodge Chargers, 2014-2015 Chrysler 300s, and 2014-2015 Jeep Grand Cherokees. Plaintiffs allege that these vehicles contain defective gearshifts, which allow vehicles to roll away out of the park position. Issue classes have been conditionally certified.

Krautkramer et al., v. Yamaha Motor Corporation, U.S.A. (D. Minn.)

Gustafson Gluek represents a proposed class of individuals who own or lease a range of Yamaha off-road vehicles. Plaintiffs allege that these vehicles are subject to overheating and engine failure due to a defect in the vehicle engines.

Mackie et al v. American Honda Motor Co., Inc. et al. (D. Minn.)

Gustafson Gluek represents a proposed class of consumers who purchased or leased 2019-2021 Honda CR-V and Civic vehicles, and 2018-2021 Accord vehicles equipped with "Earth Dreams" 1.5L direct injection engines. Plaintiffs allege that these vehicles contain an engine defect which causes fuel contamination of the engine oil resulting in oil dilution, decreased oil viscosity, premature wear and ultimate failure of the engines, engine bearings, and other internal engine components, and an increased cost of maintenance.

Reynolds, et al., v. FCA US, LLC (E.D. Mich.)

Gustafson Gluek represents a proposed class of individuals who owned or leased 2018-2020 Jeep Wrangler and 2020 Jeep Gladiator vehicles. Plaintiffs allege that these vehicles contain a defective front axle suspension system that causes the steering wheel to shake violently while operating at highway speeds.

Rice v. Electrolux Home Prod., Inc. (M.D. Pa.); Gorczynski v. Electrolux Home Products, Inc. (D.N.J.)

Gustafson Gluek represents classes of individuals who own an Electrolux microwave with stainless-steel handles. Plaintiffs in these cases allege that these certain microwaves, which were sold to be placed over a cooktop surface, have stainless steel handles that can heat to unsafe temperatures when the cooktop below is in use.

Woronko v. General Motors, LLC (E.D. Mich.)

Gustafson Gluek represents a proposed class of individuals who owned or leased 2015-2016 Chevrolet Colorado and GMC Canyon vehicles. Plaintiffs allege that these vehicles are equipped with a defective electrical connection that causes the vehicles to lose power steering while driving under a variety of conditions. This case is in the initial pleading stage.

Pro Bono & Community

Gustafson Gluek recognizes that those who provide legal services are in a unique position to assist others. The Firm and its members strongly believe in giving back to the community by providing legal services to those in need. The law can make an immense difference in an individual's life; however, effectively navigating the legal system is not an easy task. Providing pro bono legal services promotes access to justice, by giving counsel to those who otherwise would not have it.

In keeping with this commitment to providing representation to those who otherwise do not have access to representation, Dan Gustafson was one of four lawyers who helped develop and implement the Minnesota *Pro Se* Project for the Minnesota Chapter of the Federal Bar Association. Because the Federal Bar Association did not have funding for the project, Gustafson Gluek volunteered to administer the Project during its inaugural year, starting in May 2009, devoting extensive resources to matching pro se litigants with volunteer counsel. In 2010, Chief Judge Michael Davis of the District of Minnesota awarded Dan Gustafson a Distinguished Pro Bono Service Award for "rising to the Court's challenge of bringing the idea of the *Pro Se* Project to fruition and nurturing the Project into its current form." Gustafson Gluek has continued representing clients through the *Pro Se* Project since that time.

Practice Areas

WBE is a nationally recognized leader in complex class action and multidistrict litigation, with a commitment to excellence and achieving meaningful relief for its clients. The firm's diverse litigation practice spans the areas of antitrust, business and commercial litigation, consumer fraud litigation, government representation, healthcare litigation, securities and corporate governance, and whistleblower and false claims litigation.

ANTITRUST

Unfortunately, individuals and businesses sometimes violate the rules of our market-based system, imposing artificially inflated prices on market participants. Conduct prohibited by state and federal antitrust laws can take the form of illegally-maintained monopolies, price fixing, the improper exchange of competitive information, patent abuses, and other forms of unfair competition.

WBE is a leader in private antitrust enforcement, litigating a wide variety of class action cases involving many prominent industries, including the pharmaceutical, entertainment, service rental, lumber, energy, and electronic products industries.

Representative cases in the firm's antitrust practice area include:

IN RE DEERE & COMPANY REPAIR SERVICES ANTITRUST LITIGATION, CASE NO. CASE NO. 22-CV-00188 (N.D. ILL.)

WBE and co-counsel brought this antitrust lawsuit against John Deere on behalf of plaintiffs who allege that the company maintains an illegal monopoly on the U.S. tractor repair industry. Plaintiffs allege Deere maintains control over the Repair Services Market through its increasingly consolidated network of authorized Dealerships. Dealerships are independently-owned businesses that work in close collaboration with Deere, which maintains significant and active oversight, support, and direction for the Dealerships' operations. The lawsuit alleges that John Deere is in violation of Sections 1 and 2 of the Sherman Act, and seeks to recover damages to the maximum extent allowed and permanently enjoin Deere from continuing to monopolize the tractor repair market.

POWELL PRESCRIPTION CENTER, ET AL. V. SURESCRIPTS, LLC, ET AL., NO. 19-cv-06627 (N.D. ILL.)

WBE, along with co-counsel, filed this class action suit alleging that Surescripts uses its monopolistic market share to conduct anticompetitive practices in the e-prescription markets, such as entering into loyalty agreements with certain customers that allow the company to charge higher transaction fees than would be possible in a competitive market, as well as issuing threats against customers to ensure no other market competitors emerged. The lawsuit also names RelayHealth and Allscripts—competitors that Plaintiffs allege entered into non-compete and exclusive dealing agreements with Surescripts in exchange for a portion of Surescripts' monopoly profits.

PRECIOUS PLATE, INC., ET AL. V. OLIN CORPORATION, ET AL., NO. 19-cv-00385 (W.D. NY.)

WBE and its co-counsel filed this class action suit alleging that the largest domestic suppliers of caustic soda engaged in a conspiracy to fix the price at which caustic soda was sold in the United States. After years of declining prices, plaintiffs allege that the defendants engaged in coordinated supply reductions and redirection of domestic caustic soda supply to export markets, which allowed them to raise the price of caustic soda by nearly 50% over three years. These price increases would not have been possible absent defendants' coordinated and anticompetitive conduct.

IN RE BROILER CHICKEN ANTITRUST LITIGATION, 16: cv -8637 (N.D. ILL.)

WBE, along with co-counsel, filed this class action alleging that the nation's largest chicken producers (such as Tyson and Pilgrims) agreed with each other to limit the supply of broiler chickens, in order to raise the prices on chicken and chicken products. The Court appointed WBE as Liaison Counsel on behalf of a class of restaurants (and institutions, such as prisons and nursing homes) that purchased the defendants' chicken from a wholesaler. The plaintiffs are seeking to recover damages suffered when they overpaid on purchases of the defendants' chicken. The defendants filed motions to dismiss the case, but in November of 2017 the Court denied those motions almost entirely, issuing a 92-page opinion. On May 27, 2023, the Court certified classes of direct purchasers, indirect purchasers, and end-user consumers.

IN RE NEXIUM ANTITRUST LITIG., MDL NO. 2409 (D. MASS.)

WBE, along with co-counsel, filed this antitrust class action, alleging that defendant AstraZeneca entered into non-competition agreements with a number of generic pharmaceutical manufacturers in order to delay marketing entry of generic versions of its blockbuster drug Nexium. Starting in October 2014, WBE participated in a six-week jury trial in the action; it was the first trial of a "reverse payment" antitrust action since the Supreme Court's *Actavis* decision. While the jury made several key findings in favor of the Plaintiffs, it ultimately returned a verdict in favor of defendants AstraZeneca and Ranbaxy.

IN RE LIPITOR ANTITRUST LITIG., 12-CV-2389 (D. N.J.)

WBE filed this class action against Pfizer Inc. and Ranbaxy Pharmaceuticals Inc., among others, seeking damages and equitable relief on behalf of end-payors of Lipitor and/or its generic bioequivalents for violations of antitrust and consumer protection laws. Plaintiffs allege that, among other things, defendants fraudulently procured a patent covering Lipitor and entered into an anticompetitive settlement with Ranbaxy in order to keep generic versions of the blockbuster drug off of the market.

NICHOLS V. SMITHKLINE BEECHAM CORP. ("PAXIL"), No. 00-CV-6222 (E.D. PA.)

WBE served as co-lead counsel in this case involving alleged efforts by GlaxoSmithKline, including "sham" patent litigation, to keep generic versions of Paxil off the market. This case is believed to be one of the first, if not the first, to allege misuse

of patents to delay generic competition in a pharmaceutical market brought under Section 2 of the Sherman Act (rather than Section 1). The case settled for \$65 million.

IN RE EFFEXOR XR ANTITRUST LITIG., No. 11-CV-05479 (D. N.J.)

WBE was appointed to the Indirect Purchaser Class Executive Committee in this antitrust litigation against pharmaceutical manufacturer Wyeth, Inc. regarding its antidepressant Effexor XR. The complaint alleges that Wyeth fraudulently obtained a number of method-of-use patents for Effexor XR and engaged in sham litigation against sixteen potential generic competitors in an effort to protect the Effexor XR monopoly. Plaintiffs further allege that Wyeth entered into an anticompetitive settlement with the first generic ANDA filer, Teva Pharmaceutical Industries, Ltd., and its US subsidiary Teva Pharmaceuticals USA, Inc., which delayed the entry of generic Effexor XR competitors for more than two years.

BUSINESS AND COMMERCIAL LITIGATION

Confronting well-heeled and well-represented adversaries, WBE attorneys represent businesses throughout the country in complex disputes ranging from breach of contract claims to business torts, including fraud, unfair competition, and breaches of fiduciary duty. The firm has represented small businesses on a contingency basis when those businesses were faced with litigating against larger adversaries that engaged in unfair and unlawful conduct.

Although WBE attorneys are always prepared to offer zealous advocacy for the firm's clients in state or federal courts, they also have employed creative approaches to successfully handle difficult cases through alternative dispute resolution such as mediation or arbitration. The firm's willingness to extend its services in cases that other firms are unwilling or unable to handle is just another testament to its commitment to positive change.

CONSUMER PROTECTION

WBE is a national leader in prosecuting consumer protection claims on behalf of both businesses and individuals in state and federal courts throughout the country. The firm has successfully prosecuted cases involving, but not limited to:

- // unlawful environmental dumping
- // improper Internet "lead generation" practices
- // unfair billing practices of telecommunications companies
- // mislabeling of dietary supplements
- // the sale of defective drugs and household appliances
- // unfair payment policies of health insurance companies
- // false advertising by Internet service providers
- // deceptive practices of social networking sites
- // unlawful debt reduction scams

PRIVACY AND INFORMATION SECURITY

In a digital age, there are few assets more valuable to companies than data on current or potential customers. Because of this, many companies place more importance on obtaining personal information than concern for consumer privacy. WBE is actively protecting the privacy rights of individuals by taking action against companies who disregard privacy laws and mishandle consumer data. Our efforts include matters involving:

- // Electronic collection and disclosure of personal information to third parties without proper consent, in violation of federal and state privacy laws, including the California Consumer Privacy Act of 2018 (CCPA)
- // Violations of the Illinois Biometric Information Privacy Act (BIPA), which is intended to safeguard personal biometric identifiers such as fingerprints, voice prints, and face, hand, and retina features
- // Data breaches that result in personal information being exposed to nefarious parties

// Unsolicited text messages, excessive robocalls, and junk faxes; and

// Disregard for numerous privacy laws, including the Electronic Communications Privacy Act (ECPA), Children's Online Privacy Protection Act (COPPA), the Gramm-Leach-Bliley Act that require financial institutions to provide consumer privacy notices explaining their information sharing practices, and similar federal and state privacy laws.

GOVERNMENT REPRESENTATION

Our state, local, and federal governments are often victims of the same securities and healthcare frauds that are inflicted on businesses and individuals in the private sector. The government is an insurer through Medicare or Medicaid, and therefore overpays when brand name pharmaceutical manufacturers unlawfully suppress generic competition for their drugs. Similarly, government entities are investors with respect to their treasuries and pension plans. Thus, when false and misleading statements are issued by public companies, government entities are entitled to the same securities fraud damages that are available to private investors. Governments are also owed fiduciary duties in certain circumstances, and are often parties to multi-million-dollar contracts, the breach of which can result in significant damages.

WBE helps government entities recover the funds taken from them through the unlawful conduct of others. Ultimately, those funds belong to taxpayers, who are the intended beneficiaries of government services. WBE believes that government officials have not only the right, but also the obligation, to try to recover these assets for their constituents.

HEALTHCARE LITIGATION

In the wake of ever-rising healthcare costs, WBE is at the forefront of legal action being taken nationwide to challenge wide-ranging fraudulent and unfair conduct in the healthcare industry. Our firm has prosecuted claims for:

// reporting of fraudulent pharmaceutical prices

// failures to recall defective health devices

- // an industry-wide conspiracy to increase the prices of over 400 brand name drugs
- // the filing of baseless lawsuits and administrative actions to delay generic drug entry
- // challenging pharmaceutical manufacturers' marketing of prescription opioids
- // a pharmacy's illegal substitution of more expensive versions of generic drugs

Bringing claims under RICO, the antitrust laws, state consumer protection statutes, and more, WBE has successfully prosecuted cases against some of the largest companies in the healthcare industry, including McKesson Corp., Becton Dickinson, AstraZeneca, GlaxoSmithKline, Abbott Laboratories, Bristol-Myers Squibb, Johnson & Johnson, and Bayer Corporation.

WBE's case against McKesson Corp. for manipulating the reimbursement benchmark for drug purchases resulted in one of the largest RICO settlements ever.

SECURITIES AND CORPORATE GOVERNANCE

Over the last few years, we have learned all too well that lack of regulation and oversight can lead to corrupt corporate leadership, lack of transparency regarding the risks of significant investments, and the repeated securitization of the same bad investments.

WBE has committed its resources to helping pension plans, governments, and others recover assets lost as a result of the weakness of mortgage-backed securities, auction rate securities, credit swaps, derivative swaps, and overextended securities lending programs. Through its membership in the National Association of State Treasurers, and its increased involvement in institutional finance and investment conferences, WBE has catapulted itself to the forefront of this area of litigation, seeking redress and the recovery of assets lost through gross negligence and breaches of fiduciary duties by those in whom institutional investors placed their trust and confidence.

Securities litigation can often result in changes to corporate governance and policies designed to prevent future misconduct. We believe the importance of this work cannot be overstated. The firm seeks to ensure that corporate officers and directors fulfill their responsibilities and provide full disclosure and transparency to those buying and selling

securities, helping to ensure that our capital markets truly reflect the accurate information that should underlie every commercial transaction.

WHISTLEBLOWER AND FALSE CLAIMS LITIGATION

Under the Federal False Claims Act and state law counterparts, private citizens or "whistleblowers" may sue on behalf of the government for fraud committed against it. This type of fraud costs taxpayers billions of dollars each year. If a case is successful, the government may be able to recover treble damages and civil penalties for each violation and the private citizen or "relator" can receive his or her attorneys' fees and costs, as well as a portion of the funds awarded by the court.

WBE is committed to seeing companies and individuals held responsible for fraud against the government and to representing private citizens willing to come forward and expose fraud.

As reported by Cornerstone Research, the firm has successfully prosecuted

¹ See <https://www.benchmarklitigation.com/Firm/Berman-Tabacco-California/Profile/109234#review>.

some of the most significant shareholder class action lawsuits.² Indeed, the firm appears as among the firms with the most settlements on the list of the top 100 largest securities class actions in SCAS' published report, *Top 100 U.S. Class Action Settlements of All Time (as of 12/31/2023)*.³ According to ISS Securities Class Action Services "Top 50 for 2015" report, Berman Tabacco was one of only six firms that recovered more than half-a-billion dollars for investors in 2015.⁴ SCAS similarly ranked the firm among the few that obtained over half-a-billion in settlements in 2004 and 2009, and ranked the firm 3rd in terms of settlement averages for class actions in 2009, 2010 and 4th in 2004 (SCAS ceased rankings according to settlement sizes in 2012). In addition to financial recoveries, the firm has achieved significant changes in corporate governance and business practices of defendant companies.

Specifically, the firm has been appointed lead or co-lead counsel in more than 100 actions, recovering billions of dollars on behalf of defrauded investors and the classes they represent under the Private Securities Litigation Reform Act of 1995 ("PSLRA"). The firm has an extremely rigorous case-evaluation process and highly experienced litigation attorneys. Its dismissal rate for cases brought under the PSLRA is less than 20%, which is less than half the overall dismissal rate for such cases reported by one authoritative study.⁵

Berman Tabacco serves as monitoring, evaluation and/or litigation counsel to nearly 100 institutional investors, including statewide plans in more than 16 states, 17 public funds with more than \$50 billion in assets, six of the 10 largest public funds in the country and 10 of the largest 20.⁶ For many institutional investors, the firm's services include electronically monitoring the client's portfolio for losses due to securities fraud in U.S. securities cases.

The firm provides portfolio monitoring, case evaluation and litigation services to its institutional clients, including the litigation of class and individual claims pursuant to U.S. federal and state securities laws, as well as derivative cases pursuant to state law. SECURITIES LITIGATION RESULTS

Examples of the firm's settlements include:

Carlson v. Xerox Corp., No. 00-cv-1621 (D. Conn.). Representing the Louisiana State Employees' Retirement System as co-lead counsel, Berman Tabacco negotiated a \$750 million settlement to resolve claims of securities fraud against Xerox, certain top officers and its auditor KPMG LLP. When it received final court approval in January 2009, the recovery was the 10th largest securities class action settlement of all time. The judge praised plaintiffs' counsel for obtaining "a very large settlement" despite vigorous opposition in a case complicated by an alleged fraud that "involved multiple accounting standards that touched on numerous aspects of a multinational corporation's business, implicated operating units around the world, and spanned five annual reporting periods. ... [and] the rudiments of the accounting principles at issue in the case were complex, as were numerous other aspects of the case. ... The class received high-quality legal representation and obtained a very large settlement in the face of vigorous opposition by highly experienced and skilled defense counsel."

In re IndyMac Mortgage-Backed Litigation, No. 09-cv-4583 (S.D.N.Y.). Representing the Wyoming State Treasurer's Office and the Wyoming Retirement System as lead plaintiffs, Berman Tabacco achieved settlements totaling \$346 million in a case regarding the securitization and sale of mortgage-backed securities ("MBS") by IndyMac Bank and related entities. In February 2015, the court approved a \$340 million settlement with six underwriters of IndyMac MBS offerings, adding to a previous \$6 million partial settlement and making the total recovery one of the largest MBS class action settlements to date. This settlement is extraordinary, not only because of its size but also because \$340 million of the settlement amount was paid entirely by underwriters who had due diligence defenses. In most other MBS cases, by contrast, plaintiffs were able to recover the settlement fund monies from the issuing entities, who are held to a strict liability standard for which there is no due diligence defense. (The issuer in this action, IndyMac Bank, is no longer in existence.)

In re Bristol-Myers Squibb Securities Litigation, No. 02-cv-2251 (S.D.N.Y.). Berman Tabacco represented the Fresno County Employees' Retirement Association and Louisiana State Employees' Retirement System as co-lead plaintiffs and negotiated a settlement of \$300 million in July 2004. At that time, the settlement was the largest by a drug company in a U.S. securities fraud case.

In re The Bear Stearns Cos. Inc. Securities, Derivative and ERISA Litigation, Master File No. 08-MDL No. 1963/08 Civ. 2793 (S.D.N.Y.). Berman Tabacco acted as co-lead counsel for court-appointed lead plaintiff the State of Michigan Retirement Systems in this case arising from investment losses suffered in the Bear Stearns Companies' 2008 collapse. The firm negotiated \$294.9 million in settlements, comprised of \$275 million from Bear Stearns and \$19.9 million from auditor Deloitte & Touche LLP. The settlement received final approval November 9, 2012. At the time, the settlement for \$294.9 million represented one of the 40 largest securities class action settlements under the PSLRA. This is particularly significant in light of the fact that no government entity had pursued actions or claims against Bear Stearns or its former officers and directors related to the same conduct complained of in the firm's action.

In re El Paso Securities Litigation, No. H-02-2717 (S.D. Tex.). Representing the Oklahoma Firefighters Pension and Retirement System as co-lead plaintiff, Berman Tabacco helped negotiate a settlement totaling \$285 million, including \$12 million from auditors PricewaterhouseCoopers. The court granted final approval of the settlement in March 2007.

California Public Employees' Retirement System v. Moody's Corp., No. CGC-09-490241 (Cal. Super. Ct. San Francisco Cty.). As sole counsel representing the California Public Employees' Retirement System (CalPERS), the firm obtained a combined \$255 million settlement with the credit rating agencies Moody's and Standard & Poor's to settle CalPERS' claim that "Aaa" ratings on three structured investment vehicles were negligent misrepresentations under California law. In addition to achieving a substantial recovery for investment losses, this case was groundbreaking in that (a) the settlements rank as the largest known recoveries from Moody's and S&P in a private lawsuit for civil damages, and (b) it resulted in a published appellate court opinion finding that rating agencies can, in certain circumstances, be liable for negligent misrepresentations under California law for their ratings of privately-placed securities.

In re Centennial Technologies Securities Litigation, No. 97-cv-10304 (D. Mass.). Berman Tabacco served as sole lead counsel in a class action involving a massive accounting scandal that shot down the company's high-flying stock. Berman Tabacco negotiated a settlement that permitted a turnaround of the company and provided a substantial recovery for class members. The firm negotiated changes in corporate practice, including strengthening internal financial controls and obtaining 37% of the company's stock for the class. The firm also recovered \$20 million from Coopers & Lybrand, Centennial's auditor at the time. In addition, the firm recovered \$2.1 million from defendants Jay Alix & Associates and Lawrence J. Ramaekers for a total recovery of more than \$35 million for the class. The firm subsequently obtained a \$207 million judgment against former Centennial CEO Emanuel Pinez.

In re Digital Lightwave Securities Litigation, No. 98-152-cv-T-24C (M.D. Fla.). As co-lead counsel, Berman Tabacco negotiated a settlement that included changing company management and strengthening the company's internal financial controls. The class received 1.8 million shares of freely tradable common stock that traded at just below \$4 per share when the court approved the settlement. At the time the shares were distributed to the members of the class, the stock traded at approximately \$100 per share and class members received more than 200% of their losses after the payment of attorneys' fees and expenses. The total value of the settlement, at the time of distribution, was almost \$200 million.

In re Lernout & Hauspie Securities Litigation, No. 00-11589 (D. Mass.), and *Quaak v. Dexia, S.A.*, No. 03-11566 (D. Mass.). In December 2004, as co-lead counsel, Berman Tabacco negotiated what was then the third-largest settlement ever paid by accounting firms in a securities class action – a \$115 million agreement with the U.S. and Belgian affiliates of KPMG International. The case stemmed from KPMG's work for Lernout & Hauspie Speech Products, a software company driven into bankruptcy by a massive fraud. In March 2005, the firm reached an additional settlement worth \$5.27 million with certain of Lernout & Hauspie's former top officers and directors. In the related *Quaak* case, the firm negotiated a \$60 million settlement with Dexia Bank Belgium to settle claims stemming from the bank's alleged role in the fraudulent scheme at Lernout & Hauspie. The court granted final approval of the Dexia settlement in June 2007, bringing the total settlement value to more than \$180 million.

In re BP PLC Securities Litigation, No. 10-md-2185 (S.D. Tex.). The firm was co-lead counsel representing co-lead plaintiff Ohio Public Employees Retirement System. Lead plaintiffs reached a \$175 million

settlement to resolve claims brought on behalf of a class of investors who purchased BP's American Depositary Shares ("ADS") between April 26, 2010 and May 28, 2010. The action alleged that BP and two of its former officers made false and misleading statements regarding the severity of the Gulf of Mexico oil spill. More specifically, plaintiffs alleged that BP misrepresented that its best estimate of the oil spill flow rate was from 1,000 to 5,000 barrels of oil per day, when internal BP estimates showed substantially higher potential flow rates. On February 13, 2017, the court granted final approval of the settlement, ending more than six years of hard-fought litigation that included extensive fact and expert discovery, multiple rounds of briefing on defendants' motions to dismiss, two rounds of briefing on class certification, a successful defense of BP's appeal of the district court's class certification decision and briefing on cross-motions for summary judgment. This settlement reportedly represents one of only four mega securities class action settlements (settlements of \$100 million or more) in 2017. See *Securities Class Action Settlements-2017 Review and Analysis*, p. 4 (Cornerstone Research 2018), <https://securities.stanford.edu/research-reports/1996-2017/Settlements-Through-12-2017-Review.pdf>. Additionally, claimants received 115% over their recognized losses.

In re Fannie Mae 2008 Securities Litigation, No. 08-cv-7831 (S.D.N.Y.). As co-lead counsel representing the Massachusetts Pension Reserves Investment Management Board, a co-lead plaintiff for the common stock class, Berman Tabacco helped negotiate a \$170 million settlement with Fannie Mae. To achieve the settlement, which was approved in March 2015, plaintiffs had to overcome the challenges posed by the federal government's placement of Fannie Mae into conservatorship and by the Second Circuit's upholding of dismissal of similar claims against Freddie Mac, Fannie Mae's sibling Government-Sponsored Enterprise.

In re Symbol Technologies, Inc. Securities Litigation, No. 2:02-cv-01383 (E.D.N.Y.). Berman Tabacco represented the Louisiana Municipal Police Employees' Retirement System as co-lead plaintiff, obtaining a \$139 million partial settlement in June 2004. Subsequently, Symbol's former auditor, Deloitte & Touche LLP, agreed to pay \$24 million, bringing the total settlement to \$163 million. The court granted final approval in September 2006.

In re Prison Realty Securities Litigation, No. 3:99-cv-0452 (M.D. Tenn.) (*In re Old CCA Securities Litigation*, No. 3:99-cv-0458). The firm represented the former shareholders of Corrections Corporation of America, which merged with another company to form Prison Realty Trust, Inc. The action charged that the registration statement issued in connection with the merger contained untrue statements. Overcoming arguments that the class's claims of securities fraud were released in prior litigation involving the merger, the firm successfully defeated the motions to dismiss. It subsequently negotiated a global settlement of approximately \$120 million in cash and stock for this case and other related litigation.

Ontario Provincial Council of Carpenters' Pension Trust Fund, et al. v. S. Robson Walton, et al., C.A. No. 2021-0827 (Del. Ch.). Berman Tabacco served as co-lead counsel representing Norfolk County Retirement System in this shareholder derivative action against Walmart's controlling shareholders and Board of Directors which alleged that defendants breached their fiduciary duties in connection with the dispensing and distribution of opioid products through Walmart pharmacies. The case settled in October 2024 and provided far-reaching benefits, including substantial corporate governance reforms as well as a financial recovery to Walmart of \$123 million.

Oracle Cases, Coordination Proceeding, Special Title (Rule 1550(b)) No. 4180 (Cal. Super. Ct. San Mateo Cty.). In this coordinated derivative action, Oracle Corporation shareholders alleged that the company's

Chief Executive Officer, Lawrence J. Ellison, profited from illegal insider trading. Acting as co-lead counsel, the firm reached a settlement, pursuant to which Mr. Ellison would personally make charitable donations of \$100 million over five years in Oracle's name to an institution or charity approved by the company and pay \$22 million in attorneys' fees and expenses associated with the prosecution of the case. The innovative agreement, approved by a judge in December 2005, benefited Oracle through increased goodwill and brand recognition, while minimizing concerns that would have been raised by a payment from Mr. Ellison to the company, given his significant ownership stake. The lawsuit resulted in important changes to Oracle's internal trading policies that decrease the chances that an insider will be able to trade in possession of material, non-public information. This case remains one of the largest derivative settlements.⁷

In re International Rectifier Securities Litigation, No. 07-cv-2544 (C.D. Cal.). As co-lead counsel representing the Massachusetts Laborers' Pension Fund, the firm negotiated a \$90 million settlement with International Rectifier Corporation and certain top officers and directors. The case alleged that the company engaged in numerous accounting improprieties to inflate its financial results. The court granted final approval of the settlement in February 2010. At the settlement approval hearing, the Honorable John F. Walter, the presiding judge, praised counsel, stating: "I think the work by the lawyers – all the lawyers in this case – was excellent. ... In this case, the papers were excellent. So it makes our job easier and, quite frankly, more interesting when I have lawyers with the skill of the lawyers that are present in the courtroom today who have worked on this case ... the motion practice in this case was, quite frankly, very intellectually challenging and well done. ... I've presided over this consolidated action since its commencement and have nothing but the highest respect for the professionalism of the attorneys involved in this case. ... The fact that plaintiffs' counsel were able to successfully prosecute this action against such formidable opponents is an impressive feat."

In re State Street Bank & Trust Co. ERISA Litigation, No. 07-cv-8488 (S.D.N.Y.). The firm acted as co-lead counsel in this consolidated class action case, which alleged that defendant State Street Bank and Trust Company and its affiliate, State Street Global Advisors, Inc., (collectively, "State Street") breached their fiduciary duties under the Employee Retirement Income Security Act of 1974 ("ERISA") by failing to prudently manage the assets of ERISA plans invested in State Street fixed income funds during 2007. After well over a year of litigation, during which Berman Tabacco and its co-counsel reviewed approximately 13 million pages of documents and took more than 30 depositions, the parties negotiated an all-cash \$89.75 million settlement, which received final approval in 2010.

In re Philip Services Corp. Securities Litigation, No. 98-cv-0835 (S.D.N.Y.). As co-lead counsel, Berman Tabacco negotiated settlements totaling \$79.75 million with the bankrupt company's former auditors, top officers, directors and underwriters. The case alleged that Philip Services and its top officers and directors made false and misleading statements regarding the company's publicly reported revenues, earnings, assets and liabilities. The court granted final approval of the settlements in March 2007.

In re KLA-Tencor Corp. Securities Litigation, No. 06-cv-04065 (N.D. Cal.). Representing co-lead plaintiff Louisiana Municipal Police Employees' Retirement System, Berman Tabacco negotiated a \$65 million agreement to settle claims that KLA-Tencor illegally backdated stock option grants, issued false and misleading statements regarding grants to key executives and inflated the company's financial results by understating expenses associated with the backdated options. The court granted final approval of the settlement in 2008. At the conclusion of the case, Judge Charles R. Breyer praised plaintiffs' counsel for "working very hard" in exchange for an "extraordinarily reasonable" fee, stating: "I appreciate the fact that you've done an outstanding job, and you've been entirely reasonable in what you've done. Congratulations for working very hard on this."

City of Brockton Retirement System v. Avon Products Inc., No. 11-cv-04665 (S.D.N.Y.). As a member of the executive committee representing named plaintiffs City of Brockton Retirement System and Louisiana Municipal Police Employees' Retirement System, the firm negotiated a \$62 million settlement. The action alleged that Avon Products, Inc. violated federal securities laws by failing to disclose to investors the size and scope of the Company's violations of the Foreign Corrupt Practices Act of 1977 ("FCPA"). In response to Avon's piecemeal disclosures over the course of more than a year, which ultimately revealed the true extent of the FCPA violations, the company's stock lost nearly 20% of its pre-disclosure value. This case was one of the very few successful securities cases premised on FCPA violations.

Ehrenreich v. Witter, No. 95-cv-6637 (S.D. Fla.). The firm was co-lead counsel in this case involving Sensormatic Electronics Corp., which resulted in a settlement of \$53.5 million. (“Aegean”), a marine fuel logistics company based in Greece that supplies and markets refined marine fuel and lubricants to ships in port and at sea, and several former officers. The alleged fraudulent scheme took place over at least an eight-year period during which the company’s founder and former officers allegedly (i) significantly overstated the company’s income and revenue and issued false and misleading financial statements; (ii) overstated the company’s assets and the strength of its balance sheet by improperly booking approximately \$200 million in bogus accounts receivables; (iii) misled investors concerning the adequacy of the company’s internal controls over financial reporting; and iv) misappropriated \$300 million of company assets. The Court has approved settlements totaling over \$41.9 million in this case, including \$14.9 million settlements with each of Aegean’s two outside auditors, and \$11,949,999 in settlements with the Aegean’s former Chief Financial Officer and its founder. This is an excellent resolution not only because they represent significant percentage of maximum damages but because plaintiffs obtained settlements with foreign defendants, including outside auditors against whom securities claims are challenging and one individual who personally paid to settle the claims against him. Claims administration is ongoing.

Exide was charged with having altered its inventory accounting system to artificially inflate profits by reselling used, outdated or unsuitable batteries as new ones. As co-lead counsel for the class, Berman Tabacco recovered more than \$10 million in cash for class members.

In re Fidelity/Micron Securities Litigation, No. 95-cv-12676 (D. Mass.). The firm recovered \$10 million in cash for Micron investors after a Fidelity Fund manager touted Micron while secretly selling the stock.

In re Par Pharmaceutical Securities Litigation, No. 06-cv-03226 (D.N.J.). As counsel for court-appointed plaintiff, the Louisiana Municipal Police Employees' Retirement System, Berman Tabacco obtained an \$8.1 million settlement from the company and its former CEO and CFO, which the court approved in January 2013. The case alleged that the company had misled investors about its accounting practices, including overstatement of revenues.

In re Interspeed, Inc. Securities Litigation, No. 00-cv-12090-EFH (D. Mass.). Berman Tabacco served as co-lead counsel and negotiated a \$7.5 million settlement on behalf of the class. The settlement was reached in an early stage of the proceedings, largely as a result of the financial condition of Interspeed and the need to salvage a recovery from its available assets and insurance.

In re Aqua Metals, Inc. Securities Litigation, No. 4:17-CV-07142-HSG (N.D. Cal.). Berman Tabacco served as co-lead counsel for court-appointed lead plaintiff Plymouth County Retirement Association and negotiated a \$7 million settlement on behalf of the class. The court granted final approval of the settlement on March 2, 2022.

In re Abercrombie & Fitch Co. Securities Litigation, No. M21-83 (S.D.N.Y.). As a member of the executive committee in this case, the firm recovered more than \$6 million on behalf of investors. The case alleged that the clothing company misled investors with respect to declining sales, which affected the company's financial condition. The court granted final approval of the settlement in January 2007.

In re Digital Domain Media Group, Inc. Securities Litigation, No. 12-14333-CIV (S.D. Fla.). As co-lead counsel, Berman Tabacco obtained a \$5.5 million settlement on behalf investors of Digital Domain Media Group, Inc. ("DDMG") that was approved by both bankruptcy court and the Southern District of Florida. The lead plaintiffs alleged that DDMG, a digital production company that was forced to file for bankruptcy in September 2012, less than 10 months after its initial public offering ("IPO"), misled investors in documents filed with the U.S. Securities and Exchange Commission as part of the IPO and in other statements made throughout the class period. Among other things, the lawsuit alleged that the defendants misled the public about DDMG's ability to raise capital and fund its operations, falsely reassuring investors about the company's ability to meet operating expenses while it "burned" cash at a rate that threatened its viability. In fact, according to a September 18, 2012 article in the Palm Beach Post, DDMG had difficulties meeting payroll as far back as 2010. According to the same article, then-Chairman and CEO John C. Textor "himself predicted a 'train wreck' in an email to an investor in early 2010."

In re WorldCom, Inc. Securities Litigation, No. 02-cv-3288 (S.D.N.Y.). As counsel to court-appointed bondholder representatives, the County of Fresno, California and the Fresno County Employees' Retirement Association, Berman Tabacco helped a team of lawyers representing the lead plaintiff, the New York State Common Retirement Fund, obtain settlements worth more than \$6.13 billion.

Daccache, et al. v. Raymond James Financial, Inc., et al., No. 16-cv-21575 (S.D. Fla.); *Shaw et al. v. Raymond James Financial, Inc., et al.*, No. 5:16-cv-00129-GWC (D. Vt. May 17, 2016). Berman Tabacco served on the Plaintiffs' Steering Committee in this RICO class action brought on behalf of investors in limited partnerships associated with the Jay Peak ski resort in Vermont. Plaintiffs, foreign nationals whose investments were made through the federal "EB-5 Immigrant Investor Program," alleged that over \$200 million in investor funds were misappropriated and/or otherwise misused in an elaborate, Ponzi-like scheme. Defendants' scheme was revealed in April 2016, when the SEC announced multiple securities fraud charges and an asset freeze against Jay Peak and related business entities, the resort's Florida-based owner and the resort's principal officer. Plaintiffs alleged that those individuals and entities, as well as certain financial institutions and their employees, devised and executed a complex money laundering scheme wherein investor funds were improperly transferred from escrow accounts to investment accounts that were controlled by Jay Peak's owner and used for purposes other than those specified in the limited partnership documents. Among other things, plaintiffs alleged the improper commingling of investor funds and the misappropriation of more than \$50 million in investor funds by Jay Peak's owner for his personal use. Plaintiffs sought recovery under Florida's RICO Act and also asserted claims for common law fraud, breach of fiduciary duty, negligence, civil conspiracy, and breach of contract. On April 13, 2017, Defendant Raymond James & Associates, Inc. agreed to a \$150 million settlement, which was approved on June 30, 2017.

ANTITRUST LITIGATION PRACTICE

Berman Tabacco has a national reputation for our work prosecuting antitrust class actions involving price-fixing, market allocation agreements, patent misuse, monopolization and group boycotts among other types of anticompetitive conduct. Representing clients ranging from Fortune 500 companies and public pension funds to individual consumers, the experienced senior attorneys in our antitrust practice group have engineered substantial settlements and changed business practices of defendant companies, recovering more than \$1 billion for our clients overall.

Berman Tabacco has played a major role in the prosecution of numerous landmark antitrust cases. For example, the firm was lead counsel in the Toys “R” Us litigation, which developed the antitrust laws with respect to “hub and spoke” conspiracies and resulted in a \$56 million settlement. Berman Tabacco brought the first action centered on so-called “reverse payments” between a brand name drug maker and a generic drug maker, resulting in an \$80 million settlement from the drug makers, which had been accused of keeping a generic version of their blood pressure medication off the market.

The firm’s victories for victims of antitrust violations have come at the trial court level and also thro landmark appellate court victories, which have contributed to shaping private enforcement of antitrust law. For example, in the Cardizem CD case, Berman Tabacco was co-lead counsel representing health insurer Aetna in an antitrust class action and obtained a pioneering ruling in the federal court of appeals regarding the “reverse payment” by a generic drug manufacturer to the brand name drug manufacturer. In a first of its kind ruling, the appellate court held that the brand name drug manufacturer’s payment of \$40 million per year to the generic company for the generic to delay bringing its competing drug to market was a *per se* unlawful market allocation agreement. Today that victory still shapes the ongoing antitrust battle over competition in the pharmaceutical market.

In the firm’s case against diamond giant De Beers, the Third Circuit, sitting *en banc*, vacated an earlier panel decision and upheld the certification of a nationwide settlement class, removing the last obstacle to final approval of an historic \$295 million settlement. The Third Circuit’s important decision provides a roadmap for obtaining settlement class certification in complex, nationwide class actions involving laws of numerous states.

In 2016, the firm won reversal of a grant of summary judgment for defendant automakers in a group boycott-conspiracy case involving the export of new motor vehicles from Canada to the U.S. The California Court of Appeal found that plaintiffs had presented evidence of “patently anticompetitive conduct” with evidence gathered in the pre-trial phase, which was powerful enough to go to a jury. The ruling is a rare example of an appellate court analyzing and reversing a trial court’s evidentiary rulings to find evidence of a conspiracy.

Today the firm currently represents clients in significant antitrust class actions around the country, including actively representing major public pension funds in prosecuting price-fixing in the financial derivatives and commodities markets in the Euribor and Yen LIBOR actions and the Foreign Currency Exchange Rate action.

While the majority of antitrust cases settle, our attorneys have experience taking antitrust class actions to trial. Our experience also allows us to counsel medium and larger-sized corporations considering whether to participate as a class member or opt-out and pursue an individual strategy.

ANTITRUST LITIGATION RESULTS

Over the past nearly three decades, Berman Tabacco has actively prosecuted scores of complex antitrust cases that led to substantial settlements for its clients. These include:

In re NASDAQ Market-Makers Antitrust Litigation, No. 94-cv-3996 (S.D.N.Y.). The firm played a significant role in one of the largest antitrust settlements on record in a case that involved alleged price-fixing by more than 30 NASDAQ Market-Makers on about 6,000 NASDAQ-listed stocks over a four-year period. The settlement was valued at nearly \$1 billion.

In re GSE Bonds Antitrust Litig., No. 1:19-cv-01704-JSR (S.D.N.Y.). Berman Tabacco represented named plaintiff Electrical Workers Pension Fund Local 103, I.B.E.W. and Local 103, I.B.E.W. Health Benefit Plan. The complaint asserted claims under the Sherman Act and alleged that ten of the world's largest banks conspired to fix the prices of unsecured bonds issued by the government-sponsored entities familiarly known as Fannie Mae and Freddie Mac. The settlement of \$386.5 million received final approval on June 16, 2020. This \$386.5 million settlement was significant because it was the third largest class action settlement in 2020 according to ISS Securities Class Action Services.

In re Foreign Currency Conversion Fee Antitrust Litigation, MDL No. 1409 (S.D.N.Y.). Berman Tabacco, as head of discovery against defendant Citigroup Inc., played a key role in reaching a \$336 million settlement. The agreement settled claims that the defendants, which include the VISA, MasterCard and Diners Club networks and other leading bank members of the VISA and MasterCard networks, violated federal and state antitrust laws in connection with fees charged to U.S. cardholders for transactions effected in foreign currencies.

In re DRAM Antitrust Litigation, No. M:02-cv-01486 (N.D. Cal.). As liaison counsel, the firm actively participated in this multidistrict litigation, which ultimately resulted in significant settlements with some of the world's leading manufacturers of Dynamic Random Access Memory (DRAM) chips. The defendant chipmakers allegedly conspired to fix prices of the DRAM memory chips sold in the United States during the class period. The negotiated settlements totaled nearly \$326 million.

Sullivan v. DB Investments, Inc., No. 04-02819 (D.N.J.). Berman Tabacco represented a class of diamond resellers, such as diamond jewelry stores, in this case alleging that the De Beers group of companies unlawfully monopolized the worldwide supply of diamonds in a scheme to overcharge resellers and consumers. In May 2008, a federal judge approved the settlement, which included a cash payment to class members of \$295 million, an agreement by De Beers to submit to the jurisdiction of the United States court to enforce the terms of the settlement and a comprehensive injunction limiting De Beers' ability to restrict the worldwide supply of diamonds in the future. This case is significant not only because of the large cash recovery but also because previous efforts to obtain jurisdiction over De Beers in both private and government actions had failed. On August 27, 2010, the United States Court of Appeals for the Third Circuit agreed to hear arguments over whether to uphold the district court's certification of the settlement class. By

agreeing to schedule an *en banc* appeal before the full court, the Third Circuit vacated a July 13, 2010 ruling by a three-judge panel of the appeals court that, in a 2-to-1 decision, had ordered a remand of the case back to the district court, which may have required substantial adjustments to the original settlement. On February 23, 2011, the Third Circuit, sitting *en banc*, again heard oral argument from the parties. On December 20, 2011, the *en banc* Third Circuit handed down its decision affirming the district court in all respects.

Dennis v. JPMorgan Chase & Co., No. 16-cv-06496 (S.D.N.Y.). Berman Tabacco was plaintiff's counsel representing Orange County Employees' Retirement System in this class action alleging defendants conspired to manipulate the Australian Bank Bill Swap Reference Rate ("BBSW") and the prices of BBSW-based derivatives during the class period rate in violation of the Clayton Act, the Commodity Exchange Act and other laws. Plaintiffs reached \$185.875 million in total settlements, which were approved by the court on November 2, 2022.

In re Lithium Ion Batteries Antitrust Litigation, No. 13-md-2420-YGR (N.D. Cal.). As co-lead class counsel for Direct Purchaser Plaintiffs ("DPPs") in this multidistrict antitrust litigation, the firm achieved settlements totaling \$139.3 million. The litigation arose from an alleged worldwide conspiracy to fix prices of lithium-ion rechargeable batteries ("LiBs"). LiBs are components of LiB camcorders, digital cameras and laptop computers. The alleged conspiracy involved some of the largest companies in the world—Sony, Samsung SDI, Panasonic, Sanyo, LG Chem, Toshiba, Hitachi Maxell and NEC Corp. The lawsuit alleges that defendants participated in a conspiracy to fix the prices of LiBs, which affected the prices paid for the batteries and certain products in which the batteries are used. Plaintiffs successfully defeated multiple motions to dismiss involving complex issues of antitrust standing and the pleading of conspiracy allegations. Berman Tabacco and the team negotiated multiple settlements totaling \$139.3 million. The court granted final approval on May 16, 2018.

In re Sorbates Direct Purchaser Antitrust Litigation, No. C 98-4886 CAL (N.D. Cal.). The firm served as lead counsel alleging that six manufacturers of Sorbates, a food preservative, violated antitrust laws through participation in a worldwide conspiracy to fix prices and allocations to customers in the United States. The firm negotiated a partial settlement of \$82 million with four of the defendants in 2000. Following intensive pretrial litigation, the firm achieved a further \$14.5 million settlement with the two remaining defendants, Japanese manufacturers, in 2002. The total settlement achieved for the class was \$96.5 million.

In re Disposable Contact Lens Antitrust Litigation, MDL No. 1030 (M.D. Fla.). The firm acted as co-lead counsel and chief trial counsel. Representing both a national class and the State of Florida, the firm helped secure settlements from defendants Bausch & Lomb and the American Optometric Association before trial and from Johnson & Johnson after five weeks of trial. The settlements were valued at more than \$92 million and also included significant injunctive relief to make disposable contact lenses available at more discount outlets and more competitive prices.

In re Cardizem CD Antitrust Litigation, No. 99-01278 (E.D. Mich.). In another case involving generic drug competition, Berman Tabacco, as co-lead counsel, helped secure an \$80 million settlement from French-German drug maker Aventis Pharmaceuticals and the Andrx Corporation of Florida. The payment to consumers, state agencies and insurance companies settled claims that the companies conspired to prevent the marketing of a less expensive generic version of the blood pressure medication Cardizem CD. The state attorneys general of New York and Michigan joined the case in support of the class. The firm

achieved a significant appellate victory in a first of its kind ruling that the brand name drugmaker's payment of \$40 million per year for the generic company to delay bringing its generic version of blood-pressure medication Cardizem CD to market constituted an agreement not to compete that is a *per se* violation of the antitrust laws.

In re Toys "R" Us Antitrust Litigation, MDL No. 1211 (E.D.N.Y.). Berman Tabacco negotiated a \$56 million settlement to answer claims that the retailer violated laws by colluding to cut off or limit supplies of popular toys to stores that sold the products at lower prices. The case developed the antitrust laws with respect to a "hub and spoke" conspiracy, where a downstream power seller coerces upstream manufacturers to the detriment of consumers. One component of the settlement required Toys "R" Us to donate \$36 million worth of toys to needy children throughout the United States over a three-year period.

In re Reformulated Gasoline (RFG) Antitrust and Patent Litigation, MDL No. 05-1671 (C.D. Cal.). Berman Tabacco, as co-lead counsel, negotiated a \$48 million settlement with Union Oil Company and Unocal. The agreement settled claims that the defendants manipulated the California gas market for summertime reformulated gasoline and increased prices for consumers. The noteworthy settlement delivered to consumers a combination of clean air benefits and funding for alternative fuel research.

In re Abbott Laboratories Norvir Antitrust Litigation, Nos. 04-1511, 04-4203 (N.D. Cal.). Berman Tabacco acted as co-lead counsel in a case on behalf of indirect purchasers alleging that the defendant pharmaceutical company engaged in an illegal leveraged monopoly in the sale of its AIDS boosting drug known as Norvir (or Ritanovir). Plaintiffs were successful through summary judgment, including the invalidation of two key patents based on prior art, but were reversed on appeal in the Ninth Circuit as to the leveraged monopoly theory. The case settled for \$10 million, which was distributed net of fees and costs on a *cy pres* basis to 10 different AIDS research and charity organizations throughout the United States.

Automotive Refinishing Paint Antitrust, J.C.C.P. No. 4199 (Cal. Super. Ct.). In this class action, indirect purchaser-plaintiffs brought suit in California State Court against five manufacturers of automotive refinishing coatings and chemicals alleging that they violated California law by unlawfully conspiring to fix paint prices. Settlements were reached with all defendants totaling \$9.4 million, 55% of which was allocated among an End-User Class consisting of consumers and distributed on a *cy pres*, or charitable, basis to thirty-nine court-approved organizations throughout California, and the remaining 45% of which was distributed directly to a Refinishing Class consisting principally of auto-body shops located throughout California.

In re Foreign Exchange Benchmark Rates Antitrust Litig., No. 13-cv-07789 (S.D.N.Y.). The Firm is one of plaintiffs' counsel representing client, a named plaintiff. The class action alleges that at least 16 banks fixed the prices of foreign currency exchange between 2003 and 2013 by manipulating certain benchmark prices and by conspiring to increase the spread between bid and ask prices in the spot market. Settlements were reached with all but one defendant, which totaled over \$2.3 billion. Trial against the remaining defendant, Credit Suisse, resulted in a defense verdict.

CONSUMER PRACTICE/PRIVACY LITIGATION

With almost 40 years of class action litigation experience, Berman Tabacco is committed to bringing justice to the victims of fraudulent and abusive practices. Over the years, the firm has prosecuted and obtained recoveries for consumers against various business such as banks, computer electronics and software companies, brokers and product manufacturers.

In recent years, Berman Tabacco applied its extensive complex class action experience to fight against unlawful and predatory lending practices. Berman Tabacco served as lead counsel in several class actions brought on behalf of individuals arguing that their need for short-term cash has been exploited by illegal online payday lending schemes. The cases allege that payday lenders issued loans in the name of sham companies established by Native American tribes, including American Web Loan, Plain Green and Great Plains Lending, in a brazen attempt to dodge usury laws and charge unlawful triple-digit interest rates.

In addition to recovering monies for consumers, the firm has obtained ground-breaking decisions for the benefit of consumers, including in cases against Wells Fargo and Morgan Stanley.

CONSUMER/PRIVACY LITIGATION RESULTS

Examples of the firm's settlements include:

In re Think Finance, LLC, et al., No. 17-33964-hdh11 (Bankr. N.D. Tex.). Berman Tabacco played a pivotal role in securing approximately \$47 million in relief to consumer borrowers who took out unlawful, high-interest loans issued in the name of Native American-affiliated online lenders, Plain Green and Great Plains Lending. Plaintiffs allege that non-tribal entities and individuals, including a Texas-based payday lender called Think Finance, improperly attempted to use tribal sovereign immunity as a shield for their unlawful, triple-digit lending enterprise. The settlement represents a significant achievement given that the bulk of the recovery was secured through Chapter 11 bankruptcy proceedings that Think Finance initiated while litigation was pending against it, a step that typically leads to a substantially limited, if any, recovery for plaintiffs.

McLaughlin v. Wells Fargo Bank, N.A., d/b/a Wells Fargo Home Mortgage, No. 3:15-CV-02904 (N.D. Cal.). Berman Tabacco served as local counsel for a class of borrowers with mortgages held and serviced by Wells Fargo in an action alleging that the bank's payoff statements violated the Truth in Lending Act ("TILA") as they failed to disclose insurance claim funds. Plaintiffs achieved a precedent-setting opinion holding that TILA requires the bank to include insurance claim funds in its mortgage payoff statements. *See McLaughlin v Wells Fargo Bank NA*, No. 3:15-cv-02904-WHA, 2015 WL 10889993 (N.D. Cal. Oct. 29, 2015). The case settled for 88% of the total maximum statutory damages available under TILA. The settlement also requires Wells Fargo to disclose insurance claim funds on all of its payoff statements going forward.

Trabakoolas v. Watts Water Technologies, Inc., No. 4:12-Cv-01172-Ygr (N.D. Cal.). Berman Tabacco served on the plaintiffs' steering committee and served as liaison counsel for this successful product liability design defect class action involving toilet nut connectors. Plaintiffs alleged a toilet connector manufactured by Watts Water Technologies, Inc., which had been installed in approximately 25 percent of homes and commercial properties built in the U.S. since the year 2000, suffered from a design defect. This defect could result in water flowing into the home, potentially causing catastrophic water damage. The settlement provided a fund of \$23 million to reimburse class members who experienced property damage and to pay for replacement of toilet nut connectors for those with allegedly defective parts.

Roskind v. Morgan Stanley Dean Witter & Co., 80 Cal. App. 4th 345 (Cal. App. 1st Dist. 2000). Berman Tabacco obtained a landmark ruling from the California Court of Appeal, holding that federal law does not preempt investors from bringing unfair business practices claims under the Business & Professions Code of California. Defendant brought this matter to the U.S. Supreme Court but the firm was successful in upholding this ruling. *See Roskind v. Morgan Stanley Dean Witter & Co.*, 2000 Cal. Lexis 6583 (Aug. 16,

2000) (petition for review denied); *Morgan Stanley Dean Witter & Co. v. Roskind*, 531 U.S. 1119 (2001) (writ of certiorari denied).

Carlin v. DairyAmerica, Inc., No. 1:09-cv-00430 (E.D. Cal.). Berman Tabacco, as member of the Interim Executive Committee and as liaison counsel, obtained a \$40 million on behalf of a class of dairy farmers who sold raw milk according to prices set by the federal government. Plaintiffs claimed that DairyAmerica, the nation's largest marketer of non-fat dry milk and a California-based milk processing firm, California Dairies, conspired to inflate their own profits at the expense of dairy farmers by misreporting critical data used by the government to set raw milk prices.

A partner in Boston, Patrick T. Egan focuses his practice on securities, antitrust, and data privacy litigation. Mr. Egan has litigated numerous cases to successful resolution, recovering hundreds of millions of dollars on behalf of defrauded investors.

Mr. Egan was one of the firm's lead attorneys representing the Wyoming State Treasurer and Wyoming Retirement System in the *In re IndyMac Mortgage-Backed Securities Litigation* in which the firm achieved settlements totaling \$346 million. He was also a lead attorney representing the Michigan State Retirement Systems in the *In re Bear Stearns Companies* litigation stemming from the 2008 collapse of the company. Plaintiffs successfully recovered \$294.9 million for former Bear Stearns shareholders.

Mr. Egan has worked on a number of important cases, including *Lernout & Hauspie* and the related case, *Quaak v. Dexia, S.A. (In re Lernout & Hauspie Sec. Litig., No. 00c-11589 (D. Mass.))*, and *Quaak v. Dexia, S.A., No. 03-11566 (D. Mass.)*. Those cases stem from a massive accounting fraud scheme at Lernout & Hauspie Speech Products, N.V., a bankrupt Belgian software company. As co-lead counsel, the firm recovered more than \$180 million on behalf of former Lernout & Hauspie shareholders. In addition, Mr. Egan was one of the attorneys at Berman Tabacco representing CalPERS against credit ratings agency Moody's, based on Moody's misrepresentations regarding the creditworthiness of three structured investment vehicles, which settled for \$255 million. *California Public Employees' Ret. Sys. v. Moody's Corp., No. CGC-09-490241 (Cal. Super. Ct. San Francisco County)*. Recently, Mr. Egan served as a lead partner (i) representing the sole Lead Plaintiff Utah Retirement Systems ("URS") in *Koch v. Healthcare Services Group, Inc., et al., No. 2:19-cv-01227-ER (E.D. Pa.)*, a class action that alleged that defendants issued materially false and misleading statements and failed to disclose "earnings management" practices that allowed HCSG to consistently meet or beat earnings per share estimates that, in turn, caused the price of the company's stock to be artificially inflated (case settled for \$16.8 million, which was approved by the court on January 12, 2022); and (ii) representing the sole Lead Plaintiff Oklahoma Police Pension and Retirement System in *Oklahoma Police Pension and Retirement System v. Sterling Bancorp, Inc., et al., No. 2:20-cv-10490 (E.D. Mich.)*, a class action that alleged that defendants issued materially untrue and misleading statements concerning, *inter alia*, the Sterling's loan underwriting, risk management, compliance and internal controls, including regarding the Company's Advantage Loan Program, the Company's largest lending program (the court approved the \$12.5 million settlement on September 23, 2021).

Mr. Egan currently serves as the lead partner representing the lead plaintiff Oklahoma Police Pension and Retirement System in *In re Inotiv, Inc. Securities Litigation, No. 4:22-CV-045-PPS-JEM (N.D. Ind.)*, a securities fraud class action lawsuit against Inotiv, Inc. and certain of its executive officers on behalf of all persons who acquired publicly traded Inotiv securities between September 21, 2021 and June 13, 2022, inclusive. Plaintiff alleges that defendants made materially false and misleading statements and/or material omissions concerning the company's business, operations, and regulatory compliance policies, specifically

related to its acquisition of Envigo RMS, LLC (“Envigo”) and the existence of widespread and flagrant violations of federal animal welfare regulations at an Envigo dog breeding facility located in Cumberland, Virginia that led the U.S. Department of Justice to take action to rescue more than 4,000 animals and shutter the facility.

Mr. Egan is also experienced in antitrust litigation. He is currently one of the lead attorneys for the firm representing California State Teachers’ Retirement System in the ongoing *Euribor (Sullivan v. Barclays PLC, et al., No. 13-cv-2811 (S.D.N.Y.))* and *Yen Libor (Laydon v. Mizuho Bank, Ltd., No. 1:12-cv-03419 (GBD) (S.D.N.Y.))*, and *Sonterra Capital Master Fund, Ltd. v. UBS AG, No. 1:15-cv-05844 (GBD) (S.D.N.Y.))* antitrust cases regarding U.S., European, and Japanese banks’ manipulation of interest rate benchmarks and agreements to fix bid-ask spread prices on interest rate derivatives (*Euribor* has yielded \$651.5 million, and *Yen Libor* \$364.5 million). He was also one of the lead attorneys representing Orange County Employees’ Retirement System in *Dennis v. JP Morgan Chase & Co., No. 16-cv-06496-LAK (S.D.N.Y.)*, an action alleging that U.S., European, and Australian banks manipulated the interest rate benchmark used to price derivatives that were denominated in Australian dollars and sold to U.S. investors, which recently settled for \$185.875 million, which was approved by the court on November 2, 2022.

NATHANIEL L. ORENSTEIN

A partner in the firm's Boston office, Nathaniel L. Orenstein focuses his practice on securities and antitrust litigation. He is currently engaged in a number of matters to ensure that corporate directors' meet their fiduciary obligations to their shareholders.

Most recently, Mr. Orenstein successfully prosecuted in *Norfolk County Retirement System v. David D. Smith*, Civ. No. 1:18-cv-03952 (D. Md.) a case concerning a merger between Sinclair Broadcast Group and Tribune Media Company that was blocked by the U.S. Department of Justice ("DOJ") and the

U.S. Federal Communications Commission ("FCC") because Sinclair proposed "sham" divestiture transactions to the FCC and "engaged in misrepresentation and/or lack of candor" with respect to those related party transactions. The settlement provided far-reaching benefits to Sinclair and its shareholders, including substantial corporate governance reforms, comprised of, among other things, the creation of two new board committees, along with nearly \$25 million in financial recovery – including a rare \$5 million personal contribution from Sinclair's controlling shareholder. In approving the settlement, the Court noted that "[i]n this case, plaintiffs' counsel secured an excellent settlement that includes significant corporate governance reforms that would not have resulted from a trial on the merits."

Mr. Orenstein also served as one of BT's lead attorneys and trial counsel in *In re PHC, Inc. Shareholder Litigation*, No. 1:11-cv-11049 (D. Mass. 2011), a case that was tried for nine days and resulted in a post-trial verdict requiring defendants to pay \$3 million in disgorgement.

Mr. Orenstein currently serves as one of BT's lead attorneys in a derivative action captioned *Ontario Provincial Council of Carpenters' Pension Trust Fund v. S. Robson Walton*, No. 2021-0827 (Del. Ch.), which alleges that Walmart's controlling shareholders, Board of Directors, and senior management breached their fiduciary duties in connection with the company's opioid distribution and dispensing practices. The complaint alleges that these decisions and oversight failures led to alleged violations of the Controlled Substances Act, the False Claims Act, as well as state and common laws. The complaint alleges that Walmart entered into an agreement with Drug Enforcement Agency requiring the company to implement wide-ranging opioid diversion controls. Yet, for more than a decade, the company failed to implement those required controls, even at times acknowledging the absence of required controls. Defendants' Motion to Dismiss the complaint was mostly denied in two landmark opinions in April 2023. *Ontario Provincial Council of Carpenters' Pension Trust Fund v. S. Robson Walton*, No. 2021-0827-JTL, 2023 WL 2904946 (Del. Ch. Apr. 12, 2023); 2023 WL 3093500 (Del. Ch. Apr. 26, 2023). The case is currently stayed pending the

outcome by an investigation by a newly appointed Special Litigation Committee. This derivative suit followed a successful action to compel the company to produce books and records regarding these practices pursuant to 8 Del. C. § 220, *Norfolk County Retirement System v. Walmart Inc.*, No. 2020-0482 (Del. Ch.).

Mr. Orenstein is also litigating *Teamsters Local 443 Health Services & Ins. Plan, et al. v. Chou (AmerisourceBergen Corp.)*, No. 2019-0816 (Del. Ch.), which alleges that certain of AmerisourceBergen's officers and directors breached their fiduciary duties to the company in connection with a scheme to produce and market unapproved prefilled syringes, which resulted in more than \$875 million in penalties and fines to the company. The Court denied defendants' motion to dismiss the derivative case on August 24, 2020 after full briefing and hearing. The company has since appointed a Special Litigation Committee ("SLC") and, on September 22, 2021, the SLC issued its report recommending dismissal of the action and has moved to terminate the action, which motion was granted. This ruling is on appeal. Mr. Orenstein is also the lead partner for BT in: (i) *In re Emergent BioSolutions Inc. Derivative Litigation*, C.A. No. 2021-0974-MTZ (Del. Ch.) (counsel for plaintiffs in this derivative case alleging Emergent's Board of Directors and management failed to implement any internal compliance or sterility testing programs, such that the Board was not even informed as the government and customer inspectors found repeated safety violations, lax quality control procedures, and a failure to take steps to ensure vaccine safety); and (ii) *In re Citigroup Inc. Shareholder Derivative Litig.*, No. 20-cv-09438 (S.D.N.Y.) (representing the Employees' Retirement System of the City of Providence in derivative action seeking to hold defendants, who are current and former members of Citigroup's board of directors, accountable for their conscious failure over many years to implement and maintain an enterprise-wide risk management and compliance risk management program, internal controls or a data governance program at Citigroup's subsidiaries commensurate with the Bank's size, complexity and risk profile).

Mr. Orenstein's representative cases also include: *In re Bluegreen Corporation Shareholder Litigation*, No. 502011CA018111 (15th Judicial Cir., Florida) (\$36.5 million settlement and \$80 million in benefit to class secured as member of Executive Committee); *In re TPC Group, Inc. Shareholders' Litigation*, No. 7865-VCN (Delaware Chancery) (\$79 million benefit to class while co-lead counsel); *Louisiana Municipal Police Employees' Retirement System v. EnergySolutions, Inc.*, C.A. No. 8350-VCG (Delaware Chancery) (\$36 million benefit to class as co-lead counsel); *In re El Paso Corporation Shareholder Litigation*, No. 6949-CS (Delaware Chancery) (\$110 million benefit to class as member of Executive Committee); *In re American Home Mortgage Securities Litigation*, No. 07-MD-1898 (E.D.N.Y.) (\$37.25 million benefit to class as member of litigation team); *In re Force Protection Inc. Securities Litigation*, No. 2:08-cv-845 CWH (D.S.C.) (\$24 million benefit to class as member of litigation team); and *In re: Nexium (Esomeprazole) Antitrust Litigation*, No. 12-md-02409-WGY (D. Mass.) (\$24 million benefit to class secured as local counsel).

Prior to joining Berman Tabacco, Mr. Orenstein was a staff attorney for the Securities Division of the Office of the Secretary of the Commonwealth of Massachusetts. While there, he performed company examinations as well as investigated and pursued enforcement actions to detect and prevent fraud at hedge funds and related companies. Mr. Orenstein was the lead attorney on many investigations and actions against broker-dealers, investment advisors and others.

Prior to obtaining his J.D. from the New York University School of Law in 2005, Mr. Orenstein served as a member of the mutual fund and insurance brokerage investigation teams for the Office of the New York State Attorney General's Investment Protection Bureau. As a legal intern, he assisted with the Bureau's investigation work including, case planning, discovery and settlement negotiation.

In addition to his work for the Commonwealth and for New York State, Mr. Orenstein was the Associate Director for the Center for Insurance Research, a consumer advocacy organization. In this role, he supported Center attorneys in litigating complex insurance reorganization transactions. He also testified in regulatory and legislative proceedings on behalf of policyholders concerning market conduct and insurance rate setting.

Mr. Orenstein earned a J.D. from New York University School of Law in 2005, and a B.A. in Economics from Bates College in 1997.

Mr. Orenstein is a member in good standing in the Commonwealth of Massachusetts, the U.S. District Court for the District of Massachusetts and the U.S. Court of Appeals for the First Circuit.

a) *In re Juul Labs, Inc. Marketing, Sales Practices, and Products Liability Litigation* 19-md-02913 (N.D. Two companion notice programs were implemented with more than 10.7 million email notices and nearly 500,000 postcard notices sent to potential class members and comprehensive media efforts (over 936 million impressions delivered). The notice programs each reached approximately 80% of the class nationwide.

b) *In Re: Zoom Video Communications, Inc. Privacy Litigation*, 3:20-cv-02155 (N.D. NOTICE PLAN METHODOLOGY

17. Federal Rules of Civil Procedure, Rule 23 directs that notice must be “the best notice that is practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort” and that “the notice may be by one or more of the following:

United States mail, electronic means, or other appropriate means.”¹ The Notice Plan will satisfy these requirements.

18. This Notice Plan is designed to reach the greatest practicable number of Settlement Class Members. Individual notice will be provided via push-notification through the New England Patriots’ App (“Patriots’ App”) to identified Settlement Class Members. The individual notice effort will be further enhanced by digital and social media notice, internet sponsored search listings, and a Settlement Website. In my experience, the Notice Plan is consistent with other court-approved notice programs, is the best notice practicable under the circumstances of this case, and has been designed to satisfy the requirements of due process, including its “desire to actually inform” requirement.²

NOTICE PLAN DETAIL

19. I have reviewed the Settlement Agreement. The Notice Plan is designed to provide notice to the following “Settlement Class,” defined in the Settlement Agreement as:

[A]ll individuals residing in the United States who are or have been users of the Patriots’ App with location services enabled, and who requested or obtained any prerecorded (including on-demand replay) videos available on the Patriots’ App, during the Class Period.³

Excluded from the Settlement Class are (1) any judge presiding over this Action and members of their families; (2) Defendant, its subsidiaries, parent companies, successors, predecessors, and any entity in which the Defendant or its parents have a controlling interest and their current or former officers, directors, agents, attorneys, and employees; (3) persons who properly execute and file a timely request for exclusion from the class; and (4) the legal representatives, successors, or assigns of any such excluded persons.

¹ Fed. R. Civ. P. 23(c)(2)(B).

² *Mullane v. Cent. Hanover Bank & Trust Co.*, 339 U.S. 306, 315 (1950) (“But when notice is a person’s due, process which is a mere gesture is not due process. The means employed must be such as one desirous of actually informing the absentee might reasonably adopt to accomplish it. The reasonableness and hence the constitutional validity of any chosen method may be defended on the ground that it is in itself reasonably certain to inform those affected . . .”).

³ The period from February 1, 2022, to and through the date of Preliminary Approval.

NOTICE PLAN***Individual Notice***

20. It is my understanding from counsel the Defendant will send Notice via push-notification through the Patriots App, along with an electronic link to the Claim Form, to Settlement Class Members who currently use the Patriots App. The Defendant will also provide Notice in the “My Inbox” section of the Patriots App, which can be viewed during the pendency of the notice period. Defendant will coordinate with Epiq on timely reporting of the completion of the Patriots’ App individual notice effort.

Internet Digital Notice Campaign

21. Internet advertising has become a standard component in legal notice programs. The internet has proven to be an efficient and cost-effective method to target class members as part of providing notice of a settlement for a class action case. According to MRI-Simmons⁴ data, 97% of all adults are online and 84% of all adults use social media.⁵

22. The Notice Plan includes targeted digital advertising (“Digital Notices”) on the selected advertising network *Google Display Network*, which represents thousands of digital properties across all major content categories. Digital Notices will be targeted to selected target audiences and are designed to encourage participation by Settlement Class Members—by linking directly to the Settlement Website, allowing visitors easy access to relevant information and documents.

⁴ MRI-Simmons is a leading source of publication readership and product usage data for the communications industry. MRI-Simmons is a joint venture of GfK Mediamark Research & Intelligence, LLC (“MRI”) and Simmons Market Research. MRI-Simmons offers comprehensive demographic, lifestyle, product usage and exposure to all forms of advertising media collected from a single sample. As the leading U.S. supplier of multimedia audience research, the company provides information to magazines, televisions, radio, internet, and other media, leading national advertisers, and over 450 advertising agencies—including 90 of the top 100 in the United States. MRI-Simmons’s national syndicated data is widely used by companies as the basis for the majority of the media and marketing plans that are written for advertised brands in the United States.

⁵ MRI-Simmons 2024 Survey of the American Consumer®.

23. The Digital Notices will also be placed on a leading social media platform in the United States, *YouTube*. The social media campaign will use an interest-based approach which focuses on the interests that users exhibit while on the social media platform, capitalizing on the target audience's propensity to engage in social media.

24. *YouTube* is the largest streaming video website in the United States with approximately 253 million users.⁶

25. All Digital Notices will appear on desktop, mobile, and tablet devices. Digital Notices on *Google Display Network* and *YouTube* will be displayed nationwide. Digital Notices will also be targeted (remarketed) to people who click on a Digital Notice.

26. More details regarding the target audiences, specific ad sizes of the Digital Notices, and the number of planned impressions are included in the following table:

<i>Digital Plan</i>	<i>Target</i>	<i>Ad Sizes</i>	<i>Planned Impressions</i>
<i>Google Display Network</i>	App Download Targeting: New England Patriots' App	728x90, 300x250, 300x600 & 970x250	10,000,000
<i>YouTube</i>	App Download Targeting: New England Patriots' App	30-second Video Ads	8,500,000
TOTAL			18,500,000

27. Combined, approximately 18.5 million targeted impressions will be generated by the Digital Notices nationwide. The Digital Notices will run for approximately 30 days.⁷ Clicking on the Digital Notices will link the reader to the Settlement Website, where they can easily obtain detailed information about the Settlement.

⁶ Statista Digital 2025: Global Overview Report. Statista, founded in 2007, is a leading provider of worldwide market and consumer data and is trusted by thousands of companies around the world for data. Statista.com consolidates statistical data on over 80,000 topics from more than 22,500 sources and makes it available in German, English, French and Spanish.

⁷ The third-party ad management platform, ClickCease will be used to audit the Digital Notice ad placements. This type of platform tracks all Digital Notice ad clicks to provide real-time ad monitoring, fraud traffic analysis, blocks clicks from fraudulent sources, and quarantines dangerous IP addresses. This helps reduce wasted, fraudulent, or otherwise invalid traffic (e.g., ads being seen by 'bots' or non-humans, ads not being viewable, etc.).

Sponsored Search Listings

28. To facilitate locating the Settlement Website, sponsored search listings will be acquired on the three most highly-visited internet search engines: *Google*, *Yahoo!*, and *Bing*. When visitors to these search engines search for selected keyword combinations related to the Settlement, the sponsored search listing advertisement created for this Settlement will be displayed. Generally, the sponsored search listing advertisement will appear at the top of the visitor's website page prior to the search results or in the upper right-hand column of the web-browser screen. The sponsored search listings will be displayed nationwide. All sponsored search listings will link directly to the Settlement Website.

Settlement Website

29. Epiq will create and maintain a dedicated website for the Settlement with an easy to remember domain name. Relevant documents will be posted on the Settlement Website, including the Settlement Agreement, Preliminary Approval Order, Long Form Notice, and any other case-related documents. In addition, the Settlement Website will include relevant dates, answers to frequently asked questions ("FAQs"), instructions for how Settlement Class Members may opt-out (request exclusion) from or object to the Settlement, contact information for the Settlement Administrator, and how to obtain other case-related information. Settlement Class Members will also be able to file a Claim Form on the Settlement Website. The Settlement Website address will be prominently displayed in all notice documents.

Toll-Free Telephone Number

30. A toll-free telephone number will be established for the Settlement. Callers will be able to hear an introductory message and will have the option to learn more about the Settlement in the form of recorded answers to FAQs, and to request that a Long Form Notice be mailed to them. This automated telephone system will be available 24 hours per day, 7 days per week. The toll-free telephone number will be prominently displayed in all notice documents.

31. A postal mailing address will be provided, allowing Settlement Class Members the opportunity to request additional information or ask questions.

Claim Submission & Distribution Options

32. The Notices will provide a detailed summary of relevant information about the Settlement, including the Settlement Website address and how Settlement Class Members can file a Claim Form online or by mail. With any method of filing a Claim Form, Settlement Class Members will be given the option of receiving a digital payment or a traditional paper check.

CONCLUSION

33. In class action notice planning, execution, and analysis, we are guided by due process considerations under the United States Constitution, by federal and local rules and statutes, and further by case law pertaining to notice. This framework directs that the notice program be designed to reach the greatest practicable number of potential class members and, that the notice or notice program provide class members with easy access to the details of how the class action may impact their rights. All of these requirements will be met in this case.

34. The Notice Plan will provide individual notice via push-notification through the Patriot's App to identified Settlement Class Members. The individual notice effort will be further enhanced by digital and social media notice, internet sponsored search listings, and a Settlement Website.

35. The Notice Plan follows the guidance for satisfying due process obligations that a notice expert gleans from the United States Supreme Court's seminal decisions, which emphasize the need: (a) to endeavor to actually inform the Settlement Class, and (b) to ensure that notice is reasonably calculated to do so.

- a) "[W]hen notice is a person's due, process which is a mere gesture is not due process. The means employed must be such as one desirous of actually informing the absentee might reasonably adopt to accomplish it," *Mullane v. Central Hanover Trust*, 339 U.S. 306, 315 (1950); and
- b) "[N]otice must be reasonably calculated, under all the circumstances, to apprise interested parties of the pendency of the action and afford them an opportunity to present their objections," *Eisen v. Carlisle & Jacquelin*, 417 U.S. 156 (1974) (citing *Mullane*, 339 U.S. at 314).

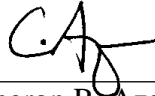

36. The Notice Plan will provide the best notice practicable under the circumstances, conform to all aspects of Federal Rule of Civil Procedure 23 regarding notice, comport with the

guidance for effective notice articulated in the Manual for Complex Litigation, Fourth and applicable FJC materials, and satisfy the requirements of due process, including its “desire to actually inform” requirement.

37. The Notice Plan schedule will afford enough time to provide full and proper notice to the Settlement Class Members before the Objection/Exclusion Deadline.

38. At the conclusion of the Notice Plan, I will provide a declaration verifying the effective implementation of the Notice Plan.

I declare under penalty of perjury that the foregoing is true and correct. Executed on May 7, 2025.

The notice must clearly and concisely state in plain, easily understood language: (i) the nature of the action; (ii) the definition of the class certified; (iii) the class claims, issues, or defenses; (iv) that a class member may enter an appearance through an attorney if the member so desires; (v) that the court will exclude from the class any member who requests exclusion; (vi) the time and manner for requesting exclusion; and (vii) the binding effect of a class judgment on members under Rule 23(c)(3).” The Court finds that the Notice Plan, which was direct notice sent to 99.8% of the Settlement Class via email and U.S. Mail, has been implemented in compliance with this Court’s Order (ECF No. 426) and complies with Rule 23(c)(2)(B).

Judge Gary A. Fenner, *In re Pre-Filled Propane Tank Antitrust Litigation* (Mar. 30, 2021) MDL No. 2567, 14-cv-02567 (W.D. Mo.):

Based upon the Declaration of Cameron Azari, on behalf of Epiq, the Administrator appointed by the Court, the Court finds that the Notice Program has been properly implemented. That Declaration shows that there have been no requests for exclusion from the Settlement, and no objections to the Settlement. Finally, the Declaration reflects that AmeriGas has given appropriate notice of this settlement to the Attorney General of the United States and the appropriate State officials under the Class Action Fairness Act, 28 U.S.C. § 1715, and no objections have been received from any of them.

Judge Richard Seeborg, *Bautista v. Valero Marketing and Supply Company* (Mar. 17, 2021) 3:15-cv-05557 (N.D. Cal.):

The Notice given to the Settlement Class in accordance with the Notice Order was the best notice practicable under the circumstances of these proceedings and of the matters set forth therein, including the proposed Settlement set forth in the Settlement Agreement, to all Persons entitled to such notice, and said notice fully satisfied the requirements of Fed. R. Civ. P. 23 and due process.

Judge James D. Peterson, *Fox et al. v. Iowa Health System d.b.a. UnityPoint Health* (Mar. 4, 2021) 18-cv-00327 (W.D. Wis.):

The approved Notice plan provided for direct mail notice to all class members at their last known address according to UnityPoint’s records, as updated by the administrator through the U.S. Postal Service. For postcards returned undeliverable, the administrator tried to find updated addresses for those class members. The administrator maintained the Settlement website and made Spanish versions of the Long Form Notice and Claim Form available upon request. The administrator also maintained a toll-free telephone line which provides class members detailed information about the settlement and allows individuals to request a claim form be mailed to them.

The Court finds that this Notice (i) constituted the best notice practicable under the circumstances; (ii) was reasonably calculated, under the circumstances, to apprise Settlement Class members of the Settlement, the effect of the Settlement (including the release therein), and their right to object to the terms of the settlement and appear at the Final Approval Hearing; (iii) constituted due and sufficient notice of the Settlement to all reasonably identifiable persons entitled to receive such notice; (iv) satisfied the requirements of due process, Federal Rule of Civil Procedure 23(e)(1) and the Class Action Fairness Act of 2005, 28 U.S.C. § 1715, and all applicable laws and rules.

Judge Carl J. Barbier, *In re Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, on April 20, 2010 (Medical Benefits Settlement)* (Jan. 11, 2013) MDL No. 2179 (E.D. La.):

Through August 9, 2012, 366,242 individual notices had been sent to potential [Medical Benefits] Settlement Class Members by postal mail and 56,136 individual notices had been e-mailed. Only 10,700 mailings—or 3.3%—were known to be undeliverable. (Azari Decl. ¶¶ 8, 9.) Notice was also provided through an extensive schedule of local newspaper, radio, television and Internet placements, well-read consumer magazines, a national daily business newspaper, highly-trafficked websites, and Sunday local newspapers (via newspaper supplements). Notice was also provided in non-measured trade, business and specialty publications, African-American, Vietnamese, and Spanish language publications, and Cajun radio programming. The combined measurable paid print, television, radio, and Internet effort reached an estimated 95% of adults aged 18+ in the Gulf Coast region an average of 10.3 times each, and an estimated 83% of all adults in the United States aged 18+ an average of 4 times each. (Id. ¶¶ 8, 10.) All notice documents were designed to be clear, substantive, and informative. (Id. ¶ 5.)

The Court received no objections to the scope or content of the [Medical Benefits] Notice Program. (Azari Supp. Decl. ¶ 12.) The Court finds that the Notice and Notice Plan as implemented satisfied the best notice practicable standard of Rule 23(c) and, in accordance with Rule 23(e)(1), provided notice in a reasonable manner to Class Members who would be bound by the Settlement, including individual notice to all Class Members who could be identified through reasonable effort. Likewise, the Notice and Notice Plan satisfied the requirements of Due Process. The Court also finds the Notice and Notice Plan satisfied the requirements of CAFA.

Judge Carl J. Barbier, *In re Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, on April 20, 2010 (Economic and Property Damages Settlement)* (Dec. 21, 2012) MDL No. 2179 (E.D. La.):

The Court finds that the Class Notice and Class Notice Plan satisfied and continue to satisfy the applicable requirements of Federal Rule of Civil Procedure 23(c)(2)(b) and 23(e), the Class Action Fairness Act (28 U.S.C. § 1711 et seq.), and the Due Process Clause of the United States Constitution (U.S. Const., amend. V), constituting the best notice

that is practicable under the circumstances of this litigation. The notice program surpassed the requirements of Due Process, Rule 23, and CAFA. Based on the factual elements of the Notice Program as detailed below, the Notice Program surpassed all of the requirements of Due Process, Rule 23, and CAFA.

The Notice Program, as duly implemented, surpasses other notice programs ... executed with court approval. The Notice Program included notification to known or potential Class Members via postal mail and e-mail; an extensive schedule of local newspaper, radio, television and Internet placements, well-read consumer magazines, a national daily business newspaper, and Sunday local newspapers. Notice placements also appeared in non-measured trade, business, and specialty publications, African-American, Vietnamese, and Spanish language publications, and Cajun radio programming. The Notice Program met the objective of reaching the greatest possible number of class members and providing them with every reasonable opportunity to understand their legal rights. See Azari Decl. ¶¶ 8, 15, 68. The Notice Program was substantially completed on July 15, 2012, allowing class members adequate time to make decisions before the opt-out and objections deadlines.

The media notice effort alone reached an estimated 95% of adults in the Gulf region an average of 10.3 times each, and an estimated 83% of all adults in the United States an average of 4 times each. These figures do not include notice efforts that cannot be measured, such as advertisements in trade publications and sponsored search engine listings. The Notice Program fairly and adequately covered and notified the class without excluding any demographic group or geographic area, and it exceeded the reach percentage achieved in most other court-approved notice programs.

Judge Alonzo Harris, *Opelousas General Hospital Authority, A Public Trust, D/B/A Opelousas General Health System and ArklaMiss Surgery Center, L.L.C. v. FairPay Solutions, Inc.* (Aug. 17, 2012) 12-C-1599 (27th Jud. D. Ct. La.):

Notice given to Class Members and all other interested parties pursuant to this Court's order of April 18, 2012, was reasonably calculated to apprise interested parties of the pendency of the action, the certification of the Class as Defined for settlement purposes only, the terms of the Settlement Agreement, Class Members rights to be represented by private counsel, at their own costs, and Class Members rights to appear in Court to have their objections heard, and to afford persons or entities within the Class Definition an opportunity to exclude themselves from the Class. Such notice complied with all requirements of the federal and state constitutions, including the Due Process Clause, and applicable articles of the Louisiana Code of Civil Procedure, and constituted the best notice practicable under the circumstances and constituted due and sufficient notice to all potential members of the Class as Defined.

Judge James Lawrence King, *Sachar v. Iberiabank Corporation* (Apr. 26, 2012) as part of ***In re Checking Account Overdraft*** MDL No. 2036 (S.D. Fla.):

The Court finds that the Notice previously approved was fully and properly effectuated and was sufficient to satisfy the requirements of due process because it described "the substantive claims ... [and] contained information reasonably necessary to [allow Settlement Class Members to] make a decision to remain a class member and be bound by the final judgment.".... The Notice, among other things, defined the Settlement Class, described the release as well as the amount and method and manner of proposed distribution of the Settlement proceeds, and informed Settlement Class Members of their rights to opt-out or object, the procedures for doing so, and the time and place of the Final Approval Hearing. The Notice also informed Settlement Class Members that a class judgment would bind them unless they opted out, and told them where they could obtain more information, such as access to a full copy of the Agreement. Further, the Notice described in summary form the fact that Class Counsel would be seeking attorneys' fees of up to 30 percent of the Settlement. Settlement Class Members were provided with the best practicable notice "reasonably calculated, under [the] circumstances, to apprise them of the pendency of the action and afford them an opportunity to present their objections." Mullane, 339 U.S. at 314. The content of the Notice fully complied with the requirements of Rule 23.

Judge Bobby Peters, *Vereen v. Lowe's Home Centers* (Apr. 13, 2012) SU10-cv-2267B (Ga. Super. Ct.):

The Court finds that the Notice and the Notice Plan was fulfilled, in accordance with the terms of the Settlement Agreement, the Amendment, and this Court's Preliminary Approval Order and that this Notice and Notice Plan constituted the best practicable notice to Class Members under the circumstances of this action, constituted due and sufficient Notice of the proposed Settlement to all persons entitled to

participate in the proposed Settlement, and was in full compliance with Ga. Code Ann § 9-11-23 and the constitutional requirements of due process. Extensive notice was provided to the class, including point of sale notification, publication notice and notice by first-class mail for certain potential Class Members.

The affidavit of the notice expert conclusively supports this Court's finding that the notice program was adequate, appropriate, and comported with Georgia Code Ann. § 9-11-23(b)(2), the Due Process Clause of the Constitution, and the guidance for effective notice articulate in the FJC's Manual for Complex Litigation, 4th.

Judge Lee Rosenthal, *In re Heartland Payment Systems, Inc. Customer Data Security Breach Litigation* (Mar. 2, 2012) MDL No. 2046 (S.D. Tex.):

*The notice that has been given clearly complies with Rule 23(e)(1)'s reasonableness requirement ... the notice plan after its implementation and conservatively estimated that notice reached 81.4 percent of the class members. (Docket Entry No. 106, ¶ 32). Both the summary notice and the detailed notice provided the information reasonably necessary for the presumptive class members to determine whether to object to the proposed settlement. See Katrina Canal Breaches, 628 F.3d at 197. Both the summary notice and the detailed notice "were written in easy-to-understand plain English." In re Black Farmers Discrimination Litig., — F. Supp. 2d —, 2011 WL 5117058, at *23 (D.D.C. 2011); accord AGGREGATE LITIGATION § 3.04(c).15 The notice provided "satisf[ies] the broad reasonableness standards imposed by due process" and Rule 23. Judge John D. Bates, *Trombley v. National City Bank* (Dec. 1, 2011) 1:10-cv-00232 (D.D.C.) as part of ***In re Checking Account Overdraft Litigation*** MDL No. 2036 (S.D. Fla.):

The form, content, and method of dissemination of Notice given to the Settlement Class were in full compliance with the Court's January 11, 2011 Order, the requirements of Fed. R. Civ. P. 23(e), and due process. The notice was adequate and reasonable, and constituted the best notice practicable under the circumstances. In addition, adequate notice of the proceedings and an opportunity to participate in the final fairness hearing were provided to the Settlement Class.

Judge Robert M. Dow, Jr., *Schulte v. Fifth Third Bank* (July 29, 2011) 1:09-cv-06655 (N.D. Ill.):

The Court has reviewed the content of all of the various notices, as well as the manner in which Notice was disseminated, and concludes that the Notice given to the Class fully complied with Federal Rule of Civil Procedure 23, as it was the best notice practicable, satisfied all constitutional due process concerns, and provided the Court with jurisdiction over the absent Class Members.

Judge Ellis J. Daigle, *Williams v. Hammerman & Gainer Inc.* (June 30, 2011) 11-C-3187-B (27th Jud. D. Ct. La.):

Notices given to Settlement Class members and all other interested parties throughout this proceeding with respect to the certification of the Settlement Class, the proposed settlement, and all related procedures and hearings—including, without limitation, the notice to putative Settlement Class members and others ... were reasonably calculated under all the circumstances and have been sufficient, as to form, content, and manner of dissemination, to apprise interested parties and members of the Settlement Class of the pendency of the action, the certification of the Settlement Class, the Settlement Agreement and its contents, Settlement Class members' right to be represented by private counsel, at their own cost, and Settlement Class members' right to appear in Court to have their objections heard, and to afford Settlement Class members an opportunity to exclude themselves from the Settlement Class. Such notices complied with all requirements of the federal and state constitutions, including the due process clause, and applicable articles of the Louisiana Code of Civil Procedures, and constituted the best notice practicable under the circumstances and constituted due and sufficient notice to all potential members of the Settlement Class.

Judge Stefan R. Underhill, *Mathena v. Webster Bank, N.A.* (Mar. 24, 2011) 3:10-cv-01448 (D. Conn.) as part of ***In re Checking Account Overdraft Litigation*** MDL No. 2036 (S.D. Fla.):

The form, content, and method of dissemination of Notice given to the Settlement Class were adequate and reasonable, and constituted the best notice practicable under the circumstances. The Notice, as given, provided valid, due, and sufficient notice of the proposed settlement, the terms and conditions set forth in the Settlement Agreement, and these proceedings to all persons entitled to such notice, and said notice fully satisfied the requirements of Rule 23 of the Federal Rules of Civil Procedure and due process.

Judicial Quotes

Judge Ted Stewart, *Miller v. Basic Research, LLC* (Sept. 2, 2010) 2:07-cv-00871 (D. Utah):

Plaintiffs state that they have hired a firm specializing in designing and implementing large scale, unbiased, legal notification plans. Plaintiffs represent to the Court that such notice will include: 1) individual notice by electronic mail and/or first-class mail sent to all reasonably identifiable Class members; 2) nationwide paid media notice through a combination of print publications, including newspapers, consumer magazines, newspaper supplements and the Internet; 3) a neutral, Court-approved, informational press release; 4) a neutral, Court-approved Internet website; and 5) a toll-free telephone number. Similar mixed media plans have been approved by other district courts post class certification. The Court finds this plan is sufficient to meet the notice requirement.

Judge Sara Loi, *Pavlov v. Continental Casualty Co.* (Oct. 7, 2009) 5:07-cv-02580 (N.D. Ohio):

[T]he elaborate notice program contained in the Settlement Agreement provides for notice through a variety of means, including direct mail to each class member, notice to the United States Attorney General and each State, a toll free number, and a website designed to provide information about the settlement and instructions on submitting claims. With a 99.9% effective rate, the Court finds that the notice program constituted the “best notice that is practicable under the circumstances,” Fed. R. Civ. P. 23(c)(2)(B), and clearly satisfies the requirements of Rule 23(c)(2)(B).

Judge James Robertson, *In re Department of Veterans Affairs (VA) Data Theft Litigation* (Sept. 23, 2009) MDL No. 1796 (D.D.C.):

The Notice Plan, as implemented, satisfied the requirements of due process and was the best notice practicable under the circumstances. The Notice Plan was reasonably calculated, under the circumstances, to apprise Class Members of the pendency of the action, the terms of the Settlement, and their right to appear, object to or exclude themselves from the Settlement. Further, the notice was reasonable and constituted due, adequate and sufficient notice to all persons entitled to receive notice.
