SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release (“Agreement” or “Settlement Agreement”) is entered into by and between Plaintiffs Joseph Bointy, Yovan Brindou, Dia Campbell-Detrixhe, Kimberley Carroll, Yovany Cordero Salcedo, Clendon Detrixhe, Concepcion George, Elizabeth Grimes, Ty Harper, Shawn Johnson, Derek Manek, Brenda Kay Robinson, Zachary Warner, and Samantha King (collectively, “Plaintiffs” or “Class Representatives”), individually and on behalf of all other similarly situated individuals (the “Settlement Class” or “Settlement Class Members,” as defined below), and Defendant

Integrus Health, Inc. (“Integrus” or “Defendant”) in the case styled *Bointy, et al. v. Integrus Health, Inc.*, Case No. CJ-2023-7235, currently pending in the District of Oklahoma County, State of Oklahoma. Defendant and Plaintiffs are each referred to as a “Party” and are collectively referred to herein as “the Parties.”

I. RECITALS

1. This Settlement arises out of a data security incident experienced by Integrus on or around November 28, 2023, as a result of which a cybercriminal group sent extortion emails to some Plaintiffs and Class Members claiming it had stolen the personally identifiable information (“PII”) and protected health information (“PHI”) of approximately 2,426,868 Integrus patients, including 255,647 minors (the “Data Security Incident”). The types of PII and PHI potentially impacted in the Data Security Incident may have included Social Security numbers, dates of birth, addresses, phone numbers, and health insurance information.

2. On December 28, 2023, Plaintiff Clendon Detrixhe filed the first putative class action lawsuit stemming from the Data Security Incident in the District Court of Oklahoma County, State of Oklahoma (Case No. CJ-2023-7249). Thereafter, nine (9) related putative class action lawsuits were filed in the District Court of Oklahoma County, State of Oklahoma (Case No. CJ-2023-7249, Case No. CJ- 2024-620, Case No. CJ-2024-621, Case No. CJ-2024-652, Case No. CJ-2024-666, Case No. CJ-2024-686, Case No. CJ-2024-818, Case No. CJ-2024-819).

3. Additionally, eleven (11) putative class action lawsuits stemming from the Data Security Incident were filed in the United States District Court for the Western

District of Oklahoma. *Johnson v. Integrus Health, Inc.*, No. 5:23-cv-01192, ECF No. 23 (W.D. Okla.). On January 30, 2024, Chief Judge Timothy DeGiusti held a telephonic status conference to address the Class Action Fairness Act’s geography-based exceptions (28 U.S.C. § 1332(d)(4)) due to the possibility that many putative class members resided in Oklahoma. *Johnson v. Integrus Health, Inc.*, No. 5:23-cv-01192, ECF No. 21 (W.D. Okla.). Pursuant to the Court’s January 31, 2024, post-status conference order, counsel for Integrus was to “file a notice . . . in which counsel shall set forth Integrus’s most recent *interpretation* of the figures regarding residency of putative class members, as discussed during the status conference.” *Johnson v. Integrus Health, Inc.*, No. 5:23-cv-01192, ECF No. 23 (W.D. Okla.). Accordingly, on February 12, 2024, counsel for Integrus filed a Notice Regarding Residency in Case No. CIV-23-1192-D (ECF No. 22), in which counsel for Integrus stated that “2,624,041 individuals residing in the United States have been notified” of the Data Security Incident. Of those already notified, “2,431,693 individuals are Oklahoma residents.” Thereafter, all eleven (11) putative class action lawsuits filed in the United States District Court for the Western District of Oklahoma were voluntarily dismissed without prejudice.

4. On February 23, 2024, the District Court of Oklahoma County, State of Oklahoma appointed William B. Federman of Federman & Sherwood and James J. Pizzirusso of Hausfeld LLP as Interim Co-Lead Class Counsel in the Litigation (collectively, “Class Counsel”). The Court also appointed David K. Lietz of Milberg Coleman Bryson Phillips Grossman PLLC, Bryan L. Bleichner of Chestnut Cambronne

PA, Laura Van Note of Cole & Van Note, James E. Cecchi of Carella Byrne Cecchi Brody Agnello, P.C., and Linda P. Nussbaum of Nussbaum Law Group, P.C. as members of the Plaintiffs' Steering Committee.

5. On March 7, 2024, the District Court of Oklahoma County, Oklahoma consolidated Case No. CJ-2023-7249, Case No. CJ-2024-620, Case No. CJ-2024-621, Case No. CJ-2024-652, Case No. CJ-2024-666, Case No. CJ-2024-686, Case No. CJ-2024-818, and Case No. CJ-2024-819 (the "Pending Individual Lawsuits") into the first filed case, Case No. CJ-2023-7235 (together with the Pending Individual Lawsuits, the "Litigation").

6. Plaintiffs filed their Consolidated Class Action Petition on April 15, 2024, alleging claims of (i) negligence; (ii) negligence per se; (iii) breach of implied contract; (iv) unjust enrichment; (v) negligent training, hiring, and supervision; (vi) deceit, non-disclosure, and concealment; (vii) breach of fiduciary duty; and (viii) declaratory and injunctive relief. In response to Plaintiffs' Consolidated Petition, Integris filed a Partial Motion to Dismiss ("PMTD") that sought dismissal of Plaintiffs' claims for (i) negligence per se; (ii) breach of implied contract; (iii) unjust enrichment; (iv) deceit, non-disclosure, and concealment; and (v) declaratory and injunctive relief. The Parties fully briefed the PMTD and Integris filed a Partial Answer to Plaintiffs' Consolidated Petition on October 3, 2024.

7. With the assistance of experienced mediator Daniel E. Holeman ("Mediator"), counsel for Integris and Plaintiffs engaged in extensive negotiations

concerning a possible settlement of the claims asserted in the Litigation, including an initial mediation session on October 8, 2024. Although considerable progress was made, the mediation did not result in a settlement.

8. On October 17, 2024, Integris filed a Third-Party Petition against Tech Mahindra, LLC (“TechM”). According to Integris’s Third-Party Petition, “[t]he Data Security Incident was a direct result of TechM’s failures to implement and/or follow adequate and reasonable cybersecurity procedures and protocols necessary to protect Integris data, including Private Information.” Integris also claimed “Plaintiffs’ Lawsuit directly involve[s] claims arising out of or related to TechM’s breaches of its obligations to Integris.” Integris’s Third Party Petition alleged claims for (i) negligence; (ii) breach of express contract; (iii) unjust enrichment; and (iv) common law defense and indemnity.

9. In response to Integris’s Third-Party Petition, TechM filed a Motion to Compel Arbitration and Motion to Dismiss (“Motion to Compel”) on November 14, 2024.

10. Integris voluntarily dismissed TechM from the Litigation without prejudice on November 26, 2024.

11. Counsel for Integris and Plaintiffs continued settlement negotiations and attended a second formal mediation session with the Mediator on December 12, 2024. During the second mediation, the Parties engaged in extensive negotiations concerning a possible settlement of the claims asserted in the Litigation. The second mediation also did not result in a settlement, but significant progress was made. At the end of the mediation, Plaintiffs, through the Mediator, made a best and final offer, which Integris ultimately

accepted (subject to the terms herein) following a thorough consideration of the same. The terms of the Settlement are set forth in this Settlement Agreement.

12. Defendant denies all claims asserted against it in the Litigation, denies all allegations of wrongdoing and liability, and denies all material allegations of the Consolidated Class Action Petition.

13. Plaintiffs and Class Counsel believe that the legal claims asserted in the Litigation have merit. Class Counsel have extensively investigated the facts relating to the claims and defenses alleged in the Litigation and events underlying it, have made a thorough study of the legal principles applicable to the claims and defenses, and have conducted a thorough assessment of the strengths and weaknesses of the Parties' respective positions.

14. Plaintiffs and Class Counsel, on behalf of the Settlement Class, have concluded, based upon their investigation, and taking into account the contested issues involved, the expense and time necessary to prosecute the Litigation through trial, the risks and costs associated with further prosecution of the Litigation, the uncertainties of complex litigation, the desired outcome from continued litigation, and the substantial benefits to be received pursuant to this Settlement Agreement, that a settlement with Defendant on the terms set forth herein is fair and reasonable and in the best interest of Plaintiffs and the Settlement Class. Plaintiffs and Class Counsel believe that the Settlement confers substantial benefits upon the Settlement Class.

15. The Parties agree and understand that neither this Settlement Agreement, nor

the Settlement it represents, shall be construed as an admission by Defendant of any wrongdoing whatsoever, whether an admission of a violation of any statute or law or of liability on the claims or allegations in the Litigation or otherwise, or that any such claims would be suitable for class treatment, in each case relating to the Data Security Incident.

16. The Parties, by and through their respective duly authorized counsel of record, and intending to be legally bound hereby, agree that the Litigation, all matters and claims in the Consolidated Class Action Petition, all matters and claims arising out of or related to the allegations and/or subject matter of the Consolidated Class Action Petition and Litigation, and all matters and claims that could have been asserted in the Litigation shall be settled, compromised, and dismissed, on the merits and with prejudice, upon the following terms and conditions—as they relate to the Released Parties.

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

103. The Plaintiffs and Class Counsel acknowledge, and each Settlement Class Member by operation of law shall be deemed to have acknowledged, that the inclusion of “Unknown Claims” in the definition of Released Claims was separately bargained for and was a material term of the Settlement Agreement. Upon entry of the Final Approval Order and Final Judgment, Plaintiffs and Settlement Class Members shall be enjoined from prosecuting, respectively, Plaintiffs’ Released Claims and the Released Class Claims, in any proceeding in any forum against any of the Released Parties or based on any actions taken by any Released Parties authorized or required by this Settlement Agreement or the Court or an appellate court as part of this Settlement.

104. The Parties agree that the Released Parties will suffer irreparable harm if any Settlement Class Member asserts any of the Released Claims against any Released Parties, and that in such event, the Released Parties may seek an injunction as to such action without further showing of irreparable harm in this or any other forum.

105. Without in any way limiting the scope of the Plaintiffs’ Release or the Settlement Class Release (the “Releases”), the Releases cover, without limitation, any and

all claims for attorneys' fees, costs or disbursements incurred by Class Counsel or any other counsel representing Plaintiffs or Settlement Class Members, or any of them, in connection with or related in any manner to the Litigation (except for the Attorneys' Fees, Costs, and Expenses Award to be paid to Class Counsel as specifically provided in Section XIV), the Data Security Incident, Defendant's conduct alleged in the Consolidated Class Action Petition and Litigation, the Settlement, the administration of such Settlement and/or the Released Claims as well as any and all claims for the Service Awards to Plaintiffs.

106. Nothing in the Releases shall preclude any action to enforce the terms of this Settlement Agreement, including participation in any of the processes detailed herein.

XX. EFFECTIVE DATE

107. The "Effective Date" of this Settlement Agreement shall be the first Day after the date when all of the following conditions have occurred:

- a. This Settlement Agreement has been fully executed by all Parties and their counsel;
- b. Orders have been entered by the Court certifying the Settlement Class, granting preliminary approval of this Settlement Agreement, and approving the Notice Program and Claim Form, all as provided above;
- c. The Court-approved Postcard Notice has been mailed, other notice required by the Notice Program, if any, has been effectuated, and the Settlement Website has been duly created and maintained as ordered by the Court;
- d. The Court has entered a Final Approval Order finally approving this Settlement Agreement, as provided above; and

e. The Final Approval Order and Final Judgment have become Final, assuming no appeals have been filed.

f. If an appeal is filed, the Effective Date will become 30 days from when the appeal is finalized and a final judgment is entered in this case shall be conditioned on the occurrence of all the following events: (a) the Court has entered an Order of Preliminary Approval; (b) Defendant has not exercised its option to terminate the Settlement Agreement; (c) the Court has entered the Judgment granting final approval to the settlement as set forth herein; and (d) the Judgment has become Final.

XXI. MISCELLANEOUS PROVISIONS

108. The recitals and exhibits to this Settlement Agreement are integral parts of the Settlement and are expressly incorporated and made a part of this Settlement Agreement.

109. This Settlement Agreement is for settlement purposes only. Neither the fact of nor any provision contained in this Settlement Agreement nor any action taken hereunder shall constitute or be construed as an admission of the validity of any claim or any fact alleged in the Consolidated Class Action Petition or Litigation or of any wrongdoing, fault, violation of law or liability of any kind on the part of Defendant or any admission by Defendant of any claim in this Litigation or allegation made in any other proceeding, including regulatory matters, directly or indirectly involving the Data Security Incident or allegations asserted in the Consolidated Class Action Petition and Litigation. This Settlement Agreement shall not be offered or be admissible in evidence against the Parties or cited or referred to in any action or proceeding between the Parties, except in an

action or proceeding brought to enforce its terms. Nothing contained herein is or shall be construed or admissible as an admission by Defendant that Plaintiffs' claims, or any similar claims, are suitable for class treatment.

110. In the event that there are any developments in the effectuation and administration of this Settlement Agreement that are not dealt with by the terms of this Settlement Agreement, then such matters shall be dealt with as agreed upon by the Parties, and failing agreement, as shall be ordered by the Court. The Parties agree to execute all documents and use their best efforts to perform all acts necessary and proper to promptly effectuate the terms of this Settlement Agreement and to take all necessary or appropriate actions to obtain judicial approval of this Settlement Agreement to give this Settlement Agreement full force and effect. The Parties further agree to reasonably cooperate in the defense of this Settlement Agreement against Objections made to the Settlement or a Final Approval Order and Final Judgment, including at the Final Approval Hearing, or in any appeal from a Final Approval Order and Final Judgment, or in any collateral attack on this Settlement Agreement or a Final Approval Order and Final Judgment; provided, however, that Defendant shall have sole discretion in deciding whether Defendant will make any filing in respect of any objection, appeal, or collateral attack regarding the Settlement.

111. No person shall have any claim against Plaintiffs, Class Counsel, Defendant, Defendant's Counsel, the Settlement Administrator, or the Released Parties based on the administration of the Settlement substantially in accordance with the terms of the Settlement Agreement or any order of the Court or appellate court.

112. This Settlement Agreement constitutes the entire Settlement Agreement between and among the Parties with respect to the Settlement of the Litigation. This Settlement Agreement supersedes all prior negotiations and agreements between the Parties regarding settlement. The Parties acknowledge, stipulate, and agree that no covenant, obligation, condition, representation, warranty, inducement, negotiation, or understanding concerning any part of the subject matter of this Settlement Agreement has been made or relied on except as expressly set forth in this Settlement Agreement.

113. There shall be no waiver of any term or condition in this Settlement Agreement absent an express writing to that effect by the waiving Party. No waiver of any term or condition in this Settlement Agreement shall be construed as a waiver of a subsequent breach or failure of the same term or condition, or waiver of any other term or condition of this Settlement Agreement.

114. Defendant shall not be liable for any additional attorneys' fees and expenses of any Settlement Class Members' counsel, including any potential objectors or counsel representing a Settlement Class Member individually, other than what is expressly provided for in this Settlement Agreement. Class Counsel agree to hold Defendant harmless from any claim regarding the division of any Attorneys' Fees, Costs, and Expenses Award, and any claim that the term "Class Counsel" fails to include any counsel, individual, or firm who claims that they are entitled to a share of any Attorneys' Fees, Costs, and Expenses Award in this Litigation.

115. In the event a third party, such as a bankruptcy trustee, former spouse, or

other third party has or claims to have a claim against any payment made to a Settlement Class Member, it is the responsibility of the Settlement Class Member to transmit the funds to such third party. Unless otherwise ordered by the Court, the Parties will have no, and do not agree to any, responsibility for such transmittal.

116. This Settlement Agreement shall not be construed more strictly against one Party than another merely because it may have been prepared by counsel for one of the Parties, it being recognized that because of the arm's-length negotiations resulting in this Settlement Agreement, all Parties hereto have contributed substantially and materially to the preparation of the Settlement Agreement. All terms, conditions, and exhibits are material and necessary to this Settlement Agreement and have been relied upon by the Parties in entering into this Settlement Agreement.

117. The Agreement may be amended or modified only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest. Amendments and modifications may be made without additional notice to the Settlement Class Members unless such notice is required by the Court.

118. This Settlement Agreement shall be construed under and governed by the laws of the State of Oklahoma without regard to its choice of law provisions.

119. The Parties and each Settlement Class Member irrevocably submit to the exclusive jurisdiction of the Court for any suit, action, proceeding, or dispute arising out of or relating to this Settlement Agreement or the applicability of the Settlement Agreement and its exhibits, but for no other purpose.

120. Neither Plaintiffs nor Class Counsel shall make, publish, or state, or cause to be made, published, or stated, any defamatory or disparaging statement, writing or communication pertaining to Defendant or its directors, officers, employees, attorneys, and/or affiliates, or any Related Entities.

121. All agreements made and orders entered during the course of the Litigation relating to the confidentiality of information shall survive this Agreement, including but not limited to those relating to all information exchanged for purposes of mediation or under the auspices of 12 O.S. § 2408.

122. In the event that one or more of the provisions contained in this Settlement Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect the other provisions of the Settlement Agreement, which shall remain in full force and effect as though the invalid, illegal, or unenforceable provision(s) had never been a part of this Settlement Agreement as long as the benefits of this Settlement Agreement to Defendant or the Settlement Class Members are not materially altered, positively or negatively, as a result of the invalid, illegal, or unenforceable provision(s).

123. This Settlement Agreement will be binding upon and inure to the benefit of the successors and assigns of the Parties, Released Parties, and Settlement Class Members.

124. The headings used in this Settlement Agreement are for the convenience of the reader only and shall not affect the meaning or interpretation of this Settlement Agreement. In construing this Settlement Agreement, the use of the singular includes the

plural (and vice-versa), and the use of the masculine includes the feminine (and vice-versa).

125. The Parties agree to seek a stay all proceedings in the Litigation until the approval of this Settlement Agreement has been finally determined, except the stay of proceedings shall not prevent the filing of any motions, affidavits, and other matters necessary to obtain and preserve judicial approval of this Settlement Agreement.

126. This Settlement Agreement may be executed in one or more counterparts, each of which shall be deemed an original as against any Party who has signed it and all of which shall be deemed a single Settlement Agreement. Scanned signatures, electronic signatures, or signatures sent by email or facsimile shall be as effective as original signatures.

127. Each Party to this Settlement Agreement and the signatories thereto warrant that he, she, or it is acting upon his, her or its independent judgment and the advice of his, her, or its counsel and not in reliance upon any warranty or representation, express or implied, of any nature or kind by any other Party, other than the warranties and representations expressly made in this Settlement Agreement.

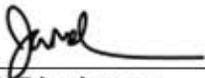

Each signatory below warrants that he or she has authority to execute this Settlement Agreement and bind the Party on whose behalf he or she is executing the Settlement Agreement.

IN WITNESS WHEREOF, the Parties have hereby accepted and agreed to the Settlement Agreement.
