**b. Cash Payment B – Alternate Cash**

As an alternative to Cash Payment A – Documented Losses above, a Settlement Class Member may elect to receive Cash Payment B – Alternate Cash, which is a cash payment in an estimated amount of \$50.00.

Administrator. For an objection to be considered by the Court, the relevant Settlement Class Member must submit the objection no later than the Objection Deadline, as specified in the Notice, and the relevant Settlement Class Member must not have excluded herself from the Settlement Class. If submitted by mail, an objection shall be deemed to have been submitted when posted if received with a postmark date indicated on the envelope if mailed first-class postage prepaid. If submitted by courier (e.g., Federal Express), an objection shall be deemed to have been submitted on the shipping date reflected on the shipping label.

75. For an objection to be considered by the Court, the objection must also set forth:

Class Counsel and/or Defendant's Counsel may conduct limited discovery on any objector or objector's counsel. This includes taking depositions and requesting documents.

76. The Settlement Administrator shall perform reasonable address traces for Postcard Notices that are returned as undeliverable. By way of example, a reasonable tracing procedure would be to run addresses of returned postcards through the Lexis/Nexis database that can be utilized for such purpose. No later than 45 days before the original date set for the Final Approval Hearing, the Settlement Administrator shall complete the re-mailing of Postcard Notice to those Settlement Class members whose new addresses were identified as of that time through address traces.

The Settlement Administrator shall have the sole authority to determine whether a Claim by any Claimant is a Valid Claim.

81. The Settlement Administrator shall use all reasonable efforts and means to identify and reject duplicate claims. No Settlement Class member may submit more than one Claim Form. The Settlement Administrator shall identify any Claim Forms that appear to seek relief on behalf of the same Settlement Class member. If the Settlement Administrator identifies any Claim Form that appears to be a duplication, the Settlement Administrator shall contact the Settlement Class member in an effort to determine which Claim Form is the appropriate one for consideration.

82. The Settlement Administrator shall exercise, in its discretion, all usual and customary steps to prevent fraud and abuse and take any reasonable steps to prevent fraud and abuse in the Claim process. The Settlement Administrator may, in its discretion, deny in whole or

in part any Claim Form to prevent actual or possible fraud or abuse. By agreement, the Parties can instruct the Settlement Administrator to take whatever steps it deems appropriate if the Settlement Administrator identifies actual or possible fraud or abuse relating to the submission of claims, including, but not limited to, denying in whole or in part any Claim to prevent actual or possible fraud or abuse. If any fraud is detected or reasonably suspected, the Settlement Administrator and Parties may require information from Claimants or deny Claims, subject to the supervision of the Parties and ultimate oversight by the Court.

83. Claim Forms that do not meet the terms and conditions of this Settlement shall be promptly rejected by the Settlement Administrator and the Settlement Administrator shall advise the Claimant or Settlement Class member of the reason(s) why the Claim Form was rejected. However, if the Claim Form is rejected for containing incomplete or inaccurate information, and/or omitting required information, the Settlement Administrator may send a Notice of Deficiency explaining what information is missing or inaccurate and needed to validate the Claim and have it submitted for consideration. The Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. The additional information and/or documentation can include, for example, answers to questions regarding the validity of the Claimant's physical or e-signature. A Claimant shall have until the Claim Form Deadline, or 15 days from the date the Notice of Deficiency is sent to the Claimant via mail and postmarked or via email, whichever is later, to reply to the Notice of Deficiency and provide the required information. If the Claimant timely and adequately provides the requested information and/or documentation, the Claim shall be deemed a Valid Claim and processed by the Settlement Administrator. If the Claimant does not timely and completely provide the requested information and/or documentation, the Settlement Administrator shall reduce or deny the Claim unless Defendant and Class Counsel otherwise agree.

84. Where a good faith basis exists, the Settlement Administrator may reduce or reject a Claim for, among other reasons, the following:

- f. The Claimant submitted a timely and valid request to opt out of the

Settlement Class.

g. The person submitting the Claim Form requests that payment be made to a person or entity other than the Claimant for whom the Claim Form is submitted;

i. The Claim Form otherwise does not comply with the requirements of this Settlement.

85. The Settlement Administrator's reduction or denial of a Claim is final, subject to the following dispute resolution procedures:

a. The Settlement Administrator shall have 30 days from the Claim Form Deadline to approve or reject Claims.

b. A request for additional information by sending a Notice of Deficiency shall not be considered a denial for purposes of this Paragraph.

c. If a Claim is rejected, the Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. Class Counsel and Defendant's Counsel shall be provided with copies of all such notifications to Claimants.

d. The Settlement Administrator's determination as to whether to approve, deny, or reduce a Claim shall be final and binding.

86. The Settlement Administrator shall provide all information gathered in investigating Claims, including, but not limited to, copies of all correspondence and email and all notes of the Settlement Administrator, the decision reached, and all reasons supporting the decision, if requested by Class Counsel or Defendant's Counsel. Additionally, Class Counsel and Defendant's Counsel shall have the right to inspect the Claim Forms and supporting documentation received by the Settlement Administrator at any time upon reasonable notice.

87. No person or entity shall have any claim against Defendant, Defendant's Counsel, Plaintiffs, the Settlement Class, Class Counsel, and/or the Settlement Administrator based on any eligibility determinations, distributions, or awards made in accordance with this Settlement.

88. The Settlement Administrator shall distribute the Settlement Class Member Benefits no later than 45 days after the Effective Date.

89. Cash Payments to Settlement Class Members will be made by electronic payment or by paper check. Checks must be deposited within 90 days of the date they are issued. Settlement Class Members will choose their form of payment on the Claim Form. In the event of any complications arising in connection with the issuance of an electronic payment, the Settlement Administrator shall provide written notice to Class Counsel and Defendant's Counsel. Absent specific instructions from Class Counsel and Defendant's Counsel, the Settlement Administrator shall proceed to resolve the dispute using its best practices and procedures to ensure that the funds are fairly and properly distributed to the person or persons who are entitled to receive them. In the event the Settlement Administrator is unable to distribute funds to the person or persons entitled to receive them due to incorrect or incomplete information provided to the Settlement

Administrator, the funds shall become residual funds, and the Settlement Class Member shall forfeit their entitlement right to the funds.

90. In the event there are funds remaining in the Settlement Fund 120 days following the date Cash Payments are issued, said funds attributable to unclaimed and undeliverable funds shall be treated as residual funds as described in Section XII.

**X. Final Approval Order and Final Judgment**

91. Plaintiffs shall file their Motion for Final Approval of the Settlement, inclusive of the Application for Attorneys' Fees, Costs and Service Awards, no later than 45 days before the initial date set for the Final Approval Hearing. At the Final Approval Hearing, the Court will hear argument on Plaintiffs' Motion for Final Approval of the Settlement and Application for Attorneys' Fees, Costs and Service Awards. In the Court's discretion, the Court will also hear argument at the Final Approval Hearing from any Settlement Class Members (or their counsel) who object to the Settlement and/or to the Application for Attorneys' Fees, Costs and Service Awards provided the objectors submitted timely objections that meet all of the requirements listed in this Agreement.

92. At or following the Final Approval Hearing, the Court will determine whether to enter the Final Approval Order and final judgment thereon, and whether to grant the Application for Attorneys' Fees, Costs and Service Awards. Such proposed Final Approval Order shall, among other things:

- a. Determine that the Settlement is fair, adequate and reasonable;
- b. Finally certify the Settlement Class for settlement purposes only;
- c. Determine that the Notice Program satisfies Due Process requirements;
- d. Bar and enjoin all Releasing Parties from asserting or otherwise pursuing

any of the Released Claims at any time and in any jurisdiction, including during any appeal from the Final Approval Order; and retain jurisdiction over the enforcement of the Court's injunctions;

e. Release Defendant and the other Released Parties from the Released Claims; and

f. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Agreement, including Defendant, Plaintiffs, all Settlement Class Members, and all objectors, to administer, supervise, construe, and enforce this Agreement in accordance with its terms.

**XI. Attorneys' Fees, Costs and Service Award**

93. *Service Awards* – As part of the Motion for Final Approval, Class Counsel shall apply to the Court for Service Awards in the amount of \$2,500.00 for each of the Class Representatives. The Service Award payments to Class Representatives shall be separate and apart from their entitlement to a Cash Payment. The Settlement Administrator shall pay the Court-approved Service Awards out of the Settlement Fund to Class Counsel by wire transfer within five days of Final Approval.

94. *Attorneys' Fees and Costs* – As part of the Motion for Final Approval, Class Counsel shall apply to the Court for an award of attorneys' fees of \$580,000.00, plus reimbursement of costs. The Settlement Administrator shall pay the Court-approved attorneys' fees and costs out of the Settlement Fund to Class Counsel by wire transfer within five days of Final Approval.

95. This Settlement is not contingent on approval of the request for attorneys' fees, costs, and Service Awards, and if the Court denies the request or grants amounts less than what

was requested, the remaining provisions of the Agreement shall remain in force. The provisions for attorneys' fees, costs, and Service Awards were negotiated after all material terms of the Settlement.

## **XII. Disposition of Residual Funds**

96. In the event there are funds remaining in the Settlement Fund 120 days following the date Cash Payments are distributed, the residual funds shall be distributed to Broward County Legal Aid ([www.browardlegalaid.com](http://www.browardlegalaid.com)), as the *cy pres* recipient, following approval by the Court.

## **XIII. Releases**

97. Upon the Effective Date, and in consideration of the settlement relief and other consideration described herein, the Releasing Parties shall be deemed to have, and by operation of the Final Approval Order shall have, fully, finally, and forever released, acquitted, relinquished, and completely discharged the Released Parties from any and all Released Claims, including but not limited to any state law or common law claims arising out of or relating to the Data Incident that the Releasing Parties may have or had, such as under California's Consumer Privacy Act, California Civil Code section 1798.100, *et seq.* and/or California's Unfair Competition Law, California Civil Code section 17200 *et seq.* Each Party expressly waives all rights under California Civil Code section 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The Releasing Parties agree that, once this Agreement is executed, they will not, directly or indirectly, individually or in concert with another, maintain, cause to be maintained, or voluntarily

assist in maintaining any further demand, action, claim, lawsuit, arbitration, or similar proceeding, in any capacity whatsoever, against any of the Released Parties based on any of the Released Claims.

98. Settlement Class members who opt-out of the Settlement prior to the Opt-Out Deadline do not release their claims and will not receive a Cash Payment.

99. Upon the Effective Date: (a) this Settlement shall be the exclusive remedy for any and all Released Claims of Plaintiffs and Settlement Class Members; and (b) Plaintiffs and Settlement Class Members stipulate to be and shall be permanently barred and enjoined by Court order from initiating, asserting, or prosecuting any Released Claim against the Released Parties, whether on behalf of Plaintiffs, any Settlement Class Member or others, in any jurisdiction, including in any federal, state, or local court or tribunal.

#### **XIV. Termination of Settlement**

100. This Agreement shall be subject to and is expressly conditioned on the occurrence of all of the following events:

- a. Court approval of the Settlement consideration and the Releases of this Agreement;
- b. The Court has entered the Preliminary Approval Order;
- c. The Court has entered the Final Approval Order, and all objections, if any, are overruled, and all appeals taken from the Final Approval Order are resolved in favor of Final Approval; and
- d. The Effective Date has occurred.

101. If any of the conditions specified in the preceding paragraph are not met, or if the Court otherwise imposes any modification to or condition to approval of the Settlement to which

the Parties do not consent, then this Agreement shall be cancelled and terminated.

102. In the event this Agreement is terminated or fails to become effective, then the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement, and the Parties shall jointly file a status report in the Court seeking to reopen the Action and all papers filed. In such event, the terms and provisions of this Agreement shall have no further force and effect with respect to the Parties and shall not be used in this Action or in any other action or proceeding for any other purpose, and any order entered by this Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*.

**XV. Effect of Termination**

103. The grounds upon which this Agreement may be terminated are set forth in Section XIII. In the event of a termination, this Agreement shall be considered null and void; all of Plaintiff's, Class Counsel's, Defendant's, Defendant's Counsel's obligations under the Settlement shall cease to be of any force and effect; and the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement. In addition, in the event of such a termination, all of the Parties' respective pre-Settlement rights, claims, and defenses will be retained and preserved.

104. In the event the Settlement is terminated in accordance with the provisions of this Agreement, any discussions, offers, or negotiations *associated* with this Settlement shall not be discoverable or offered into evidence or used in the Action or any other action or proceeding for any purpose. In such event, all Parties to the Action shall stand in the same position as if this Agreement had not been negotiated, made, or filed with the Court.

**XVI. No Admission of Liability**

105. This Agreement reflects the Parties' compromise and settlement of disputed claims.

This Agreement shall not be construed as or deemed to be evidence of an admission or concession of any point of fact or law. Defendant has denied and continues to deny each of the claims and contentions alleged in the Complaint. Defendant specifically denies that a class could or should be certified in the Action for litigation purposes. Defendant does not admit any liability or wrongdoing of any kind, by this Agreement or otherwise. Defendant has agreed to enter into this Agreement to avoid the further expense, inconvenience, and distraction of burdensome and protracted litigation, and to be completely free of any further claims that were asserted or could possibly have been asserted in the Action.

106. Class Counsel believe the claims asserted in the Action have merit, and they have examined and considered the benefits to be obtained under the proposed Settlement set forth in this Agreement, the risks associated with the continued prosecution of this complex, costly, and time-consuming litigation, and the likelihood of success on the merits of the Action. Class Counsel have investigated the facts and law relevant to the merits of the claims, conducted informal discovery, and conducted independent investigation of the alleged claims. Class Counsel concluded that the proposed Settlement set forth in this Agreement is fair, adequate, reasonable, and in the best interests of the Settlement Class members.

107. This Agreement constitutes a compromise and settlement of disputed claims. No action taken by the Parties in connection with the negotiations of this Agreement shall be deemed or construed to be an admission of the truth or falsity of any claims or defenses heretofore made, or an acknowledgment or admission by any party of any fault, liability, or wrongdoing of any kind whatsoever.

108. Neither the Settlement, nor any act performed or document executed pursuant to or in furtherance of the Settlement (a) is or may be deemed to be, or may be used as, an admission

of, or evidence of, the validity of any claim made by the Plaintiffs or Settlement Class Members, or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission of any of the Released Parties, in the Action or in any proceeding in any court, administrative agency, or other tribunal.

109. In addition to any other defenses Defendant or the Released Parties may have at law, in equity, or otherwise, to the extent permitted by law, this Agreement may be pleaded as a full and complete defense to and may be used as the basis for an injunction against, any action, suit, or other proceeding that may be instituted, prosecuted, or attempted in breach of this Agreement or the Releases contained herein.

## **XVII. Miscellaneous Provisions**

110. *Confidentiality.* To the extent permitted by ethics rules, the Parties and their counsel shall keep confidential all settlement communications, including communications regarding the negotiation and drafting of this Agreement. The Parties will not make any public statement about the settlement that has not been approved by the other side, except as required or authorized by law. Approval of any proposed public statement of the other side will not be unreasonably withheld. The Parties will cooperate with each other regarding public statements about the settlement and may issue a joint statement/press release if they mutually agree to do so. This paragraph shall not be construed to limit or impede the Notice requirements contained in this Agreement, nor shall this paragraph be construed to prevent Class Counsel or Defendant's Counsel from notifying or explaining that the Action has settled or limit the representations that the Parties or their counsel may make to the Court to assist in the Court's evaluation of the Settlement, Preliminary Approval, Final Approval, and any objection to the Settlement's terms. Defendant may also provide information about the Settlement to its attorneys, members, partners, insurers,

brokers, agents, and other persons or entities as required by securities laws or other applicable laws and regulations.

113. ***Cooperation of Parties.*** The Parties to this Agreement agree to cooperate in good faith to prepare and execute all documents, seek Court approval, uphold Court approval, and do all things reasonably necessary to complete and effectuate the Settlement described in this Agreement.

114. ***Obligation to Meet and Confer.*** Before filing any motion in the Court raising a dispute arising out of or related to this Agreement, the Parties shall consult with each other and certify to the Court that they have met and conferred in an attempt to resolve the dispute.

115. ***Integration and No Reliance.*** This Agreement constitutes a single, integrated written contract expressing the entire agreement of the Parties relative to the subject matter hereof. This Agreement is executed without reliance on any covenant, agreement, representation, or warranty by any Party or any Party's representative other than those expressly set forth in this Agreement. No covenants, agreements, representations, or warranties of any kind whatsoever have been made by any Party hereto, except as provided for herein.

116. ***No Conflict Intended.*** Any inconsistency between the headings used in this Agreement and the text of the paragraphs of this Agreement shall be resolved in favor of the text.

117. ***Governing Law.*** Except as otherwise provided herein, the Agreement shall be

construed in accordance with, and be governed by, the laws of the state of Florida, without regard to the principles thereof regarding choice of law.

118. **Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, even though all Parties do not sign the same counterparts. Original signatures are not required. Any signature submitted by facsimile or through email of a PDF shall be deemed an original.

119. **Jurisdiction.** The Court shall retain jurisdiction over the implementation, enforcement, and performance of this Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or relating to this Agreement that cannot be resolved by negotiation and agreement by counsel for the Parties. The Court shall also retain jurisdiction over all questions and/or disputes related to the Notice Program and the Settlement Administrator. As part of the agreement to render services in connection with this Settlement, the Settlement Administrator shall consent to the jurisdiction of the Court for this purpose. The Court shall retain jurisdiction over the enforcement of the Court's injunction barring and enjoining all Releasing Parties from asserting any of the Released Claims and from pursuing any Released Claims against the Released Parties at any time and in any jurisdiction, including during any appeal from the Final Approval Order.

124. ***Agreement Mutually Prepared.*** Neither Plaintiffs nor Defendant shall be considered to be the drafter of this Agreement or any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement.

125. ***Independent Investigation and Decision to Settle.*** The Parties understand and acknowledge they: (a) have performed an independent investigation of the allegations of fact and law made in connection with this Action; and (b) that even if they may hereafter discover facts in addition to, or different from, those that they now know or believe to be true with respect to the subject matter of the Action as reflected in this Agreement, that will not affect or in any respect limit the binding nature of this Agreement. All Parties recognize and acknowledge they reviewed and analyzed data that they and their experts used to make certain determinations, arguments, and settlement positions. The Parties agree this Settlement is fair, reasonable, and adequate, and will not attempt to renegotiate or otherwise void or invalidate or terminate the Settlement irrespective of what any unexamined data later shows.
