

SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release (“Settlement Agreement”) is entered into by and between (i) Horizon Actuarial Services, LLC (“Horizon Actuarial”) and (ii) Justin Sherwood, Lindsey Quan, Tabatha Bedont f/k/a Tabatha Johnson, Greg Torrano, Jennifer Hill, Sia Moody, Anthony Ruiz, Alice Dodd, Frederick Lewis, Douglas Ackman, Ryan Evans, Amber Thomas, and Maria Chavez (individually “Plaintiff” and collectively “Plaintiffs”) both individually and on behalf of the Settlement Class, in the case of *Sherwood, et al. v. Horizon Actuarial Services, LLC*, No. 1:22-cv-01495-ELR, pending in the United States District Court, Northern District of Georgia (the “Litigation”). Horizon Actuarial and Plaintiffs are collectively referred to herein as the “Parties.”

I. FACTUAL BACKGROUND AND RECITALS

1. Plaintiffs filed their Consolidated Complaint (the “Complaint”) against Horizon Actuarial on July 13, 2022, in the United States District Court for the Northern District of Georgia. The Complaint alleged seventeen (17) claims, including: negligence, negligence *per se*, unjust enrichment, declaratory judgment and injunctive relief, invasion of privacy, violations of the Arkansas Deceptive Trade Practices Act, violation of the California Consumer Privacy Act, violation of California’s Customer Records Act, violation of the unlawful and unfair prong of California’s Unfair Competition Law, violation of Idaho’s Consumer Protection Act, violations of the Illinois Consumer Fraud Act, violation of Louisiana’s Database Security Breach Notification Law, violation of Louisiana’s Unfair Trade Practices and Consumer Protection Law, violation of Nevada’s Deceptive Trade Practices Act, violation of North Carolina’s Unfair Trade Practices Act, violations of Oregon’s Unfair Trade Practices Act, and violations of O.C.G.A. § 13-6-11.

2. The Complaint alleged that in November of 2021, Horizon Actuarial experienced a data security incident in which unauthorized third parties gained access to its file server. Following discovery of this data security incident, Horizon Actuarial began investigating the scope and cause of the incident and determined that files containing Plaintiffs’ and Settlement Class Members’ personally identifiable information (“PII”), including names, addresses, Social Security numbers, benefit plan enrollment data, and/or dates of birth, may have been impacted. Horizon Actuarial began the process of notifying the individuals that may have been impacted of this data security incident on January 13, 2022 and continued notifying potentially impacted individuals through June 2022.

3. The Parties conducted informal arms-length negotiations over the course of several months until the Court formally stayed this case on February 24, 2023, pending mediation. The Court extended this stay until May 25, 2023, while negotiations continued. Following the extensive mediation and arms-length negotiation in this case from September 2022 through July 2023, the Parties reached a settlement by which the Parties agree and hereby wish to resolve all matters pertaining to, arising from, or associated in any way with the Litigation, including all claims Plaintiffs and Settlement Class Members have, had, or may have against Horizon Actuarial and persons and entities related to the Data Security Incident, as set forth herein.

4. The Parties have agreed to settle the Litigation on the terms and conditions set forth herein in recognition that the outcome of the Litigation is uncertain and that achieving a final result

through litigation would require substantial additional risk, uncertainty, discovery, time, and expense for the Parties.

5. Horizon Actuarial denies all claims of wrongdoing or liability that Plaintiffs, Settlement Class Members, or anyone else have or could have asserted in this Litigation or may assert in the future. Despite Horizon Actuarial's position that it is not liable for, and has good defenses to, the claims alleged in the Litigation, Horizon Actuarial desires to settle the Litigation, and thus avoid the expense, risk, exposure, inconvenience, uncertainty, and distraction of continued litigation of any action relating to the matters being fully settled and finally resolved and released in this Settlement Agreement. Neither this Settlement Agreement, nor any negotiation or act performed or document created in relation to the Settlement Agreement or negotiation or discussion thereof, is, or may be deemed to be, or may be used as, an admission of, or evidence of, any wrongdoing or liability.

6. The Parties now enter into this Settlement Agreement. Plaintiffs and Class Counsel have conducted an investigation into the facts and the law regarding the Litigation and have concluded that a settlement according to the terms set forth below is fair, reasonable, and adequate, and beneficial to and in the best interests of Plaintiffs and the Settlement Class, recognizing: (1) the existence of complex and contested issues of law and fact; (2) the risks inherent in litigation; (3) the likelihood that future proceedings will be unduly protracted and expensive if the proceeding is not settled by voluntary agreement; (4) the magnitude of the benefits derived from the contemplated Settlement in light of both the maximum potential and likely range of recovery to be obtained through further litigation and the expense thereof, as well as the potential of no recovery whatsoever; and (5) Plaintiffs' determination that the Settlement is fair, reasonable, adequate, and will substantially benefit the Settlement Class Members.

7. Considering the risks and uncertainties of continued litigation and all factors bearing on the merits of settlement, the Parties are satisfied that the terms and conditions of this Settlement Agreement are fair, reasonable, adequate, and in their respective best interests.

8. In consideration of the covenants, agreements, and releases set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed by and among the undersigned that the Litigation be settled and compromised, and that the Releasers release the Released Parties of the Released Claims, without costs as to Released Parties, Plaintiffs, Class Counsel, or the Settlement Class, except as explicitly provided for in this Settlement Agreement, subject to the approval of the Court, on the following terms and conditions.

III. SETTLEMENT FUND

51. Establishment of Settlement Fund. The Settlement Administrator shall provide wiring instructions and a properly completed and duly executed IRS Form W-9, along with any other necessary forms, to Defendant within four (4) days of the entry of the Effective Date. Defendant shall deposit the balance of the Settlement Fund with the Settlement Administrator within five (5) days of the Effective Date.

52. Qualified Settlement Fund. The Parties agree that the Settlement Fund is intended to be maintained as a qualified settlement fund within the meaning of Treasury Regulation § 1.468 B-1, and that the Settlement Administrator, within the meaning of Treasury Regulation § 1.468 B-2(k)(3), shall be responsible for filing tax returns and any other tax reporting for or in respect of the Settlement Fund and paying from the Settlement Fund any Taxes and Tax-Related Expenses owed with respect to the Settlement Fund. The Parties agree that the Settlement Fund shall be treated as a qualified settlement fund from the earliest date possible and agree to any relation-back election required to treat the Settlement Fund as a qualified settlement fund from the earliest date possible. Any and all funds held in the Settlement Fund shall be held in an interest-bearing account insured by the Federal Deposit Insurance Corporation. Funds may be placed in a non-interest bearing account as may be reasonably necessary during the check clearing process. The Settlement Administrator shall provide an accounting of any and all funds in the Settlement Fund, including any interest accrued thereon and payments made pursuant to this Settlement Agreement, upon request of any of the Parties.

53. Custody of Settlement Fund. The Settlement Fund shall be deemed to be in the custody of the Court and shall remain subject to the jurisdiction of the Court until such time as the entirety of the Settlement Fund is distributed pursuant to this Settlement Agreement or the balance returned to those who paid the Settlement Fund in the event this Settlement Agreement is terminated in accordance with Paragraphs 75-76.

54. Use of the Settlement Fund. As further described in this Settlement Agreement and in **Exhibit B**, the Settlement Fund shall be used by the Settlement Administrator to pay for the following: (1) Settlement Payments to satisfy Approved Claims of Settlement Class Members; (2) payment of the Designated *Cy Pres* amount; (3) Notice and Administrative Expenses; (4) Fee Award and Expenses as awarded by the Court; and (5) transfer of Remainder Funds to the extent any exist following the preceding administration of payments. No amounts may be withdrawn from the Settlement Fund unless expressly authorized by this Settlement Agreement or approved by the Court. Responsibility for effectuating payments described in this Paragraph shall rest solely with the Settlement Administrator, and neither Defendant nor Defendant's agents shall have any responsibility whatsoever with respect to effectuating such payments.

55. Taxes and Representations. Taxes and Tax-Related Expenses relating to the Settlement Fund, if any, shall be considered Notice and Administrative Expenses and shall be timely paid by the Settlement Administrator out of the Settlement Fund without prior order of the Court. Further, the Settlement Fund shall indemnify and hold harmless the Parties and their counsel for Taxes and Tax-Related Expenses (including, without limitation, taxes payable by reason of any such indemnification payments). The Parties and their respective counsel have made no representation or warranty, and have no responsibility, with respect to the tax treatment by any Settlement Class Representative or any Settlement Class Member of any payment or transfer made pursuant to this Settlement Agreement or derived from or made pursuant to the Settlement Fund. Each Class Representative and Participating Settlement Class Member shall be solely responsible for the federal, state, and local tax consequences to him, her, or it of the receipt of funds from the Settlement Fund pursuant to this Settlement Agreement.

IV. SETTLEMENT BENEFITS AND ADMINISTRATION

56. No later than 90 days following the Effective Date, the Settlement Administrator will make Settlement Payments for Approved Claims from the Settlement Fund to Settlement Class Members who submit valid and timely Claim Forms. Claims will be subject to review for completeness and plausibility by the Settlement Administrator, and Settlement Class Members will have the opportunity to seek review by the Parties' counsel, if they dispute the Settlement Administrator's initial determination.

- i. **\$50 Cash Compensation (Cash Payment):** All Settlement Class Members may submit a claim for up to \$50 in cash compensation. Settlement Class Members must submit their Unique Class Member ID number, if direct notice was given to them, or an attestation under penalty of perjury that their personal information was impacted in this Data Security Incident, along with their name and address, if they received notice by publication. No other documentation is required. The amount of the cash payments may decrease on a pro rata basis depending upon the number of valid and approved claims submitted.
- ii. **Compensation for Out-of-Pocket Losses:** The Settlement Administrator, from the Settlement Fund, will provide compensation, up to a total of \$5,000 per Settlement Class Member, upon submission of a Claim Form and

supporting documentation, for Out-of-Pocket Losses incurred as a result of the Data Security Incident, including, without limitation, unreimbursed losses relating to fraud or identity theft; professional fees including attorneys' fees, accountants' fees, and fees for credit repair services; costs associated with freezing or unfreezing credit with any credit reporting agency; credit monitoring costs that were incurred on or after the Data Security Incident through the date of claim submission; and/or miscellaneous expenses such as notary, fax, postage, copying, mileage, and long-distance telephone charges.

Settlement Class Members with Out-of-Pocket Losses must submit documentation supporting their claims. This can include receipts or other documentation of the costs incurred, but does not include documentation that is "self-prepared" by the claimant. "Self-prepared" documents such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but can be considered to add clarity or support other submitted documentation.

- iii. **Compensation for Lost Time:** The Settlement Administrator, from the Settlement Fund, will provide compensation for up to 5 hours of lost time at \$25.00/hour (\$125.00 cap) for time spent mitigating the effects of the Data Security Incident. Settlement Class Members may submit claims for up to 5 hours of lost time with only an attestation demonstrating that they spent the claimed time responding to issues raised by the Incident. This attestation may be completed by checking a box on the Claim Form next to the sentence: "I swear and affirm that I spent the amount of time noted in response to the Horizon Actuarial Data Security Incident." Claims for lost time can be combined with claims for Out-of-Pocket loss but are subject to the \$5,000 aggregate cap.
- iv. **California Claims:** Settlement Class Members may claim via the Claim Form an additional benefit of up to \$50.00 per Settlement Class Member as compensation for any statutory damages available for their statutory claim(s) under California law ("California Claims"). To be eligible to receive compensation for California Claims, Settlement Class Members must attest, under penalty of perjury, that they were residents of California at the time of the Data Security Incident. To redeem this \$50.00 benefit, Settlement Class Members need not submit any documentation. California Claims are not subject to the \$5,000 aggregate cap for Compensation for Out-of-Pocket Losses and Compensation for Lost Time. The amount of the California Claims may decrease on a pro rata basis depending upon the number of valid and approved claims submitted.
- v. **Designated Cy Pres:** A payment of \$50,000 to one or more court-approved charitable organizations as a *cy pres* distribution. The Parties will jointly recommend the entity or entities to the Court that will be the recipient(s) of the *cy pres* distribution.

57. Claim Validation, Cure, and Deficiency Process. After the Settlement Administrator reviews all Claim Forms submitted under this Settlement, it will send a summary to the Parties' Counsel identifying the number of valid claims and invalid claims. For the invalid claims, Settlement Class Members submitting such claims will be sent a deficiency notice and be given 21 days to cure any deficiencies in those Settlement Class Members' claims. The cost of the deficiency process is included the Notice and Administrative Expenses. After all claims have been fully processed, including reviewing all claims that have been cured through the deficiency process, the Settlement Administrator will send a list of all valid claims to the Parties' Counsel.

58. Settlement Administration Fees: The Settlement Fund amount provided by Defendant, or on behalf of Defendant, will pay the entirety of the Notice and Administrative Expenses, including the cost of Notice. The Parties agree to review competitive bids for the settlement administration fees and to rely upon postcard reminder notice, all in order to contain the administration costs while still providing effective notice to the Settlement Class. Notice and Administrative Expenses shall be paid through the Settlement Fund and will not be paid beyond the amount of the Settlement Fund.

59. Defendant will reasonably cooperate on establishing the appropriateness of the settlement terms as contemplated under Fed. R. Civ. P. 23, including, but not limited to, a full class list that identifies each class member's name and, if within Defendant's possession, mailing address.

60. The Settlement Fund represents the total extent of Defendant's monetary obligations under the Settlement Agreement and is made by Defendant (or on behalf of Defendant) in exchange for, and contingent on, a full, fair, and complete release of all Released Parties from Released Claims and dismissal of the Litigation with prejudice. Defendant's contribution to the Settlement Fund shall be fixed under this Settlement Agreement and shall be final, except that the costs of the CAFA Notice will be paid exclusively by Defendant outside of the Settlement Fund. Defendant shall have no obligation to make further payments into the Settlement Fund and shall have no financial responsibility or obligation relating to the Settlement beyond the Settlement Fund, except insofar as such obligations are explicitly provided for in this Settlement Agreement.

61. Once a Settlement Administrator is mutually agreed to by the Parties and after the Settlement is preliminarily approved by the Court, the Settlement Administrator will provide Notice in a manner mutually agreed upon by the Parties, and which may consist of some hybrid form of email and direct mail.

62. After the Court enters an order approving the final Settlement Agreement, and no later than 90 days after the Effective Date, the Settlement Administrator shall provide the appropriate Settlement Payment to all Settlement Class Members that made a valid timely claim, subject to the procedure set forth herein.

63. The Parties, Class Counsel, and Defendant's Counsel shall not have any liability whatsoever with respect to (1) any act, omission or determination of the Settlement Administrator, or any of its respective designees or agents, in connection with the administration of the Settlement or otherwise; (2) the management, investment or distribution of the Settlement Fund; (3) the formulation, design or terms of the disbursement of the Settlement Fund; (4) the determination,

administration, calculation or payment of any claims asserted against the Settlement Fund; (5) any losses suffered by or fluctuations in the value of the Settlement Fund; or (6) the payment or withholding of any Taxes and Tax-Related Expenses.

64. Within ten (10) business days following the filing of the motion for preliminary approval of class action settlement, the Settlement Administrator, on behalf of the Defendant, shall cause a CAFA Notice to be served upon the appropriate State and Federal officials. All expenses incurred in connection with the preparation and service of the CAFA Notice shall be borne by Defendant and under no circumstances will be borne by Plaintiffs, or Class Counsel, and will not be payable from the Settlement Fund.

V. SETTLEMENT CLASS NOTICE, OPT-OUTS, AND OBJECTIONS

65. Notice. Within twenty-one (21) days after the date of the Preliminary Approval Order, Defendant shall provide the Settlement Class List to the Settlement Administrator. Within thirty (30) days after the date of the Preliminary Approval Order, the Settlement Administrator shall disseminate Notice to the Settlement Class Members. Notice shall be disseminated via U.S. mail to Settlement Class Members' mailing addresses, to the extent known, and via Publication Notice; additionally, Notice shall be published on the Settlement Website. Class Counsel may direct the Settlement Administrator to send reminder notices to Settlement Class Members at any time prior to the Claims Deadline.

66. Final Approval Hearing. The Notice must set forth the time and place of the Final Approval Hearing (subject to change) and state that any Settlement Class Member who does not file a timely and adequate objection in accordance with Paragraph 68 waives the right to object or to be heard at the Final Approval Hearing and shall be forever barred from making any objection to the Settlement.

67. Opt-Outs. The Notice shall explain the procedure for Settlement Class Members to exclude themselves or "opt-out" of the Settlement by submitting a Request for Exclusion to the Settlement Administrator postmarked no later than the Opt-Out Deadline. The Request for Exclusion must include the name of the proceeding, the individual's full name, current address, personal signature, and the words "Request for Exclusion" or a comparable statement that the individual does not wish to participate in the Settlement. The Notice must state that any Settlement Class Member who does not file a timely Request for Exclusion in accordance with this Paragraph will lose the opportunity to exclude himself or herself from the Settlement and will be bound by the Settlement.

68. Objections. The Notice shall explain the procedure for Settlement Class Members to object to the Settlement or Fee and Expense Application by submitting written objections to the Court no later than the Objection Deadline. For an objection to be a valid objection under the Settlement, it must be in writing, postmarked by the Objection Deadline, filed with/or mailed to the Court and the Settlement Administrator and must include (1) the name of the proceedings; (2) the Settlement Class Member's full name, current mailing address, and telephone number; (3) a statement of the specific grounds for the objection, as well as any documents supporting the objection; (4) the identity of any attorneys representing the objector; (5) a statement regarding whether the Settlement Class Member (or his/her attorney) intends to appear at the Final Approval

Hearing; (6) a statement identifying all class action settlements objected to by the Settlement Class Member in the previous five (5) years; and (7) the signature of the Settlement Class Member or the Settlement Class Member's attorney.

69. Settlement Website Deactivation. The Settlement Website will remain active until 90 days after the Effective Date, at which time the Settlement Administrator shall deactivate the Settlement Website.

VI. PRELIMINARY APPROVAL, FINAL APPROVAL, AND JURISDICTION

70. Certification of the Settlement Class. For purposes of this Settlement only, Defendant agrees not to object to the certification of the Settlement Class, which is contingent upon both the Court entering the Final Approval Order of this Settlement and the occurrence of the Effective Date.

71. Preliminary Approval. Following execution of this Settlement Agreement, Class Counsel shall file a motion for preliminary approval of the Settlement, in a form agreeable to the Parties, within thirty (30) days thereof or a date thereafter that is agreeable to the Parties and the Court.

72. Final Approval. Class Counsel shall move the Court for a Final Approval Order of this Settlement, to be issued following the Final Approval Hearing, within a reasonable time after the Notice Deadline, Objection Deadline, and Opt-Out Deadline; and at least 90 days after Defendant notifies the appropriate government officials of this Settlement Agreement pursuant to the Class Action Fairness Act of 2005, 28 U.S.C. § 1715.

73. Jurisdiction. The Court shall retain jurisdiction over the implementation, enforcement, and performance of this Settlement Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding or dispute arising out of or relating to this Settlement Agreement that cannot be resolved by negotiation and agreement by Parties' Counsel. The Court shall retain jurisdiction with respect to the administration, consummation, and enforcement of the Settlement Agreement and shall retain jurisdiction for the purpose of enforcing all terms of the Settlement Agreement. The Court shall also retain jurisdiction over all questions and/or disputes related to Notice and the Settlement Administrator. As part of its agreement to render services in connection with this Settlement, the Settlement Administrator shall consent to the jurisdiction of the Court for this purpose.

VII. MODIFICATION AND TERMINATION

74. Modification. The terms and provisions of this Settlement Agreement may be amended, modified, or expanded by written agreement of the Parties and approval of the Court; provided, however, that after entry of the Preliminary Approval Order the Parties may, by written agreement, effect such amendments, modifications, or expansions of this Settlement Agreement and its implementing documents (including all exhibits hereto) without further notice to the Settlement Class or approval by the Court if such changes are consistent with the Court's

Preliminary Approval Order and do not materially alter, reduce, or limit the rights of Settlement Class Members under this Settlement Agreement.

75. Settlement Not Approved. If: (1) the Court does not issue the Preliminary Approval Order or Final Approval Order; (2) the Effective Date does not occur; or (3) the Final Approval Order is modified or reversed in any material respect by any appellate or other court, the Parties shall have sixty (60) days from the date of such non-occurrence during which the Parties shall work together in good faith in considering, drafting, and submitting reasonable modifications to this Settlement Agreement to address any issues identified by the Court or that otherwise caused the Preliminary Approval Order or Final Approval Order not to issue or the Effective Date not to occur. If such efforts are unsuccessful, either Party may at their sole discretion terminate this Settlement Agreement on seven (7) days written notice to the other Party. For avoidance of any doubt, neither Party may terminate the Settlement Agreement while an appeal from an order granting approval of the Settlement is pending.

76. Termination. Defendant may also unilaterally terminate this Settlement Agreement on seven (7) days written notice to Class Counsel if more than the agreed-upon number of individuals (more than 300 Settlement Class Members) submit valid Requests for Exclusion.

77. Effect of Termination. In the event of a termination as provided in Paragraphs 75 and 76, this Settlement Agreement and the Settlement shall be considered null and void; all of the Parties' obligations under the Settlement Agreement shall cease to be of any force and effect and the Parties shall return to the status quo ante in the Litigation as if the Parties had not entered into this Settlement Agreement. Further, in the event of such a termination, any certification of the Settlement Class shall be void. Defendant reserves the right to contest class certification for all purposes other than the court approval of this Settlement Agreement. This Settlement Agreement (and related documents) and any orders preliminarily or finally approving the certification of any class contemplated by the Settlement Agreement shall be null, void, and vacated, and shall not be used or cited thereafter by any person or entity in support of claims or defenses or in support or in opposition to a class certification motion. In addition: (1) the fact that Defendant did not oppose certification of a class under the Settlement shall not be used or cited thereafter by any person or entity, including in a contested proceeding relating to class certification and (2) in the event of such a termination, all of the Parties' respective pre-Settlement Agreement claims and defenses will be preserved.

I. GENERAL INSTRUCTIONS

If your private information may have been impacted in a data security incident involving Horizon Actuarial Services, LLC, or Horizon Actuarial, you are a Settlement Class Member. The event that may have impacted your data is referred to here as the “Data Security Incident.”

The Settlement establishes a \$7,750,000.00 fund to compensate Settlement Class Members for their lost time and out-of-pocket losses or expenses as well as for the costs of notice and administration, and attorneys’ fees and expenses as awarded by the Court. As a Settlement Class Member, you are eligible for cash payments as reimbursement for your time and money spent in response to the Data Security Incident (such as money spent on credit monitoring), as well as for any money you lost as a result of incidents of fraud or identity theft resulting from the Data Security Incident. You must fill out this claim form to receive these benefits. **You may submit a claim for one or more of these benefits, including that you may receive a lost time payment, Out-of-Pocket Loss payment, a cash payment and/or California resident cash payment.**

The claimable benefits are as follows:

a. Lost Time Claims

You may submit a claim for reimbursement for time spent resolving issues attributable to the Data Security Incident. You will be reimbursed at \$25/hour for up to 5 hours of time spent, **up to \$125 total**. By filling out this claim form, you must attest to the amount of time you spent attempting to mitigate the effects of the Data Security Incident on your life. This can include, for example, time spent on the phone with banks, time spent dealing with replacement card issues or reversing fraudulent charges, time spent monitoring accounts, or time spent freezing your credit. **You do not have to include documentation of your lost time. Instead, you can swear, under penalty of perjury, to the amount of time you spent.**

b. Out-of-Pocket Losses

You are eligible to receive reimbursement for money you paid to protect yourself from the Data Security Incident, such as money spent on a credit monitoring service. You are also eligible to receive reimbursement for money you lost as a result of fraud or identity theft, if that money has not been reimbursed from another source. This includes:

- Any costs incurred from credit monitoring services or ordering copies of your credit report;
- Late fees, declined payment fees, overdraft fees, returned check fees, customer service fees, and/or card

cancellation or replacement fees;

- Late fees from transactions with third parties that were delayed due to fraud or card replacement;
- Unauthorized charges on credit, debit, or other payment cards that were not reimbursed;
- Parking expenses or other transportation expenses for trips to a financial institution to address fraudulent charges or receive a replacement payment card;
- Costs incurred obtaining credit freezes; and
- Other expenses that are reasonably attributable to the Data Security Incident that were not reimbursed.

These Out-of-Pocket Losses must be documented; you must submit copies of documents supporting your claims, such as receipts or other documentation. “Self-prepared” documents, such as handwritten receipts, will not count as documentation, but you can submit them as clarification to other, official documents. You cannot recover more than \$5,000 in Out-of-Pocket Loss, less any lost time claims.

c. \$50 Cash Compensation (Cash Payment)

All Settlement Class Members may submit a claim for up to \$50 in cash compensation. Settlement Class Members must submit their Unique Class Member ID number, if direct notice was given to them, or an attestation under penalty of perjury that their personal information was impacted in this Data Security Incident, along with their name and address, if they received notice by publication. No other documentation is required. The amount of the cash payments may decrease on a pro rata basis depending upon the number of valid and approved claims submitted.

d. California Residents

Settlement Class Members who were California residents at the time of the Data Security Incident may be entitled to an additional payment of up to \$50. To prove California residency, you may swear, under penalty of perjury, to the span of time you lived in California. The amount of the California Claims may decrease on a pro rata basis depending upon the number of valid and approved claims submitted.

In the unlikely event that too many claims are submitted lost time and Out-of-Pocket Losses to be fully funded from the Settlement Fund, your payment on these claims may also be reduced pro rata.

BASIC INFORMATION

The Court authorized this notice because you have a right to know about the Settlement, and all of your options, before the Court decides whether to give “final approval” to the Settlement. This notice explains the nature of the lawsuit that is the subject of the Settlement, the general terms of the Settlement, and your legal rights and options.

United States District Court Judge Eleanor L. Ross of the Northern District of Georgia is overseeing this case captioned as *Sherwood, et al. v. Horizon Actuarial Services, LLC*, No. 1:22-cv-01495-ELR (N.D. Ga.). The people who brought the lawsuit are called the Plaintiffs, Justin Sherwood, Lindsey Quan, Tabatha Bedont f/k/a Tabatha Johnson, Greg Torrano, Jennifer Hill, Sia Moody, Anthony Ruiz, Alice Dodd, Frederick Lewis, Douglas Ackman, Ryan Evans, Amber Thomas, and Maria and, Chavez. The entity being sued, Horizon Actuarial Services, LLC, is called the Defendant.

The lawsuit claims that Defendant was responsible for the Data Security Incident and asserts claims such as: negligence, negligence *per se*, unjust enrichment, declaratory judgment and injunctive relief, invasion of privacy, violation of the Arkansas Deceptive Trade Practices Act, violation of the California Consumer Privacy Act, violation of California’s Customer Records Act, violation of the unlawful and unfair prong of California’s Unfair Competition Law, violation of Idaho’s Consumer Protection Act, violation of the Illinois Consumer Fraud Act, violation of Louisiana’s Database Security Breach Notification Law, violation of Louisiana’s Unfair Trade Practices and Consumer Protection Law, violation of Nevada’s Deceptive Trade Practices Act, violation of North Carolina’s Unfair Trade Practices Act, violations of Oregon’s Unfair Trade Practices Act, and violations of O.C.G.A. § 13-6-11.

Defendant denies these claims and says it did not do anything wrong. No court or other judicial entity has made any judgment or other determination that Defendant has any liability for these claims or did anything wrong.

In a class action, one or more people called class representatives or representative plaintiffs sue on behalf of all people who have similar claims. Together, all of these people are called a class, and the individuals are called class members. One court resolves the issues for all class members, except for those who exclude themselves from the class.

The Court has not decided in favor of the Plaintiffs or Defendant. Instead, both sides agreed to the Settlement. The Settlement avoids the cost and risk of a trial and related appeals, while providing benefits to members of the Settlement Class (“Settlement Class Members”). The Class Representatives appointed to represent the Settlement Class and the attorneys for the Settlement Class (“Class Counsel,” see Question 18) think the Settlement is best for all Settlement Class Members.

WHO IS IN THE SETTLEMENT?

You are affected by the Settlement and potentially a member of the Settlement Class if you reside in the United States and your Private Information may have been impacted during the Data Security Incident, including if you were mailed a notification by or on behalf of Horizon Actuarial regarding

the Data Security Incident.

Only Settlement Class Members are eligible to receive benefits under the Settlement. Specifically excluded from the Settlement Class are (1) the judge presiding over the class action lawsuit and her direct family members; (2) the Defendant, its subsidiaries, parent companies, successors, predecessors, and any entity in which the Defendant or its parents have a controlling interest and their current or former officers, directors, and employees; and (3) Settlement Class Members who submit a valid request to be excluded from the Settlement.

If you are not sure whether you are included in the Settlement, you may call 1-###-###-#### with questions. You may also write with questions to:

If you do not provide the additional information in a timely manner then the Claim will be considered invalid and will not be paid.

The Court will hold a Final Approval Hearing on _____, 2024 at _____ .m. ET to decide whether to approve the Settlement. If the Court approves the Settlement, there may be appeals from that decision and resolving those can take time, perhaps more than a year. It also takes time for all the Claim Forms to be processed. Please be patient.

WHAT DOES DEFENDANT GET?

The Defendant gets a release from all claims covered by this Settlement. Thus, if the Settlement becomes final and you do not exclude yourself from the Settlement, you will be a Settlement Class Member and you will give up your right to sue Defendant and other persons (“Released Parties”) as to all claims (“Released Claims”) arising out of or relating to the Data Security Incident. This release is described in the Settlement Agreement, which is available at

www.horizondatasettlement.com. If you have any questions you can talk to the law firms listed in Question 18 for free or you can talk to your own lawyer.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want to be part of this Settlement, then you must take steps to exclude yourself from the Settlement Class. This is sometimes referred to as “opting out” of the Settlement Class.

If you exclude yourself you will not be entitled to receive any benefits from the Settlement, but you will not be bound by any judgment in this case.

Unless you exclude yourself, you give up any right to sue Defendant (and any other Released Parties) for the claims that this Settlement resolves. You must exclude yourself from the Settlement Class to start your own lawsuit or to be part of any different lawsuit relating to the claims in this case. If you want to exclude yourself, then do not submit a Claim Form to ask for any benefit under the Settlement.

To exclude yourself, send a letter that says you want to be excluded or opt-out from the Settlement in *Sherwood, et al. v. Horizon Actuarial Services, LLC*, No. 1:22-cv-01495-ELR (N.D. Ga.). The letter must: (a) state your full name, address, and telephone number; (b) contain your personal and original signature or the original signature of a person authorized by law to act on your behalf; and (c) state unequivocally your intent to be excluded from the Settlement. You must mail your exclusion request postmarked by _____, 2023, to:

Horizon Actuarial Services Settlement Administrator
 Attn: Exclusion Request

OBJECTING TO THE SETTLEMENT

You can tell the Court that you do not agree with the Settlement or some part of it by objecting to the Settlement. The Court will consider your views in its decision on whether to approve the Settlement. The Court can only approve or deny the Settlement and cannot change its terms. To object, you must mail your objection to the Clerk of the Court and the Settlement Administrator, at the mailing addresses listed below, postmarked by **no later** than the Objection Deadline, _____, 2023:

Court	Settlement Administrator
Clerk of the Court Richard B. Russell Federal Building 2211 United States Courthouse 75 Ted Turner Drive, SW Atlanta, GA 30303-3309	Epiq

Your objection must be written and must include all of the following: (1) the name of the proceedings; (2) the Settlement Class Member's full name, current mailing address, and telephone number; (3) a statement of the specific grounds for the objection, as well as any documents supporting the objection; (4) the identity of any attorneys representing the objector; (5) a statement regarding whether the Settlement Class Member (or his/her attorney) intends to appear at the Final Approval Hearing; (6) a statement identifying all class action settlements objected to by the Settlement Class Member in the previous five years; and (7) the signature of the Settlement Class Member or the Settlement Class Member's attorney.

Objecting is telling the Court that you do not like the Settlement and why you do not think it should be approved. You can object only if you are a Settlement Class Member. Excluding yourself is telling the Court that you do not want to be part of the Settlement Class and do not want to receive any payment from the Settlement. If you exclude yourself, then you have no basis to object because you are no longer a member of the Settlement Class and the case no longer affects you. If you submit both a valid objection and a valid request to be excluded, you will be deemed to have only submitted the request to be excluded.

THE LAWYERS REPRESENTING YOU

The Court appointed Terence R. Coates of Markovits, Stock & DeMarco, LLC; Gary M. Klinger of Milberg Coleman Bryson Phillips Grossman, PLLC; and Kenya J. Reddy of Morgan & Morgan as Class Counsel to represent the Class. If you want to be represented by your own lawyer, then you may hire one at your own expense.

Class Counsel will ask the Court for an award for attorneys' fees up to \$2,583,075.00, plus litigation expenses not to exceed \$50,000. Defendant has agreed not to object to any award of attorneys' fees, costs, and expenses up to those amounts, to the extent they are approved by the Court. This payment for any attorneys' fees and expenses to Class Counsel will be made out of the Settlement Fund. Any such award would compensate Class Counsel for investigating the facts, litigating the case, and negotiating the Settlement and will be the only payment to them for their efforts in achieving this Settlement and for their risk in undertaking this representation on a wholly contingent basis.

Any award for attorneys' fees and expenses for Class Counsel must be approved by the Court. The Court may award less than the amount requested. Class Counsel's papers in support of final approval of the Settlement will be filed no later than _____, 2023 and their application for attorneys' fees, costs, and expenses will be filed no later than _____, 2023 and will be posted on the settlement website.

THE COURT'S FINAL APPROVAL HEARING

The Court will hold a Final Approval Hearing at _____ m. ET on _____, 2024, at 2167 Richard B. Russell Federal Building and United States Courthouse, 75 Ted Turner Drive, SW, Atlanta, GA 30303, **Courtroom 2107** or by remote or virtual means as ordered by the Court. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are timely and valid objections, then the Court will consider them and will listen to people who have asked to speak at the hearing if such a request has been properly made. The Court will also rule on the request for an

award of attorneys' fees and reasonable costs and expenses. After the hearing the Court will decide whether to approve the Settlement. We do not know how long these decisions will take. The hearing may be moved to a different date or time without additional notice, so Class Counsel recommend checking www.horizontatasettlement.com or calling 1-###-###-####.

Class Counsel will present the Settlement Agreement to the Court. You or your own lawyer are welcome to attend at your expense, but you are not required to do so. If you send an objection, you do not have to visit the Court to talk about it. As long as you filed your written objection on time with the Court and mailed it according to the instructions provided in Question 16, the Court will consider it.

You may ask the Court for permission to speak at the final fairness hearing. To do so, you must file an objection according to the instructions in Question 16, including all the information required. Your objection must be **mailed** to the Clerk of the Court and Settlement Administrator postmarked no later than _____, 2023.

IF YOU DO NOTHING

If you do nothing you will not get any money from this Settlement. If the Settlement is granted final approval and the judgment becomes final, then you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Defendant and the other Released Parties based on any of the Released Claims related to the Data Security Incident, ever again.

**CIVIL ACTION NO.

**[PROPOSED] ORDER
GRANTING PRELIMINARY
APPROVAL OF CLASS
ACTION SETTLEMENT**

Before this Court is Plaintiffs' Unopposed Motion for Preliminary Approval of Class Action Settlement ("Motion"). The Court has reviewed the Motion and Settlement Agreement between Plaintiffs and Defendant Horizon Actuarial Services, LLC ("Horizon Actuarial" or "Defendant"). After reviewing Plaintiffs' unopposed request for preliminary approval, this Court grants the Motion and preliminarily concludes that the proposed Settlement is fair, reasonable, and adequate.

IT IS HEREBY ORDERED THAT:

1. The Settlement Agreement,¹ including the proposed notice plan and forms of notice to the Settlement Class, the appointment of Plaintiffs Justin Sherwood, Lindsey Quan, Tabatha Bedont f/k/a Tabatha Johnson, Greg Torrano, Jennifer Hill, Sia Moody, Anthony Ruiz, Alice Dodd, Frederick Lewis, Douglas Ackman, Ryan Evans, Amber Thomas, and Maria Chavez, as the Class Representatives, the appointment of Class Counsel for Plaintiffs and the Settlement Class, the approval of Epiq as the Settlement Administrator, the various forms of class relief provided under the terms of the settlement, and the proposed method of distribution of settlement benefits are fair, reasonable, and adequate, subject to further consideration at the Final Approval Hearing described below.

2. The Court does hereby preliminarily and conditionally approve and certify, for settlement purposes, the following Settlement Class:

The individuals whose personal information may have been impacted during the Data Security Incident, including those individuals who received a letter from Horizon Actuarial notifying them of the Data Security Incident. Excluded from the Settlement Class are: (1) the judge presiding over this Action and members of her direct family; (2) the Defendant, its subsidiaries, parent companies, successors, predecessors, and any entity in which the Defendant or its parents have a controlling interest and their current or former officers, directors, and employees; and (3) Settlement Class Members who submit a valid Request for Exclusion prior to the Opt-Out Deadline.²

¹ All capitalized terms used in this Order shall have the same meanings as set forth in the Settlement Agreement.

² “Data Security Incident” shall mean the November 2021 Data Security Incident

3. For purposes of settlement, based on the information provided: the Settlement Class is ascertainable; it consists of roughly 3,892,966 Settlement Class Members, satisfying numerosity; there are common questions of law and fact including whether Defendant failed to implement and maintain reasonable security procedures and practices appropriate to the nature and scope of the information compromised in the Data Security Incident, satisfying commonality; the proposed Class Representatives' claims are typical in that they allege they have been damaged by the same conduct and in the same or similar ways as the other members of the Settlement Class; the proposed Class Representatives and Class Counsel fully, fairly, and adequately protect the interests of the Settlement Class; questions of law and fact common to members of the Settlement Class predominate over questions affecting only individual members for settlement purposes; and a class action for settlement purposes is superior to other available methods for the fair and efficient adjudication of this Action.

4. The Court appoints Plaintiffs Justin Sherwood, Lindsey Quan, Tabatha Bedont f/k/a Tabatha Johnson, Greg Torrano, Jennifer Hill, Sia Moody, Anthony Ruiz, Alice Dodd, Frederick Lewis, Douglas Ackman, Ryan Evans, Amber Thomas, and Maria Chavez as the Settlement Class Representatives.

against Horizon Actuarial giving rise to the Litigation.

5. The Court appoints Terence R. Coates of Markovits, Stock & DeMarco, LLC; Gary M. Klinger of Milberg Coleman Bryson Phillips Grossman, PLLC; and Kenya J. Ready of Morgan & Morgan as Class Counsel.

6. The Court appoints Epiq as the Settlement Administrator.

7. A Final Approval Hearing shall be held before the Court on ____ [date] _____, 2024 at ____ [time] _____ for the following purposes:

- a. To determine whether the proposed Settlement is fair, reasonable, and adequate to the Settlement Class and should be approved by the Court;
- b. To determine whether to grant Final Approval, as defined in the Settlement Agreement;
- c. To determine whether the notice plan as conducted was appropriate;
- d. To determine whether the claims process under the Settlement is fair, reasonable, and adequate and should be approved by the Court;
- e. To determine whether the requested Class Counsel's combined attorneys' fees, of up to 33.33% of the Settlement Fund (\$2,583,075.00), and litigation expenses up to \$50,000.00 should be approved by the Court;
- f. To determine whether the settlement benefits are fair, reasonable, and adequate; and,

g. To rule upon such other matters as the Court may deem appropriate.

8. The Court approves, as to the form and content, the Notice plan as set forth in the Settlement Agreement. Furthermore, the Court approves the implementation of the Settlement Website and the proposed methods of mailing or distributing Notices substantially in the form as presented in the exhibits to the Motion for Preliminary Approval of Class Action Settlement, and finds that such notice plan meets the requirements of Fed. R. Civ. P. 23 and due process, and is the best notice practicable under the circumstances, and shall constitute due and efficient notice to all persons or entities entitled to notice.
