THE IRISH ROVER STATION HOUSE, BRU HOUSE, INC. d/b/a THE IRISH ROVER STATION HOUSE, RAYMOND CROUSE d/b/a THE IRISH ROVER STATION HOUSE, and TRACEY CROUSE d/b/a THE IRISH ROVER STATION HOUSE Jury Trial Demanded

Defendant

CLASS ACTION COMPLAINT

Plaintiff Jessica Slivak ("Plaintiff" or "Slivak"), on behalf of herself and all others similarly situated, alleges as follows:

INTRODUCTION

- 1. Plaintiff is an "individual with a disability" as that term is understood pursuant to Title III of the Americans with Disabilities Act ("ADA"), 42 U.S.C. § 12101 et seq., and its implementing regulations.
- 2. Plaintiff, a forty-two-year-old female individual, was born with Osteogenesis Imperfecta (i.e., brittle bone disease), which requires her to use a wheelchair on a daily basis. Indeed, for mobility, Plaintiff has used a wheelchair for her entire adult life.
- 3. Plaintiff leads an active life. She maintains her career as a Speech-Language Pathologist, while actively serving on various committees in her church and being a wife and mother of three children.

- 12. Accordingly, and on behalf of a class of similarly situated individuals, Plaintiff seeks: (i) a declaration that Defendant's facilities violate federal law as described; and (ii) an injunction requiring Defendant to remove the identified access barriers, so that they are fully accessible to, and independently usable by, physically-impaired individuals such as Plaintiff and the class she seeks to represent.
- 13. Plaintiff also requests that once Defendant is fully in compliance with the requirements of the ADA, the Court retain jurisdiction for a period of time to be determined to ensure that Defendant has adopted and is following an institutional policy that will, in fact, cause Defendant to remain in compliance with the law.

JURISDICTION AND VENUE

- 14. This Court has federal question jurisdiction over the ADA claims asserted herein pursuant to 28 U.S.C. § 1331 and 42 U.S.C. § 12188.
- 15. Plaintiff's claims asserted herein arose in this judicial district and Defendant maintains its headquarters and/or does substantial business in this judicial district.
- 16. Venue in this judicial district is proper under 28 U.S.C. § 1391(b)(2), in that this is the judicial district in which a substantial part of the acts and omissions giving rise to the claims occurred.

PARTIES

- 17. Plaintiff is and, at all times relevant hereto, was a resident of the Commonwealth of Pennsylvania. Plaintiff is and, at all times relevant hereto, has been a legally handicapped individual, and is therefore a member of a protected class under the ADA, 42 U.S.C. § 12102(2) and the regulations implementing the ADA set forth at 28 C.F.R. § 36.101 et seq.
 - 18. Defendant THE IRISH ROVER STATION HOUSE ("Irish Rover") is a fictitious

- 26. The ADA broadly protects the rights of individuals with disabilities with respect to employment, access to State and local government services, places of public accommodation, transportation, and other important areas of American life.
- 27. Title III of the ADA prohibits discrimination in the activities of places of public accommodation and requires places of public accommodation to comply with ADA standards and to be readily accessible to, and independently usable by, individuals with disabilities. 42 U.S.C. § 12181-89.
- 28. On July 26, 1991, the Department of Justice ("DOJ") issued rules implementing Title III of the ADA, which are codified at 28 C.F.R. § 36.
- 29. Appendix A of the 1991 Title III regulations (republished as Appendix D to 28 C.F.R. § 36) contains the ADA standards for Accessible Design ("1991 Standards"), which were based upon the Americans with Disabilities Act Accessibility Guidelines ("1991 ADAAG"), published by the Access Board on the same date.²
- 30. The ADA requires removal of existing architectural barriers in facilities existing before January 26, 1992, where such removal is readily achievable. See 42 U.S.C. §§ 12181(9), 12182(b)(2)(A)(iv), and 28 C.F.R. § 36.304(a).
 - 31. Facilities newly built or altered after January 26, 1993 must be readily accessible.

¹ The DOJ is the administrative agency charged by Congress with implementing the requirements of the ADA.

² The Access Board was established by section 502 of the Rehabilitation Act of 1973. <u>See</u> 29 U.S.C. § 792. The passage of the ADA expanded the Access Board's responsibilities. The ADA requires the Access Board to "issue minimum guidelines . . . to ensure that buildings, facilities, rail passenger cars, and vehicles are accessible, in terms of architecture and design, transportation, and communication, to individuals with disabilities." 42 U.S.C. § 12204. The ADA requires the DOJ to issue regulations that include enforceable accessibility standards applicable to facilities subject to Title III that are consistent with the "minimum guidelines" issued by the Access Board, 42 U.S.C. §§ 12134(c), 12186(c).

- 43. Moreover, no parking spaces in the parking area of Defendants' Restaurant were designated "van accessible," in violation of Section 208.2.4 of the 2010 Standards that requires "at least one" van accessible designated parking space for every six accessible parking spaces a facility maintains.
- 44. As a result of Defendants' failure to provide "van accessible" spaces, with the requisite adjacent access aisles, as required by the ADA, Plaintiff cannot safely lower her van's ramp, which is her only means of entry and exit from her vehicle.
- 45. Additionally, there is only one marked access aisle serving the four purportedly accessible parking spaces.
- 46. Failure to provide adjacent access aisles to each accessible parking space violates Section 502.2 of the 2010 Standards.
- 47. Further, there is no wheelchair accessible ramp located at the main entrance to Defendants' Restaurant.

Symbol of Accessibility.

- 57. Defendants' Restaurant is within the geographic zone that Plaintiff typically travels as part of her routine activities.
- 58. Accordingly, Plaintiff will visit Defendants' Restaurant in the future as part of her regular activities.
- 59. Upon information and belief, Defendants have centralized policies regarding the management and operation of their Restaurant, and those policies are inadequate to ensure compliance with the ADA, as is demonstrated by the fact that Defendants' Restaurant remains non-compliant.
- 60. Plaintiff will continue to attempt to use Defendant's facilities. However, so long as Defendant continues to violate the ADA, Plaintiff will be unable to use them independently and will be, thereby, denied full access to Defendant's facilities.
- 61. Plaintiff requests periodic monitoring to confirm that the public accommodations are brought into compliance and remain in compliance.
- 62. Without injunctive relief, Plaintiff will continue to be unable to independently use Defendant's facilities.

CLASS ACTION ALLEGATIONS

- 63. Plaintiff brings this action pursuant to Rules 23(a) and 23(b)(2) of the Federal Rules of Civil Procedure on behalf of herself and all individuals with disabilities who have attempted to access, or will attempt to access Defendant's facilities (the "Class").
- 64. Upon information and belief, the Class is so numerous that joinder of all individual members in one action would be impracticable. The disposition of the individual claims of the respective Class members through this class action will benefit both the parties and

69. Class certification is appropriate pursuant to Fed. R. Civ. P. 23(b)(2) because Defendant has acted or refused to act on grounds generally applicable to the Class, making appropriate both declaratory and injunctive relief with respect to Plaintiff and the Class as a whole.

COUNT I VIOLATION OF THE ADA

- 70. The allegations contained in the previous paragraphs are incorporated by reference.
- 71. Defendant's facilities were required to be altered, designed, or constructed so that they are readily accessible and usable by disabled individuals, including individuals who use wheelchairs. See 42 U.S.C. § 12183(a)(1).
- 72. The architectural barriers described above demonstrate that Defendant's facilities were not altered, designed, or constructed in a manner that causes them to be readily accessible to and usable by individuals who use wheelchairs, including Plaintiff and the class she seeks to represent.
- 73. The architectural barriers described above demonstrate that Defendant has failed to remove barriers, as required by 42 U.S.C. § 12182(b)(2)(A)(iv).
- 74. Defendant's facilities are required to comply with the Department of Justice's 2010 Standards for Accessible Design, or in some cases the 1991 Standards 42 U.S.C. § 12183(a)(1); 28 C.F.R. § 36.406; 28 C.F.R. § 36, app. A.
- 75. Defendant is required to provide individuals who use wheelchairs full and equal enjoyment of its facilities. 42 U.S.C. § 12182(a).
- 76. Defendant has discriminated against Plaintiff and the Class in that it has failed to make its facilities fully accessible to, and independently usable by, individuals who use

- d. Payment of costs of suit;
- e. Payment of reasonable attorneys' fees; and
- f. The provision of whatever other relief the Court deems just, equitable and appropriate.
