No appeal shall affect the timing of this Paragraph's funding obligation.

(b) Settlement Class Members shall have until the Claims Deadline to submit an Approved Claim. Settlement Class Members will need to attest on the Claim Form that they had an active Facebook account when they accessed Defendant's Website during the Class Period in order to qualify as an Approved Claim. Each Settlement Class Member with an Approved Claim shall be entitled to a *pro rata* portion of the Net Settlement Fund by electronic payment method approved by the Settlement Administrator or by check, provided that they satisfy the criteria for the cash payment portion set out in the definition of Approved Claim.

(c) From the Net Settlement Fund, Settlement Class Members who submit claims will receive a *pro rata* share except that, Settlement Class Members who attested they resided in California while accessing the Website during the Class Period will receive two times what non-California residents would receive in light of their claims under California law (e.g., if non-California residents receive \$300 settlement payments, California residents would receive \$600).

(d) The Settlement Administrator shall pay from the Net Settlement Fund all Approved Claims by (i) electronic payment method approved by the Settlement Administrator or (ii) check with said checks being sent via first class U.S. mail to the Settlement Class Members who submitted such Approved Claims. Payments to all Settlement Class Members with Approved Claims shall be made within fifteen (15) days after the Effective Date.

(e) All cash payments issued to Settlement Class Members via check will state on the face of the check that it will expire and become null and void unless cashed within ninety (90) days after the date of issuance. To the extent within ninety (90) days after the date of issuance of payment any checks issued to a Settlement Class Member are not cashed or there remain residual funds from failed electronic payments, such uncashed check funds and residual funds from failed electronic payments shall be redistributed on a *pro rata* basis (after first deducting any necessary settlement administration expenses from such uncashed check funds) to all Settlement Class Members who cashed checks during the initial distribution and who received their electronic payments, but only to the extent each Settlement Class Member would receive at least \$10.00 in any such secondary distribution and if otherwise feasible. To the extent each Settlement Class Member would receive less than \$10.00 in any such secondary distribution or if a secondary distribution would be otherwise infeasible (as determined by the

Settlement Administrator or by mutual agreement of the Parties), any uncashed check funds shall, subject to Court approval, be paid to a *cypres* beneficiary mutually selected by the Parties and approved by the Court.

(f) Upon payment of the Settlement Fund into the Escrow Account, all risk of loss with respect to the Settlement shall pass to the Escrow Account. No money shall be distributed out of the Escrow Account until after the Effective Date has occurred. In the event that the Effective Date does not occur because the Court refuses to enter a Final Judgment or because the Final Judgment is reversed on appeal, all money in the Escrow Account will be returned to Defendant.

2.2 Prospective Relief. Defendant has deactivated the Facebook Pixel on its Website so that no user information, whether PII or not, is transmitted to Facebook. Additionally, Defendant will not knowingly share information which identifies a person as having requested or obtained specific video materials or services with third parties, except as permitted by the VPPA. Defendant will remain bound by the obligations in this Paragraph unless and until the VPPA is amended, repealed, or otherwise invalidated (including by judicial decision on the use of website pixel technology by the United States Supreme Court or any federal court of appeals). Additionally, solely with respect to customers who provide California addresses to Defendant, Defendant will remain bound by the obligations in this Paragraph unless and until Cal. Civ. Code § 1799.3 and/or CIPA are amended, repealed, or otherwise invalidated (including by judicial decision on the use of website pixel technology by the California Supreme Court or the U.S. Supreme Court). Nothing herein shall prohibit the use of the Facebook Pixel where the disclosure of information to Facebook does not identify specific video materials that a user has requested or obtained or said information is not deemed PII, nor does this Agreement

prohibit the sharing of information that would otherwise be permitted under the VPPA (or, solely with respect to customers who provide California addresses, under Cal. Civ. Code § 1799.3) or under the CIPA.

2.3 No Admission of Liability. Notwithstanding anything to the contrary to the foregoing in this section 2 or any other terms or provision hereinabove or hereinbelow, this Agreement is executed by Defendant for the sole purpose of compromising and settling the matters involved herein, and it is expressly understood and agreed, as a condition hereof, that this Agreement, and the Settlement Fund paid in accordance with the terms hereof, shall not constitute, be deemed to be, or be construed as an admission of liability by Defendant, or to indicate in any degree an admission of the truth or correctness of any of the claims asserted in the Operative Complaint.

3. RELEASE.

3.1 The obligations incurred pursuant to this Settlement Agreement shall be a full and final disposition of the Action and any and all Released Claims, as against all Released Parties.

3.2 Upon the Effective Date, the Releasing Parties, and each of them, shall be deemed to have, and by operation of the Final Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Claims against the Released Parties, and each of them. Further, upon the Effective Date, and to the fullest extent permitted by law, each Settlement Class Member, shall, either directly, indirectly, representatively, or in any capacity, be permanently barred and enjoined from filing, commencing, prosecuting, intervening in, or participating (as a class member or otherwise) in any lawsuit, action, or other proceeding in any jurisdiction (other than participation in the Settlement as provided herein) against any

Released Party based on the Released Claims.

4. NOTICE TO THE CLASS.

4.1 The Notice Plan shall consist of the following:

(a) *Settlement Class List.* No later than fourteen (14) days after Preliminary Approval, Defendant shall produce to the Settlement Administrator and Class Counsel on a confidential basis an electronic list from its records that includes the names, email addresses, mailing addresses and mobile telephone numbers, to the extent available, belonging to all Settlement Class Members. Class Counsel's assent to this Agreement shall constitute consent on behalf of the Settlement Class to disclose this information, consistent with the written consent provisions of the VPPA. This electronic document shall be called the "Class List," and shall be provided on a confidential basis directly to the Settlement Administrator and Class Counsel. Class Counsel and the Settlement Administrator shall take reasonable measures to protect the information from any third-party disclosure.

(b) *Direct Notice.* In the event that the Court preliminarily approves the Settlement, no later than the Notice Date, the Settlement Administrator shall send Notice via email substantially in the form attached as Exhibit B, along with an electronic link to the Claim Form, to all Settlement Class Members for whom a valid email address is available in the Class List.

(c) *Reminder Notice.* Both thirty (30) days prior to the Claims Deadline and seven (7) days prior to the Claims Deadline, the Settlement Administrator shall again send Notice via email substantially in the form attached as Exhibit B (with minor, non-material modifications to indicate that it is a reminder email rather than an initial notice), along with an electronic link to the Claim Form, to all Settlement Class Members for whom a valid email

address is available in the Class List.

(d) For those emails that bounce back, the Settlement Administrator shall promptly perform an in-depth search for a valid email address and resend the Notice to that updated email address. If the email bounces back again, or no other valid email address can be found, the Settlement Administrator shall mail a postcard notice, attached as Exhibit F to the Settlement Class Member's most recent mailing address to the extent a mailing address is available in Defendant's records or can be located by the Settlement Administrator. If the postcard notice is returned to the Settlement Administrator with a forwarding address, it will be automatically re-mailed to the updated address. If the postcard Notice is returned without a forwarding address, it will be sent through an advanced address search process in an effort to find a more current address for the record by the Settlement Administrator. If an updated address is obtained through the advanced search process, the Settlement Administrator will re-mail the notice to the updated address.

(e) *Settlement Website.* Within fourteen (14) days from entry of the Preliminary Approval Order, Notice shall be provided on a website which shall be administered and maintained by the Settlement Administrator and shall include the ability to file Claim Forms on-line as well as other important information in the case including the Operative Complaint, orders of the Court, and Class Counsels' contact information. The Notice provided on the Settlement Website shall be substantially in the form of Exhibit C hereto.

(f) Contact from Class Counsel. Class Counsel, in their capacity as counsel to Settlement Class Members, may from time-to-time contact Settlement Class Members to provide information about the Settlement Agreement and to answer any questions Settlement Class Members may have about the Settlement Agreement.

4.2 The Notice shall advise the Settlement Class of their rights, including the right to be excluded from, comment upon, and/or object to the Settlement Agreement or any of its terms. The Notice shall specify that any objection to the Settlement Agreement, and any papers submitted in support of said objection, shall be considered by the Court at the Final Approval Hearing only if, on or before the Objection/Exclusion Deadline approved by the Court and specified in the Notice, the person making the objection files notice of an intention to do so and at the same time files copies of such papers he or she proposes to be submitted at the Final Approval Hearing with the Clerk of the Court, or alternatively, if the objection is from a Class Member represented by counsel, files any objection through the Court's CM/ECF system, and sends copies of such papers by email, mail, hand, or overnight delivery service to Class Counsel and Defendant's Counsel.

4.3 Any Settlement Class Member who intends to object to this Agreement must present the objection in writing, which must be personally signed by the objector, and must include

(1) the objector's name and address; (2) an explanation of the basis upon which the objector claims to be a Settlement Class Member, including an attestation under penalty of perjury; (3) all grounds for the objection, including citations to legal authority and evidence supporting the objection; (4) the name and contact information of any and all attorneys representing, advising, or in any way assisting the objector in connection with the preparation or submission of the objection or who may profit from the pursuit of the objection (the "Objecting Attorneys"); and (5) a statement indicating whether the objector intends to appear at the Final Approval Hearing (either personally or through counsel who files an appearance with the Court). No other person may sign on behalf of the objector, including an objector's attorney.

The objection must be filed in the U.S. District Court for the Northern District of California, Case No. 3:25-cv-04046-SK, on or before the Objection/Exclusion Deadline.

4.4 If a Settlement Class Member or any of the Objecting Attorneys has objected to any class action settlement where the objector or the Objecting Attorneys asked for or received any payment in exchange for dismissal of the objection, or any related appeal, without any modification to the settlement, then the objection must include a statement identifying each such case by full case caption and amount of payment received. Any challenge to the Settlement Agreement, the Final Order, or the Final Judgment shall be pursuant to appeal under the applicable appellate rules and not through a collateral attack.

4.5 A Settlement Class Member may request to be excluded from the Settlement Class by sending a written request postmarked on or before the Objection/Exclusion Deadline approved by the Court and specified in the Notice. No form is provided for this purpose. To exercise the right to be excluded, a person in the Settlement Class must timely send a written request for exclusion to the Settlement Administrator as specified in the Notice, providing his/her name and address, his/her signature, the name and number of the case, and a statement that he or she wishes to be excluded from the Settlement Class for purposes of this Settlement. A request to be excluded that does not include all of this information, or that is sent to an address other than that designated in the Notice, or that is not postmarked or received within the time specified, shall be invalid, and the Person(s) serving such a request shall be a member(s) of the Settlement Class and shall be bound as a Settlement Class Member by this Agreement, if approved. Any member of the Settlement Class who validly elects to be excluded from this Agreement shall not: (i) be bound by any orders or the Final Judgment; (ii) be entitled to relief under this Settlement Agreement; (iii) gain any rights by virtue of this Agreement; or

(iv) be entitled to object to any aspect of this Agreement. The request for exclusion must be personally signed by the person requesting exclusion. No other person may sign on behalf of the person seeking exclusion, including the person's attorney. To be valid, a request for exclusion must be postmarked or received by the date specified in the Notice. No Settlement Class Member may submit both an objection to the Settlement and a request to be excluded from the Settlement. If any Settlement Class Member submits both an objection to the Settlement and a request to be excluded from the Settlement, the objection will be deemed null and void.

4.6 The Final Approval Hearing shall be no earlier than ninety (90) days after the Notice described in Paragraph 4.1 is provided.

4.7 Any Settlement Class Member who does not, using the procedures set forth in this Agreement and the Notice, either seek exclusion from the Settlement Class or timely file a valid Claim Form shall not be entitled to receive any payment or benefits pursuant to this Agreement, but will otherwise be bound by all of the terms of this Agreement, including the terms of the Final Judgment to be entered in the Action and the Releases provided for in the Agreement, and will be barred from bringing any action against any of the Released Parties arising from, related to or otherwise concerning in any way the Released Claims.

5. SETTLEMENT ADMINISTRATION.

5.1 The Settlement Administrator shall, under the supervision of the Court, administer the relief provided by this Settlement Agreement by processing Claim Forms in a rational, responsive, cost effective, and timely manner. The Settlement Administrator shall maintain reasonably detailed records of its activities under this Agreement. The Settlement Administrator shall maintain all such records as are required by applicable law in accordance

with its normal business practices and such records will be made available to Class Counsel and Defendant's Counsel upon request. The Settlement Administrator shall also provide reports and other information to the Court as the Court may require. The Settlement Administrator shall provide Class Counsel and Defendant's Counsel with information concerning Notice, administration, and implementation of the Settlement Agreement. Should the Court request, the Parties shall submit a timely report to the Court summarizing the work performed by the Settlement Administrator, including a report of all amounts from the Settlement Fund paid to Settlement Class Members on account of Approved Claims. Without limiting the foregoing, the Settlement Administrator shall:

(a) Forward to Defendant's Counsel, with copies to Class Counsel, all original documents and other materials received in connection with the administration of the Settlement, and all copies thereof, within thirty (30) days after the date on which all Claim Forms have been finally approved or disallowed in accordance with the terms of this Agreement;

(b) Receive requests to be excluded from the Settlement Class and other requests and promptly provide to Class Counsel and Defendant's Counsel copies thereof. If the Settlement Administrator receives any exclusion forms or other requests after the deadline for the submission of such forms and requests, the Settlement Administrator shall promptly provide copies thereof to Class Counsel and Defendant's Counsel; including without limitation, reports regarding the number of Claim Forms received, the number approved by the Settlement Administrator, and the categorization and description of Claim Forms rejected, in whole or in part, by the Settlement Administrator; and

(c) Provide weekly reports to Class Counsel and Defendant's Counsel,

including without limitation, reports regarding the number of Claim Forms received, the number approved by the Settlement Administrator, and the categorization and description of Claim Forms rejected, in whole or in part, by the Settlement Administrator; and

(d) Make available for inspection by Class Counsel or Defendant's Counsel the Claim Forms received by the Settlement Administrator at any time upon reasonable notice.

5.2 The Settlement Administrator shall be obliged to employ reasonable procedures to screen claims for abuse or fraud and deny Claim Forms where there is evidence of abuse or fraud. The Settlement Administrator will reject any claim that does not comply in any material respect with the instructions on the Claim Form or the terms of Paragraphs 1.2 and/or 1.3, above, or is submitted after the Claims Deadline. Subject to practical limitations to be determined by the Settlement Administrator in its sole discretion, each claimant who submits an invalid Claim Form to the Settlement Administrator shall be given a notice of the Claim Form's deficiency and an opportunity to cure the deficiency within twenty-one (21) days of the date of the notice. The Settlement Administrator may contact any person who has submitted a Claim Form to obtain additional information necessary to verify the Claim Form.

5.3 Defendant's Counsel and Class Counsel shall have the right to challenge the acceptance or rejection of a Claim Form submitted by Settlement Class Members and to obtain and review supporting documentation relating to such Claim Form. The Settlement Administrator shall follow any agreed decisions of Class Counsel and Defendant's Counsel as to the validity of any disputed submitted Claim Form. To the extent Class Counsel and Defendant's Counsel are not able to agree on the disposition of a challenge, the disputed claim shall be submitted to the Court for a binding determination.

5.4 In exercise of its duties outlined in this Agreement, the Settlement Administrator

shall have the right to reasonably request additional information from the Parties or any Settlement Class Member.

6. PRELIMINARY APPROVAL ORDER AND FINAL JUDGMENT.

6.1 Promptly after the execution of this Settlement Agreement, Class Counsel shall submit this Agreement together with its Exhibits to the Court and shall move the Court for Preliminary Approval of the settlement set forth in this Agreement; certification of the Settlement Class for settlement purposes only; appointment of Class Counsel and the Class Representative; and entry of a Preliminary Approval Order, which order shall set a Final Approval Hearing date and approve the Notice and Claim Form for dissemination substantially in the form of Exhibits A, B, and C hereto. Defendant shall have no obligation to make separate filings in support of the Motion for Preliminary Approval. The Preliminary Approval Order, which shall be substantially similar to Exhibit D, shall also authorize the Parties, without further approval from the Court, to agree to and adopt such amendments, modifications and expansions of the Settlement Agreement and its implementing documents (including all exhibits to this Agreement) so long as they are consistent in all material respects with the terms of the Settlement Agreement and do not limit or impair the rights of the Settlement Class.

6.2 At the time of the submission of this Agreement to the Court as described above, Class Counsel shall request that, after Notice is given, the Court hold a Final Approval Hearing and approve the settlement of the Action as set forth herein.

6.3 No later than fourteen (14) before the Final Approval Hearing, Plaintiff shall move the Court for an entry of Final Judgment in a form substantially similar to Exhibit E, which will (among other things):

(a) find that the Court has personal jurisdiction over all Settlement Class

Members and that the Court has subject matter jurisdiction to approve the Agreement, including all exhibits thereto;

(b) approve the Settlement Agreement and the proposed settlement as fair, reasonable, and adequate as to, and in the best interests of, the Settlement Class Members; direct the Parties and their counsel to implement and consummate the Agreement according to its terms and provisions; and declare the Agreement to be binding on, and have *res judicata* and preclusive effect in all pending and future lawsuits or other proceedings maintained by or on behalf of Plaintiffs and Releasing Parties;

(c) find that the Notice implemented pursuant to the Agreement (1) constitutes the best practicable notice under the circumstances; (2) constitutes notice that is reasonably calculated, under the circumstances, to apprise the Settlement Class of the pendency of the Action, their right to object to or exclude themselves from the proposed Agreement, and to appear at the Final Approval Hearing; (3) is reasonable and constitutes due, adequate, and sufficient notice to all persons entitled to receive notice; and (4) meets all applicable requirements of the Federal Rules of Civil Procedure, the Due Process Clause of the United States Constitution, and the rules of the Court;

(d) find that the Class Representative and Class Counsel adequately represent the Settlement Class for purposes of entering into and implementing the Agreement;

(e) dismiss the Action on the merits and with prejudice, without fees or costs to any party except as provided in the Settlement Agreement;

(f) incorporate the Release set forth above, make the Release effective as of the date of the Effective Date, and forever discharge the Released Parties as set forth herein;

(g) permanently bar and enjoin all Settlement Class Members who have not

been properly excluded from the respective Settlement Class from filing, commencing, prosecuting, intervening in, or participating (as class members or otherwise) in, any lawsuit or other action in any jurisdiction based on the Released Claims;

(h) without affecting the finality of the Final Judgment for purposes of appeal, retain jurisdiction as to all matters relating to administration, consummation, enforcement, and interpretation of the Settlement Agreement and the Final Judgment, and for any other necessary purpose; and

(i) incorporate any other provisions, as the Court deems necessary and just.

7. CLASS COUNSEL'S ATTORNEYS' FEES AND REIMBURSEMENT OF EXPENSES; INCENTIVE AWARD.

7.1 Defendant agrees that Class Counsel shall be entitled to an award of reasonable attorneys' fees of up to 25% of the Settlement Fund, and costs of up to \$10,000, subject to Court approval. Class Payment of the Fee and Cost Award shall be made from the Settlement Fund and should the Court award less than the amount sought by Class Counsel, the difference in the amount sought and the amount ultimately awarded pursuant to this Paragraph shall remain in the Settlement Fund for distribution to eligible Settlement Class Members. Plaintiff shall file his Motion for Attorneys' Fees and Costs at the time the Motion for Final Approval is Filed.

7.2 The Fee Award shall be payable from the Settlement Fund within five (5) days after the Effective Date, provided all tax I.D. numbers for Class Counsel have been provided to the Settlement Administrator.

7.3 Class Counsel intends to file a motion for Court approval of an Incentive Award for the Class Representative at the time the Motion for Final Approval is filed, to be paid from the Settlement Fund, in addition to any funds the Class Representative stands to otherwise

receive from the Settlement. With no consideration having been given or received for this limitation, the Class Representative will seek no more than ten thousand dollars (\$10,000.00) as an Incentive Award. Should the Court award less than this amount, the difference in the amount sought and the amount ultimately awarded pursuant to this Paragraph shall remain in the Settlement Fund for distribution to eligible Settlement Class Members. Such award shall be paid from the Settlement Fund (in the form of a check to the Class Representative that is sent care of Class Counsel), within five (5) days after the Effective Date.

8. CONDITIONS OF SETTLEMENT, EFFECT OF DISAPPROVAL, CANCELLATION OR TERMINATION.

8.1 The Effective Date of this Settlement Agreement shall not occur unless and until each of the following events occurs and shall be the date upon which the last (in time) of the following events occurs:

- (a) The Parties and their counsel have executed this Agreement;
- (b) The Court has entered the Preliminary Approval Order;
- (c) The Court has entered an order finally approving the Agreement, following Notice to the Settlement Class and a Final Approval Hearing, as provided in the Federal Rules of Civil Procedure, and has entered the Final Judgment, or a judgment consistent with this Agreement in all material respects; and the Final Judgment has become Final, as defined above, or, in the event that the Court enters an order and final judgment in a form other than that provided above (“Alternative Judgment”) and that has the consent of the Parties, such Alternative Judgment becomes Final.

8.2 If some or all of the conditions specified in Paragraph 8.1 are not met, or in the event that this Agreement is not approved by the Court, or the settlement set forth in this

Agreement is terminated or fails to become effective in accordance with its terms, then this Settlement Agreement shall be canceled and terminated unless Class Counsel and Defendant's Counsel mutually agree in writing to proceed with this Agreement. If any Party is in material breach of the terms hereof, and fails to cure such material breach within 30 days of written notice, any other Party, provided that it is in substantial compliance with the terms of this Agreement, may terminate this Agreement on notice in writing to all of the settling parties.

8.3 If this Agreement is terminated or fails to become effective for the reasons set forth in Paragraphs 8.1-8.2 above, the Parties shall be restored to their respective positions in the Action as if this Agreement had never been entered into. In such event, any Final Judgment or other order entered by the Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*, and the Parties shall be returned to the *status quo ante* with respect to the Action as if this Agreement had never been entered into. Notwithstanding anything to the contrary in any other provision of this Agreement, this Paragraph will survive the termination of the Agreement and will remain in effect regardless of whether this Agreement becomes Final.

8.4 If any Party institutes any legal action or other proceeding against another Party or Parties to enforce this Agreement or to declare rights and/or obligations under this Agreement, the prevailing party will be entitled to recover from the unsuccessful Party reasonable attorneys' fees and costs incurred in connection with any such action.

9. MISCELLANEOUS PROVISIONS.

9.1 The Parties (a) acknowledge that it is their intent to consummate this Settlement Agreement; and (b) agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this

Agreement, to exercise their reasonable good-faith efforts to accomplish the foregoing terms and conditions of this Agreement, to secure Final Judgment, and to defend the Final Judgment through any and all appeals. Class Counsel and Defendant's Counsel agree to cooperate with one another in seeking Court approval of the Settlement Agreement, entry of the Preliminary Approval Order, and the Final Judgment, and promptly to agree upon and execute all such other documentation as may be reasonably required to obtain final approval of the agreement via Final Judgment.

9.2 The Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Released Claims by Plaintiff, the Settlement Class and each or any of them, on the one hand, against the Released Parties, and each or any of the Released Parties, on the other hand. Accordingly, the Parties agree not to assert in any forum that the Action was brought by Plaintiff or defended by Defendant, or each or any of them, in bad faith or on a frivolous basis.

9.3 The Parties have relied upon the advice and representation of counsel, selected by them, concerning their respective legal liability for the claims hereby released. The Parties have read and understand fully the above and foregoing agreement and have been fully advised as to the legal effect thereof by counsel of their own selection and intend to be legally bound by the same.

9.4 Whether or not the Effective Date occurs or the Settlement Agreement is terminated, neither this Agreement nor the settlement contained herein, nor any statement made, act performed, or document executed pursuant to or in furtherance of this Agreement or the settlement:

(a) is, may be deemed, or shall be used, offered or received against the

Released Parties, or each or any of them, as an admission, concession or evidence of, the validity of any Released Claims, the truth of any fact alleged by the Plaintiff, the deficiency of any defense that has been or could have been asserted in the Action, the violation of any law or statute, the reasonableness of the settlement amount or the Fee Award, or of any alleged wrongdoing, liability, negligence, or fault of the Released Parties, or any of them;

(b) is, may be deemed, or shall be used, offered or received against Defendant, as an admission, concession or evidence of any fault, misrepresentation or omission with respect to any statement or written document approved or made by the Released Parties, or any of them;

(c) is, may be deemed, or shall be used, offered or received against the Released Parties, or each or any of them, as an admission or concession with respect to any liability, negligence, fault or wrongdoing as against any Released Parties, in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. However, the Settlement, this Agreement, and any acts performed and/or documents executed in furtherance of or pursuant to this Agreement and/or Settlement may be used in any proceedings as may be necessary to effectuate the provisions of this Agreement. Further, if this Settlement Agreement is approved by the Court, any Party or any of the Released Parties may file this Agreement and/or the Final Judgment in any action that may be brought against such Party or Parties in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim;

(d) is, may be deemed, or shall be construed against Plaintiff, the Settlement Class, the Releasing Parties, or each or any of them, or against the Released Parties, or each or

any of them, as an admission or concession that the consideration to be given hereunder represents an amount equal to, less than or greater than that amount that could have or would have been recovered after trial; and

(e) is, may be deemed, or shall be construed as or received in evidence as an admission or concession against Plaintiff, the Settlement Class, the Releasing Parties, or each and any of them, or against the Released Parties, or each or any of them, that any of Plaintiff's claims are with or without merit or that damages recoverable in the Action would have exceeded or would have been less than any particular amount.

9.5 The headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

9.6 The waiver by one Party of any breach of this Agreement by any other Party shall not be deemed as a waiver of any other prior or subsequent breaches of this Agreement.

9.7 All of the Exhibits to this Agreement are material and integral parts thereof and are fully incorporated herein by this reference.

9.8 This Agreement and its Exhibits set forth the entire agreement and understanding of the Parties with respect to the matters set forth herein, and supersede all prior negotiations, agreements, arrangements and undertakings with respect to the matters set forth herein. No representations, warranties or inducements have been made to any Party concerning this Settlement Agreement or its Exhibits other than the representations, warranties and covenants contained and memorialized in such documents. This Agreement may be amended or modified only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.

9.9 Except as otherwise provided herein, each Party shall bear its own costs.

9.10 Plaintiff represents and warrants that he has not assigned any claim or right or interest therein as against the Released Parties to any other Person or Party and that he is fully entitled to release the same.

9.11 Each counsel or other person executing this Settlement Agreement, any of its Exhibits, or any related settlement documents on behalf of any Party hereto, hereby warrants and represents that such person has the full authority to do so and has the authority to take appropriate action required or permitted to be taken pursuant to the Agreement to effectuate its terms. Class Counsel warrants that they are authorized to execute this Settlement Agreement on behalf of Plaintiff and the Settlement Class (subject to final approval by the Court after notice to all Settlement Class Members), and that all actions necessary for the execution of this Settlement Agreement have been taken.

9.12 This Agreement may be executed in one or more counterparts. Signature by digital means, facsimile, or in PDF format will constitute sufficient execution of this Agreement. All executed counterparts and each of them shall be deemed to be one and the same instrument. A complete set of original executed counterparts shall be filed with the Court if the Court so requests.

9.13 This Settlement Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties hereto and the Released Parties.

9.14 This Settlement Agreement shall be governed by and construed in accordance with the laws of the State of California.

9.15 Defendant has consented to personal and subject matter jurisdiction in this Court for, among other purposes, implementing and enforcing this Settlement Agreement.

9.16 The Agreement is deemed to have been prepared by counsel for all Parties, as a

result of arm's-length negotiations among the Parties. Because all Parties have contributed substantially and materially to the preparation of this Agreement, it shall not be construed more strictly against one Party than another.

9.17 Where this Agreement requires notice to the Parties, such notice shall be in writing sent to the undersigned counsel, Edward J. Wynne, Wynne Law Firm and James F. Clapp, Clapp Legal APC for Plaintiff and the Settlement Class and Peter Chu, Wilson Elser Moskowitz Edelman & Dicker LLP for Defendant, and shall be delivered personally, by courier; by FedEx; by UPS; by US mail that provides tracking information and delivery verification such as, without limitation, Express Mail, Priority Mail, or US mail with a return receipt; or via email. Notices may also be delivered via any other method and shall be deemed duly given or made upon actual receipt by the intended recipient.

NOTICE OF PROPOSED CLASS ACTION SETTLEMENT

Nick Balestrieri v. SportsEdTV, Inc.

U.S. District Court for the Northern District of California, Case No. 3:25-cv-04046-SK

Our Records Indicate You Were a Subscriber to SportsEdTV at some point between May 9, 2023 and May 16, 2025.

A court authorized this notice. You are not being sued. This is not a solicitation from a lawyer.

This notice is to inform you that a settlement has been reached in a class action lawsuit claiming that SportsEdTV, Inc. (“Defendant”) disclosed customers’ personally identifiable information (“PII”) to third parties, allegedly without consent in violation of the Video Privacy Protection Act (the “VPPA”) and California law. The VPPA defines PII to include information which identifies a person as having requested or obtained specific video materials or services from a video tape service provider. Defendant denies that it violated any law. The Court has not determined who is right. Rather, the parties have agreed to the settlement to avoid the uncertainties and expenses associated with continuing the case.

Am I a Class Member? Our records indicate you may be a Class Member. Class Members are all persons who reside in the United States, subscribed to SportsEdTV and watched at least one video at some point between May 9, 2023 and May 16, 2025, and about whom information which identified such persons as having requested or watched specific video materials or services from Defendant may have been disclosed to a third party.

What Can I Get? If the settlement is approved by the Court, Defendant will establish a Settlement Fund of \$500,000.00 to pay all valid claims submitted by the Settlement Class, together with notice and administration expenses, attorneys’ fees and costs, and an incentive award. If you are entitled to relief, you may submit a claim to receive a *pro rata* share of the Settlement Fund. However, California residents will be entitled to two-times the pro rata share because of the additional claim under California law that is alleged. The Settlement also requires Defendant to deactivate the Facebook Pixel on Defendant’s Website so that specific information is not shared with Facebook and to otherwise cease sharing customer transaction data with third parties, if any, except as permitted by the VPPA and California law.

How Do I Get a Payment? You must submit a timely and complete Claim Form **no later than [claims deadline]**. You can file a claim by clicking **[here.]** Your payment will come by check unless you elect to receive payment electronically by Venmo, Zelle, or PayPal.

What are My Other Options? You may exclude yourself from the Class by sending a letter to the settlement administrator at the following address: **[ADD ADDRESS]**. Exclusion requests must be received or postmarked no later than **[objection/exclusion deadline]** and must include your name and address, your signature, the name and number of this case, and a statement that you wish to be excluded from the Settlement Class for purposes of this Settlement. A request to be excluded that does not include all of this information, or that is sent to an address other than the address designated in this Notice, or that is not received or postmarked within the time specified, shall be invalid, and the person(s) serving such a request shall be a member(s) of the Settlement Class and shall be bound as a Settlement Class Member by the Settlement Agreement, if approved. Any member of the Settlement Class who validly elects to be excluded from this Agreement shall not:

(i) be bound by any orders or the Final Judgment; (ii) be entitled to relief under the Settlement Agreement; (iii) gain any rights by virtue of the Settlement Agreement; or (iv) be entitled to object to any aspect of the Settlement Agreement. The request for exclusion must be personally signed by the person requesting exclusion. No other person may sign on behalf of the person seeking exclusion, including the person's attorney. To be valid, a request for exclusion must be postmarked or received by the date specified in the Notice. If you exclude yourself, you cannot get a settlement payment, but you keep any rights you may have to sue the Defendant over the legal issues in the lawsuit.

Alternatively, you may object to this Settlement. If you intend to object to this Settlement, you must present the objection in writing, which must be personally signed by you, and must include (1) the objector's name and address; (2) an explanation of the basis upon which the objector claims to be a Settlement Class Member, including an attestation under penalty of perjury; (3) all grounds for the objection, including citations to legal authority and evidence supporting the objection; (4) the name and contact information of any and all attorneys representing, advising, or in any way assisting the objector in connection with the preparation or submission of the objection or who may profit from the pursuit of the objection (the "Objecting Attorneys"); and (5) a statement indicating whether the objector intends to appear at the Final Approval Hearing (either personally or through counsel who files an appearance with the Court). No other person may sign on behalf of the objector, including an objector's attorney. The objection must be filed in the U.S. District Court for the Northern District of California, Case No. 3:25-cv-04046-SK, no later than **[objection/exclusion deadline]**.

You may not submit both an objection to the Settlement and a request to be excluded from the Settlement. If you submit both an objection to the Settlement and a request to be excluded from the Settlement, your objection will be deemed null and void.

Specific instructions about how to object to, or exclude yourself from, the Settlement are also available at **[WEB ADDRESS]**. If you file a claim or do nothing, and the Court approves the Settlement, you will be bound by all of the Court's orders and judgments. In addition, as more fully described in the Settlement Agreement, your claims against Defendant and the Released Parties relating to the alleged collection and/or disclosure of your information by or to third parties will be released.

Who Represents Me? The Court has appointed lawyers Edward J. Wynne, Wynne Law Firm and James F. Clapp, Clapp Legal APC to represent the class. These attorneys are called Class Counsel. You will not be charged for these lawyers, they will be paid from the settlement fund. If you want to be represented by your own lawyer in this case, you may hire one at your expense.

When Will the Court Consider the Proposed Settlement? The Court will hold the Final Approval Hearing at **[a/p]**.m. on **[Month 00]**, 2026. Any changes to this date or time will be noted on the court docket for this case and on this website. At that hearing, the Court will: hear any objections concerning the fairness of the settlement; determine the fairness of the settlement; decide whether to approve Class Counsel's request for attorneys' fees and costs, and decide whether to award the Class Representative \$10,000 from the Settlement Fund for his service in helping to bring and settle this case. Class Counsel will be seeking up to 25% of the Settlement Fund or \$125,000 and costs not to exceed \$10,000.

How Do I Get More Information? For more information, including the full Notice, Claim Form and Settlement Agreement, go to **[WEB ADDRESS]**; contact the settlement administrator at 1-**[]**-**[]**-**[]** or Settlement Administrator, **[address]**; or email Class Counsel at **[EMAIL]**.

EXHIBIT C**UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF CALIFORNIA***Balestrieri v. SportsEdTV, Inc., Case No. 3:25-cv-04046-SK*

(“Defendant”) disclosed customers’ personally identifiable information (“PII”) to third parties, allegedly without consent in violation of the Video Privacy Protection Act (the “VPPA”) and California law. YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT	
SUBMIT A CLAIM FORM BY [DATE]	This is the only way to receive a payment
EXCLUDE YOURSELF BY [DATE]	You will receive no benefits, but you will retain any rights you currently have to sue the Defendants about the claims in this case.
OBJECT BY [DATE]	Write to the Court explaining why you do not like the Settlement.
DO NOTHING	You won’t get Your share of the Settlement Fund and You will give up your rights to sue the Defendants and Released Parties about the claims in this case.

Your rights and options, and the deadlines to exercise them, are explained in this Notice.

BASIC INFORMATION**1. Why was this Notice issued?**

A Court authorized this notice because you have a right to know about a proposed Settlement of this class action lawsuit and about all of your options, before the Court decides whether to give final approval to the Settlement. This Notice explains the lawsuit, the Settlement, and your legal rights.

The Honorable Sallie Kim of the U.S. District Court for the Northern District of California, is overseeing this case. The case is called *Balestrieri v. SportsEdTV, Inc.* The person who has sued is called the Plaintiff. The Defendant is SportsEdTV, Inc.

2. **What is a class action?**

In a class action, one or more people called the class representative (in this case, Nick Balestrieri) sue on behalf of a group or a “class” of people who have similar claims. In a class action, the court resolves the issues for all class members, except for those who exclude themselves from the Class.

3. **What is this lawsuit about?**

This lawsuit claims that Defendant violated the Video Privacy Protection Act, 18 U.S.C. § 2710, *et seq.* (“VPPA”) and the California Invasion of Privacy Act (“CIPA”), Cal. Penal Code § 631 by disclosing personally identifiable information (“PII”) to third parties allegedly without consent. The VPPA defines PII to include information which identifies a person as having requested or watched specific video materials or services from a video tape service provider. The Defendant denies that it violated any law. The Court has not determined who is right. Rather, the Parties have agreed to settle the lawsuit to avoid the uncertainties and expenses associated with ongoing litigation.

4. **Why is there a Settlement?**

The Court has not decided whether the Plaintiff or the Defendant should win this case. Instead, both sides agreed to a Settlement. That way, they avoid the uncertainties and expenses associated with ongoing litigation, and Class Members will get compensation sooner rather than, if at all, after the completion of a trial.

WHO’S INCLUDED IN THE SETTLEMENT?

5. **How do I know if I am in the Settlement Class?**

The **Settlement Class** is defined as:

Class Members are all persons who reside in the United States, subscribed to SportsEdTV and watched at least one video at some point between May 9, 2023 and April 29, 2025, and about whom information which identified such persons as having requested or watched specific video materials or services from Defendant may have been disclosed to a third party.

THE SETTLEMENT BENEFITS

6. **What does the Settlement provide?**

Monetary Relief: Defendant has agreed to create a Settlement Fund totaling \$500,000.00. Class Member payments, and the cost to administer the Settlement, the cost to inform people about the Settlement, attorney’s fees and costs and the Class Representative’s Incentive Award will also come out of this fund (*see* Question 13).

Prospective Changes: Defendant has deactivated the Facebook Pixel on Defendant’s Website so that specific information is not shared with Facebook and to otherwise cease sharing customer transaction data with third parties, if any, except as permitted by the VPPA and California law.

A detailed description of the settlement benefits can be found in the Settlement Agreement.
[insert hyperlink]

7. **How much will my payment be?**

If you are a member of the Settlement Class you may submit a Claim Form to receive a portion of the Settlement Fund. The amount of this payment will depend on how many of the Class Members file valid claims. Each Class Member who files a valid claim will receive a proportionate share of the Settlement Fund. Please note that California residents will receive twice the pro rata share due to the additional claim alleged under California law. Based on historical claim rates, Class Counsel estimates the cash payment to be in the range of \$___ to \$___, which all depends on how many individuals submit a claim. The actual amount may be higher or lower than those estimates.

8. **When will I get my Cash Payment?**

The hearing to consider the fairness of the settlement is scheduled for [Final Approval Hearing Date]. Any changes to this date or time will be noted on the Court docket for this case and on this website. If the Court approves the settlement, eligible Class Members whose claims were approved by the Settlement Administrator will receive their cash payment approximately 15 days after the Settlement has been finally approved and the Settlement is final. The payment will be made in the form of a check, unless you elect to receive payment by Venmo, Zelle, or PayPal, and all checks will expire and become void 90 days after they are issued.

HOW TO GET BENEFITS

9. **How do I get a payment?**

If you are a Class Member and you want to get a payment, you **must** complete and submit a Claim Form by [Claims Deadline]. Claim Forms can be found and submitted by clicking [here](#) [hyperlink], or by printing and mailing a paper Claim Form, copies of which are available for download [here](#) [hyperlink].

We also encourage you to submit your claim on-line.

REMAINING IN THE SETTLEMENT

10. **What am I giving up if I stay in the Class?**

If the Settlement becomes final, you will give up your right to sue Defendant and the Released Parties for the claims this Settlement resolves. The Settlement Agreement describes the specific claims you are giving up against the Defendant and Released Parties. You will be “releasing” the Defendant and certain of their affiliates described in Section 1.26 of the Settlement Agreement. Unless you exclude yourself (*see* Question 14), you are “releasing” the claims whether you submit a claim or not. The Settlement Agreement is available through the “Court Documents” link on the website.

The Settlement Agreement describes the released claims with specific descriptions, so read it carefully. If you have any questions you can talk to the lawyers listed in Question 12 for

free or you can, of course, talk to your own lawyer at your own expense if you have questions about what this means.

11. What happens if I do nothing at all?

If you do nothing, you won't get any benefits from this Settlement. But, unless you exclude yourself, you won't be able to start a lawsuit or be part of any other lawsuit against the Defendant or Released Parties for the claims being resolved by this Settlement.

THE LAWYERS REPRESENTING YOU

12. Do I have a lawyer in the case?

The Court has appointed Edward J. Wynne, Wynne Law Firm and James F. Clapp, Clapp Legal APC to be the attorneys representing the Settlement Class. These attorneys are called Class Counsel. They believe, after conducting an extensive investigation, that the Settlement Agreement is fair, reasonable, and in the best interests of the Settlement Class. You will not be charged for these lawyers. If you want to be represented by your own lawyer in this case, you may hire one at your expense. Here is Class Counsels' contact information:

13. How will the lawyers be paid?

Class Counsels' attorneys' fees, costs and expenses will be paid from the Settlement Fund in an amount determined and awarded by the Court. Class Counsel is entitled to seek no more than twenty-five percent of the Settlement Fund for their fees and up to \$10,000 for their expenses, subject to Court approval.

As approved by the Court, the Class Representative will be paid an Incentive Award from the Settlement Fund for helping to bring and settle the case. The Class Representative will seek no more than \$10,000 as an incentive award.

EXCLUDING YOURSELF FROM THE SETTLEMENT

14. How do I get out of the Settlement?

To exclude yourself from the Settlement, you must mail or otherwise deliver a letter (or request for exclusion) stating that you want to be excluded from the *Balestrieri v. You must mail or deliver your exclusion request no later than [objection/exclusion deadline] to:

SportsEdTV Privacy Settlement

[0000 Street]

[City, ST 00000]

15. If I don't exclude myself, can I sue the Defendants for the same thing later?

No. If you don't exclude yourself, you give up any right to sue the Defendant and Released Parties for the claims being resolved by this Settlement.

16. If I exclude myself, can I get anything from this Settlement?

No. If you exclude yourself, do not submit a Claim Form to ask for benefits.

OBJECTING TO THE SETTLEMENT

17. How do I object to the Settlement?

You may object to this Settlement. If you intend to object to this Settlement, you must present the objection in writing, which must be personally signed by you, and must include (1) the objector's name and address; (2) an explanation of the basis upon which the objector claims to be a Settlement Class Member, including an attestation under penalty of perjury; (3) all grounds for the objection, including citations to legal authority and evidence supporting the objection; (4) the name and contact information of any and all attorneys representing, advising, or in any way assisting the objector in connection with the preparation or submission of the objection or who may profit from the pursuit of the objection (the "Objecting Attorneys"); and (5) a statement indicating whether the objector intends to appear at the Final Approval Hearing (either personally or through counsel who files an appearance with the Court). No other person may sign on behalf of the objector, including an objector's attorney. The objection must be filed in the U.S. District Court for the Northern District of California, Case No. 3:25-cv-04046-SK, no later than [objection/exclusion deadline].

18. What's the difference between objecting and excluding myself from the Settlement?

Objecting simply means telling the Court that you don't like something about the Settlement. You can object only if you stay in the Class. Excluding yourself from the Class is telling the Court that you don't want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT'S FINAL APPROVAL HEARING

19. **When and where will the Court decide whether to approve the Settlement?**

The Court will hold the Final Approval Hearing at [time] on [Month 00], via Zoom [Zoom Webinar ID and Zoom Password]. Any changes to this date or time will be noted on the Court docket for this case and on this website.

The purpose of the hearing will be for the Court to determine whether to approve the Settlement as fair, reasonable, adequate, and in the best interests of the Class; to consider Class Counsel's request for attorneys' fees and expenses, and to consider the request for an incentive award to the Class Representative. At that hearing, the Court will be available to hear any objections and arguments concerning the fairness of the Settlement.

The hearing may be postponed to a different date or time without notice, so it is a good idea to check the Court docket and [WEB ADDRESS]. If, however, you timely objected to the Settlement and advised the Court that you intend to appear and speak at the Final Approval Hearing, you will receive notice of any change in the date of such Final Approval Hearing.

20. **Do I have to come to the hearing?**

No. Class Counsel will answer any questions the Court may have. But, you are welcome to come at your own expense. If you send an objection or comment, you don't have to come to Court to discuss it. As long as you filed your written objection on time, the Court will consider it. You may also pay another lawyer to attend, but you do not have to.

21. **May I speak at the hearing?**

Yes. You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must include in your letter or brief objecting to the settlement a statement saying that it is your "Notice of Intent to Appear in *Balestrieri v. SportsEdTV, Inc.*, Case No. 3:25-cv-04046-SK." It must include your name, address, telephone number and signature as well as the name and address of your lawyer, if one is appearing for you. Your objection and notice of intent to appear must be filed with the Court no later than [objection deadline]. This requirement may be excused upon a showing of good cause.

EXHIBIT D

EXHIBIT D
IN THE UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

Nick Balestrieri, individually and on
behalf of all others similarly situated,

Plaintiff

v.

SportsEdTV, Inc.,

Defendant.

Case No. 3:25-cv-04046-SK

**[PROPOSED] ORDER GRANTING PRELIMINARY APPROVAL OF CLASS
ACTION SETTLEMENT AGREEMENT, CERTIFYING SETTLEMENT CLASS,
APPOINTING CLASS REPRESENTATIVE, APPOINTING CLASS COUNSEL, AND
APPROVING NOTICE PLAN**

WHEREAS, a class action is pending before the Court entitled *Nick Balestrieri v. SportsEdTV, Inc.* and

WHEREAS, Plaintiff Nick Balestrieri and Defendant SportsEdTV, Inc. have entered into a Class Action Settlement Agreement, which, together with the exhibits attached thereto, sets forth the terms and conditions for a proposed settlement and dismissal of the Action with prejudice as to Defendant upon the Court having read and considered the terms and conditions set forth therein (the “Settlement Agreement”), and the Court having read and considered the Settlement Agreement and exhibits attached to;

This matter coming before the Court upon the agreement of the parties, good cause being shown, and the Court being fully advised on all aspects of this dispute,

IT IS HEREBY ORDERED, DECREED, AND ADJUDGED AS FOLLOWS:

1. Terms and phrases in this Order shall have the same meaning as ascribed to them in the Settlement Agreement.

2. The Parties have moved the Court for an order approving the settlement of the Action in accordance with the Settlement Agreement, which, together with the documents incorporated therein, sets forth the terms and conditions for a proposed settlement and dismissal of the Action with prejudice, and the Court having read and considered the Settlement Agreement and having heard the parties and being fully advised on all aspects of this dispute, hereby preliminarily approves the Settlement Agreement in its entirety subject to the Final Approval Hearing referred to in paragraph 5 of this Order.

3. This Court finds that it has jurisdiction over the subject matter of this action and over all Parties to the Action.

4. The Court finds that, subject to the Final Approval Hearing, the Settlement Agreement is fair, reasonable, and adequate, within the range of possible approval, and in the best interests of the Settlement Class set forth below. The Court further finds that the Settlement Agreement substantially fulfills the purposes and objectives of the class action, and provides substantial relief to the Settlement Class without the risks, burdens, costs, or delay associated with continued litigation, trial, and/or appeal. The Court also finds that the Settlement Agreement (a) is the result of arm's length negotiations between experienced class action attorneys; (b) is sufficient to warrant notice of the settlement and the Final Approval Hearing to be disseminated to the Settlement Class; (c) meets all applicable requirements of law, including, for settlement purposes only, Rule 23 of the Federal Rules of Civil Procedure; and, (d) is not a finding or admission of liability by the Defendants or any other person, nor a finding of the validity of any claims

asserted in the Action or of any wrongdoing or any violation of law.

Final Approval Hearing

5. The Final Approval Hearing shall be held before this Court on _____, at _____ via Zoom [Zoom Webinar ID: 161 977 9783; Zoom Password: 395832] to determine (a) whether the proposed settlement of the Action on the terms and conditions provided for in the Settlement Agreement is fair, reasonable, and adequate and should be given final approval by the Court; (b) whether a judgment and order of dismissal with prejudice should be entered; (c) whether to approve the payment of attorneys' fees, costs, and expenses to Class Counsel; and (d) whether to approve the payment of an incentive award to the Class Representative. The Court may adjourn the Final Approval Hearing without further notice to members of the Settlement Class.

6. Class Counsel shall file papers in support of their Fee Award and Class Representative Incentive Award (collectively "Fee Petition") 14 days prior to the hearing on Final Approval.

Certification of the Settlement Class

7. For purposes of settlement only: (a) Edward J. Wynne, Wynne Law Firm, and James F. Clapp, Clapp Legal APC are appointed Class Counsel for the Settlement Class; and (b) Nick Balestrieri is named Class Representative. The Court finds that these attorneys are competent and capable of exercising the responsibilities of Class Counsel and that Plaintiff Nick Balestrieri will adequately protect the interests of the Settlement Class defined below.

8. For purposes of settlement only, the Court conditionally certifies (i.e., finds that it will likely be able to certify) the following Settlement Class as defined in the Settlement Agreement:

The 1,264 subscribers who reside in the United States whom Defendant has identified through its records as having watched videos on Defendant's Website during the period of May 9, 2023 to May 16, 2025.

The Court finds, subject to the Final Approval Hearing referred to in Paragraph 5 above, that the Settlement Agreement is fundamentally fair, adequate, and reasonable, and, solely within the context of and for the purposes of settlement only, that the Settlement Class satisfies the requirements of Rule 23 of the Federal Rules of Civil Procedure, specifically, that: the Settlement Class is so numerous that joinder of all members is impracticable; there are questions of fact and law common to the Settlement Class (e.g., whether Defendants unlawfully disclosed to third parties Plaintiff's and the Settlement Class's PII without consent in a manner that violated the Video Privacy Protection Act, 18 U.S.C. § 2710 ("VPPA") and/or the California Invasion of Privacy Act, Calif. Penal Code § 631 ("CIPA"), and whether Plaintiff and the Settlement Class members are entitled to uniform statutory damages under the VPPA and the CIPA); the claims of the Class Representative is typical of the claims of the members of the Settlement Class; the Class Representative and Class Counsel will fairly and adequately protect the interests of the members of the Settlement Class; common questions of law or fact predominate over questions affecting individual members; and a class action is a superior method for fairly and efficiently adjudicating the Action. Excluded from the Class are (1) any Judge or Magistrate presiding over this Action and members of their families; (2) Defendant and its officers, directors, attorneys, and employees; (3) persons who properly execute and file a timely request for exclusion from the Settlement Class in the manner provided in this Agreement; and (4) the legal representatives, successors or assigns of any such excluded persons.

9. If the Settlement Agreement does not receive the Court's final approval or if final approval is reversed on appeal, or if the Settlement Agreement is terminated or otherwise fails to become effective, the Court's grant of class certification for settlement purposes shall be vacated, and the Class Representative and the Settlement Class will once again bear the burden of establishing the propriety of class certification. In such case, neither the certification of the Settlement Class for settlement purposes, nor any other act relating to the negotiation or execution of the Settlement Agreement shall be considered as a factor in connection with any class certification issue(s).

Notice and Administration

10. The Court approves, as to form, content, and distribution, the Notice Plan set forth in the Settlement Agreement, including Settlement Claim Form (the "Claim Form") attached to the Settlement Agreement as Exhibit A, the notice plan and all forms of Notice to the Settlement Class as set forth in the Settlement Agreement and Exhibits B and C thereto, and finds that such Notice is the best notice practicable under the circumstances, and that the Notice complies fully with the requirements of the Federal Rules of Civil Procedure. The Court also finds that the Notice constitutes valid, due and sufficient notice to all persons entitled thereto, and meets the requirements of Due Process. The Court further finds that the Notice is reasonably calculated to, under all circumstances, reasonably apprise members of the Settlement Class of the pendency of this action, the terms of the Settlement Agreement, and the right to object to the settlement and to exclude themselves from the Settlement Class. In addition, the Court finds that no notice other than that specifically identified in the Settlement Agreement is necessary in this Action. The Parties, by agreement, may revise the Notice and Claim Form in ways that are not material, or in ways that are appropriate to update those

documents for purposes of accuracy or formatting.

11. The Court approves the request for the appointment of _____ as Settlement Administrator of the Settlement Agreement.

12. Pursuant to paragraph 4.1 of the Settlement Agreement, the Settlement Administrator is directed to publish the Notice and Claim Form on the Settlement Website and to send direct notice via email in accordance with the Notice Plan called for by the Settlement Agreement. The Settlement Administrator shall also maintain the Settlement Website to provide full information about the Settlement and allow for the filing of claims online.

Submission of Claims and Requests for Exclusion from Class

13. Members of the Class who wish to receive benefits under the Settlement Agreement must complete and submit a timely and valid Claim Form(s) in accordance with the instructions contained therein. All Claim Forms must be postmarked or received by the Settlement Administrator within the time specified in the Notice. Any person falling within the definition of the Settlement Class may, upon valid and timely request, exclude themselves or “opt out” of the Class. Any such person may do so if, on or before the Objection/Exclusion Deadline of 45 days after Notice Date, they comply with the exclusion procedures set forth in the Settlement Agreement and Notice. Any members of the Class so excluded shall neither be bound by the terms of the Settlement Agreement nor entitled to any of its benefits.

14. Any members of the Settlement Class who elect to exclude themselves or “opt out” of the settlement, must file a written request with the Settlement Administrator, received or postmarked no later than the Objection/Exclusion Deadline. The request for exclusion must comply with the exclusion procedures set forth in the Settlement Agreement and Notice and include the Settlement Class member’s name and address, his/her signature, the name and

number of the case, and a statement that he or she wishes to be excluded from the Settlement Class for the purposes of the Settlement. Each request for exclusion must be submitted individually. So called “mass” or “class” opt-outs shall not be permitted.

15. Individuals who opt out of the Class relinquish all rights to benefits under the Settlement Agreement and will not release their claims. However, members of the Settlement Class who fail to submit a valid and timely request for exclusion shall be bound by all terms of the Settlement Agreement and the Final Judgment, regardless of whether they have requested exclusion from the Settlement Agreement.

Appearances and Objections

17. Any members of the Settlement Class who have not timely filed a request for exclusion may object to the fairness, reasonableness, or adequacy of the Settlement Agreement or to a Final Judgment being entered dismissing the Action with prejudice in accordance with the terms of the Settlement Agreement, or to the Attorneys’ fees and expense reimbursement sought by Class Counsel in the amounts specified in the Notice, or to the award to the Class Representative as set forth in the Notice and Settlement Agreement. Members of the Class may object on their own, or may do so through separate counsel at their own expense.

18. To object, members of the Class must sign and file a written objection no later than on or before the Objection/Exclusion Deadline of no later than forty-five (45) days after the Notice Date. To be valid, the objection must comply with the objection procedures set forth in the Settlement Agreement and Notice, and include his or her name and address; an explanation of the basis upon which he or she claims to be a Settlement Class Member, including an attestation under penalty of perjury; his or her signature; and all grounds for the objection, including all citations to legal authority and evidence supporting the objection; the

name and contact information of any and all attorneys representing, advising, or in any way assisting him or her in connection with the preparation or submission of the objection or who may profit from the pursuit of the objection (the “Objecting Attorneys”); and a statement indicating whether he or she intends to appear at the Final Approval Hearing (either personally or through counsel who files an appearance with the Court). If a Settlement Class Member or any of the Objecting Attorneys has objected to any class action settlement where the objector or the Objecting Attorneys asked for or received any payment in exchange for dismissal of the objection, or any related appeal, without any modification to the settlement, then the objection must include a statement identifying each such case by full case caption.

19. Members of the Class who fail to file and serve timely written objections in compliance with the requirements of this Order and the Settlement Agreement shall be deemed to have waived any objections and shall be foreclosed from making any objections (whether by appeal or otherwise) to the Settlement Agreement or to any of the subjects listed in paragraph 5, above, i.e. (a) whether the proposed settlement of the Action on the terms and conditions provided for in the Settlement Agreement is fair, reasonable, and adequate and should be given final approval by the Court; (b) whether a judgment and order of dismissal with prejudice should be entered; (c) whether to approve the payment of attorneys’ fees and expenses to Class Counsel; and (d) whether to approve the payment of an incentive award for the Class Representative.

20. To be valid, objections must be filed with the Court and sent to the following: Class Counsel Edward J. Wynne, Wynne Law Firm, 80 E. Sir Francis Drake Blvd., Ste 3G, Larkspur, CA 94939; and Defense Counsel Peter K. Chu, Wilson, Elser, Moskowitz, Edelman

& Dicker LLP, 555 South Flower St., Ste 2900, Los Angeles, CA 90071. In addition, any objections made by a Class member represented by counsel must be filed through the Court's CM/ECF system.

Further Matters

21. All further proceedings in the Action are ordered stayed until Final Judgment or termination of the Settlement Agreement, whichever occurs earlier, except for those matters necessary to obtain and/or effectuate final approval of the Settlement Agreement.

22. Members of the Settlement Class shall be bound by all determinations and judgments in the Action concerning the Action and/or Settlement Agreement, whether favorable or unfavorable.

23. The Court retains jurisdiction to consider all further applications arising out of or connected with the proposed Settlement Agreement. The Court may approve the Settlement, with such modifications as may be agreed to by the Parties, if appropriate, without further notice to the Class.

24. Any Settlement Class Member who does not timely and validly submit a claim: (a) shall be forever barred from participating in any distributions of the Settlement Fund; (b) shall be bound by the provisions of the Settlement Agreement and all proceedings, determinations, orders and judgments in the Action relating thereto, including, without limitation, the Judgment or Alternate Judgment, if applicable, and the Releases provided for therein, whether favorable or unfavorable to the Class; and (c) shall forever be barred and enjoined from directly or indirectly filing, commencing, instituting, prosecuting, maintaining, or intervening in any action, suit, cause of action, arbitration, claim, demand, or other proceeding in any jurisdiction, whether in the United States or elsewhere, on their own behalf

or in a representative capacity, that is based upon or arises out of any or all of the Released Claims against the Defendant and the other Released Parties, as more fully described in the Settlement Agreement.

25. If the Settlement Agreement is not approved by the Court in complete accordance with its material terms, each party will have the option of having the Action revert to its status as if the Settlement Agreement had not been negotiated, made, or filed with the Court. In such event, the parties will retain all rights as if the Settlement Agreement was never agreed upon.

26. In the event that the Settlement Agreement is terminated pursuant to the provisions of the Settlement Agreement or for any reason whatsoever the approval of it does not become Final then (i) the Settlement Agreement shall be null and void, including any provision relating to the award of attorneys' fees, and shall have no further force and effect with respect to any party in this Action, and shall not be used in this Action or in any other proceeding for any purpose; (ii) all negotiations, proceedings, documents prepared, and statements made in connection therewith shall be without prejudice to any person or party hereto (including the Released Parties), shall not be deemed or construed to be an admission by any party (including the Released Parties) of any act, matter, or proposition, and shall not be used in any manner or for any purpose in any subsequent proceeding in this Action or in any other action in any court or other proceeding, provided, however, that the termination of the Settlement Agreement shall not shield from subsequent discovery any factual information provided in connection with the negotiation of this Settlement Agreement that would ordinarily be discoverable but for the attempted settlement; (iii) other than as expressly

preserved by the Settlement Agreement in the event of its termination, the Settlement Agreement shall have no further force and effect with respect to any party (including the Released Parties) and shall not be used in the Action or any other proceeding for any purpose; and (iv) any party (including the Released Parties) may elect to move the Court pursuant to the provisions of this paragraph, and none of the non-moving parties (or their counsel) shall oppose any such motion.

Nick Balestrieri on behalf of himself
and all others similarly situated,

Plaintiff,

v.

SportsEdTV, Inc.,

Defendant.

Case No. 3:25-cv-04046-SK

**[PROPOSED] FINAL JUDGMENT AND ORDER OF DISMISSAL WITH
PREJUDICE**

WHEREAS, a class action is pending before the Court entitled *Nick Balestrieri v. SportsEdTV, Inc.*; and

WHEREAS, Plaintiff Nick Balestrieri and Defendant SportsEdTV, Inc. have entered into a Class Action Settlement Agreement, which, together with the exhibits attached thereto, sets forth the terms and conditions for a proposed settlement and dismissal of the Action with prejudice as to Defendant upon the terms and conditions set forth therein (the “Settlement Agreement”) and the Court having read and considered the Settlement Agreement and exhibits attached to (ECF No. [REDACTED]);

WHEREAS, the Court has considered the Parties’ Class Action Settlement Agreement (ECF No. [REDACTED]), as well as Plaintiff’s Motion for Final Approval of the Settlement Agreement (ECF No. [REDACTED]), Plaintiff’s Motion for Attorneys’ Fees, Costs, and Expenses, and Incentive Award (ECF No. [REDACTED]), together with all the exhibits thereto, the arguments and authorities

presented by the Parties and their counsel at the Final Approval Hearing held on 2/26/26, and the record in the Action, and good cause appearing;

IT IS HEREBY ORDERED, DECREED, AND ADJUDGED AS FOLLOWS:

1. Terms and phrases in this Final Judgment shall have the same meaning as ascribed to them in the Parties' Class Action Settlement Agreement.

2. This Court has jurisdiction over the subject matter of the Action and over all Parties to the Action, including all Settlement Class members.

3. The notice provided to the Settlement Class pursuant to the Settlement Agreement (ECF No. [REDACTED]) and order granting Preliminary Approval (ECF No. [REDACTED]), including (i) direct notice to the Settlement Class via email, based on the customer list provided by Defendant, and (ii) the creation of the Settlement Website fully complied with the requirements of due process, and was reasonably calculated under the circumstances to apprise the Settlement Class of the pendency of the Action, their right to object to or to exclude themselves from the Settlement Agreement, and their right to appear at the Final Approval Hearing.

4. This Court now gives final approval to the Settlement Agreement, and finds that the Settlement Agreement is fair, reasonable, adequate, and in the best interests of the Settlement Class. The settlement consideration provided under the Settlement Agreement constitutes fair value given in exchange for the release of the Released Claims against the Released Parties. The Court finds that the consideration to be paid to members of the Settlement Class is reasonable, and in the best interests of the Settlement Class Members, considering the total value of their claims compared to (i) the disputed factual and legal circumstances of the Action, (ii) affirmative defenses asserted in the Action, and (iii) the

potential risks and likelihood of success of pursuing litigation on the merits. The complex legal and factual posture of this case, the amount of discovery completed, and the fact that the Settlement is the result of an arm's length negotiation between the Parties support this finding. The Court finds that these facts demonstrate that there was no collusion present in the reaching of the Settlement Agreement, implicit or otherwise.

5. The Court has specifically considered the factors relevant to class action settlement approval.

6. The Court finds that the Class Representative and Class Counsel adequately represented the Settlement Class for the purposes of litigating this matter and entering into and implementing the Settlement Agreement.

7. Accordingly, the Settlement is hereby finally approved in all respects. Any objections to the Settlement are hereby overruled.

8. The Parties are hereby directed to implement the Settlement Agreement according to its terms and provisions. The Settlement Agreement is hereby incorporated into this Final Judgment in full and shall have the full force of an Order of this Court.

9. This Court hereby dismisses the Action, as identified in the Settlement Agreement, on the merits and with prejudice.

10. Upon the Effective Date of this Final Judgment, Plaintiff and each and every Settlement Class Member who did not opt out of the Settlement Class (whether or not such members submit claims), and anyone asserting an interest by, through, or on behalf of them ("Releasing Parties"), hereby releases SportsEdTV, Inc. and the Releases Parties from any and all actual, existing, filed, fixed or contingent, claimed or unclaimed, suspected or unsuspected, claims, demands, liabilities, rights, causes of action, contracts or agreements,

extra contractual claims, damages, punitive, exemplary or multiplied damages, expenses, costs, attorneys' fees, and/or obligations, whether in law or in equity, accrued, direct, individual or representative, of every nature and description whatsoever, arising out of any facts, transactions, events, matters, occurrences, acts, disclosures, statements, representations, omissions, or failures based on the collection of information and/or the sharing of information by SportsEdTV, Inc., including all claims that were alleged or brought or could have been alleged or brought in the Action.

11. Upon the Effective Date of this Final Judgment, the above release of claims and the Settlement Agreement will be binding on, and will have res judicata and preclusive effect on, all pending and future lawsuits or other proceedings maintained by or on behalf of Plaintiff and all other Settlement Class Members and Releasing Parties. All Settlement Class Members are hereby permanently barred and enjoined from filing, commencing, prosecuting, intervening in, or participating (as class members or otherwise) in any lawsuit or other action in any jurisdiction based on or arising out of any of the Released Claims.

12. The Court has also considered Plaintiff's Motion for Attorneys' Fees, Costs, Expenses, And Incentive Award, as well as the supporting memorandum of law and declarations (ECF Nos. [REDACTED]), and adjudges that the requested amounts of attorney fees, costs, and expenses and incentive award are fair, adequate and reasonable. Such payments shall be made pursuant to and in the manner provided by the terms of the Settlement Agreement.

13. All payments made to Settlement Class Members pursuant to the Settlement Agreement that are not cashed within ninety (90) days of issuance shall revert to the Settlement Fund, to be distributed pro rata to claiming Settlement Class Members, if practicable. If such a secondary distribution would result in Settlement Class Members receiving less than \$10.00,

or if a secondary distribution would be otherwise infeasible (as determined by the Settlement Administrator or by mutual agreement of the Parties), any uncashed funds will be paid to _____, which the Court approves as an appropriate *cy pres* recipient. Except as otherwise set forth in this Order, the Parties shall bear their own costs and attorneys' fees.

14. The Parties, without further approval from the Court, are hereby permitted to agree and adopt such amendments, modifications, and expansions of the Settlement Agreement and its implementing documents (including all exhibits to the Settlement Agreement) so long as they are consistent in all material respects with this Final Judgment and do not limit the rights of Settlement Class Members.

15. This Court hereby enters Final Judgment.

IT IS SO ORDERED, this _____ day of _____, 2026.
