Free Credit Report

Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus (Equifax, Experian, and TransUnion). Obtaining a copy of your credit report from each agency on an annual basis, and reviewing it for suspicious activity, can help you spot problems and address them quickly. You can request your free credit report online at www.annualcreditreport.com or by phone at 1-877-322-8228. You can also request your free credit report by completing the request form at: www.annualcreditreport.com, and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281. You may wish to stagger your requests so that you receive a free report by one of the three credit bureaus every four months.

Fraud Alert

As a precaution against identity theft, you can consider placing a fraud alert on your credit file. A “fraud alert” tells creditors to contact you before opening a new account or changing an existing account. A fraud alert also lets your creditors know to watch for unusual or suspicious activity. To place a fraud alert, call any one of the three major credit reporting agencies listed below. An initial fraud alert remains effective for ninety days, and is free of charge. If you wish, you can renew the fraud alert at the expiration of this initial period. As soon as one credit agency confirms your fraud alert, the others are notified to place fraud alerts on your file.
