**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF ARIZONA**

Jane V.; John A.; John E.; Jane F.; John D.;
John M.; Jane N.; and John W.;
individually and on behalf of all others
similarly situated,

Plaintiffs,

v.

Motel 6 Operating L.P., a limited
partnership; G6 Hospitality LLC, a limited
liability company, dba Motel 6; and Does
1-10,

Defendants.

No. CV18-00242-PHX DGC

ORDER

Plaintiffs Jane V.; John A.; John E.; Jane F.; John D.; John M.; Jane N.; and John W.
and Defendants Motel 6 Operating L.P. and G6 Hospitality LLC (collectively, “the Parties”)
have entered into a Third Amended Settlement Agreement, a copy of which is attached as
Exhibit A with a copy of the Second Amended Settlement Agreement it revises
(collectively, “Agreement”). The Parties have filed a Joint Motion for an Order that will
(1) grant final approval of the settlement, (2) certify the Settlement Class, Injunctive Relief
Class, and Releasing Class, (3) enter a Consent Decree for injunctive relief, (4) authorize
the Claims Administrator to distribute the Settlement Amount in accordance with the
Agreement, and (5) authorize the payment of attorneys’ fees and costs (the “Joint Motion”).
Doc. 78.

The Court has reviewed the Agreement, the Joint Motion and the pleadings, the other

1 papers on file in this action, and the arguments presented at the Final Approval Hearing on
2 February 7, 2020. The Court will grant the Joint Motion as set forth below.

3 **A. Role of the Court.**

4 Because this is a settlement of a civil case between private parties, the Court's role
5 with respect to the settlement is limited. The Court makes no finding that Plaintiffs' claims
6 are meritorious or that Plaintiffs would prevail if this case were litigated or tried. Nor has
7 the Court examined the merits of Defendants' defenses to the claims. Thus, to the extent
8 any attorneys or parties may suggest that the Court has ruled in their favor, they are
9 incorrect. To the extent any attorneys or parties may suggest that the Court's approval of
10 this settlement is intended to send a message or to set a standard for other cases, they are
11 incorrect. The Court has not considered, and does not rule on, the merits of this case.

12 Normally, courts do not review or approve a settlement of a civil case; they simply
13 dismiss the case when the parties have settled and stipulate to dismissal. In this case,
14 however, the Court is required to approve the Agreement because this is a class action under
15 Rule 23 of the Federal Rules of Civil Procedure. Settlement of a class action will bind
16 members of the class who are not present in court and do not participate directly in the
17 proceedings. As a result, Rule 23 requires the Court to review and ensure, among other
18 things, that the case can be certified as a class action under Rule 23(a) and (b); that members
19 of the class have received the best practicable notice of the Agreement; that the Agreement
20 is fair, reasonable, and adequate; that the Agreement treats class members equitably relative
21 to each other; and that the procedures for implementation of the Agreement and distribution
22 of the settlement proceeds are reasonable and fair. *See* Fed. R. Civ. P. 23(a), (b), (c)(2), (e).
23 The terms of the Agreement are not set by the Court; they were negotiated and agreed to by
24 the parties. The Court's task is simply to ensure that the requirements of Rule 23 are
25 satisfied.

26 **B. Attorney General's Objection.**

27 The Arizona Attorney General has filed an *amicus curiae* objection to the final class
28 settlement, asserting that too much of the settlement will go to *cy pres* recipients. Doc. 84.

1 Counsel from the Attorney General's Office also appeared and spoke at the Final Approval
2 hearing. For reasons stated below, the Court concludes that the class settlement should be
3 approved notwithstanding the Attorney General's concerns.

4 The Attorney General makes this argument:

5 Given the near-complete claims data, the settlement has panned out to send
6 the bulk of the \$10 million settlement fund to third-party *cy pres* recipients,
7 instead of to class members. This *cy-pres*-heavy outcome directs funds away
8 from class members, whose claims are being extinguished, and instead sends
it to third-party entities unconnected to the alleged harms.

9 * * *

10 There is no reason why the majority of the settlement funds here should be
11 directed to third-party *cy pres* recipients when class members are identified
12 and have filed verified claims. The Court should send the parties back to
13 renegotiate the settlement in order to get more of the fund into the hands of
class members.

14 Doc. 84 at 4.

15 To address this argument, the Court must consider whether the amounts to be paid
16 to class members under the current settlement are fair, or whether fairness requires that they
17 be increased and the *cy pres* share decreased. Written notice was sent to more than 70,000
18 class members, and almost 79,000 persons visited the class settlement website. Doc. 85-1
19 at 8. Claims have been submitted by 2,066 individuals. *Id.* Presently, the claims
20 administrator has approved claims totaling \$3,497,521, and is considering another
21 \$1,598,525. *Id.* Thus, the total amount paid to class members could reach \$5,096,346.¹ In
22 such an event, \$3,403,645 will go to the four *cy pres* recipients. If a lower amount of class
23 claims is ultimately approved, the *cy pres* component will increase, potentially to an amount
24 in excess of \$5,000,000.

25
26
27 ¹ As counsel noted at the Final Approval Hearing, the claims administrator plans to
28 interview an additional 11 claims that have been rejected. If some of these are approved,
this amount could increase.

1 The Attorney General argues that the potential *cy pres* recoveries are too high when
2 compared to amounts being recovered by class members, and that the Court should require
3 the parties to renegotiate the settlement to increase the class members' share. But such a
4 result would be warranted only if the Court could conclude that the amounts being received
5 by the class claimants are insufficient – that they do not fully compensate class members
6 for their injuries. The Attorney General has provided no information from which the Court
7 can make that determination.

8 Under the settlement, class members whose personal information was given by
9 Defendants to immigration officers, but who experienced no other adverse consequences,
10 will each receive \$75, which the parties identify as the approximate cost of one night's stay
11 at one of Defendants' motels. *See* Doc. 70-1 at 22. The Attorney General suggests that this
12 amount could be increased to \$375 through further negotiations (Doc. 84 at 9), but the Court
13 cannot conclude that the injury suffered by these individuals is closer to the Attorney
14 General's suggested amount than the parties' number. Counsel for the class members
15 negotiated and agreed to the \$75 amount, presumably because they found it to be fair
16 compensation for their clients' injuries. The injury of have one's personal information
17 given to law enforcement authorities – with no other adverse consequence – is imprecise
18 and intangible. The Court has no basis for concluding that the amount agreed to by counsel
19 for the class is unfair and should be increased.

20 The settlement agreement also contains a multi-part formula for calculating the
21 amount to be received by class members who encountered immigration authorities as a
22 result of Defendants' providing personal information to the authorities. The formula
23 includes specific amounts for arrests, detentions, placement in removal proceedings, the
24 involvement of children, legal fees incurred in defending against immigration actions, and
25 out of pocket costs. *Id.* The claims administrator appears to be applying the formula on an
26 individualized basis, making awards to class members of between \$5,075 and \$200,000 (the
27 maximum available amount under the settlement agreement). Doc. 85-1 at 10. The
28 Attorney General makes no argument as to why this formula or the amounts being awarded

1 under it are incorrect, and no suggestion of how it can be improved. The Court cannot
2 conclude that the amounts to be paid under this formula are insufficient to compensate class
3 members for their losses. Nor can the Court conclude that it should increase the amounts
4 beyond the carefully-negotiated compromise of the parties simply to reduce the amount of
5 the *cy pres* fund.

6 The Court finds that the *cy pres* award in this case satisfies the requirements of Ninth
7 Circuit law. The court of appeals has recognized that “a court may employ the *cy pres*
8 doctrine to put the unclaimed fund to its next best compensation use, *e.g.*, for the aggregate,
9 indirect, prospective benefit of the class.” *Nachshin v. AOL, LLC*, 663 F.3d 1034, 1038 (9th
10 Cir. 2011) (quotation marks and citations omitted). The court has instructed that district
11 courts should ensure that *cy pres* funds are used to benefit silent class members. “Not just
12 any worthy recipient can qualify as an appropriate *cy pres* beneficiary.” *Dennis v. Kellogg*
13 *Co.*, 697 F.3d 858, 865 (9th Cir. 2012). As a result, a *cy pres* award must be “guided by (1)
14 the objectives of the underlying [claims] and (2) the interests of the silent class members,”
15 *Nachshin*, 663 F.3d at 1039, and must not benefit a group “too remote from the plaintiff
16 class,” *Six Mexican Workers v. Arizona Citrus Growers*, 904 F.2d 1301, 1308 (9th Cir.
17 1990).

18 The *cy pres* beneficiaries in this case satisfy these requirements. The Parties have
19 agreed that four organizations will receive *cy pres* distributions: (1) The Florence Immigrant
20 & Refugee Rights Project, (2) The Northwest Immigrant Rights Project, (3) The National
21 Immigrant Justice Center, and (4) TheDream.US. The first two will each receive 35%, and
22 the latter two will each receive 15% of the available *cy pres* funds. The first three provide
23 direct services to those who must defend their immigration status in the United States. The
24 first two operate in areas where the immigration contacts at issue in this case occurred –
25 Arizona and Washington – and, because class members reside throughout the United States,
26 the Parties have designated the third recipient which provides nationwide services to the
27 same population. The fourth recipient, The Dream.US, is a long-standing advocacy and
28 support group for non-citizens and provides scholarships to non-citizen students pursuing

1 higher education, which will aid children class members, such as named plaintiff Jane F's
2 children. Counsel noted during the Final Approval Hearing that many class members have
3 suffered financial hardship as a result of the events in this case and are having difficulty
4 funding the education of their children.

5 The Attorney General does not argue that the Ninth Circuit requirements for *cy pres*
6 awards have not been met, and no class member has objected. The Court finds that
7 providing *cy pres* funds to the four designated recipients, in the amounts contained in the
8 Agreement, is consistent with the underlying objectives of the claims in this case, serves
9 the interests of the silent class members, and is not too remote from the class. *Nachshin*,
10 663 F.3d at 1039; *Six Mexican Workers*, 904 F.2d at 1308. The correlation may not be
11 perfect, but the Ninth Circuit has stated that “[w]e do not require as part of [the *cy pres*]
12 doctrine that settling parties select a *cy pres* recipient that the court or class members would
13 find ideal.” *Lane v. Facebook, Inc.*, 696 F.3d 811, 820-21 (9th Cir. 2012). “[S]uch an
14 intrusion into the private parties’ negotiations would be improper and disruptive to the
15 settlement process.” *Id.*

16 **C. Class Certification and Final Settlement Approval.**

17 1. For purposes of the remainder of this Order, the defined terms of the Third
18 Amended Settlement Agreement (Ex. A) shall apply.

19 2. The Court finds that each of the prerequisites of Rule 23(a) is satisfied.

20 a. The class is so numerous that joinder of all members is impractical.
21 The Settlement Class and the Injunctive Relief Class contain over 52,000 members, and
22 more than 2,000 members of the Settlement Class have submitted claims.

23 b. There are questions of law or fact common to the Settlement Class and
24 Injunctive Relief Class. All Settlement Class Members and Injunctive Relief Class
25 Members make similar claims regarding Defendants’ actions, including that they were
26 harmed by Defendants’ alleged policy of disclosing Guest Information to Federal
27 Immigration Authorities and by Defendants’ alleged conspiracy with Federal Immigration
28 Authorities to discriminate against Class Members.

1 c. The claims of the representative parties are typical of the claims of the
2 classes. Six of the eight Plaintiffs (Jane V.; John A.; John E.; John D.; John M.; and
3 John W.) had their own Guest Information disclosed, and thus qualify as Settlement Class
4 Members and Injunctive Relief Class Members based on their claims. The remaining two
5 Plaintiffs (Jane F. and Jane N.) were not Registered Guests, but endured an encounter with
6 Federal Immigration Authorities as a result of the disclosure of Guest Information and thus
7 qualify as Settlement Class Members based on their claims.

8 d. The representative parties have fairly and adequately protected the
9 interests of the classes. Plaintiffs do not appear to have interests that conflict with the
10 proposed Settlement Class and Injunctive Relief Class. Six of the Settlement Class
11 Representatives—who also are Injunctive Class Representatives – were Registered Guests
12 at a Motel 6 Location in the United States during the Class Period whose Guest Information
13 was provided to Federal Immigration Authorities. The remaining two Settlement Class
14 Representatives were Guests who were not Registered Guests, but were questioned,
15 interrogated, detained, and/or placed in immigration removal proceedings by Federal
16 Immigration Authorities as a result of a Motel 6 Location’s disclosure of Guest Information
17 to Federal Immigration Authorities.

18 e. Class Counsel satisfy the adequacy requirement, as evidenced by their
19 thorough investigation of this case, their detailed Complaint and Amended Complaint, and
20 their extensive work in negotiating the proposed Agreement. Class Counsel have
21 experience and past success in bringing class action claims.

22 3. For purposes of monetary relief under Federal Rule of Civil Procedure
23 23(b)(3), the Settlement Class represented by Plaintiffs is defined as follows: All persons
24 who were Guests at a Motel 6 Location in the United States during the Class Period, and as
25 a result of a Registered Guest’s Information having been provided to Federal Immigration
26 Authorities by a Motel 6 Location, suffered a privacy violation and/or were questioned,
27 interrogated, detained, and/or placed in immigration removal proceedings by Federal
28 Immigration Authorities, except those who have filed a timely request to opt-out of the

1 Settlement Class.² The Court finds that this class is properly certified under Rule 23(b)(3)
2 because common issues will predominate over individual issues and the class method of
3 pursuing Plaintiffs' claims is superior to other possible methods.

4 4. For purposes of equitable relief under Federal Rule of Civil Procedure
5 23(b)(2), the Injunctive Relief Class represented by six of the Plaintiffs is defined as
6 follows: All persons who were Guests at a Motel 6 Location in the United States during
7 the Class Period, and whose Guest Information was provided to Federal Immigration
8 Authorities by a Motel 6 Location in the United States. The Court finds that the class is
9 properly certified under Rule 23(b)(2) because Defendants have acted on grounds that apply
10 generally to the class, so that final injunctive relief or corresponding declaratory relief is
11 appropriate respecting the class as a whole.

12 5. The Court certifies the Settlement and Injunctive Relief Classes for purposes
13 of judgment.

14 6. The Court also certifies the Releasing Class, which includes the Settlement
15 Class and the Injunctive Relief Class as defined above. Excluded from the Releasing Class
16 are the Motel 6 Entities and all federal governmental entities and personnel, including
17 Federal Immigration Authorities.

18 7. Jane V.; John A.; John E.; John D.; John M.; and John W. are designated as
19 class representatives of the Settlement Class, the Injunctive Relief Class, and the Releasing
20 Class. Jane F. and Jane N. are also designated as class representatives of the Settlement
21 Class and Releasing Class.

22 8. The notice provided to all Settlement Class Members constitutes due,
23 adequate, and sufficient notice, is the best practicable notice, and was reasonably calculated
24 to apprise members of the Settlement Class of the pendency of this action and their right to
25

26 ² This class definition is modified from the definition in the Second Amended
27 Settlement Agreement which received preliminary approval. The Court agrees with the
28 parties that the modified definition does not disadvantage any class member and eliminates
potential numerosity issues with the class formerly designated as Class 2.

1 object to the Agreement, and to apprise members of the Settlement Class of their right to
2 exclude themselves from the Settlement Class.

3 9. No Settlement Class Member has objected to the settlement and no Settlement
4 Class Member has requested to opt-out of the settlement.

5 10. For purposes of Final Approval and as required by Rule 23(e), the Court finds
6 as follows:

7 a. The Class Representatives and Class Counsel have adequately
8 represented the Settlement Class and Injunctive Relief Class. Plaintiffs do not appear to
9 have interests that conflict with the Settlement Class and Injunctive Relief Class. The Class
10 Representatives allege that they were Guests at a Motel 6 Location in the United States
11 during the Class Period, and as a result of a Registered Guest's Information having been
12 provided to Federal Immigration Authorities by a Motel 6 Location, suffered a privacy
13 violation and/or were questioned, interrogated, detained, and/or placed in immigration
14 removal proceedings by Federal Immigration Authorities. Class Counsel have adequately
15 represented the Settlement Class, as evidenced by their thorough investigation of this case,
16 their detailed Complaint and Amended Complaint, and their extensive work in negotiating
17 the proposed Agreement. Class Counsel have numerous years of experience, and
18 demonstrated success, in bringing class action claims.

19 b. The Parties avow that their negotiations were vigorous and contested,
20 with both Parties represented by experienced counsel. The Parties engaged in a series of
21 informal, arm's-length discussions over a period of months before enlisting the services of
22 an independent, professional mediator. A full-day mediation resulted in a tentative
23 settlement agreement, and the complaint and Agreement were substantially revised after a
24 second full-day mediation. These lengthy negotiations before a third party demonstrate that
25 the settlement was not collusive. The Agreement does not give preferential treatment to the
26 Class Representatives.

27 c. The relief provided to the classes is adequate. Counsel for the Parties
28 have avowed that they assessed the strengths and weaknesses of Plaintiffs' claims and, with

1 the assistance of a sophisticated mediator, arrived at an agreement that delivers substantial
2 value to Class Members.

3 d. The Parties can distribute relief effectively through the Claims
4 Administrator. For each submitted claim form, the Claims Administrator has collected
5 contact information for the claimant, including a mailing address, email address, and
6 telephone number. Awards will be distributed by mail to the address submitted on the claim
7 form. The Claims Administrator calculated the amount to be paid. Thus, the Claims
8 Administrator has the information it needs to be able to effectively and accurately distribute
9 relief to the claimants.

10 e. The terms of the attorneys' fees award, including the timing of
11 payment, weigh in favor of final approval. The Parties have agreed that Class Counsel are
12 entitled to \$500,000—about 5% of the total settlement amount (not including fees and costs
13 that Defendants have agreed to bear).

14 f. The Agreement treats Class Members equitably relative to each other.
15 All members of the Settlement Class are entitled under the Agreement to be compensated
16 for their harm, and the variation in awards will be based on specific, objective criteria set
17 forth in the Agreement. Class Members also will benefit from the injunctive relief
18 contained in the Agreement.

19 11. The Court finds that the distribution of unclaimed amounts as set forth in the
20 Agreement is appropriate and should be approved for reasons explained above. The Court
21 approves distribution of the *Cy Pres* Fund to Florence Immigrant & Refugee Rights Project,
22 Northwest Immigrant Rights Project, National Immigration Justice Center, and
23 TheDream.US in accordance with Section XII.B. of the Agreement. The precise amounts
24 to be paid to the *cy pres* recipients shall be determined and paid by the Claims Administrator
25 not later than 30 days after the last payment to a Class Member as set forth in Section
26 XII.B.3. of the Agreement.

27 12. The proposed reversion payment to Defendants is also reasonable and
28 appropriate and shall be paid. Because the reversion amount (\$1,500,000) is not needed to

1 make any payments due under the Agreement, Defendants are not obligated to fund that
2 portion of the Settlement Amount, and may instead retain it as the reversion amount that
3 otherwise would be due them.

4 13. The Court shall enter a Consent Decree substantially in the form submitted
5 by the Parties and will govern the implementation of the injunctive relief as set forth in
6 Section VI of the Agreement.

7 14. The Claims Administrator shall send to all ineligible claimants written notice
8 of their ineligibility for monetary damages no later than **March 30, 2020** and shall comply
9 fully with applicable provisions of Sections XII.M.-O. of the Agreement.

10 15. The Claims Administrator shall distribute the monetary damages to Class
11 Members via first class mail, as set forth in Section XII.Q. of the Agreement, as soon as
12 practicable after Final Approval.

13 16. The Claims Administrator shall furnish an accounting of all distributions from
14 the Settlement Account to the Court with copies to Class Counsel and Defendants within
15 30 days of the distribution of the monies from the Settlement Account.

16 17. The Court finds that the Class Counsel Payment is fair, reasonable and
17 appropriate. Accordingly, the Court approves payment of \$500,000 for attorneys' fees,
18 payable to MALDEF within 14 days following the Effective Approval. Once the Claims
19 Administrator releases the Class Counsel Payment to MALDEF from funds deposited by
20 Defendants, MALDEF shall have sole responsibility to distribute a portion of the Class
21 Counsel Payment to other Class Counsel, and no Class Counsel may assert any claim for
22 such payments from Defendants.

23 18. The Parties, Class Members, and Injunctive Relief Class Members shall be
24 bound by the Agreement and shall have recourse exclusively to the benefits, rights, and
25 remedies provided in the Agreement. No other action, demand, suit, or other claim may be
26 pursued by the Class Members or Injunctive Relief Class Members against the Motel 6
27 Entities with respect to the Released Claims.

28

1 19. The Motel 6 Entities are fully released and forever discharged from any and
2 all individual and/or class-wide claims, demands, charges, complaints, rights and claims of
3 any kind by the Releasors and the Releasor's estates that arise out of or relate to conduct
4 within the Class Period concerning the provision of Guest Information to Federal
5 Immigration Authorities by a Motel 6 Location, including, but not limited to, any conduct
6 alleged and claim asserted in this action, or that could have been asserted or alleged in this
7 action, and arising out of the facts alleged in this action (including, but not limited to alleged
8 race and national-origin discrimination, consumer protection violations, privacy violations,
9 constitutional claims, contract or tort claims and any other federal, state, or local law claims)
10 (collectively "Released Claims"). Releasors and their estates shall not seek to establish
11 liability against any Motel 6 Entity based, in whole or in part, upon any of the Released
12 Claims or any conduct at issue in the Released Claims. This Release is final and shall
13 survive the expiration of the Agreement's terms.

14 20. Releasors and the Releasor's estates shall be deemed to have, with respect to
15 the Released Claims, expressly waived the benefits of any statutory provisions or common
16 law rule that provides, in substance, that a general release does not extend to claims that the
17 party does not know or suspect to exist in its favor at the time of executing the release,
18 which if known by it, would have materially affected its settlement with any other party. In
19 particular, but without limitation, Releasors and Releasor's Estates waive the provisions of
20 California Civil Code § 1542 (or any like or similar statute or common law doctrine) and
21 do so understanding the significance of that waiver. California Civil Code §1542 provides:

22 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE
23 CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT
24 TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING
25 THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD
26 HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH
27 THE DEBTOR OR RELEASED PARTY.

12 Authorities by a Motel 6 Location, suffered a privacy violation and/or were questioned,

19 conditionally certify a ‘Settlement Class’ under Federal Rule of Civil Procedure 23(b)(3)
20 defined as: All persons who were Guests at a Motel 6 Location in the United States
21 during the Class Period, and as a result of a Registered Guest’s Information having been
22 provided to Federal Immigration Authorities by a Motel 6 Location, suffered a privacy

1 **IV. LITIGATION BACKGROUND**

2 A. On January, 24, 2018, eight Plaintiffs filed a class-action complaint in the
3 United States District Court for the District of Arizona. Plaintiffs allege that Defendants
4 employed a corporate policy and/or practice to provide Guest Information to agents of
5 Immigration and Customs Enforcement (“ICE”) and/or other Federal Immigration
6 Authorities. Plaintiffs challenge Defendants’ alleged policy and/or practice as
7 unauthorized disclosures of private information and as discriminatory, unconstitutional, a
8 violation of state laws protecting consumers, and a violation of Defendants’ privacy
9 policy.

10 B. On May 8, 2018, Defendants filed an answer and defenses to the class
11 action complaint and denied any wrongdoing or violation of the law.

12 C. On June 15, 2018, the Parties engaged in a day-long mediation before
13 Martin F. Scheinman, Esq., a professional mediator. The mediation resulted in a tentative
14 settlement.

15 D. On July 6, 2018, the Parties filed a joint certification with the Court that
16 indicated that the Parties agreed to a tentative settlement that would resolve the
17 Plaintiffs’, Class Members’, and Injunctive Relief Class Members’ claims against
18 Defendants.

19 E. On November 2, 2018, the Parties filed a Joint Motion for Preliminary
20 Approval of Class Action Settlement (the “Joint Motion”) with the Court.

21 F. On January 29, 2019, the Parties appeared before the Court for a hearing on
22 the Joint Motion, at which time the Court expressed certain questions and concerns, and
23 allowed the Parties an additional period of time to address those questions and concerns
24 in a new motion to be filed in support of the settlement agreement.

25 G. On April 3, 2019, the Parties engaged in an additional day-long mediation
26 before Mr. Scheinman, which resulted in certain agreed upon changes to the complaint
27 and settlement.

1 H. On June 5, 2019, Plaintiffs filed, with Defendants’ consent, an Amended
2 Class Action Complaint for Declaratory and Injunctive Relief (the “Amended
3 Complaint”).

4 **V. JURISDICTION**

5 The Parties stipulate that: (i) the Court has jurisdiction over the Parties and
6 subject matter of the Action; (ii) if the claims asserted in the Action were proven, the
7 Court would have the authority to grant the equitable relief and monetary damages set
8 forth in this Agreement; (iii) venue is proper in the United States District Court for the
9 District of Arizona; and (iv) the Court may retain jurisdiction of the Action during the
10 duration of the Agreement solely for the purposes of entering all orders that may be
11 necessary to implement the relief provided.

12 **VI. CONSENT DECREE, EFFECTIVE DATES AND DURATION OF**
13 **EQUITABLE PROVISIONS**

14 **A. Effective Dates and Duration**

15 Unless otherwise provided, the equitable provisions addressed in Sections X and
16 XI in this Agreement are effective immediately upon the Final Approval Date and shall
17 remain in effect for three years (36 months) from that date.

18 **B. Consent Decree**

19 In addition to the Final Approval Order, the Parties shall request in connection
20 with the Final Approval Hearing that the Court enter a consent decree containing
21 Sections V, VI, X, and XI of this Agreement, or substantively identical provisions. The
22 consent decree shall be operative for the term set forth in Section VI.A of this
23 Agreement. The consent decree shall also contain a provision terminating it
24 automatically on the election of either Party under Section IX.F of this Agreement.

25 **VII. SETTLEMENT CLASSES**

26 **A. Monetary Damages**

27 1. For purposes of the monetary damages provided in this Agreement,
28 the Parties shall request that the Court conditionally certify a “Primary Class” and “Class

1 2” under Federal Rule of Civil Procedure 23(b)(3) as further defined in sections
2 VII.A.1.a.-b below.

3 a. A Primary Class, consisting of all persons who were
4 Registered Guests at a Motel 6 Location in the United States during the Class Period, and
5 whose Guest Information was provided to Federal Immigration Authorities by a Motel 6
6 Location in the United States, each of whom shall be a “Primary Class Member,” except
7 those who file a timely request to opt-out of the Settlement Class.

8 b. Class 2, consisting of all Guests at a Motel 6 Location in the
9 United States during the Class Period who were not Registered Guests, and were
10 questioned, interrogated, detained, and/or placed in immigration removal proceedings by
11 Federal Immigration Authorities as a result of a Motel 6 Location’s disclosure of Guest
12 Information to Federal Immigration Authorities, each of whom shall be a “Class 2
13 Member,” except those who file a timely request to opt-out of the Settlement Class.

14 **B. Equitable Relief**

15 For purposes of the equitable relief provided in this Agreement, the Parties shall
16 request that the Court certify an Injunctive Relief Class under Federal Rule of Civil
17 Procedure Rule 23(b)(2), defined as all persons who were Guests at a Motel 6 Location in
18 the United States during the Class Period, and whose Guest Information was provided to
19 Federal Immigration Authorities by a Motel 6 Location in the United States, each of
20 whom shall be an “Injunctive Relief Class Member.”

21 **C. Exclusions**

22 Excluded from the Releasing Class are the Motel 6 Entities and all federal
23 governmental entities and personnel, including Federal Immigration Authorities.

24 **VIII. RELEASE OF CLAIMS**

25 **A. Binding and Exclusive Nature of Settlement Agreement**

26 Upon Effective Approval of the Settlement, the Parties, Class Members, and
27 Injunctive Relief Class Members shall be bound by this Agreement and shall have
28 recourse exclusively to the benefits, rights, and remedies provided in this Agreement. No
29 other action, demand, suit, or other claim may be pursued by the Class Members or

1 Injunctive Relief Class Members against the Motel 6 Entities with respect to the Released
2 Claims.

3 **B. Release of Claims by the Releasing Class**

4 Upon Effective Approval of the settlement, the Motel 6 Entities shall be fully
5 released and forever discharged from any and all individual and/or class-wide claims,
6 demands, charges, complaints, rights and causes of action of any kind by the Class
7 Representatives, Plaintiffs, the Releasing Class, each member of the Releasing Class
8 (hereafter collectively “Releasers”), and the Releaser’s estates (whether or not any
9 Releaser or Releaser’s estate has objected to the settlement or makes a claim for
10 monetary damages described in Section XII) that arise out of or relate to conduct within
11 the Class Period concerning the provision of Guest Information to Federal Immigration
12 Authorities by a Motel 6 Location, including, but not limited to, any conduct alleged and
13 cause of action asserted in this action, or that could have been asserted or alleged in this
14 action, and arising out of the facts alleged in this action (including, but not limited to
15 alleged race and national-origin discrimination, consumer protection violations, privacy
16 violations, constitutional claims, contract or tort claims and any other federal, state, or
17 local law claims) (collectively “Released Claims”). Releasers and their estates shall not,
18 after Effective Approval of this Agreement, seek to establish liability against any Motel 6
19 Entity based, in whole or in part, upon any of the Released Claims or any conduct at issue
20 in the Released Claims. This Release is final and shall survive the expiration of the
21 Agreement’s terms.

22 **C. Waiver of Unknown Claims**

23 On Effective Approval, Releasers and the Releaser’s estates shall be deemed to
24 have, and by operation of this Agreement shall have, with respect to the Released Claims,
25 expressly waived the benefits of any statutory provisions or common law rule that
26 provides, in substance, that a general release does not extend to claims that the party does
27 not know or suspect to exist in its favor at the time of executing the release, which if
28 known by it, would have materially affected its settlement with any other party. In
29 particular, but without limitation, Releasers and Releaser’s Estates waive the provisions

1 of California Civil Code § 1542 (or any like or similar statute or common law doctrine),
2 and do so understanding the significance of that waiver. California Civil Code §1542
3 provides:

4 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE
5 CREDITOR OR RELEASING PARTY DOES NOT KNOW OR
6 SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF
7 EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR
8 HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER
9 SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

10 **D. No Bar to Future Claims**

11 Nothing in this Agreement shall be construed to bar any claims of any Releasor
12 that arise after Effective Approval.

13 **E. Assumption of Risk**

14 In entering into this Agreement, the Parties assume the risk of any mistake of fact
15 or law. If either Party should later discover that any fact that the Party relied upon in
16 entering into this Agreement is not true, or that the Party's understanding of the facts or
17 law was incorrect, the Party shall not be entitled to modify, reform, or set aside this
18 Agreement, in whole or in part, as a result.

19 **F. No Collateral Attack**

20 This Agreement shall not be subject to collateral attack by any Releasor at any
21 time after Effective Approval.

22 **IX. COURT APPROVAL OF SETTLEMENT**

23 **A. Preliminary Approval**

24 As soon as practicable after the execution of this Agreement, and no later than
25 June 28, 2019, the Parties shall apply for entry of the Preliminary Approval Order. The
26 Preliminary Approval Order shall include provisions: (a) preliminarily approving this
27 Settlement and finding this Settlement sufficiently fair, reasonable and adequate to allow
28 Notice to be disseminated to the Settlement Class and the Injunctive Relief Class; (b)
29 approving the form, content, and manner of the Notice; (c) setting a schedule for

1 proceedings with respect to Final Approval of this Settlement; and (d) staying the Action,
2 other than such proceedings as are related to this Settlement.

3 **B. CAFA Notice**

4 Within ten (10) days of the lodging of this Agreement and the motion for
5 preliminary approval of the Settlement, Defendants shall provide an amended CAFA
6 notice as required under 28 U.S.C. § 1715. CAFA notice shall be provided to the
7 Attorney General of the United States and the Attorneys General of each state in which
8 Class Members and Injunctive Relief Class Members reside. CAFA notice shall be
9 mailed, can be in an electronic or disk format, and shall include to the extent then
10 available and feasible: (1) the Amended Complaint in the Action; (2) the motion for
11 preliminary approval of the Agreement, which shall include the proposed Final Approval
12 Hearing date and shall confirm that there are no additional agreements among the Parties
13 not reflected in the Settlement; (3) the proposed forms of Notice; (4) this Agreement; and
14 (5) a reasonable estimate of the numbers of Class Members and Injunctive Relief Class
15 Members residing in each state and the estimated proportionate share of the claims of
16 such members to the entire settlement. The Parties agree that this CAFA notice shall be
17 sufficient to satisfy the terms of 28 U.S.C. § 1715.

18 **C. Objections to Settlement**

19 Any Class Member or Injunctive Relief Class Member wishing to object or to
20 oppose the approval of this Agreement shall object in writing in the manner set forth in
21 Section XII.I.1.

22 **D. Motion for Final Approval and Response to Objections**

23 The Parties shall file with the Court their motion for final settlement approval on a
24 date that is no later than twenty-one (21) days before the date of the Final Approval
25 Hearing. The Parties will file with the Court a reply brief in support of Final Approval
26 that, *e.g.*, responds to any objections filed no later than seven (7) days before the date of
27 the Final Approval Hearing.

1 **E. Final Approval Hearing**

2 The Parties shall request that the Court, on the date set forth in the Preliminary
3 Approval Order or on such other date that the Court may set (but not earlier than 150
4 days from the date of entry of the Preliminary Approval Order), conduct a Final Approval
5 Hearing to: (a) determine whether to grant Final Approval to this Agreement; and
6 (b) consider any timely objections to this settlement and the Parties' responses to such
7 objections. At the Final Approval Hearing, the Parties shall ask the Court to give Final
8 Approval to this Agreement. If the Court grants Final Approval to this Agreement, the
9 Parties shall ask the Court to enter a Final Approval Order that approves the Agreement,
10 authorizes entry of a final judgment, and dismisses the action with prejudice.

11 **F. Disapproval, Cancellation, Termination, or Nullification of Settlement**

12 1. Each Party shall have the right to terminate this Agreement if either:
13 (i) the Court declines to grant Preliminary Approval or Final Approval to this Agreement
14 without material modification of the Agreement; or (ii) a higher court reverses Final
15 Approval by the Court, and the Court thereafter declines to enter a further order or orders
16 approving Agreement on the terms set forth here. If a Party elects to terminate this
17 Agreement under this paragraph, that Party must provide written notice to the other
18 Party's counsel and the Court within thirty (30) days of the occurrence of the condition
19 permitting termination.

20 2. If this Agreement is terminated under Section IX.F.1, then: (i) this
21 Agreement shall be rendered null and void; (ii) this Agreement and all negotiations and
22 proceedings relating to it shall be of no force or effect, and without prejudice to the rights
23 of the Parties; (iii) all Parties shall be deemed to have reverted to their respective status in
24 the Action as of the date and time immediately preceding the execution of this
25 Agreement; and (iv) except as otherwise expressly provided, the Parties shall stand in the
26 same position and shall proceed in all respects as if this Agreement and any related orders
27 had never been executed, entered into, or filed.

1 **X. GENERAL EQUITABLE PROVISIONS**

2 **A. General Injunctive Provisions**

3 1. Effective immediately upon the Final Approval Date and for three
4 years (36 months) from that date, Defendants shall implement and maintain the following
5 policies and internal procedures (“the Policy”):

6 a. Defendants shall establish and maintain a 24-Hour Hotline to
7 assist employees at Motel 6 Entities when they receive any request for Guest Information
8 from Federal Immigration Authorities.

9 b. Defendants shall respond to requests for information from
10 Federal Immigration Authorities as follows:

11 i. Defendants shall not share Guest Information with
12 Federal Immigration Authorities without a judicially enforceable warrant or subpoena,
13 except where the Federal Immigration Authority articulates a credible reason to believe
14 that a Guest, employee, or other individual is in imminent danger. For purposes of this
15 subsection, a “credible reason” is a particularized concern related to the safety and well-
16 being of an individual currently on the property.

17 ii. With respect to all other warrants or subpoenas
18 presented by Federal Immigration Authorities, Defendants shall not share Guest
19 Information with Federal Immigration Authorities until such warrants or subpoenas have
20 been sent to Defendants’ legal department or other individuals designated by Defendants,
21 who will have been trained to comply with this Policy and to address requests from
22 Federal Immigration Authorities, and until such persons authorize the disclosure of Guest
23 Information.

24 iii. Any of Defendants’ employees with questions about
25 this Policy will be trained to call the 24-Hour Hotline.

26 iv. Defendants shall establish a brand standard requiring
27 that Franchised Locations adopt and implement the policies and procedures described in
28 Section X.A.1.b.i.-ii.

1 v. Defendants shall create an online mechanism for any
2 person at a Motel 6 Location to submit a report when he or she believes that Guest
3 Information has been provided to Federal Immigration Authorities or that this Policy has
4 been violated in any manner (a “Compliance Complaint”). Any person who submits a
5 Compliance Complaint may do so anonymously.

6 c. Defendants shall provide the following training:

7 i. For each Operated Location employee who has the
8 ability to make Guest Information available, training to understand the Policy and their
9 responsibilities with regard to the Policy, including the purpose and procedures regarding
10 Defendants’ 24-Hour Hotline, such as when it is appropriate and necessary to contact
11 Defendants’ 24-Hour Hotline.

12 ii. The training described in this section may be held in
13 conjunction with other business, at Defendants’ discretion, and may be organized
14 geographically in such fashion as Defendants deem appropriate.

15 **B. Dispute Resolution and Enforcement Procedures**

16 1. The Parties agree to the appointment of Martin F. Scheinman, Esq.,
17 or any successor(s) agreed to by the Parties to this Agreement, as Settlement
18 Administrator. The Settlement Administrator may be removed at the joint written request
19 of Class Counsel and Defendants, or by order of the Court upon motion of any Party and
20 a showing of good cause that Mr. Scheinman should no longer serve as Settlement
21 Administrator. In the event that Mr. Scheinman becomes unavailable to serve as
22 Settlement Administrator for any reason, the Parties will make a good faith effort to
23 select on a joint basis a new Settlement Administrator. If the Parties are unable to reach
24 agreement as to a successor Settlement Administrator within forty-five (45) days
25 following the date Mr. Scheinman becomes unavailable to serve as Settlement
26 Administrator, the Court shall appoint a successor Settlement Administrator upon motion
27 of Class Counsel or Defendants. Class Counsel or Defendants may nominate persons for
28 consideration as a successor Settlement Administrator to the Court. The Parties shall

1 each have the right to interview any nominated person, and to present argument and
2 evidence to the Court regarding the selection of the successor Settlement Administrator.

3 2. The Settlement Administrator shall have authority to resolve all
4 disputes arising under the Agreement, subject to limitations and standards set forth in the
5 Agreement. The Settlement Administrator in the course of resolving disputes shall have
6 authority to modify the Consent Decree, subject to an appeal by either Party to the Court
7 as provided in Sections X.B.4.-7.

8 3. The Parties shall use Best Efforts to resolve promptly any
9 differences or any disputes regarding the interpretation or implementation of this
10 Agreement.

11 4. Each Party shall have the right to initiate steps to resolve any dispute
12 or issue of compliance regarding any provision of the Agreement subject to limitations
13 and standards set forth in the Agreement.

14 a. If either Party has good reason to believe that a legitimate
15 dispute exists, the initiating Party shall first promptly give written notice to the other
16 Party, including: (a) a reference to all specific provisions of the Agreement that are
17 involved; (b) a statement of the issue; (c) a statement of the remedial action sought by the
18 initiating Party; and (d) a brief statement of the specific facts, circumstances and any
19 other arguments supporting the position of the initiating Party;

20 b. Within thirty (30) days after receiving such notice, the non-
21 initiating Party shall respond in writing to the statement of facts and arguments set forth
22 in the notice and shall provide its written position, including the facts and arguments
23 upon which it relies in support of its position;

24 c. The Parties shall undertake good-faith negotiations, including
25 meeting and conferring by telephone or in person and exchanging relevant documents
26 and/or other information, to attempt to resolve the issues in dispute or of alleged
27 noncompliance;

28 d. The Settlement Administrator, upon motion, may permit a
29 Party to take post-settlement discovery as provided by the Federal Rules of Civil

1 Procedure, but only as to matters relevant to the underlying claim of breach, if the
2 Settlement Administrator determines that the informal exchange of documents or
3 information has not been sufficient to allow the Party to present the dispute upon a
4 factual record adequate for a fair determination of the issue;

5 e. If the Parties' good-faith efforts to resolve the matter have
6 failed, and after written notice of an impasse by the initiating Party to the non-initiating
7 Party, the initiating Party may file a motion with the Settlement Administrator, with a
8 supporting brief, requesting resolution of the dispute or the issues of non-compliance,
9 provided that such motion shall be limited to the dispute(s) and/or issue(s) as to which the
10 Parties have met and conferred as described here;

11 f. The non-moving Party will have fifteen (15) days to respond
12 to any such motion;

13 g. The Settlement Administrator shall attempt within fifteen (15)
14 days after filing of the final brief to resolve the dispute and may schedule a hearing or
15 other proceeding, including an evidentiary hearing, to resolve the matter; and

16 h. Within thirty (30) days of any hearing, the Settlement
17 Administrator shall issue a written determination, including findings of fact if requested
18 by any Party.

19 5. The provisions of this Section do not prevent any Party from
20 promptly bringing an issue directly before the Court when exigent facts or circumstances
21 require immediate Court action to prevent a serious violation of the terms of this
22 Agreement, which otherwise would be without meaningful remedy. The moving papers
23 shall explain the facts and circumstances that necessitate immediate action by the Court.
24 Absent a showing of exigent facts or circumstances, the Court shall refer the matter to the
25 Settlement Administrator to resolve in accordance with procedures set forth above. If
26 any such matter is brought before the Court requesting immediate action, the other Party
27 shall be provided with appropriate actual notice, and an opportunity to be heard on the
28 motion, under the Local Rules of the Court and the Federal Rules of Civil Procedure.
29 The Court in its discretion may set such procedures for emergency consideration as are

1 appropriate to the particular facts or circumstances, but no such matter may be heard or
2 considered on an *ex parte* basis.

3 6. Any Party who disagrees with a decision of the Settlement
4 Administrator may seek relief from the Court within fourteen (14) days of receipt of
5 notice of the decision by the Settlement Administrator. Any such request for relief shall
6 be brought by motion under the Local Rules of the Court and Federal Rules of Civil
7 Procedure. A Party may seek any remedy provided by law, provided that such remedy is
8 consistent with the provisions of this Agreement.

9 7. The Parties agree that, for any dispute decided by the Settlement
10 Administrator under Section X.B and which decision would require modification of the
11 Consent Decree entered by the Court:

12 a. The Parties shall cooperate in jointly requesting the Court to
13 modify the Consent Decree to reflect the resolution of said dispute; or

14 b. The Party disagreeing with such decision shall, as part of any
15 request for relief made under Section X.B.6, request that the Consent Decree be modified
16 or affirmed, as appropriate.

17 c. Nothing herein shall be construed as authorizing the
18 Settlement Administrator to require the Court to alter the terms of its Consent Decree, or
19 to disregard the clear and unambiguous language of the Consent Decree.

20 8. Only Plaintiffs or Defendants shall have standing to move the Court
21 to enforce, apply, or modify this Agreement. Any individual concerned about
22 Defendants' compliance with this Agreement may so notify Class Counsel and request
23 that they examine Defendants' compliance and seek such relief, if any, as may be
24 appropriate. In the event that any Party seeks to utilize the dispute resolution procedure,
25 then each Party shall bear its own attorneys' fees, costs and expenses for all work
26 performed through resolution by the Settlement Administrator. In the event that any
27 Party seeks to appeal any decision of the Settlement Administrator, then the prevailing
28 party in such matter shall be entitled to recover reasonable attorneys' fees, costs and
29 expenses incurred in such appeal from the other Party. Whether and to what extent any

1 Party is a prevailing party and awarded fees and expenses shall be determined in the sole
2 and absolute discretion of the Court.

3 **XI. RECORDKEEPING AND REPORTING**

4 **A. Documents to be Preserved For the Duration of the Agreement**

5 Defendants shall retain the following records for the period set forth in Section

13 and all documents that are provided to the Settlement Administrator, Class Counsel, or
14 the Court under the terms of the Agreement, are and shall be treated as confidential
15 business records. Neither Class Counsel, nor the Settlement Administrator, nor the
16 Claims Administrator nor CDM, shall divulge any such documents to any third party
17 unless so ordered by a court after notice to Defendants and an opportunity for Defendants
18 to object to such disclosure and to be heard. Upon expiration of this Agreement, Class
19 Counsel, the Claims Administrator, and the Settlement Administrator shall promptly
20 destroy any and all documents in any format Defendants furnished under this Agreement.
21 This provision shall not prevent a Party from filing otherwise confidential documents
22 with the Court, provided that, either: (a) such documents are filed under seal; or (b) Class
23 Counsel give ten (10) days advance notice to Defendants, to permit opportunity to seek a
24 protective order sealing such documents.

25 **C. Compliance and Status Conference**

26 During the period set forth in Section VI.A of this Agreement, the Parties shall
27 conduct an annual status conference with the Settlement Administrator, with a report to
28 the Court following the status conference to discuss the status of implementation of the
29 Agreement. The Parties shall be represented at the status conference. No Party shall file

1 any document with the Settlement Administrator in conjunction with the status
2 conference, unless directed to do so by the Settlement Administrator.

3 **XII. MONETARY RELIEF AND CLAIMS PROCEDURE**

4 **A. Persons Entitled to Monetary Damages**

5 1. The Claims Administrator shall determine that a claimant is a
6 member of the Primary Class if it can reasonably be determined from Defendants'
7 records and/or the information provided in the claim form that the claimant was a

10 Location in the United States.

14 the United States during the Class Period who was not a Registered Guest, and was
15 questioned, interrogated, detained, and/or placed in immigration removal proceedings by

18 **B. The Settlement Amount**

19 1. The total amount available to make awards to Class Members shall
20 be \$10,000,000.00 (Ten Million Dollars) (the "Settlement Amount"). Under no

22 total exceed the Settlement Amount.

23 2. If the total amount due to valid claimants exceeds the Settlement
24 Amount, the amount to be paid to each valid claimant shall be reduced proportionally so
25 that the total does not exceed the Settlement Amount.

26 3. If the total amount due to valid claimants is less than the Settlement
27 Amount, the remaining funds shall be distributed, within thirty (30) days of the last
28 payment to a Class Member, as follows:

 - 25 education.

 - 27 of immigrants in Washington State navigate the complexities of the United States
 - 28 immigration system so they can apply for asylum or other forms of immigration
 - 29 protection.

1 iii. The Parties have agreed to allocate thirty-five percent
2 (35%) of the *Cy Pres* Fund to NIRP.

3 c. National Immigration Justice Center (NIJC)

7 ii. For more than 30 years, NIJC has provided quality
8 low-cost immigration legal services to over 10,000 individuals per year throughout the
9 United States.

10 iii. The Parties have agreed to allocate fifteen percent
11 (15%) of the *Cy Pres* Fund to NIJC.

12 d. TheDream.US

13 i. TheDream.US is the nation's largest college access
14 and success program for DREAMers. TheDream.US works with a community of
15 partners to provide students who have lived most of their lives in the United States, but
16 are not citizens, the opportunity to attend and succeed in high education. TheDream.US's
17 approach is designed to scale and deliver relevant and sustainable impact through
18 financial support, community building, and academic guidance.

19 ii. The Parties have agreed to allocate fifteen percent
20 (15%) of the *Cy Pres* Fund to TheDream.US.

21 e. Should the Court refuse to approve one or more of the
22 proposed *cy pres* recipients, the approved recipients shall each receive their proportional
23 share of the funds that would have been paid to the unapproved recipient(s). Should the
24 Court refuse to approve any *cy pres* recipient, the unclaimed funds shall be deposited into
25 an escrow account while the Court and/or the Parties determine who should receive them.

26 **C. Awards of Monetary Damages to Class Members**

27 1. Each Class Member may be awarded the following amounts, which
28 may be aggregated, subject to any reduction required by Section XII.C.2 of this
29 Agreement:

1 a. If the claimant is a Registered Guest, \$75 for the
2 disclosure of the claimant's Guest Information;

3 b. If the claimant experienced an encounter with Federal

14 proceedings, and had minor children or other
15 dependents at the time the claim arose, \$10,000 per
16 dependent;

17 v. If the claimant incurred legal fees to defend his or
18 her presence in the United States, the actual amount
19 of the fees incurred and documented, not to exceed

29 any Class Member from obtaining compensation under the Washington Settlement.

1 However, should the total value of valid claims determined by the Claims Administrator
2 for the Settlement Class (the “Total Value”) exceed the Settlement Amount, those Class
3 Members who received compensation from the Washington Settlement (the “Washington
4 Class Members”) shall have their awards in this matter reduced as follows:

- 5 a. If the total amount paid to the Washington Class Members from
6 the Washington Settlement is equal to or more than the
7 difference between the Total Value and the Settlement Amount,
8 then the amount paid to each Washington Class Member from
9 the Settlement Amount shall be reduced by the amount each
10 received from the Washington Settlement; and
11 b. If the total amount paid to the Washington Class Members from
12 the Washington Settlement is less than the difference between the
13 Total Value and the Settlement Amount, then the amount paid to
14 each Washington Class Member from the Settlement Amount
15 shall be reduced on a pro rata basis until the Total Value equals
16 the Settlement Amount.

17 3. Notwithstanding Section XII.C.2, should the Court conclude that
18 anything in this section serves to treat class members inequitably, this Section XII.C.2
19 shall have no force and effect and the rest of the Agreement shall operate as if this
20 paragraph were not included.

21 **D. Costs**

22 1. Defendants shall pay the costs of notice to Class Members and
23 Injunctive Relief Class Members, and claims administration (the “Administration
24 Costs”), not to exceed \$1,000,000.00. The Claims Administrator and the Settlement
25 Administrator will, respectively, conduct class notice and class administration in
26 consultation with the Parties. The Claims Administrator will invoice Defendants directly
27 for its fees and costs.

28 2. Defendants shall also pay the costs and fees incurred as a result of
29 the retention of CDM, pursuant to the terms of the agreement among CDM, the Claims

2 Administration Costs above.

3 **E. Funding of the Settlement Amount and Costs**

4 1. The Claims Administrator will open and administer an interest-
5 bearing account (“Settlement Account”) designated by Class Counsel and with a unique
6 Taxpayer Identification Number, with earned interest added to the Settlement Amount.

7 2. After Effective Approval and within seven (7) days after the Claims
8 Administrator has informed Defendants in writing that it is prepared to distribute the
9 payments to the members of the Settlement Class (or whichever is later), Defendants will
10 wire the following amounts to the Settlement Account:

11 (a) \$10,000,000 for the Settlement Amount; and

12 (b) \$1,000,000 for the Administration Costs, or whichever lesser amount
13 the Class Administrator has reported as the total Administration Costs; and

14 (c) \$500,000 for payment of the Class Counsel Payment, as defined in
15 Section XIII of this Agreement.

16 3. Upon payment of agreed upon fees to CDM and to the Settlement

18 monetary obligation to Releasers, including no obligation to pay any funds for
19 distribution to Class Representatives or members of the Settlement Class; no obligation to
20 pay costs of mailed notices and expenses associated with the claims procedure; no
21 obligation to pay any amount to Class Counsel; no obligation to pay any other amount to

27 full names and last known addresses and phone numbers, to the extent available in
28 Defendants’ records, of all Guests whom Defendants have identified as potential Class

1 Members, in Excel format. Within twenty (20) days following the Preliminary Approval
2 Date, Class Counsel shall provide the Claims Administrator with a computer readable list
3 in Excel format of the Plaintiffs and all known potential Class Members and their mailing
4 addresses. Prior to the mailing of the notices, the Claims Administrator will combine
5 these lists of potential Class Members received from Defendants and Class Counsel and
6 update any new address information for potential Class Members as may be available
7 through the National Change of Address system. The Claims Administrator shall
8 determine through a computer database search the most recent address that may be
9 obtained for each person on the combined list of potential Class Members. Within sixty
10 (60) days of the Preliminary Approval Date, the Claims Administrator shall mail, via first
11 class postage, notice of class settlement, in both English and Spanish, in the form
12 approved by the Court in the Preliminary Approval Order, to all known potential Class
13 Members at their last known address and at the most recent address that may have been
14 obtained through the computer database search.

15 2. Published Notice: The Claims Administrator shall cause to be
16 published the notice of the class settlement in the form approved by the Court in the
17 Preliminary Approval Order on Class Counsel's Facebook and Twitter accounts (in
18 English and Spanish) and on the website established by the Claims Administrator.
19 Within twenty (20) days of the Preliminary Approval Date, the Claims Administrator
20 shall enable the website referenced in the previous sentence. Within thirty (30) days of
21 the Preliminary Approval Date, Class Counsel shall cause the Facebook and Twitter
22 notices to be published on Class Counsel's Facebook and Twitter feeds. The Claims
23 Administrator shall also conduct a targeted social media campaign and targeted search
24 engine advertisement campaign to provide notice to other who may be Class Members or
25 Injunctive Relief Class Members.

26 3. Class Counsel shall be responsible for all Spanish translations of the
27 notice materials.

1 **G. Best Notice Practicable**

2 The Parties agree, and the Preliminary Approval Order shall state, that compliance
3 with the procedures described in Section XII.F is the best notice practicable under the
4 circumstances and shall constitute due and sufficient notice to the Settlement Class and
5 the Injunctive Relief Class of the pendency of the Action, certification of the Settlement
6 Class and the Injunctive Relief Class, the terms of the Agreement, and the Final Approval
7 Hearing, and shall satisfy the requirements of the Federal Rules of Civil Procedure, the
8 United States Constitution, and any other applicable law.

9 **H. Inquiries from Class Members**

10 It shall be the responsibility of Class Counsel to establish procedures for receiving
11 and responding to inquiries from Class Members and Injunctive Relief Class Members
12 with respect to this Agreement. Neither Defendants nor Defendants' counsel are required
13 to respond to inquiries from Class Members or Injunctive Relief Class Members with
14 respect to this Agreement, except to refer inquiries to Class Counsel.

15 **I. Objections and Exclusions**

16 1. Objections

17 a. Class Members and Injunctive Relief Class Members
18 objecting to the terms of the Agreement must do so in writing at least thirty (30) days
19 prior to the scheduled Final Approval Hearing. The written objection must be filed with
20 the Court thirty (30) days prior to the scheduled Final Approval Hearing, as specified in
21 the Preliminary Approval Order.

22 b. The written objection must include (1) a detailed statement
23 with specificity of the reasons for the objection; (2) the objecting Class Member's or
24 Injunctive Relief Class Member's name, address, and telephone number; (3) the date and
25 location of the Operated Location at which the objecting Class Member or Injunctive
26 Relief Class Member stayed; (4) the circumstances (if any) in which the Class Member or
27 Injunctive Relief Class Member was questioned, interrogated, detained, and/or placed in
28 immigration removal proceedings by Federal Immigration Authorities; (5) whether the
29 objection applies only to the objector, to a specific subset of the class, or to the entire

1 class; and (6) any other requirements set forth in the notices described in Section XII.F.
2 Any Class Member or Injunctive Relief Class Member that fails to file a timely written
3 objection that meets the requirements of this Section XII.I.1, or any Class Member or
4 Injunctive Relief Class Member who submits a valid request for exclusion shall have
5 waived the right to object and shall have no right to file an appeal relating to the approval
6 of this settlement.

7 2. Exclusions

8 a. Class Members may exclude themselves, or opt-out, of the
9 Settlement Class. Any request for exclusion must be in the form of a written “Opt-out”
10 statement sent to the Claims Administrator. Information on how to opt-out of the
11 Settlement Class shall be made available by the Claims Administrator. A person wishing
12 to opt-out must sign a statement which includes the following language:

13 I understand that I am requesting to be excluded from the class monetary
14 settlement and that I will receive no money from the settlement entered into
15 by Motel 6. I understand that if I am excluded from the class monetary
16 settlement, I may bring a timely separate legal action seeking damages, but
17 may receive less than what I would have received if I had filed a claim
18 under the class monetary settlement procedure in this case, including
19 possibly receiving nothing. I also understand that I may not seek exclusion
20 from the class for injunctive relief and that I am bound by the injunctive
21 provisions of the Agreement entered into by Motel 6.

22 b. A Class Member choosing to opt-out of the Settlement Class
23 shall sign and date the opt-out statement and file it with the Court thirty (30) days prior to
24 the scheduled Final Approval Hearing, as specified in the Preliminary Approval Order.

1 3. Rescission of Class Member Opt-Outs

2 a. The Parties recognize that some Class Members who initially
3 submit Opt-out forms may, upon further reflection, wish to rescind such Opt-out
4 statements. Class Members may rescind their Opt-out statements by submitting a
5 “Rescission of Opt-out” statement to the Claims Administrator. The Rescission of Opt-
6 out statement shall include the following language:

7 I previously submitted an Opt-out statement seeking exclusion from the
8 class monetary settlement. I have reconsidered and wish to withdraw my
9 Opt-out statement. I understand that by rescinding my Opt-out, I may be
10 eligible to receive an award from the claims settlement fund and may not
11 bring a separate legal action against Motel 6 seeking damages.

12 b. A Class Member wishing to rescind his or her Opt-out from
13 the Settlement Class shall sign and date the Rescission of Opt-out statement and file it
14 with the Court no later than the deadline for claims filing period specified in the
15 Preliminary Approval Order.

16 c. The Claims Administrator shall retain copies of all
17 Rescissions of Opt-out statements until such time as the Claims Administrator is relieved
18 of its duties and responsibilities under this Agreement.

19 **J. Claims Administration**

20 1. The Claims Administrator shall (1) prepare and mail settlement
21 notices and claim forms to potential Class Members; (2) establish and operate a website
22 designed to provide information to and communication with potential Class Members and
23 Injunctive Relief Class Members; (3) receive and evaluate claims eligibility; (4) seek
24 additional information from claimants, when appropriate; (5) receive and file Opt-out
25 statements and objections; (6) respond to questions from potential Class Members and
26 Injunctive Relief Class Members; (7) implement the allocation plan; (8) maintain a toll-
27 free number for communicating with Class Members and Injunctive Relief Class
28 Members; and (9) perform any other duties necessary to carry out its responsibilities set
29 forth in this Agreement.

1 2. The Claims Administrator shall make claim forms available to
2 potential Class Members who submit oral, e-mail, or written requests for claim forms.
3 The Claims Administrator shall mail the requested claim form via first class postage
4 within two (2) business days after receiving a request. If Defendants, or their counsel,
5 receive requests for claim forms or for information regarding the class settlement, they
6 shall refer such requestors to the toll-free number established by the Claims
7 Administrator for the purpose of administering this Agreement. The requestors shall be
8 informed that any requests for claim forms or information should be directed to the
9 Claims Administrator. The Claims Administrator shall retain copies of all written
10 requests for claim forms and all records of oral or e-mail requests for claim forms until
11 such time as it has completed its duties and responsibilities under this Agreement.

12 **K. Submission of Claim Forms**

13 Class Members who seek monetary damages must complete a claim form and
14 cause it to be filed with the Claims Administrator by the claim filing deadline set forth in
15 the Preliminary Approval Order. The claim form must be postmarked or submitted
16 online on or before such date in order to be considered timely. All claim forms must be
17 signed under penalty of perjury to be considered. Failure to file a timely claim form, for
18 any reason whatsoever, shall bar the potential Class Member from having his or her claim
19 considered and from receiving monetary damages from the Settlement Account.
20 Potential Class Members who file a claim form must notify the Claims Administrator of
21 any change of address. A failure to notify the Claims Administrator of a change of
22 address may result in the forfeiture of a monetary award. The Claims Administrator shall
23 be available through a toll-free line and via e-mail through the website established by the
24 Claims Administrator to respond to requests from potential Class Members for assistance
25 in completing and filing claim forms. Class Counsel shall also be available to consult
26 with potential Class Members.

1 **L. Deceased Claimants**

2 Claims may be filed by deceased claimants through representatives of their estate
3 if appropriate documentation is provided. Any claims paid to a deceased claimant shall
4 be made payable to the estate of the deceased claimant.

5 **M. Determining Eligibility**

6 1. The Claims Administrator shall make the determination as to
7 whether a claim form is complete. If it is not complete, the Claims Administrator shall
8 request additional information from the claimant, if it appears that such additional
9 information would complete the claim form. Such requests for information shall be in
10 writing and shall specify the information necessary to complete the claim form. The
11 requests for information will be sent via first class mail, printed in English and Spanish,
12 and inform the claimant that a response must be returned no later than forty-five (45)
13 days from the date the request for information was mailed. The claimant must provide
14 the requested information, signed under penalty of perjury, to the Claims Administrator
15 by mail with a postmark no later than forty-five (45) days from the date of the mailed
16 request for information. Such additional information shall be considered part of the
17 original claim form and will relate back to the original filing date. The failure of a
18 claimant to timely respond to the request for information may result in the denial of the
19 claim.

20 2. Claimants who, for good cause shown, cannot submit the requested
21 information to complete the claim form, must provide the requested information, signed
22 under penalty of perjury, to the Claims Administrator by mail with a postmark no later
23 than sixty (60) days from the date of the mailed request for information.

24 **N. Late-Filed Claims**

25 1. For claims received after the filing deadline, the Claims
26 Administrator shall notify late-filing claimants that their claims are untimely and that they
27 are not eligible for any monetary award. The Claims Administrator shall also inform late-
28 filing claimants that they may seek a review of the determination that they filed untimely
29 by requesting the Claims Administrator to reconsider its determination.

1 2. The Claims Administrator may reverse its determination that a claim
2 was not timely filed only if the claimant proves that (1) the claim form was filed on or
3 before the filing deadline and that the untimeliness determination is erroneous; or (2) that
4 he or she could not timely complete the claim form due to exceptional circumstances,
5 which includes deportation, change of address, or other events that the Claims
6 Administrator may consider.

7 **O. Appeals of Claims Eligibility**

8 1. Within ninety (90) days of the close of the claims filing period, all
9 ineligible claimants shall receive written notice of their ineligibility for monetary
10 damages. Any claimants wishing to seek review of their ineligibility determinations must
11 do so by returning a written request for review to the Claims Administrator online or by
12 mail with a postmark no later than twenty-one (21) days from the date of the notice of
13 claim ineligibility. Failure to file a timely request for review shall bar a claimant from
14 challenging a determination of ineligibility.

15 2. The Claims Administrator shall resolve the requests for review based
16 on the written requests for review and any other documentation or written information
17 submitted by the claimant, or deemed necessary by the Claims Administrator. The
18 Claims Administrator may seek further written information from the claimant as to the
19 basis of their request and may consider the written arguments of Class Counsel or
20 Defendants.

21 3. The Claims Administrator shall attempt to expeditiously resolve any
22 requests for review within sixty (60) days after the filing of the request for review. The
23 Claims Administrator's decisions shall be communicated to the claimant in writing and
24 shall be binding and nonappealable.

25 **P. Claimant Information Provided by Defendants**

26 The Parties understand and agree that Defendants may possess information that
27 may assist in the determination of eligibility of potential Class Members for monetary
28 damages. Defendants shall reasonably cooperate in providing such information that
29 Class Counsel or the Claims Administrator deems reasonably necessary to assist in

1 determining the eligibility of any potential Class Member for monetary damages.
2 Defendants shall attempt to provide such information within fourteen (14) days of any
3 written requests for the information.

4 **Q. Distribution of the Monetary Damages**

5 As soon as practicable after final approval of the Agreement by the Court, the
6 Claims Administrator shall distribute the monetary damages to Class Members via first
7 class mail. The Claims Administrator shall only issue checks in the name of the Class
8 Members unless Section XII.L is applicable. Included with the check due to the Class
9 Member will be a statement showing the gross amount of the payment.

10 **R. Report from Claims Administrator**

11 Within thirty (30) days of the distribution of the monies from the Settlement Fund,
12 the Claims Administrator shall furnish an accounting of all distributions from the
13 Settlement Fund to the Court with copies to Class Counsel and Defendants.

14 **XIII. ATTORNEYS' FEES, COSTS, AND EXPENSES**

15 **A. Settlement of Fees, Costs, and Expenses**

16 Defendants shall pay Class Counsel's reasonable attorneys' fees, litigation
17 expenses, and costs in the amount of \$500,000.00 (the "Class Counsel Payment") for
18 work performed and costs and expenses incurred. This Class Counsel Payment is made
19 in full satisfaction of any arguable obligation Defendants may have at law to pay
20 attorneys' fees, litigation expenses, and costs for and/or on behalf of the Plaintiffs, Class
21 Representatives, and the Releasing Class for any and all work performed and costs and
22 expenses incurred, except for any recovery under Section X.B.8.

23 **B. Class Counsel Payment**

24 The Claims Administrator shall make the Class Counsel Payment from a
25 Settlement Account within fourteen (14) days following Effective Approval. MALDEF
26 shall have sole responsibility to distribute a portion of the Class Counsel Payment to
27 other Class Counsel. Once Defendants make the Class Counsel Payment to MALDEF,
28 no Class Counsel may assert any claim for such payments from Defendants.

1 **XIV. Miscellaneous Provisions**

2 **A. No Admission of Liability**

3 This Agreement does not constitute and shall not be deemed to be a finding or
4 determination by the Court, or an admission by any Party, regarding the merits, validity
5 or accuracy of any of the allegations, claims or defenses presented in the Action. This
6 Agreement represents the compromise of disputed claims that the Parties recognize
7 would require protracted and costly litigation to determine. Defendants deny that they
8 have engaged in any unlawful conduct of any kind associated with the claims alleged in
9 the Action, and Defendants' entry into this Agreement is not and may not be used by any
10 person in this action or any other proceeding as an admission or evidence that any Motel
11 6 Entity has on any occasion engaged in any unlawful conduct of any kind, such being
12 expressly denied. Defendants are not estopped from challenging class certification in
13 further proceedings in this action or in any other action if the Agreement is not finally
14 approved.

15 **B. Severability of the Agreement**

16 Whenever possible, each provision and term of this Agreement shall be interpreted
17 in such a manner as to be valid and enforceable; provided, however, that in the event that
18 after Effective Approval any provision or term of this Agreement should be determined
19 to be or rendered unenforceable on collateral review, all other provisions and terms of
20 this Agreement and the application to all persons and circumstances shall remain
21 unaffected to the extent permitted by law. If any application of any provisions or term of
22 this Agreement to any specific person or circumstance should be determined to be invalid
23 or unenforceable, the application of such provision or term to other persons or
24 circumstances shall remain unaffected to the extent permitted by law.

25 **C. Duty to Support and Defend the Agreement**

26 Class Representatives, Class Counsel, and Defendants each agree to abide by all of
27 the terms of this Agreement in good faith and to support it fully, and shall use Best
28 Efforts to defend this Agreement from any legal challenge, whether by appeal or
29 collateral attack.

1 **D. No Assignment**

2 Each Party represents, covenants, and warrants that he, she, or it has not directly or
3 indirectly assigned, transferred, encumbered, or purported to assign, transfer, or
4 encumber any portion of any liability, claim, demand, cause of action, or rights that he,
5 she, or it releases in this Agreement.

6 **E. Binding on Successors and Assigns**

7 This Agreement shall be binding upon and inure to the benefit of the Parties and
8 their respective heirs, trustees, executives, successors, and assigns. Without limiting the
9 generality of the foregoing, each and every covenant and agreement made by Plaintiffs
10 shall be binding upon all Class Members.

11 **F. Entire Agreement**

12 This Agreement contains the entire understanding of the Parties with respect to the
13 subject matter contained. There are no promises, representations, warranties, covenants,
14 or undertakings governing the subject matter of this Agreement other than those
15 expressly set forth in this Agreement. This Agreement supersedes all prior agreements
16 and understandings among the Parties with respect to the settlement of the Action,
17 including, but not limited to, the settlement agreement filed by the Parties with the Court
18 on November 2, 2018. This Agreement may not be changed, altered, or modified, except
19 in writing signed by the Parties; if any such change, alteration, or modification of the
20 Agreement is material, it must also be approved by the Court.

21 **G. Construction**

22 The Parties agree that the terms and conditions of this Agreement are the result of
23 lengthy, intensive, arm's-length negotiations between the Parties, and that this Agreement
24 shall not be construed in favor of or against any Party by reason of the extent to which
25 any Party, or his, her, or its counsel, participated in the drafting of this Agreement.

1 **H. Captions**

2 Titles or captions contained in this Agreement are inserted as a matter of
3 convenience and for reference, and in no way define, limit, extend, or describe the scope
4 of this Agreement or any provision.

5 **I. Class Member Signatures**

6 It is agreed that, because the Class Members are so numerous, it is impractical to
7 have each Class Member execute this Agreement. The Notice will advise all Class
8 Members of the binding nature of the releases and of the remainder of this Agreement,
9 and in the absence of a valid and timely Request for Exclusion, such Notice shall have
10 the same force and effect as if each Class Member executed this Agreement.

11 **J. Choice of Law**

12 Construction and interpretation of this Agreement shall be determined in
13 accordance with the laws of the State of Arizona, without regard to choice-of-law
14 principles.

15 **K. Counterparts**

16 This Agreement and any amendments may be executed in one or more
17 counterparts, and either Party may execute any such counterpart, each of which when
18 executed and delivered shall be deemed to be an original and both of which counterparts
19 taken together shall constitute one and the same instrument. A facsimile or PDF
20 signature shall be deemed an original for all purposes.

21 **L. Authority**

22 The signatories represent that they are fully authorized to enter into this
23 Agreement and bind the Parties to the terms and conditions of this Agreement.

24 **M. Receipt of Advice of Counsel**

25 The Parties acknowledge, agree, and specifically warrant to each other that they
26 have read this Agreement, have received legal advice with respect to the advisability of
27 entering into this settlement, and fully understand its legal effect.
