

Notification of Data Security Incident

7/28/2026

On or around June 11, 2026, Valley Kidney Specialists, P.C. ("Valley Kidney") became aware of unauthorized activity on our network. Upon discovery, we took immediate action to secure the network and engaged a team of third-party specialists to investigate the incident. Our investigation identified certain files on our network that were accessed by an unauthorized third party on June 11, 2026.

Our review of these files remains ongoing. However, we determined that they may contain protected health information and/or sensitive personal information and are providing this notice to potentially impacted individuals out of an abundance of caution. The type of information contained within the affected data may include patient names, addresses, Social Security numbers, dates of birth, dates of service/treatment, medical insurance information, medical record number, and diagnosis.

In response to this incident, Valley Kidney has partnered with forensic specialists to remediate and investigate. Valley Kidney is also reviewing its existing policies and procedures related to data security, as well as implementing new security measures to help prevent similar incidents from occurring in the future.

To obtain more information about this incident, please call our dedicated assistance line at 1-833-851-9523 Monday – Friday 8:00 AM to 8:00 PM EST (except U.S. holidays). You may also write to us at 1230 South Cedar Crest Blvd, Suites 301, 302 & 304, Allentown, PA 18103.

Although Valley Kidney has no evidence of actual or attempted fraudulent misuse of information as a result of this incident, individuals are nonetheless encouraged to monitor their credit reports, account statements, and explanation of benefits forms for suspicious activity and to detect errors. Individuals may also place a fraud alert or credit freeze by contacting the credit reporting agencies: TransUnion 1-800-680-7289, P.O.
